HOUSE BILL NO. 511

Offered January 10, 2024

Prefiled January 8, 2024

A BILL to amend and reenact § 54.1-2408.4 of the Code of Virginia, relating to out-of-state health care practitioners; temporary authorization to practice; assisted living facilities.

Patrons—Cohen and Bennett-Parker

Referred to Committee on Health and Human Services**Be it enacted by the General Assembly of Virginia:****1. That § 54.1-2408.4 of the Code of Virginia is amended and reenacted as follows:****§ 54.1-2408.4. Temporary authorization to practice.**

A. A health care practitioner licensed, certified, or registered in another state or the District of Columbia may temporarily practice for one 90-day period, provided that the following conditions are met:

1. The practitioner is contracted by or has received an offer of employment in the Commonwealth from a licensed hospital, a nursing home, *an assisted living facility*, a dialysis facility, the Department of Health, or a local health department;

2. The employer or contractor verifies that the out-of-state health care provider possesses an active and unencumbered license, certification, or registration for the profession in which he will be employed or contracted in another state or the District of Columbia;

3. The employer or contractor obtains a report from the National Practitioner Data Bank if the applicant is subject to reporting; and

4. Prior to the out-of-state health care practitioner's practicing, the employer or contractor notifies the appropriate health regulatory board that the out-of-state health care practitioner is employed or under contract and will practice under the temporary authorization. This notice shall include the out-of-state health care practitioner's out-of-state license, certification, or registration number and a statement that such practitioner meets all of the requirements set forth in this section.

B. If the health care practitioner practicing with a temporary authorization has submitted an application for licensure, certification, or registration, the applicable health regulatory board shall expedite such applications for out-of-state health care practitioners practicing pursuant to this section. If licensure, certification, or registration remains pending after the initial 90-day temporary authorization, the authorization may be extended for an additional 60 days, provided that the employer or contractor submits notice to the applicable health regulatory board.

C. Out-of-state health care practitioners practicing pursuant to this section shall be subject to the laws and regulations of the Commonwealth and shall be subject to disciplinary action by the applicable health regulatory board.

D. The Department of Health Professions shall, beginning July 1, 2023, annually report to the Chairmen of the Senate Committee on Education and Health and the House Committee on Health, Welfare and Institutions the number of out-of-state health care practitioners who have utilized the temporary authorization to practice pending licensure and have not subsequently been issued full licensure.
