195 § 2.1-342. Official records to be open to inspection; procedure for requesting records and responding  
196 to request; charges; exceptions to application of chapter.

197 A. Except as otherwise specifically provided by law, all official records shall be open to inspection  
198 and copying by any citizens of this Commonwealth during the regular office hours of the custodian of  
199 such records. Access to such records shall not be denied to citizens of this Commonwealth,  
200 representatives of newspapers and magazines with circulation in this Commonwealth, and representatives  
201 of radio and television stations broadcasting in or into this Commonwealth. The custodian of such  
202 records shall take all necessary precautions for their preservation and safekeeping. Any public body  
203 covered under the provisions of this chapter shall make an initial response to citizens requesting records  
204 open to inspection within five work days after the receipt of the request by the public body which is the  
205 custodian of the requested records. Such citizen request shall designate the requested records with  
206 reasonable specificity. A specific reference to this chapter by the requesting citizen in his request shall  
207 not be necessary to invoke the provisions of this chapter and the time limits for response by the public  
208 body. The response by the public body within such five work days shall be one of the following  
209 responses:

210 1. The requested records shall be provided to the requesting citizen.

211 2. If the public body determines that an exemption applies to all of the requested records, it may  
212 refuse to release such records and provide to the requesting citizen a written explanation as to why the  
213 records are not available with the explanation making specific reference to the applicable Code sections  
214 which make the requested records exempt.

215 3. If the public body determines that an exemption applies to a portion of the requested records, it  
216 may delete or excise that portion of the records to which an exemption applies, disclose the remainder  
217 of the requested records and provide to the requesting citizen a written explanation as to why these  
218 portions of the record are not available to the requesting citizen with the explanation making specific  
219 reference to the applicable Code sections which make that portion of the requested records exempt. Any  
220 reasonably segregatable portion of an official record shall be provided to any person requesting the  
221 record after the deletion of the exempt portion.

222 4. If the public body determines that it is practically impossible to provide the requested records or  
223 to determine whether they are available within the five-work-day period, the public body shall so inform  
224 the requesting citizen and shall have an additional seven work days in which to provide one of the three  
225 preceding responses.

226 Nothing in this section shall prohibit any public body from petitioning the appropriate court for  
227 additional time to respond to a request for records when the request is for an extraordinary volume of  
228 records and a response by the public body within the time required by this chapter will prevent the  
229 public body from meeting its operational responsibilities. Before proceeding with this petition, however,  
230 the public body shall make reasonable efforts to reach an agreement with the requester concerning the  
231 production of the records requested.

232 The public body may make reasonable charges for the copying, search time and computer time  
233 expended in the supplying of such records; however, such charges shall not exceed the actual cost to the  
234 public body in supplying such records, except that the public body may charge, on a pro rata per acre  
235 basis, for the cost of creating topographical maps developed by the public body, for such maps or  
236 portions thereof, which encompass a contiguous area greater than fifty acres. Such charges for the  
237 supplying of requested records shall be estimated in advance at the request of the citizen. The public  
238 body may require the advance payment of charges which are subject to advance determination.

239 In any case where a public body determines in advance that search and copying charges for  
240 producing the requested documents are likely to exceed \$200, the public body may, before continuing to  
241 process the request, require the citizen requesting the information to agree to payment of an amount not  
242 to exceed the advance determination by five percent. The period within which the public body must  
243 respond under this section shall be tolled for the amount of time that elapses between notice of the  
244 advance determination and the response of the citizen requesting the information.

245 Official records maintained by a public body on a computer or other electronic data processing  
246 system which are available to the public under the provisions of this chapter shall be made reasonably  
247 accessible to the public at reasonable cost.

248 Public bodies shall not be required to create or prepare a particular requested record if it does not  
249 already exist. Public bodies may, but shall not be required to, abstract or summarize information from  
250 official records or convert an official record available in one form into another form at the request of  
251 the citizen. The public body shall make reasonable efforts to reach an agreement with the requester  
252 concerning the production of the records requested.

253 Failure to make any response to a request for records shall be a violation of this chapter and deemed  
254 a denial of the request.

