[H 1919]

Approved March 20, 1995

**Be it enacted by the General Assembly of Virginia:**

**1. That the Code of Virginia is amended by adding in Chapter 3 of Title 64.1 an article numbered 6, consisting of sections numbered 64.1-96.2 through 64.1-96.11, as follows:**

*Article 6.*

*Uniform International Wills Act.*

*§ 64.1-96.2. Definitions.*

*In this article:*

*(1) "Authorized person" and "person authorized to act in connection with international wills" means a person who by § 64.1-96.10 or by the laws of the United States, including members of the diplomatic and consular service of the United States designated by Foreign Service Regulations, is empowered to supervise the execution of international wills.*

*(2) "International will" means a will executed in conformity with §§ 64.1-96.3 through 64.1-96.6.*

*§ 64.1-96.3. International will; validity.*

*(a) A will shall be valid as regards form, irrespective particularly of the place where it is made, of the location of the assets and of the nationality, domicile, or residence of the testator, if it is made in the form of an international will complying with the requirements of this article.*

*(b) The invalidity of the will as an international will shall not affect its formal validity as a will of another kind.*

*(c) This article shall not apply to the form of testamentary dispositions made by two or more persons in one instrument.*

*§ 64.1-96.4. Requirements.*

*(a) The will shall be made in writing. It need not be written by the testator himself. It may be written in any language, by hand or by any other means.*

*(b) The testator shall declare in the presence of two witnesses and of a person authorized to act in connection with international wills that the document is his will and that he knows the contents thereof. The testator need not inform the witnesses, or the authorized person, of the contents of the will.*

*(c) In the presence of the witnesses, and of the authorized person, the testator shall sign the will or, if he has previously signed it, shall acknowledge his signature.*

*(d) When the testator is unable to sign, the absence of his signature does not affect the validity of the international will if the testator indicates the reason for his inability to sign and the authorized person makes note thereof on the will. In these cases, it is permissible for any other person present, including the authorized person or one of the witnesses, at the direction of the testator to sign the testator's name for him, if the authorized person makes note of this also on the will, but it is not required that any person sign the testator's name for him.*

*(e) The witnesses and the authorized person shall there and then attest the will by signing in the presence of the testator.*

*§ 64.1-96.5. Other points of form.*

*(a) The signatures shall be placed at the end of the will. If the will consists of several sheets, each sheet will be signed by the testator or, if he is unable to sign, by the person signing on his behalf or, if there is no such person, by the authorized person. In addition, each sheet shall be numbered.*

*(b) The date of the will shall be the date of its signature by the authorized person. That date shall be noted at the end of the will by the authorized person.*

*(c) The authorized person shall ask the testator whether he wishes to make a declaration concerning the safekeeping of his will. If so and at the express request of the testator the place where he intends to have his will kept shall be mentioned in the certificate provided for in § 64.1-96.6.*

*(d) A will executed in compliance with § 64.1-96.4 shall not be invalid merely because it does not comply with this section.*

*§ 64.1-96.6. Certificate.*

*The authorized person shall attach to the will a certificate to be signed by him establishing that the requirements of this Act for valid execution of an international will have been complied with. The authorized person shall keep a copy of the certificate and deliver another to the testator. The certificate shall be substantially in the following form:*
