**2. Patron:** Seibold

**3. Committee:** Education

**4. Title:** School-connected overdoses; policies relating to parental notification and response; requirements.

**5. Summary:** Requires each division superintendent or his designee to notify the parent of each student in the local school division of any school-connected overdose, defined as any verified overdose that occurs on school premises during or after regular school hours or during school-sanctioned activities whether on or off school premises, within 24 hours of learning of the overdose and to include in such notification as much information as is known about the circumstances surrounding the overdose. The bill requires the Board of Education to establish guidelines for school-connected overdose response and parental notification policies, including (a) a model action plan for each school board to follow in responding to the overdose, including communicating and coordinating with the Department of Education and the local law-enforcement liaison or local law-enforcement agency that employs the school resource officers for such school division, and (b) criteria for issuing the parental notification to ensure sensitivity to the privacy interests of any affected individuals.

**6. Budget Amendment Necessary:** No

**7. Fiscal Impact Estimates:** Preliminary, see item 8.

**8. Fiscal Implications:** It is anticipated that the Department of Education can support the work required by this bill with existing resources. Any impact to local school divisions is indeterminate.

**9. Specific Agency or Political Subdivisions Affected:** Department of Education, Board of Education, local school divisions

**10. Technical Amendment Necessary:** No

**11. Other Comments:** This bill is identical to HB1048 and SB498.
