HOUSE BILL NO. 202

AMENDMENT IN THE NATURE OF A SUBSTITUTE

(Proposed by the Senate Committee on Finance
on March 1, 1994)

(Patron Prior to Substitute—Delegate Ball)

A BILL to authorize the issuance of Commonwealth of Virginia Parking Facilities Bonds, subject to the provisions of Section 9(c) of Article X of the Constitution of Virginia, in an amount not to exceed \$1,637,000, plus amounts needed to fund issuance costs, reserve funds and other financing expenses, for the purpose of providing funds with any other available funds for paying the costs of renovating and expanding specific revenue-producing parking facilities administered by the Department of General Services; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds and to provide for the sale of such bonds at public or private sale; to provide for the pledge of the net revenues of the Department of General Services Parking Facilities System and the full faith, credit and taxing power of the Commonwealth for the payment of the principal of and the interest on such bonds; to provide that such bonds shall be exempt from all taxation by the Commonwealth and any political subdivision thereof; and to repeal Chapters 852 and 863 of the Acts of Assembly of 1990.

Whereas, Section 9(c) of Article X of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including the enlargement or improvement thereof, of institutions and agencies administered solely by the executive branch of the Commonwealth; and

Whereas, the facilities described herein will be two parking facilities operated by the Virginia Department of General Services, an agency administered solely by the executive branch of the Commonwealth; and

Whereas, in accordance with the provisions of Section 9(c) of Article X of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of the Department of General Services Parking Facilities System to be pledged to the payment of the principal of, and the interest on such debt issued for each of the capital projects set forth below will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Section 9(c) of Article X of the Constitution of Virginia; now, therefore,

Be it enacted by the General Assembly of Virginia:

The General Assembly may from time to time authorize the issuance of additional bonds in accordance with the Constitution of Virginia secured by a pledge of the net revenues of the Department of General Services Parking Facilities System which is equal and ratable to the pledge of net revenues which secure these bonds.

§ 9. The Virginia Department of General Services is hereby authorized (i) to fix, revise, charge and collect rates, fees and charges for or in connection with the use, occupation and services of each capital project mentioned above or the system of which such capital project is a part and (ii) to pledge such rates, fees and charges remaining after payment of (a) the expenses of operating the project or system, as the case may be, and (b) the expenses related to all other activities funded by the parking fee or other rates, fees and charges, if applicable, to the payment of the principal of, premium, if any, and interest on the portion of the bonds issued for such capital project. The Virginia Department of General Services is further authorized to create debt service and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and other reserves required by any agency of the United States of America purchasing the bonds or any portion thereof.

§ 10. The net revenues of the Department of General Services Parking Facilities System and the full faith, credit and taxing power of the Commonwealth are hereby irrevocably pledged for the payment of the principal of and the interest on the bonds and the bond anticipation notes herein authorized. In the event the net revenues pledged hereby are insufficient in any fiscal year for the timely payment of the principal of, premium, if any, and the interest on the bonds or bond anticipation notes herein authorized, the General Assembly shall appropriate a sum sufficient therefor or the Governor shall direct payment therefor from the general fund revenues of the Commonwealth.

§ 11. The interest income on the bonds and bond anticipation notes issued under the provisions of this act shall at all times be exempt from taxation by the Commonwealth and by any county, city or town, or other political subdivision thereof.

§ 12. All bonds and notes issued under the provisions of this act are hereby made securities in which all public officers and bodies of the Commonwealth, all counties, cities, towns, and political subdivisions, all insurance companies and associations, all savings banks and savings institutions, including all savings and loan associations, trust companies, beneficial and benevolent associations, administrators, guardians, executors, trustees, and other fiduciaries in the Commonwealth may properly and legally invest funds under their control.

§ 13. The bonds issued under the provisions of this act may be refunded by refunding bonds authorized and issued in accordance with the provisions of Chapters 265 and 408 of the 1992 Acts of Assembly.

2. That Chapters 852 and 863 of the Acts of Assembly of 1990 are repealed, provided that such repeal shall not operate to invalidate, alter the security, or prohibit the refunding of bonds heretofore issued pursuant to such act.

3. That an emergency exists and this act is in force from its passage.
