6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 38.2-1905 of the Code of Virginia is amended and reenacted as follows:**

8 § 38.2-1905. Motor vehicle insurer not to charge points or increase premiums in certain instances.

9 A. No insurer may increase its insured's premium or may charge points under a safe driver insurance
10 plan to its insured as a result of a motor vehicle accident unless the accident was caused either wholly
11 or partially by the named insured, a resident of the same household, or other customary operator. No
12 insurer may increase its insured's premium or may charge points to its insured where the operator
13 causing the accident is a principal operator insured under a separate policy. Any insurer increasing a
14 premium or charging points as a result of a motor vehicle accident shall notify the named insured in
15 writing and in the same notification shall inform the named insured that he may appeal the decision of
16 the insurer to the Commissioner if he feels his premium has increased or he has been charged points as
17 a result of a motor vehicle accident without just cause.

18 B. An appeal of a premium increase or of a point charge by the named insured shall be requested in
19 writing within sixty days of receipt of the notice of any premium adjustment or of any point charge
20 resulting from a motor vehicle accident. Upon receipt of the request, the Commissioner shall promptly
21 initiate a review to determine whether the premium increase or the point charge is justified. The
22 premium increase or the point charge shall remain in full force and effect until the Commissioner rules
23 that the premium be adjusted or the point charge be removed because it is not justified, or because the
24 point charge was not assigned in accord with the insurer's filed rating plan, and so notifies the insurer
25 and the insured. Upon receipt of the ruling, the insurer shall promptly refund any premiums paid as a
26 direct result of the premium increase or the point charge, and shall adjust future billings to reflect the
27 Commissioner's ruling.

28 C. On and after January 1, 1991, no insurer shall assign points under a safe-driver insurance policy
29 to any vehicle other than the vehicle customarily driven by the operator responsible for incurring points.

30 D. *If an insured is a law-enforcement officer, as defined in subdivision 9 of § 9-169, no insurer may*
31 *increase such insured's personal insurance premium or may charge points under a safe driver insurance*
32 *plan to such insured as a result of an accident which occurred in the course of the insured's*
33 *employment as a law-enforcement officer while the insured was driving a motor vehicle provided by the*
34 *employing law-enforcement agency and was engaged in a law-enforcement activity at the time of such*
35 *accident.*
