B. *The executive director of HDA shall also find, in connection with the financing of the new construction or substantial rehabilitation of any proposed multi-family residential housing development, that the governing body of the locality in which such housing development is to be located has not, within sixty days after written notification of the proposed financing has been sent the governing body by HDA, certified to HDA in writing its disapproval of the proposed multi-family residential housing development. Such certification of disapproval shall only be issued upon a finding by the local governing body that the new construction or substantial rehabilitation of the proposed multi-family residential development (i) is not consistent with current zoning or other applicable land use regulations, (ii) is not consistent with the local Comprehensive Housing Affordability Strategy, or (iii) would not be served by adequate public or private utilities. If the governing body of the locality has so certified its disapproval to HDA, the governing body may revoke such certification of disapproval at any time by written notice to HDA, and upon receipt of such written notice, the executive director of HDA shall, for the purpose of making the finding required by this subsection, disregard such certification of disapproval. Furthermore, no finding need be made under this subsection if HDA shall have received from the governing body its certified resolution approving the proposed housing development.*