255 B. The following records are excluded from the provisions of this chapter but may be disclosed by  
256 the custodian in his discretion, except where such disclosure is prohibited by law:

257 1. Memoranda, correspondence, evidence and complaints related to criminal investigations; reports  
258 submitted to the state and local police, to investigators authorized pursuant to § 53.1-16 and to the

260 (§ 23-232 et seq.) of Title 23 in confidence; portions of records of local government crime commissions  
261 that would identify individuals providing information about crimes or criminal activities under a promise  
262 of anonymity; records of local police departments relating to neighborhood watch programs that include  
263 the names, addresses, and operating schedules of individual participants in the program that are provided  
264 to such departments under a promise of confidentiality; and all records of persons imprisoned in penal  
265 institutions in this Commonwealth provided such records relate to the imprisonment. Information in the  
266 custody of law-enforcement officials relative to the identity of any individual other than a juvenile who  
267 is arrested and charged, and the status of the charge or arrest, shall not be excluded from the provisions  
268 of this chapter.

269 Criminal incident information relating to felony offenses shall not be excluded from the provisions of  
270 this chapter; however, where the release of criminal incident information is likely to jeopardize an  
271 ongoing criminal investigation or the safety of an individual, cause a suspect to flee or evade detection,  
272 or result in the destruction of evidence, such information may be withheld until the above-referenced  
273 damage is no longer likely to occur from release of the information.

274 2. Confidential records of all investigations of applications for licenses and all licensees made by or  
275 submitted to the Alcoholic Beverage Control Board or the State Lottery Department.

276 3. State income, business, and estate tax returns, personal property tax returns, scholastic records and

278 shall not be denied to the person who is the subject thereof, and medical and mental records, except that  
279 such records can be personally reviewed by the subject person or a physician of the subject person's  
280 choice; however, the subject person's mental records may not be personally reviewed by such person  
281 when the subject person's treating physician has made a part of such person's records a written statement  
282 that in his opinion a review of such records by the subject person would be injurious to the subject  
283 person's physical or mental health or well-being.

284 Where the person who is the subject of medical records is confined in a state or local correctional  
285 facility, the administrator or chief medical officer of such facility may assert such confined person's right  
286 of access to the medical records if the administrator or chief medical officer has reasonable cause to  
287 believe that such confined person has an infectious disease or other medical condition from which other  
288 persons so confined need to be protected. Medical records shall be reviewed only and shall not be  
289 copied by such administrator or chief medical officer. The information in the medical records of a  
290 person so confined shall continue to be confidential and shall not be disclosed to any person except the  
291 subject by the administrator or chief medical officer of the facility or except as provided by law.

292 For the purposes of this chapter such statistical summaries of incidents and statistical data concerning  
293 patient abuse as may be compiled by the Commissioner of the Department of Mental Health, Mental  
294 Retardation and Substance Abuse Services shall be open to inspection and releasable as provided in  
295 subsection A of this section. No such summaries or data shall include any patient-identifying  
296 information. Where the person who is the subject of scholastic or medical and mental records is under  
297 the age of eighteen, his right of access may be asserted only by his guardian or his parent, including a  
298 noncustodial parent, unless such parent's parental rights have been terminated or a court of competent  
299 jurisdiction has restricted or denied such access. In instances where the person who is the subject thereof  
300 is an emancipated minor or a student in a state-supported institution of higher education, such right of  
301 access may be asserted by the subject person.

302 4. Memoranda, working papers and correspondence held or requested by members of the General  
303 Assembly or by the office of the Governor or Lieutenant Governor, Attorney General or the mayor or  
304 other chief executive officer of any political subdivision of the Commonwealth or the president or other  
305 chief executive officer of any state-supported institution of higher education. This exclusion shall not

306 apply to memoranda, studies or other papers held or requested by the mayor or other chief executive  
307 officer of any political subdivision which are specifically concerned with the evaluation of performance  
308 of the duties and functions of any locally elected official and were prepared after June 30, 1992.

326 provided by law, or limit access to individual records as is provided by law. However, the subject of  
327 such employment tests shall be entitled to review and inspect all documents relative to his performance  
328 on such employment tests.

329 When, in the reasonable opinion of such public body, any such test or examination no longer has any

331 or examination shall be made available to the public. However, minimum competency tests administered  
332 to public school children shall be made available to the public contemporaneously with statewide release

 994 arising thereafter or out of the same conditions.

995 The court may grant injunctive relief as it deems appropriate to the Department or to its receiver  
 996 either in conjunction with or subsequent to the granting of a petition for appointment of a receiver under  
 997 this section.

