ENGROSSED

HB857E

60 There is hereby created a political subdivision and public body corporate and politic of the  
61 Commonwealth of Virginia to be known as the "Spotsylvania County Toll Road Authority," hereinafter  
62 referred to as the "Authority," to be governed by a Board of Directors consisting of seven members to  
63 be appointed by the Board of Supervisors of Spotsylvania County. The members of the Board shall be  
64 appointed for terms of four years and until their successors have been appointed and are qualified;  
65 however, initial appointments may be for more or less than four years so as to stagger the Board.  
66 Vacancies in the membership of the Board shall be filled by the appointment of the governing body of  
67 Spotsylvania County for the unexpired portion of the term. The Board so appointed shall enter upon the  
68 performance of its duties and shall initially and annually thereafter elect one of its members as  
69 Chairman and another as Vice Chairman, and shall also elect annually a Secretary or  
70 Secretary-Treasurer who need not be a member of the Board. The Chairman, or in his absence the Vice  
71 Chairman, shall preside at all meetings of the Board, and in the absence of both the Chairman and Vice  
72 Chairman, the Board shall elect a Chairman pro tempore who shall preside at such meetings. Four  
73 Directors shall constitute a quorum, and all action by the Board shall require the affirmative vote of a  
74 majority of the Directors present and voting. The members of the Board shall be entitled to  
75 reimbursement for expenses incurred in attendance upon meetings of the Board or while otherwise  
76 engaged in the discharge of their duties, and each member shall also be paid the sum of twenty-five  
77 dollars per day for each day or portion thereof during which he is engaged in the performance of his  
78 duties. Such expenses and compensation shall be paid out of the treasury of the Authority in such  
79 manner as shall be prescribed by the Authority.

80 § 3. Powers of the Authority.

81 In order to alleviate highway congestion, promote highway safety, expand highway construction,  
82 increase the utility and benefits and extend the services of public highways, including bridges, tunnels  
83 and other highway facilities, both free and toll, and otherwise contribute to the economy, industrial and  
84 agricultural development and welfare of the Commonwealth and the County of Spotsylvania, the  
85 Authority shall have the following powers:

86 1. To contract and be contracted with; to sue and be sued; and to adopt and use a seal and to alter  
87 the same at its pleasure;

88 2. To acquire and hold real or personal property necessary or convenient for its purposes;

89 3. To sell, lease or otherwise dispose of any personal or real property or rights, easements or estates  
90 therein deemed by the Authority not necessary for its purposes;

91 4. To purchase, construct or otherwise acquire, maintain, repair and operate, or cause to be  
92 repaired, maintained and operated, controlled access express highways or super highways, within the  
93 boundaries of the County of Spotsylvania, including all bridges, tunnels, overpasses, underpasses, grade  
94 separations, interchanges, entrance plazas, approaches, approach roads, tollhouses and administration,  
95 storage and other buildings and facilities which the Authority may deem necessary or convenient for the  
96 operation of such controlled access express highways or super highways. Title to any property acquired  
97 by the Authority shall be taken in the name of the Authority;

98 5. With the approval of the Board of Supervisors of the County of Spotsylvania, to own, operate and  
99 maintain rapid transit facilities for the transportation of the public, and to enter into contracts with any  
100 public service corporations doing business as common carriers of passengers and property for the use  
101 of Authority facilities for such purpose, and to construct, acquire, operate and maintain any other  
102 properties and facilities for the relief of traffic congestion or to promote the flow of commerce that the  
103 Board of Supervisors of Spotsylvania County may request the Authority to provide;

104 6. To acquire by the exercise of the power of eminent domain any lands, property, rights,  
105 rights-of-way, franchises, easements and other property, including public lands, parks, playgrounds,  
106 reservations, highways, or parkways, or parts thereof or rights therein, of any person, copartnership,  
107 association, railroad, public service, public utility or other corporation, or of any municipality, county  
108 or other political subdivision, deemed necessary or convenient for the construction or the efficient  
109 operation of the Project or necessary in the restoration, replacement or relocation of public or private  
110 property damaged or destroyed, whenever a reasonable price cannot be agreed upon with the governing  
111 body of such municipality, county or other political subdivision as to such property owned by it, or  
112 whenever the Authority cannot agree on the terms of purchase or settlement with the other owner or  
113 owners because of the incapacity of such owner or owners or because of the inability to agree on the  
114 compensation to be paid or other terms of settlement or purchase, or because such owner or owners are  
115 nonresidents of the Commonwealth, or are unknown, or are unable to convey valid title to such  
116 property. Such proceedings shall be in accordance with and subject to the provisions of any and all  
117 laws of the Commonwealth applicable to the exercise of the power of eminent domain by the  
118 Department of Transportation as fully as if the Authority were a corporation possessing the power of  
119 eminent domain; however, title to any property condemned by the Authority shall immediately vest in the  
120 Authority and the Authority shall be entitled to the immediate possession of such property upon the  
121 deposit with the clerk of the court in which such condemnation proceedings are originated, of the total

