[H 1220]

Approved April 20, 1994

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 11-41.02 as follows:

§ 11-41.02. Petition for procurement of less toxic goods and products; periodic review of procurement standards.

A. As used in this section:

"Goods and products" means goods and products that are used or consumed by an agency of the Commonwealth in the performance of its statutory functions. The term shall include, but not be limited to: (i) cleaning materials, (ii) paints and coatings, (iii) solvents, (iv) adhesives, (v) inks, and (vi) pesticides and herbicides. The term shall not include: (i) fuels, (ii) food and beverages, (iii) furniture and fixtures, (iv) tobacco products, and (v) packaging and containers.

"Less toxic goods and products" means goods and products which (i) are functionally equivalent to and (ii) contain, emit, produce, or generate, less toxic or hazardous substances, or other toxic or hazardous substances which pose less of a hazard to public health and safety, or both, than goods and products procured by the Department of General Services or other agency of the Commonwealth.

"Toxic or hazardous substance" means (i) a chemical identified on the Toxic Chemical List established pursuant to § 313 of the Emergency Planning and Community Right-to-Know Act, 42 U.S.C. § 11001 et seq. (P.L. 99-499) or (ii) a chemical listed pursuant to §§ 101 (14) or 102 of the Comprehensive Environmental Response, Compensation and Liability Act, 42 U.S.C. § 9601 et seq. (P.L. 92-500).

B. Any person who manufactures, sells, or supplies goods or products may petition the Department of General Services or other appropriate agency of the Commonwealth for the inclusion of the less toxic goods and products in its procurement process. The petitioner shall submit, prior to or during the procurement process, documentation which establishes that the goods or products meet the performance standards set forth in the applicable specifications. If the Department of General Services or other agency of the Commonwealth which receives the petition determines that the documentation establishes that the less toxic goods or products meet the performance standards set forth in the applicable specifications, it shall incorporate such goods or products into its procurement process.

C. The Department of General Services and other agencies of the Commonwealth shall review and revise their procurement procedures and specifications on a continuing basis to encourage the use of less toxic goods and products; however, nothing in this section shall require the Department or such other agencies to purchase, test or evaluate any particular goods or products. Nor shall this section require the Department to purchase goods or products other than those that would be purchased under regular procurement procedures.