998 The court may terminate the receivership on the motion of the Department, the receiver, or the owner  
 999 or operator, upon finding, after a hearing, that either (i) the conditions described in the petition have

 1010 appointment and shall not be personally liable, except for his own gross negligence and intentional acts  
 1011 which result in injuries to persons or damage to property at the nursing facility or certified nursing  
 1012 facility during his receivership.

1013 The provisions of this subsection shall not be construed to relieve any owner, operator or other party  
 1014 of any duty imposed by law or of any civil or criminal liability incurred by reason of any act or

1413 at each hospital which operates or holds itself out as operating an emergency service.

1414 In its regulations, the Board may classify hospitals ~~and nursing homes~~ by type of specialty or service  
1415 and may provide for licensing hospitals ~~and nursing homes~~ by bed capacity and by type of specialty or  
1416 service.

1417 Further, such regulations shall also require that each hospital establish a routine contact protocol  
1418 which ensures that the families of suitable organ and tissue donors are offered the opportunity by the  
1419 chief administrative officer of the hospital or his designee to consider organ, tissue and eye donation.

1420 Such regulations shall require that each hospital that provides obstetrical services establish a protocol  
1421 for admission or transfer of any pregnant woman who presents herself while in labor.

1422 Such regulations shall also require that each licensed hospital develop and implement a protocol  
1423 requiring written discharge plans for identified, substance-abusing, postpartum women and their infants.  
1424 The protocol shall require that the discharge plan be discussed with the patient and that appropriate  
1425 referrals for the mother and the infant be made and documented. Appropriate referrals may include, but  
1426 need not be limited to, treatment services, comprehensive early intervention services for infants and  
1427 toddlers with disabilities and their families pursuant to Part H of the Individuals with Disabilities  
1428 Education Act, 20 U.S.C. § 1471 et seq., and family-oriented prevention services. The discharge  
1429 planning process shall involve, to the extent possible, the father of the infant and any members of the  
1430 patient's extended family who may participate in the follow-up care for the mother and the infant.

1431 Such regulations shall require that each nursing home and certified nursing facility fully disclose to  
1432 the applicant for admission and to the Board the home's or facility's admissions policies, including any  
1433 preferences given. Nursing homes or facilities shall report to the Board on a quarterly basis the number  
1434 of patients admitted by source of payment, as well as the number of beds certified for Medicaid patients.  
1435 The regulations also shall require that each nursing home or facility disclose to the Board information  
1436 about its waiting list on a quarterly basis, including but not limited to aggregate information on its  
1437 waiting list by payment source.

1438 Such regulations shall require that each licensed hospital establish a protocol relating to the rights  
1439 and responsibilities of patients which shall include a process reasonably designed to inform patients of  
1440 such rights and responsibilities. Such rights and responsibilities of patients, a copy of which shall be  
1441 given to patients on admission, shall be based on Joint Commission on Accreditation of Healthcare  
1442 Organizations' standards.

1443 In addition, the Board shall establish standards and maintain a process for designation of levels or  
1444 categories of care in neonatal services according to an applicable national or state-developed evaluation  
1445 system. Such standards may be differentiated for various levels or categories of care and may include,  
1446 but need not be limited to, requirements for staffing credentials, staff/patient ratios, equipment, and  
1447 medical protocols.

1448 § 32.1-128. Applicability to hospitals for practice of religious tenets.

1449 Nothing in this article shall be construed to authorize or require the interference with or prevention  
1450 of the establishment or operation of a hospital ~~or nursing home~~ for the practice of religious tenets of any  
1451 recognized church or denomination in the ministrations to the sick and suffering by mental or spiritual  
1452 means without the use of any drug or material remedy, whether gratuitously or for compensation,  
1453 provided the statutes and regulations on environmental protection and life safety are complied with.

1454 § 32.1-129. Application for license.

1455 Each application for a hospital ~~or nursing home~~ license shall be made on a form prescribed by the  
1456 Board. The application shall specify the official name and the kind of hospital ~~or nursing home~~, the  
1457 location thereof, the name of the person in charge and such additional relevant information as the Board  
1458 requires.

1459 § 32.1-130. Service charges.

1460 A. A service charge of \$1.50 per patient bed for which the hospital ~~or nursing home~~ is licensed, but  
1461 not less than \$75 nor more than \$500, shall be paid for each license upon issuance and renewal. The

1463 care shall be \$75.

1465 of the Department and are appropriated to the Department for the operation of the hospital ~~and nursing~~  
1466 ~~home~~ licensure and inspection program.