amount of the appraised price of the property and court costs and fees as provided by such laws, notwithstanding that any of the parties to such proceedings shall appeal from any decision in such condemnation proceeding. Whenever the Authority shall make such deposit in connection with any condemnation proceeding, the making of such deposit shall not preclude the Authority from appealing any decision rendered in such proceedings. Upon the deposit with the clerk of the court of the appraised price, any person or persons entitled thereto may, upon petition to the court, be paid his or their pro rata share of ninety percent of such appraised price. The acceptance of such payment shall not preclude such person or persons from appealing any decision rendered in such proceedings. If the appraisal is greater or less than the amount finally determined by the decision in such proceeding or by an appeal, the amount of the increase or decrease shall be paid by or refunded to the Authority.

The terms "appraised price" and "appraisal" as used in this section mean the value determined by two competent real estate appraisers appointed by the Authority for such purposes.

The acquisition of any such property by condemnation or by the exercise of the power of eminent domain shall be and is hereby declared to be a public use of such property.

7. To determine the location of any controlled access express highways or super highways constructed or acquired by the Authority, subject to the approval of the Department of Transportation and to determine the design standards and materials of construction of such highways;

8. To designate with the approval of the Department of Transportation the location in the County of Spotsylvania, and to establish, limit and control such points of ingress to and egress from any limited access highway constructed by the Authority within the county as may be necessary or desirable in the judgment of the Authority to insure the proper operation and maintenance of such highway; to prohibit entrance to and exit from such highway from any point or points not so designated; and to construct, maintain, repair and operate service roads connecting with points of ingress to and egress from such highway at such locations in the County of Spotsylvania as may be designated by the Authority;

9. To connect any highway constructed or acquired by the Authority with other highways or toll roads with the approval of the Department of Transportation and the owner of such other toll roads, at such location or locations as shall be mutually agreed upon;

10. To make and enter into all contracts and agreements necessary or incidental to the performance of its duties and the execution of its powers under this act, including contracts or agreements authorized by this act with the Department of Transportation and the County of Spotsylvania;

11. To construct grade separations at intersections of any limited access highway constructed by the Authority with public highways, streets or other public ways or places, and to change and adjust the lines and grades thereof so as to accommodate the same to the design of the grade separation; the cost of such grade separations and any damage incurred in changing and adjusting the lines and grades of such highways, streets, ways and places shall be ascertained and paid by the Authority as part of the cost of such highway;

12. To vacate or change the location of any portion of any public highway, street or other public way or place, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole and other equipment and appliances of the Commonwealth or of the County of Spotsylvania, and to reconstruct the same in such new location as shall be designated by the Authority, and of substantially the same type and in as good condition as the original highway, street, way, place, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole, equipment or appliance; the cost of such reconstruction and any damage incurred in vacating or changing the location thereof shall be ascertained and paid by the Authority as a part of the cost of the project in connection with which such expenditures are made; and any public highway, street, or other public way or place vacated or relocated by the Authority shall be vacated or relocated in the manner provided by law for the vacation or relocation of public roads, and any damages awarded on account thereof shall be paid by the Authority as a part of the cost of the project;

13. To enter upon any lands, waters and premises for the purpose of making such surveys, soundings, borings and examinations as the Authority may deem necessary or convenient for its purposes, and such entry shall not be deemed a trespass, nor shall an entry for such purposes be deemed an entry upon any condemnation proceedings; however, the Authority shall pay any actual damage resulting to such lands, water and premises as a result of such entry and activities;

14. To operate or permit the operation of vehicles for the transportation of persons or property for compensation on any limited access highway constructed or acquired by the Authority, provided the State Corporation Commission or the Interstate Commerce Commission shall not be divested of jurisdiction to authorize or regulate the operation of such carriers;

