

Department of Planning and Budget 2023 Fiscal Impact Statement

1. Bill Number: HB1691S1

House of Origin ☐ Introduced ☐ Substitute ☐ Engrossed

Second House ☐ In Committee ☒ Substitute ☐ Enrolled

2. Patron: Greenhalgh

3. Committee: Senate Finance and Appropriations

4. Title: School Resource Officer Grants Program and Fund

5. Summary: Currently, the School Resource Officer Incentive Grants Fund is disbursed to award matching grants to local law-enforcement agencies and local school boards that have established a collaborative agreement in accordance with § 22.1-280.2:3 to employ uniformed school resource officers as defined in § 9.1-101, school security officers, as defined in § 9.1-101, and other relevant school safety personnel within the relevant school division or law-enforcement agency as determined by the Department. Grants may be awarded for the expenses related to the equipment necessary for such uniformed school resource officers, school security officers, and other relevant school safety personnel and the enhancement of the school-law enforcement partnership through training and programming as determined by the Department; provided, however, that such grants shall not be used for any expense related to the purchase of firearms, handcuffs or other wrist restraints, or any stun weapon as defined in § [18.2-308.1](#).

The bill establishes that the provisions of this legislation will not become effective unless an appropriation, in excess of the appropriation pursuant to Item 408 of Chapter 2 of the Acts of Assembly of 2022, Special Session I, effectuating the purposes of this legislation is included in a general appropriation act passed in 2023 by the General Assembly that becomes law.

6. Budget Amendment Necessary: No

7. Fiscal Impact Estimates: Preliminary (see Item 8 below)

8. Fiscal Implications: According to the Department of Criminal Justice Services (DCJS), the substitute bill would allow the agency to use the Fund to fully cover the costs to equip school resource officers (SRO). Currently, the Fund covers salary and benefits costs only.

In addition to covering equipment costs, the bill would allow DCJS to use the Fund to cover the costs of SRO mentoring programs and to allow law enforcement agencies to use other safety personnel and the enhancement of the school-law enforcement partnership through training and programming as determined by the Department.

DCJS indicates that existing Fund appropriations are sufficient to cover the provisions of this bill.