1467 § 32.1-132. Alterations or additions to hospitals ; when new license required; use of inpatient hospital  
1468 beds for furnishing skilled care services.

1469 A. Any person who desires to make any substantial alteration or addition to or any material change  
1470 in any hospital ~~or nursing home~~ shall, before making such change, alteration or addition, submit the  
1471 proposal therefor to the Commissioner for his approval. The Commissioner shall review the proposal to  
1472 determine compliance with applicable statutes and regulations of the Board and as soon thereafter as  
1473 reasonably practicable notify the person that the proposal is or is not approved.

1474 B. If any such alteration, addition or change has the effect of changing the bed capacity or

1475 classification of the hospital ~~or nursing home~~, the licensee shall obtain a new license for the remainder  
1476 of the license year before beginning operation of additional beds or in the new classification.

1477 C. Notwithstanding any provision of state law to the contrary, any hospital, after sending such  
1478 written notice as may be required by the Commissioner, may utilize, for a period not to exceed thirty  
1479 days for any one patient, a maximum of ten percent of its inpatient hospital beds as swing beds for the  
1480 furnishing of services of the type which, if furnished by a nursing ~~home~~ facility or certified nursing  
1481 facility, would constitute skilled care services without complying with nursing ~~home~~ facility licensure  
1482 requirements or retaining the services of a licensed nursing home administrator. Such hospital shall  
1483 amend its plan of care and implement its plan as amended to ensure the overall well-being of patients  
1484 occupying such beds. Only those hospitals which qualify under § 1883 of Title XVIII and § 1913 of

1487 § 32.1-133. Display of license.

1488 The current license shall at all times be posted in each hospital ~~or nursing home~~ in a place readily  
1489 visible and accessible to the public.

1490 § 32.1-134.1. When denial, etc., to duly licensed physician of staff membership or professional  
1491 privileges improper.

1492 It shall be an improper practice for the governing body of a hospital which has twenty-five beds or  
1493 more and which is required by state law to be licensed to refuse or fail to act within sixty days of a  
1494 completed application for staff membership or professional privileges or deny or withhold from a duly  
1495 licensed physician staff membership or professional privileges in such hospital, or to exclude or expel a  
1496 physician from staff membership in such hospital or curtail, terminate or diminish in any way a  
1497 physician's professional privileges in such hospital, without stating in writing the reason or reasons  
1498 therefor, a copy of which shall be provided to the physician. If the reason or reasons stated are unrelated  
1499 to standards of patient care, patient welfare, violation of the rules and regulations of the institution or  
1500 staff, the objectives or efficient operations of the institution, or the character or competency of the  
1501 applicant, or misconduct in any hospital, it shall be deemed an improper practice.

1502 Any physician licensed in this Commonwealth to practice medicine who is aggrieved by any  
1503 violation of this section shall have the right to seek an injunction from the circuit court of the city or  
1504 county in which the hospital alleged to have violated this section is located prohibiting any such further  
1505 violation. The provisions of this section shall not be deemed to impair or affect any other right or  
1506 remedy; provided that a violation of this section shall not constitute a violation of the provisions of this  
1507 article for the purposes of ~~§ 32.1-135~~ 32.1-389.

1510 aggrieved by any violation of § 32.1-134.2 or § 32.1-134.3 shall have the right to seek an injunction  
1511 from the circuit court of the city or county in which the hospital alleged to have committed the violation  
1512 is located, prohibiting any further such violation. The provisions of this section shall not be deemed to  
1513 impair or affect any other right or remedy. A violation of this section, however, shall not constitute a  
1514 violation of the provisions of this article for the purposes of ~~§ 32.1-135~~ 32.1-389.

1515 § 32.1-136. Violation; penalties.

1516 Any person owning, establishing, conducting, maintaining, managing or operating a hospital ~~or~~  
1517 ~~nursing home~~ which is not licensed as required by this article shall be guilty of a Class 6 felony.

1518 § 32.1-162.5. Regulations.