15. To establish reasonable regulations for the installation, construction, maintenance, repair, renewal, relocation and removal of pipes, mains, sewers, conduits, cables, wires, towers, poles and other equipment and appliances, herein referred to as "public utility facilities," of the County of Spotsylvania and of public utility and public service corporations and of any person, firm or other corporation rendering similar services, owning or operating public utility facilities in, on, along, over or under

highways constructed by the Authority; and whenever the Authority shall determine that it is necessary that any public utility facilities should be relocated or removed, the Authority may relocate or remove the public utility facilities in accordance with the regulations of the Authority and the cost and expense of such relocation or removal, including the cost of installing the public utility facilities in a new location or locations and the cost of any lands or any rights or interests in lands and any other rights acquired to accomplish such relocation or removal shall be paid by the Authority as a part of the costs of such highway, and the owner or operator of the public utility facilities may maintain and operate the public utility facilities with the necessary appurtenances in the new location or locations for as long a period and upon the same terms and conditions as it had the right to maintain and operate the public utility facilities in their former location or locations;

16. To borrow money and issue bonds, notes or other evidences of indebtedness for any of its corporate purposes as provided in this act payable solely from the revenues pledged for the payment of such bonds, notes or other evidences of indebtedness;

17. To fix, charge and collect fees, tolls, rents, rates and other charges for the use of Authority facilities and the several parts or sections thereof;

18. To establish rules and regulations for the use of any of the Authority facilities as may be necessary or expedient in the interest of public safety with respect to the use of Authority facilities and property under the control of the Authority;

19. To employ consulting engineers, attorneys, accountants, construction and financial experts, superintendents, managers, trustees, depositories, paying agents and such other employees and agents as may be necessary in the discretion of the Authority to construct, acquire, maintain and operate Authority facilities and to fix their compensation;

20. To receive and accept from any federal agency for or in aid of the construction of any Authority facility, and to receive and accept from the Commonwealth, or the County of Spotsylvania and from any other source, grants, contributions or other aid in such construction, or for operation and maintenance, either in money, property, labor, materials or other things of value; and

21. To do all other acts and things necessary or convenient to carry out the powers expressly granted in this act.

#### § 4. Issuance of revenue bonds.

The Authority is hereby authorized to provide by resolution for the issuance from time to time of revenue bonds of the Authority for the purpose of paying all or any part of the cost of Authority facilities or any project or portion of such facilities. The principal of and interest on such bonds shall be payable solely from the revenues pledged for such payment. The bonds of each issue or series shall be dated, shall bear interest at such rate or rates as the Board shall accept or approve and are permitted by law, shall mature at such time or times not exceeding fifty years from the date or dates thereof, as may be determined by the Authority and may contain provisions reserving the right of the Authority to redeem such bonds before maturity at such price or prices and upon such terms and conditions as may be fixed by the Authority in the resolution authorizing such bonds. Such bonds may be issued in coupon or registered form or both as prescribed by the Authority, and provisions may be made for the registration of coupon bonds as to principal only or as to both principal and interest and for the reconversion of registered bonds into coupon bonds. Such bonds may be issued in any denomination or denominations and may be made payable at any bank or trust company within or without the Commonwealth as the Authority may determine. Such bonds and the coupons attached to coupon bonds shall be signed in such manner either manually or by facsimile signature as shall be determined by the Authority, and sealed with the seal of the Authority or a facsimile thereof. In case any officer whose signature or facsimile thereof shall appear on any bonds or coupons shall cease to be such officer before the delivery of such bonds, such signature or such facsimile signature shall nevertheless be valid and sufficient for all purposes, the same as if such officer or officers had remained in office until the delivery thereof. The Authority may sell such bonds in such manner either at public or private sale and for such price or prices as the Authority may determine. Prior to the preparation of definitive bonds, the Authority may issue interim receipts or temporary bonds, with or without coupons, exchangeable for definitive bonds when such bonds shall have been executed and are available for delivery. The Authority may also provide for the replacement of any bonds which shall have become mutilated or shall be destroyed or lost.

