157 § 54.1-1118. Definitions.

158 As used in this article, unless the context requires a different meaning:

159 "Act" means the Virginia Contractor Transaction Recovery Act.

160 "Biennium" means a two-year period beginning on July 1 of an even-numbered year and continuing 161 through June 30 of the next even-numbered year.

162 "Claimant" means any person with an unsatisfied judgment against a regulant, who has filed a 163 verified claim under this Act.

164 "Fund" means the Contractor Transaction Recovery Fund.

165 "Improper or dishonest conduct" includes only the wrongful taking or conversion of money, property or other things of value which involves fraud, material misrepresentation or conduct constituting gross 166 negligence, continued incompetence, or intentional violation of the Uniform Statewide Building Code 167 168 (§ 36-97 et seq.). The term "improper or dishonest conduct" does not include mere breach of contract.

169 "Judgment" includes an order of a United States Bankruptcy Court declaring a claim against a 170 regulant who is in bankruptcy to be a "Debt Nondischargeable in Bankruptcy."

171 "Regulant" means any individual, person, firm, corporation, association, partnership, joint venture or 172 any other legal entity licensed or certified by the Board for Contractors. "Regulant" shall not include 173 tradesmen certified in accordance with Article 3 (§ 54.1-1128 et seq.) of this chapter.

174 § 54.1-1119. Assessments by Director; assignment to fund; minimum balance; notice; penalties; costs 175 of administration.

176 A. Each initial regulant, at the time of application, shall be assessed twenty-five dollars, which shall be specifically assigned to the fund. Initial payments may be incorporated in any application fee 177 178 payment and transferred to the fund by the Director within thirty days.

179 All assessments, except initial assessments, for the fund shall be deposited within three work days 180 after their receipt by the Director, in one or more federally insured banks, savings and loan associations or savings banks located in the Commonwealth. Funds deposited in banks, savings institutions or savings 181 banks, to the extent in excess of insurance afforded by the Federal Deposit Insurance Corporation or 182 183 other federal insurance agency, shall be secured under the Security for Public Deposits Act (§ 2.1-359 et seq.). The deposit of these funds in federally insured banks, savings and loan associations or savings 184 banks located in the Commonwealth shall not be considered investment of such funds for purposes of 185 186 this section. Funds maintained by the Director may be invested in securities that are legal investments 187 for fiduciaries under the provisions of § 26-40.01.

B. The minimum balance of the fund shall be \$400,000. Whenever the Director determines that the 188 189 balance of the fund is or will be less than this minimum balance, the Director shall immediately inform 190 the Board, which shall within thirty days of this determination assess each regulant a sum sufficient to 191 bring the balance of the fund to an amount of not less than \$400,000, when combined with similar assessments of other regulants. No regulant shall be assessed a total amount of more than fifty dollars 192 193 during any biennium.

Notice to regulants of these assessments shall be by first-class mail, and payment of such 194 195 assessments shall be made by first-class mail addressed to the Director within forty-five days after the 196 mailing of the notice to regulants.

197 C. If any regulant fails to remit the required assessment mailed in accordance with subsection B 198 within forty-five days of such mailing, the Director shall notify such regulant by first-class mail at the 199 latest address of record filed with the Board. If no payment has been received by the Director within 200 thirty days after mailing the second notice, the license or certificate of the regulant shall be 201 automatically suspended and shall be restored only upon the actual receipt by the Director of the 202 delinquent assessment.

203 Interest earned on the deposits constituting the fund shall be used for administering the fund. The remainder of this interest may be used for the purposes of providing educational programs about the 204 Uniform Statewide Building Code (§ 36-97 et seq.), for providing education on subjects of benefit to 205 licensees or members of the public relating to contracting, or shall accrue to the fund. 206 207

§ 54.1-1126. Revocation of license or certificate upon payment from fund.

208 Upon payment by the Director to a claimant from the fund as provided in § 54.1-1125, the Board 209 shall immediately revoke the license or certificate of the regulant whose improper or dishonest conduct 210 resulted in this payment. Any regulant whose license or certificate is revoked shall not be eligible to apply for a license or *certificate* as a contractor until the regulant has repaid in full the amount paid 211 212 from the fund on his account, plus interest at the judgment rate of interest from the date of payment.