1519 The Board shall prescribe such regulations governing the activities and services provided by hospices  
1520 as may be necessary to protect the public health, safety and welfare. Such regulations shall include, but  
1521 not be limited to, the requirements for: the qualifications and supervision of licensed and nonlicensed

1523 management, operation, staffing and equipping of the hospice program; clinical and business records  
1524 kept by the hospice; procedures for the review of utilization and quality of care. To avoid duplication in  
1525 regulations, the Board shall incorporate regulations applicable to facilities licensed as hospitals *under*  
1526 *Article 1 (§§ 32.1-123 et seq.) of Chapter 5 of this title* or nursing homes *under § 32.1-123 et seq.*  
1527 *facilities under Article 2 (§ 32.1-375 et seq.) of Chapter 13 of this title* and to organizations licensed as  
1528 home health agencies *under Article 7.1 (§ 32.1-162.7 et seq.) of Chapter 5 of this title Article 4*  
1529 *(§ 32.1-413 et seq.) of Chapter 13 of this title* which are also applicable to hospice programs in the  
1530 regulations to govern hospices. A person who seeks a license to establish or operate a hospice and who  
1531 has a preexisting valid license to operate a hospital, nursing ~~home~~ facility or home health agency shall be  
1532 considered in compliance with those regulations which are applicable to both a hospice and the facility  
1533 for which it has a license.

1534 § 32.1-313. Liability for excess benefits or payments obtained without intent to violate chapter.

1535 Any person, agency or institution, but not including an individual medical assistance recipient of

1536 health care, that, without intent to violate this chapter, obtains benefits or payments under medical  
1537 assistance to which such person, agency or institution is not entitled, or in a greater amount than that to  
1538 which entitled, shall be liable for (i) any excess benefits or payments received, and (ii) interest on the  
1539 amount of the excess benefits or payments at the judgment rate as defined in § 6.1-330.54 from the date  
1540 upon which such person, agency, or institution knew or reasonably should have known that it had  
1541 received excess benefits or payments to the date upon which repayment is made to the Commonwealth.  
1542 No person, agency or institution shall be liable for payment of interest, however, when excess benefits  
1543 or payments were obtained as a result of errors made solely by the Department of Medical Assistance  
1544 Services *or the Department of Aging and Long-Term Care Services*. Whenever a penalty or interest is  
1545 due under this section or § 32.1-312, such penalty or interest shall not be reimbursable by the  
1546 Commonwealth as an allowable cost under any of the provisions of this chapter.

1547 § 32.1-317. Collecting excess payment for services; charging, soliciting, accepting or receiving certain  
1548 consideration as precondition for admittance to facility or requirement for continued stay; penalty.

1549 When the cost of services provided in a facility or by an individual to a patient is paid for, in whole  
1550 or in part, under medical assistance, any person who knowingly and willfully:

1551 1. Collects from a patient for any service provided under medical assistance, money or other  
1552 consideration at a rate in excess of entitlements established by the Department of Medical Assistance  
1553 Services *or the Department of Aging and Long-Term Care Services*; or

1554 2. Charges, solicits, accepts or receives, in addition to any amount otherwise required to be paid  
1555 under medical assistance any gift, money, donation or other consideration, other than a charitable,  
1556 religious or philanthropic contribution from an organization or from a person unrelated to the patient:

1557 a. As a precondition of admitting a patient to a hospital, skilled nursing facility or intermediate care  
1558 facility; or

1559 b. As a requirement for the patient's continued stay in such facility;

1560 shall be guilty of a Class 6 felony. In addition thereto, a fine may be imposed in an amount not to  
1561 exceed \$25,000.

1562 § 32.1-319. Written verification of application, statement or form; penalty for false or misleading  
1563 information.

1564 The State Board of Medical Assistance Services *and the Board of Aging and Long-Term Care*  
1565 *Services* may require in its Plan for Medical Assistance that any application, statement, or form filled  
1566 out by suppliers of medical care under medical assistance shall contain or be verified by a written  
1567 statement that it is made under the penalties of perjury and such declaration shall be in lieu of any oath  
1568 otherwise required, and each such paper shall in such event so state. Any person who knowingly and  
1569 willfully makes or subscribes any such papers or forms containing any false or misleading information  
1570 shall be guilty of a Class 4 misdemeanor.

1571 § 32.1-320. Duties of Attorney General; medical services providers audit and investigation unit.

1572 A. There shall be established within the Office of the Attorney General a unit to audit and  
1573 investigate providers of services furnished under the State Medical Assistance Plan. The Department of  
1574 Medical Assistance Services *and the Department of Aging and Long-Term Care Services* shall cooperate  
1575 with the Office of the Attorney General in conducting such audits and investigations and shall provide  
1576 such information for these purposes as may be requested by the Attorney General or his authorized  
1577 representative.

