

1995 SESSION

ENROLLED

HOUSE JOINT RESOLUTION NO. 432

Requesting the Governor to recognize successful efforts to reduce the use of wasteful packaging in the Commonwealth.

Agreed to by the House of Delegates, February 4, 1995

Agreed to by the Senate, February 21, 1995

WHEREAS, excessive and unnecessary packaging of products consumed in Virginia increases the amount of waste materials disposed of in landfills; and

WHEREAS, voluntary reductions in the waste stream of superfluous wrapping and other packaging materials will extend the useful life of landfills in the Commonwealth and reduce a source of litter; and

WHEREAS, the Governor's Environmental Excellence Awards Program has recognized environmental protection efforts which are replicable by others, address a demonstrable need, constitute an important innovation, and reflect an ongoing commitment to stewardship of the environment; and

WHEREAS, the public recognition resulting from the receipt of a Governor's Environmental Excellence Award provides an incentive for actions that will benefit the environment of the Commonwealth; and

WHEREAS, publicly recognizing successful efforts by product packagers, manufacturers, and retailers to reduce the amount of materials in which products are packaged will encourage measures to eliminate wasteful packaging practices; now, therefore, be it

RESOLVED by the House of Delegates, the Senate concurring, That the Governor be requested to recognize, as a component of the Governor's Environmental Excellence Awards Program, successful efforts to reduce the use of wasteful packaging in the Commonwealth; and, be it

RESOLVED FURTHER, That the Governor consult with the Secretary of Natural Resources for assistance in identifying those product packagers, manufacturers, and retailers who have achieved the greatest success in revising the packaging of their products so as to reduce the amount of packaging waste generated in the Commonwealth.