#### § 5. Rates and charges.

Whenever the Authority shall have constructed or otherwise acquired Authority facilities and has issued bonds for such purpose, the Authority shall fix, revise, charge and collect fees, tolls, rents, rates and other charges for the use of such facilities and the different parts or sections thereof, sufficient, together with any other moneys made available and used for that purpose, to pay the principal of and interest on such bonds, together with reserves for such purposes, and to maintain and operate such facilities and to keep the same in good condition and repair. Such fees, tolls, rents, rates and other charges shall not be subject to supervision or regulation by any commission, board, bureau or agency

of the Commonwealth or of any municipality, county or other political subdivision of the Commonwealth, and all revenues, when collected, and the proceeds from the sale of revenue bonds, shall be held by the Authority in trust for the benefit of the holders of bonds of the Authority issued for the construction or acquisition of Authority facilities and for the proper maintaining, operating and repairing the Authority facilities.

Revenue bonds issued under the provisions of this act shall not be deemed to constitute a debt of the Commonwealth or of the County of Spotsylvania or a pledge of the faith and credit of the Commonwealth or of the County of Spotsylvania, and shall be payable solely from the funds provided therefor from revenues.

#### § 6. Refunding bonds.

The Authority is hereby authorized by resolution to provide for the issuance of refunding revenue bonds with which to refund outstanding revenue bonds or any issue or series of such outstanding bonds, which refunding revenue bonds may be issued at or before the maturity or redemption date of the bonds to be refunded, and to include different issues or series of such outstanding revenue bonds by a single issue of refunding revenue bonds, and to issue refunding revenue bonds to pay any redemption premium and interest to accrue and become payable on the outstanding revenue bonds being refunded to the date of payment or redemption, and to establish reserves for such refunding revenue bonds. Such refunding revenue bonds shall be payable solely from all or that portion of the revenues of the Authority facilities pledged to the payment thereof in the bond resolution pursuant to which the bonds were issued. Such refunding revenue bonds may, in the discretion of the Authority, be exchanged at par for the revenue bonds which are being refunded, or may be sold at public or private sale in such manner and at such price or prices as the Authority shall deem for the best interests of the Authority with such interest rate as may be permitted by law. The proceeds derived from the sale of refunding revenue bonds issued under this act shall be invested in obligations of or guaranteed by the United States Government pending the application of such proceeds to the purpose for which such refunding revenue bonds have been issued, and to further secure such refunding revenue bonds the Authority may contract with the purchasers thereof with respect to safekeeping and application of the proceeds thereof and the safekeeping and application of the earnings of such investments. The determination of the Authority with respect to the financial soundness and advantage of the issuance and delivery of refunding revenue bonds authorized under this act shall be conclusive, but nothing herein contained shall require the holders of any outstanding revenue bonds being refunded to accept payment thereof otherwise than as provided in the outstanding bonds.

#### § 7. Trust agreement.

In the discretion of the Authority any bonds issued under the provisions of this act may be secured by a trust agreement or indenture by and between the Authority and a corporate trustee, which may be any trust company or bank having the powers of a trust company within or without the Commonwealth to be selected by the Authority in such manner as it may elect. Such trust agreement or the resolution providing for the issuance of such bonds may pledge or assign all or any portion of the tolls and other revenues to be received by the Authority from the ownership and operations of Authority facilities; but shall not convey or mortgage any Authority facilities or any part thereof. It shall be lawful for any bank or trust company incorporated under the laws of the Commonwealth which may act as the depository of the proceeds of bonds or of revenue to furnish such indemnifying bonds or to pledge such securities as may be required by the Authority. Any such resolution, trust agreement or indenture may set forth the rights and remedies of the bondholders and of the trustee, and may restrict the individual right of action by bondholders. In addition to the foregoing, any such resolution, trust agreement or indenture may contain such other provisions as the Authority may deem reasonable and proper for the security of the bondholders. All expenses incurred in carrying out the provisions of such trust agreement or resolution may be treated as a part of the cost of the operation of the Authority facilities or portion thereof.

All or any portion of the revenues derived from the ownership and operation of Authority facilities, as may be provided for in the resolution authorizing the issuance of such bonds or in the trust agreement or indenture securing the same, may be pledged to, and charged with, the payment of the principal of and the interest on such bonds as the same shall become due, and the redemption price or the purchase price of bonds retired by call or purchase as therein provided. Such pledge shall be valid and binding from the time when the pledge is made; the revenues or other moneys so pledged and thereafter received by the Authority shall immediately be subject to the lien of such pledge without any physical delivery thereof or further act, and the lien of any such pledge shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the Authority, irrespective of whether such parties have notice thereof. Neither the resolution nor any trust agreement nor indenture by which a pledge is created need be filed or recorded except in the records of the Authority.