1578 B. The Attorney General or his authorized representative shall have the authority to:

1579 1. Conduct audits and investigations of providers of medical and other services furnished under  
1580 medical assistance. The relevant board within the Department of Health Professions shall serve in an  
1581 advisory capacity to the Attorney General in the conduct of audits or investigations of health care  
1582 providers licensed by the respective regulatory boards. In the conduct of such audits or investigations,  
1583 the Attorney General may examine only those records or portions thereof, including patient records, for  
1584 which services were rendered by a health care provider and reimbursed by the Department of Medical  
1585 Assistance Services *or the Department of Aging and Long-Term Care Services* under the Plan for  
1586 Medical Assistance, notwithstanding the provisions of Chapter 26 (§ 2.1-377 et seq.) of Title 2.1 or of  
1587 any other statute which may make or purport to make such records privileged or confidential. No  
1588 original patient records shall be removed from the premises of the health care provider, except in  
1589 accordance with Rule 4:9 of the Rules of the Supreme Court of Virginia. The disclosure of any records  
1590 or information by the Attorney General is prohibited, unless such disclosure is directly connected to the  
1591 official purpose for which the records or information was obtained. The disclosure of patient information  
1592 as required under this section shall not subject any physician or other health services provider to any  
1593 liability for breach of any confidential relationship between the provider and the patient, but no evidence  
1594 resulting from such disclosure may be used in any civil, administrative or criminal proceeding against  
1595 the patient unless a waiver of the applicable evidentiary privilege is obtained. The Attorney General  
1596 shall cause all copies of patient medical records in his possession or that of his designee to be destroyed  
1597 upon completion of the audit, investigation or proceedings, including appeals;

1598 2. Issue subpoenas, compel the attendance of witnesses, administer oaths, certify to official acts, take  
 1599 depositions within and without the Commonwealth as now provided by law, and compel the production  
 1600 of pertinent books, payrolls, accounts, papers, records, documents and testimony relevant to such  
 1601 investigation. If a person in attendance before the Attorney General or his authorized representative  
 1602 refuses, without reasonable cause, to be examined or to answer a legal and pertinent question, or to  
 1603 produce a book or paper or other evidence when ordered to do so by the Attorney General or his  
 1604 authorized representative, the Attorney General or his authorized representative may apply to the judge  
 1605 of the circuit court of the jurisdiction where such person is in attendance, upon affidavit, for an order  
 1606 returnable in not less than two nor more than five days, directing such person to show cause why he  
 1607 should not produce such records. Upon the hearing of such order, if the court shall determine that such  
 1608 person, without reasonable cause, has refused to be examined or to answer a legal or pertinent question,  
 1609 or to produce a book or paper which he was ordered to bring or produce, he may forthwith assess all  
 1610 costs and reasonable attorney's fees against such person. If the motion for an order is granted and the  
 1611 person thereafter fails to comply with the order, the court may make such orders as are provided for in  
 1612 the Rules of the Supreme Court of Virginia. Subpoenas shall be served and witness fees and mileage  
 1613 paid as allowed in civil cases in the circuit courts of this Commonwealth.

1614 § 32.1-321.1. Powers and duties of departments.

1615 The Department of Medical Assistance Services *and the Department of Aging and Long-Term Care*  
 1616 *Services* shall have the following powers and duties:

1617 1. To investigate and refer for prosecution violations of applicable state and federal laws and  
 1618 regulations pertaining to the application for and receipt of services or benefits;

1619 2. To investigate and refer for civil recovery any debts owed to the medical assistance program or  
 1620 funds paid for services or benefits as a result of violations of applicable state and federal laws and  
 1621 regulations pertaining to the application for and receipt of services or benefits; and

1622 3. To cooperate with the federal government, other state agencies and the State Attorney General's  
 1623 Office in the detection and deterrence of fraud by recipients of medical assistance or their agents.

1624 § 32.1-321.2. Liability for excess benefits or payments obtained without intent to violate this article;  
 1625 recovery of Medical Assistance erroneously paid.

