Referred to Committee on Labor and Commerce

Be it enacted by the General Assembly of Virginia:

1. That § 65.2-101 of the Code of Virginia, as it is currently effective and as it may become effective, is amended and reenacted as follows:

§ 65.2-101. (For effective date - See note) Definitions.

As used in this title:

"Award" means the grant or denial of benefits or other relief under this title or any rule adopted pursuant thereto.

"Average weekly wage" means:

A. 1. The earnings of the injured employee in the employment in which he was working at the time of the injury during the period of fifty-two weeks immediately preceding the date of the injury, divided by fifty-two; but if the injured employee lost more than seven consecutive calendar days during such period, although not in the same week, then the earnings for the remainder of the fifty-two weeks shall be divided by the number of weeks remaining after the time so lost has been deducted. When the employment prior to the injury extended over a period of less than fifty-two weeks, the method of dividing the earnings during that period by the number of weeks and parts thereof during which the employee earned wages shall be followed, provided that results fair and just to both parties will be thereby obtained. When, by reason of a shortness of time during which the employee has been in the employment of his employer or the casual nature or terms of his employment, it is impractical to compute the average weekly wages as above defined, regard shall be had to the average weekly amount which during the fifty-two weeks previous to the injury was being earned by a person of the same grade and character employed in the same class of employment in the same locality or community.

2. When for exceptional reasons the foregoing would be unfair either to the employer or employee, such other method of computing average weekly wages may be resorted to as will most nearly approximate the amount which the injured employee would be earning were it not for the injury.

B. Whenever allowances of any character made to an employee in lieu of wages are a specified part of the wage contract, they shall be deemed a part of his earnings. For the purpose of this title, the average weekly wage of the members of the Virginia National Guard and the Virginia State Defense Force, registered members on duty or in training of the United States Civil Defense Corps of this Commonwealth, and forest wardens shall be deemed to be such amount as will entitle them to the maximum compensation payable under this title; however, any award entered under the provisions of this title on behalf of members of the National Guard or their dependents, or registered members on duty or in training of the United States Civil Defense Corps of this Commonwealth or their dependents, shall be subject to credit for benefits paid them under existing or future federal law on account of injury or occupational disease covered by the provisions of this title.

C. Whenever volunteer firefighters, volunteer lifesaving or volunteer rescue squad members, volunteer law-enforcement chaplains, auxiliary or reserve police, and auxiliary or reserve deputy sheriffs are deemed employees under this title, their average weekly wage shall be deemed sufficient to produce the minimum compensation provided by this title for injured workers or their dependents.

D. The average weekly wage of persons, other than those covered in subdivision C of this definition, who respond to a hazardous materials incident at the request of the Department of Emergency Services shall be based upon the earnings of such persons from their primary employers.

"Change in condition" means a change in physical condition of the employee as well as any change in the conditions under which compensation was awarded, suspended, or terminated which would affect the right to, amount of, or duration of compensation.

"Commission" means the Virginia Workers' Compensation Commission as well as its former designation as the Virginia Industrial Commission.

"Employee" means:

A. 1. Every person, including a minor, in the service of another under any contract of hire or

69 to their customary civilian employment or self-employment. If they are neither employed nor self-
70 employed, those benefits shall terminate when they are able to return to their military duties. If a
71 member of the National Guard who is fit to return to his customary civilian employment or
72 self-employment remains unable to perform his military duties and thereby suffers loss of military pay
