ENROLLED

SENATE RESOLUTION NO. 155

Commending Luck Companies.

Agreed to by the Senate, February 22, 2023

WHEREAS, for 100 years, Luck Companies has been about people—powering possibilities for associates, customers, and communities and continuing to make a positive impact on the lives of others for generations to come; and

WHEREAS, started in 1923 by Charles Luck, Jr., Luck Companies has been producing aggregates ever since, serving customers and communities across the Commonwealth and Mid-Atlantic region and now throughout the Southeastern United States; and

WHEREAS, Charles Luck, Jr., led Luck Companies with the belief that if you take care of your people, they will take care of you; and

WHEREAS, Charles Luck III continued to grow Luck Companies, always putting people first and living up to the company's motto of "We care"; and

WHEREAS, Charlie Luck IV established Luck Companies' mission to ignite human potential through the philosophy of values-based leadership; and

WHEREAS, Richard Luck is set to be a fourth-generation leader of Luck Companies, making the company part of the three percent of family-owned and operated companies globally to be in their fourth generation of family leadership; and

WHEREAS, Luck Companies began as Luck Stone with one quarry in Richmond and now operates 31 sites comprising quarries and offices across the Commonwealth, North Carolina, South Carolina, and Georgia and employs nearly one thousand people; and

WHEREAS, over the course of its history, Luck Companies has been committed to the communities in which it operates and dedicated to providing lasting partnerships, service, and simplicity to those it serves; now, therefore, be it

RESOLVED by the Senate of Virginia, That Luck Companies hereby be commended on the occasion of its 100th anniversary; and, be it

RESOLVED FURTHER, That the Clerk of the Senate prepare a copy of this resolution for presentation to Luck Companies as an expression of the Senate of Virginia's admiration for the company's commitment to its employees and contributions to economic development and environmental stewardship in the Commonwealth.
