Be it enacted by the General Assembly of Virginia:

1. That § 15.1-132.1 of the Code of Virginia is amended and reenacted as follows:

§ 15.1-132.1. Reimbursement for expenses of driving while impaired in certain cities.

Any city with a population of at least 66,000 but not more than 67,000 and any city with a population of 350,000 or greater may provide by ordinance that any person who is convicted of a violation of § 18.2-266 or § 29.1-738, or a similar ordinance, when his operation of a motor vehicle, engine, train or watercraft while so impaired is the proximate cause of any accident or incident resulting in an appropriate emergency response, may be liable in a separate civil action to the city or to any volunteer rescue squad, or both, which may provide such emergency response for the expenses thereof, in an amount not to exceed \$1,000 in the aggregate for a particular accident or incident occurring in such city. As used in this section, "appropriate emergency response" includes all costs of providing law-enforcement, fire-fighting, rescue, and emergency medical services.
