HOUSE BILL NO. 313

Offered January 19, 1994

A BILL to amend and reenact § 46.2-1077 of the Code of Virginia, relating to televisions in motor vehicles.

Patrons—Purkey and Rollison

Referred to Committee on Roads and Internal Navigation

Be it enacted by the General Assembly of Virginia:

1. That § 46.2-1077 of the Code of Virginia is amended and reenacted as follows:

§ 46.2-1077. Motor vehicles not to be equipped with television within view of driver.

No motor vehicle registered in the Commonwealth of Virginia shall be equipped with, nor shall there be used therein, a television receiver forward of the driver's seat or the screen of which would otherwise be visible to the driver while driving the vehicle. The operator of a motor vehicle which is not required to be registered in Virginia shall not operate a television receiver which violates the provisions of this section while driving in the Commonwealth.

The prohibitions contained in the foregoing provisions of this section shall not, however, include:

- 1. Electronic displays used in conjunction with vehicle navigation systems;*
- 2. Closed circuit video monitors designed to operate only in conjunction with dedicated video cameras and used in rear-view systems on trucks and motor homes; and*
- 3. Television receivers or monitors used in government-owned vehicles by law-enforcement officers in the course of their official duties.*
