

1995 SESSION

INTRODUCED

LD1971432

HOUSE JOINT RESOLUTION NO. 571

Offered January 23, 1995

Requesting the Virginia Highway and Transportation Research Council to study the provisional licensing of juvenile drivers.

Patrons—Robinson, Almand and Spruill; Senators: Marsh and Stolle

Referred to Committee on Rules

WHEREAS, highway crash injury and fatality rates both nationwide and in the Commonwealth of Virginia have decreased significantly in recent years; and

WHEREAS, such crash rates for juveniles in the Commonwealth, contrary to the general trend, are continuing to increase; and

WHEREAS, recently released statistics reveal that the use of alcohol and other intoxicants is increasing at an alarming rate among juveniles; and

WHEREAS, the fact that juveniles are the least experienced drivers on our highways which, combined with their unfamiliarity with the consequences of alcohol and other intoxicant use, has resulted in such drivers accounting for a disproportionately high rate of automobile accidents; and

WHEREAS, a number of states have been successful in reducing injuries to and deaths of juveniles on their highways by the implementation of various provisional licensing programs; now, therefore, be it

RESOLVED by the House of Delegates, the Senate concurring, That the Virginia Highway and Transportation Research Council be requested to study the feasibility and desirability of establishing a provisional licensing program for juveniles in the Commonwealth.

This study shall include (i) a review of the experiences of other states which have implemented such programs, (ii) a review of the effectiveness of Virginia's use of restricted licenses, and (iii) recommendations as to how a provisional licensing program should be fashioned to best meet the needs of the Commonwealth.

The Virginia Highway and Transportation Research Council shall complete its work in time to submit its findings and recommendations to the Governor and the 1996 Session of the General Assembly as provided in the procedures of the Division of Legislative Automated Systems for processing legislative documents.

Implementation of this resolution is subject to subsequent approval and certification by the Joint Rules Committee.