#### § 8. Covenants to secure bonds.

306 Any resolution authorizing the issuance of bonds of the Authority may, for the benefit and security of  
307 the holders from time to time of such bonds, contain covenants by the Authority for said purpose,  
308 including covenants as to, among other things:

309 1. The operation, maintenance and repair of the Authority facilities;

310 2. The purpose or purposes to which the proceeds of the sale of such bonds may be applied and the  
311 use and disposition thereof;

312 3. The use and disposition of the revenues of the Authority derived from the ownership or operation  
313 of Authority facilities and additions, betterments and extensions thereof, including the investment thereof  
314 and the creation and maintenance of reserve funds and funds for working capital and all renewals and  
315 replacements to Authority facilities;

316 4. The amount, if any, of additional revenue bonds payable from such revenues which may be issued  
317 and the terms and conditions on which such additional revenue bonds may be issued;

318 5. Fixing, maintaining, collection and deposit of fees, tolls, rents, rates and other charges for all the  
319 services sold, furnished or supplied by the Authority facilities;

320 6. The operation, maintenance, repair, management, accounting and auditing of the Authority;

321 7. Limitations upon the right of the Authority to dispose of Authority facilities or any part thereof  
322 without providing for the payment of the outstanding revenue bonds;

323 8. The appointment of trustees, depositaries and paying agents within or without the Commonwealth  
324 to receive, hold, disburse, invest or reinvest the proceeds derived from the sale of revenue bonds and all  
325 or any part of the revenues derived by the Authority from the operation, ownership and management of  
326 the Authority facilities; and

327 9. Such other covenants and agreements as may be determined necessary in the discretion of the  
328 Authority to advantageously market the revenue bonds of the Authority.

329 § 9. Revenue bonds eligible for investment.

330 Bonds issued by the Authority under the provisions of this act are hereby made securities in which  
331 all public officers and public bodies of the Commonwealth and its political subdivisions, all insurance  
332 companies, trust companies, banks, banking associations, investment companies, executors,  
333 administrators, trustees and other fiduciaries may properly and legally invest funds, including capital, in  
334 their control or belonging to them. Such bonds are also hereby made securities which may properly and  
335 legally be deposited with and received by any Commonwealth or municipal officer or any agency or  
336 political subdivision of the Commonwealth for any purpose for which the deposit of bonds or obligations  
337 is now or may hereafter be authorized by law.

338 § 10. Authority obligations to be negotiable instruments; enforcement of bonds.

339 Notwithstanding the provisions of this act, or any provisions of the laws of the Commonwealth, and  
340 any recitals in any bonds, interim receipts or any other obligations issued under the provisions of this  
341 act, all such bonds, interim receipts or other obligations shall be deemed to be negotiable instruments  
342 under the laws of this Commonwealth. The provisions of this act, and of any resolution or resolutions or  
343 indentures providing for the issuance and security of any revenue bonds, interim receipts or other  
344 obligations issued as herein set forth, shall constitute a contract with the holder or holders of any such  
345 revenue bonds, interim receipts or other obligations, and the agreements and covenants of the Authority  
346 under this act and under any such resolution, resolutions or indentures shall be enforceable by any  
347 holder or holders of revenue bonds, interim receipts or other obligations issued under the provisions of  
348 this act and any representative of such holder or holders, and any trustee appointed under the bond  
349 resolution and authorized so to do may, by suit, action, injunction, mandamus or other proceeding  
350 issued by a court of competent jurisdiction, enforce any and all rights of such holders under the laws of  
351 the Commonwealth or granted by this act and in any such bond resolution or indenture, and may  
352 compel performance of all duties required to be performed by this act and by such bond resolutions or  
353 indenture by the Authority or by any officer or agent thereof, including the fixing, charging and  
354 collecting of fees, tolls, rents, rates and other charges for the use of the Authority facilities.

355 § 11. Exemption from taxation.

356 All property, real and personal, and all rights and interests therein and the income of the Authority,  
357 the revenue bonds and the interest thereon, and the transfer thereof and any profit made on the sale  
358 thereof, shall at all times be free from taxation or assessment by the Commonwealth and by any  
359 municipality, county or other political subdivision thereof.

360 § 12. General powers of the County of Spotsylvania.

