## SENATE BILL NO. 381

Offered January 25, 1994

*A BILL to amend and reenact § 54.1-3000 of the Code of Virginia, relating to licensure of nurses.*

Patrons—Holland, C.A. and Woods; Delegates: Baker, Crouch, Hamilton, Martin and Morgan

Referred to the Committee on Education and Health

**Be it enacted by the General Assembly of Virginia:****1. That § 54.1-3000 of the Code of Virginia is amended and reenacted as follows:**

§ 54.1-3000. Definitions.

As used in this chapter, unless the context requires a different meaning:

"Board" means the Board of Nursing.

"Certified nurse aide" means a person who meets the qualifications specified in this article and who is currently certified by the Board.

"Clinical nurse specialist" means a person who is registered by the Board in addition to holding a license under the provisions of this chapter to practice professional nursing as defined in this section. Such a person shall be recognized as being able to provide advanced services according to the specialized training received from a program approved by the Board, but shall not be entitled to perform any act that is not within the scope of practice of professional nursing.

"Collaboration" means the process by which a nurse practitioner works with a physician to deliver health care services within the scope of the nurse practitioner's professional expertise and with medical direction and appropriate supervision, consistent with the jointly prescribed regulations of the Boards of Nursing and Medicine.

"Practical nurse" or "licensed practical nurse" means a person who is licensed under the provisions of this chapter to practice practical nursing as defined in this section. Such a licensee shall be empowered to provide nursing services without compensation. The abbreviation "L.P.N." shall stand for such terms.

"Practical nursing" or "licensed practical nursing" means the performance for compensation of selected nursing acts in the care of individuals or groups who are ill, injured, or experiencing changes in normal health processes; in the maintenance of health; in the prevention of illness or disease; or, subject to such regulations as the Board may promulgate, in the teaching of those who are or will be nurse aides. Practical nursing or licensed practical nursing requires knowledge, judgment and skill in nursing procedures gained through prescribed education. Practical nursing or licensed practical nursing is performed under the direction or supervision of a licensed medical practitioner, a professional nurse, registered nurse or registered professional nurse or other licensed health professional authorized by regulations of the Board.

"Practice of a nurse aide" or "nurse aide practice" means the performance of services requiring the education, training, and skills specified in this chapter for certification as a nurse aide. Such services are performed under the supervision of a dentist, physician, podiatrist, professional nurse, licensed practical nurse, or other licensed health care professional acting within the scope of the requirements of his profession.

"Professional nurse," "registered nurse" or "registered professional nurse" means a person who is licensed under the provisions of this chapter to practice professional nursing as defined in this section. Such a licensee shall be empowered to provide professional services without compensation, to promote health and to teach health to individuals and groups. The abbreviation "R.N." shall stand for such terms.

"Professional nursing," "registered nursing" or "registered professional nursing" means the performance for compensation of any nursing acts in the observation, care and counsel of individuals or groups who are ill, injured or experiencing changes in normal health processes or the maintenance of health; in the prevention of illness or disease; in the supervision and teaching of those who are or will be involved in nursing care; or the administration of medications and treatments as prescribed by any person authorized by law to prescribe such medications and treatment. Professional nursing, registered nursing and registered professional nursing require specialized education, judgment, and skill based upon knowledge and application of principles from the biological, physical, social, behavioral and nursing sciences.
