

## 1 VIRGINIA ACTS OF ASSEMBLY — CHAPTER

2 *An Act to amend and reenact § 32.1-46 of the Code of Virginia, relating to immunization of children.*

3 [H 1280]

4 Approved

5 **Be it enacted by the General Assembly of Virginia:**6 **1. That § 32.1-46 of the Code of Virginia is amended and reenacted as follows:**

7 § 32.1-46. Immunization of children against certain diseases.

8 A. The parent, guardian or person standing in loco parentis of each child within this Commonwealth  
9 shall cause such child to be immunized by vaccine against diphtheria, tetanus, whooping cough and  
10 poliomyelitis before such child attains the age of one year, against *Haemophilus influenzae* type b before  
11 he attains the age of thirty months, and against measles (rubeola), German measles (rubella) and mumps  
12 before such child attains the age of two years. *All children born on or after January 1, 1994, shall be*  
13 *required to receive immunization against hepatitis B before their first birthday.* All children shall also be  
14 required to receive a second dose of measles rubeola vaccine in accordance with the regulations of the  
15 Board. The Board's regulations shall require that all children receive a second dose of measles (rubeola)  
16 vaccine prior to first entering kindergarten or first grade and that all children who have not yet received  
17 a second dose of measles (rubeola) vaccine receive such second dose prior to entering the sixth grade.  
18 The parent, guardian or person standing in loco parentis may have such child immunized by a physician  
19 or may present the child to the appropriate local health department which shall administer the required  
20 vaccines without charge.

21 B. A physician or local health department administering a vaccine required by this section shall  
22 provide to the person who presents the child for immunizations a certificate which shall state the  
23 diseases for which the child has been immunized, the numbers of doses given, the dates when  
24 administered and any further immunizations indicated.

25 C. The vaccines required by this section shall meet the standards prescribed in, and be administered  
26 in accordance with, regulations of the Board.

27 D. The provisions of this section shall not apply if:

28 1. The parent or guardian of the child objects thereto on the grounds that the administration of  
29 immunizing agents conflicts with his religious tenets or practices, unless an emergency or epidemic of  
30 disease has been declared by the Board, or

31 2. The parent or guardian presents a statement from a physician licensed to practice medicine in  
32 Virginia which states that the physical condition of the child is such that the administration of one or  
33 more of the required immunizing agents would be detrimental to the health of the child.