361 The County of Spotsylvania is hereby authorized and empowered to enter into and perform contracts  
362 or agreements with the Authority providing for furnishing to the Authority one or more of the following  
363 cooperative undertakings or any combination thereof:

364 1. The preparation, acquisition, loan or exchange of survey, engineering, borings, construction and  
365 other technical reports, studies, plans and data;

366 2. The providing of engineering, planning and other professional and technical services, labor or  
367 other things of value;

3. The construction, in whole or in part, of public highways, bridges, tunnels, viaducts, interchanges, connecting roads, grade crossings and other highway facilities;

4. The providing of funds in lump sums or installments to assist in paying the cost of any Authority facility or the operation and maintenance thereof;

5. The acquisition and transfer to the Authority of land, including easements, rights-of-way or other property, useful in the construction, operation or maintenance of any Authority facility;

6. The making of payments or contributions to the Authority for the use of or in compensation for the services rendered by any Authority facility in lieu of the payment of tolls or other charges therefor, and such payments and contributions shall be deemed revenues of the Project to the same extent as the tolls, rentals, fees and other charges collected in the operation of the Project;

7. When requested by the Authority, to vacate or change the location of any public highway, street or other public way or place, or any portion thereof, public utility, sewer, pipe, main, conduit, cable, wire, tower, pole and other equipment or appliance owned or controlled by or under the jurisdiction of the County of Spotsylvania, in the manner required or authorized by law conferring such power on the County of Spotsylvania, and to construct the same in such new location as shall be designated by the governing body of the County of Spotsylvania, and the cost of vacating or changing the location or reconstruction thereof and any damages resulting therefrom required to be paid by the County of Spotsylvania shall be reimbursed by the Authority as a part of the cost of the project in connection with which such expenditures have been made; and

8. The connection of any Project of the Authority with the streets, highways, roads and other public ways in the County of Spotsylvania.

§ 13. Powers of the County of Spotsylvania with respect to revenue bonds issued by the Authority.

A. That the County of Spotsylvania is hereby authorized and empowered to enter into and perform from time to time contracts and agreements with the Authority to aid the Authority to pay the principal of and interest on revenue bonds or revenue refunding bonds issued by the Authority if, when, and as the revenues of the Authority may not be sufficient to pay such principal or interest when due. No such contract or agreement shall be deemed to be lending or granting credit to or in aid of any person, association, company or corporation nor shall any such contract or agreement be deemed to be a pledge of the faith and credit or of the taxing power of the County of Spotsylvania for the payment of such principal or interest except as may be otherwise provided in such contracts or agreements. Any holder of bonds, notes, certificates or other evidences of borrowing issued by the Authority under the provisions of this act or of any coupons appertaining thereto, and the representatives of such holders and the trustee under any bond resolution or indenture, may either at law or in equity, by suit, action, mandamus or other proceedings, protect and enforce any and all rights of the Authority under or by virtue of any such contract or agreement.

B. That funds to perform any such contract or agreement may be provided from time to time by the County of Spotsylvania by appropriations of general or specific tax revenue, or by appropriations of accumulated funds allocated for public improvements generally, or allocated to the purposes of such contract or agreement, or by appropriations of the proceeds from the sale of bonds, which may be issued from time to time as hereinafter provided.

C. The County of Spotsylvania may issue bonds for the purpose of providing funds to perform any contract or agreement entered into with the Authority pursuant to the provisions of this act. Such bonds shall mature at such time or times not exceeding forty years from their date or dates, as may be determined by the governing body of the County of Spotsylvania, and may be redeemable before maturity, at the option of the governing body of the County of Spotsylvania, at such price or prices and under such terms and conditions as may be prescribed by such governing body prior to the issuance of the bonds. The County of Spotsylvania may provide for the issuance of refunding bonds for the purpose of refunding any outstanding bonds which shall have been issued pursuant to the provisions of this subsection, including the payment of any redemption premium thereon, and any interest accrued or to accrue to the date of redemption of such bonds.

D. The authority of the County of Spotsylvania to contract and to issue bonds pursuant to this act is additional to any existing authority to contract and issue bonds under the laws of the Commonwealth.

E. 450 authorized and empowered to lease, lend, grant or convey to the Authority at its request upon such  
451 terms and conditions as the governing body of the County of Spotsylvania, or the proper authorities of  
452 such agencies or commissions of the Commonwealth may deem reasonable and fair and without the