1626 Any person who, without intent to violate this article, obtains benefits or payments under medical  
 1627 assistance to which he is not entitled shall be liable for any excess benefits or payments received. If the  
 1628 recipient knew or reasonably should have known that he was not entitled to the excess benefits, he may  
 1629 also be liable for interest on the amount of the excess benefits or payments at the judgment rate as  
 1630 defined in § 6.1-330.54 from the date upon which such person knew or reasonably should have known  
 1631 that he had received excess benefits or payments to the date on which repayment is made to the  
 1632 Commonwealth. No person shall be liable for payment of interest, however, when excess benefits or  
 1633 payments were obtained as a result of errors made solely by the Department of Medical Assistance  
 1634 *Services or the Department of Aging and Long-Term Care Services, whichever is applicable.*

1635 Any payment erroneously made on behalf of a recipient or former recipient of medical assistance  
 1636 may be recovered by the Department of Medical Assistance Services *or the Department of Aging and*  
 1637 *Long-Term Care Services* from the recipient or the recipient's income, assets or estate unless such  
 1638 property is otherwise exempted by state or federal law or regulation.

1639 § 32.1-321.4. False statement or representation in applications for eligibility or for use in determining  
 1640 rights to benefits; concealment of facts; criminal penalty.

1641 A. Any person who engages in the following activities, on behalf of himself or another, shall be  
 1642 guilty of larceny and, in addition to the penalties provided in §§ 18.2-95 and 18.2-96 as applicable, may  
 1643 be fined an amount not to exceed \$10,000:

1644 1. Knowingly and willfully making or causing to be made any false statement or misrepresentation of  
 1645 a material fact in an application for eligibility, benefits or payments under medical assistance;

1646 2. Knowingly and willfully falsifying, concealing or covering up by any trick, scheme, or device a  
 1647 material fact in connection with an application for eligibility, benefits or payments;

1648 3. Knowingly and willfully concealing or failing to disclose any event affecting the initial or  
 1649 continued right of any individual to any benefits or payment with an intent to secure fraudulently such  
 1650 benefits or payment in a greater amount or quantity than is authorized or when no such benefit or  
 1651 payment is authorized;

1652 4. Knowingly and willfully converting any benefits or payment received pursuant to an application  
 1653 for another person and receipt of benefits or payment on behalf of such other person to use other than  
 1654 for the health and welfare of the other person; or

1655 5. Knowingly and willfully failing to notify the local department of welfare or social services,  
 1656 through whom medical assistance benefits were obtained, of changes in the circumstances of any  
 1657 recipient or applicant which could result in the reduction or termination of medical assistance services.

1658 B. It shall be the duty of the Director of Medical Assistance Services *and the Director of the*

 1660 provisions of this section. A warrant or summons may be issued for violations of which ~~the Director a~~  
 1661 *director* or his designee has knowledge. Trial for violation of this section shall be held in the county or  
 1662 city in which the application for medical assistance was made or obtained.

1663 § 32.1-325.2. Payor of last resort.

1664 A. Medical insurance carriers are prohibited from including any clause in health care insurance  
 1665 contracts which would exclude payment for health care to individuals eligible for medical assistance.

1666 B. The Department of Medical Assistance Services *or the Department of Aging and Long-Term Care*  
 1667 *Services* will be the payor of last resort to any health care insurance carrier which contracts to pay

 1670 program; departments not subject to certain disclosure.

1671 The Board of Medical Assistance Services *and the Board of Aging and Long-Term Care Services*

2069 quarterly basis, including but not limited to aggregate information on its waiting list by payment source.

2070 § 32.1-382. Regulations to authorize certain sanctions and guidelines.

2071 The Board shall promulgate regulations authorizing the Director to initiate court proceedings against  
2072 nursing facilities and certified nursing facilities, except for facilities or units certified as facilities for the  
2073 mentally retarded. Such proceedings may be initiated by themselves or in conjunction with the  
2074 administrative sanctions provided in this article.

2075 The Board shall promulgate regulations for the Director to use to determine when the imposition of  
2076 administrative sanctions or initiation of court proceedings as specified in § 32.1-373, or both, are  
2077 appropriate in order to ensure prompt correction of violations involving noncompliance with  
2078 requirements of state or federal law or regulation as discovered on any inspection conducted by the  
2079 Department pursuant to the provisions of this article or the provisions of Title XVIII or Title XIX of the  
2080 Social Security Act.

2081 § 32.1-383. Applicability to nursing facilities for practice of religious tenets.

2083 of the establishment or operation of a nursing facility for the practice of religious tenets of any  
2084 recognized church or denomination in the ministrations to the sick and suffering by mental or spiritual  
2085 means without the use of any drug or material remedy, whether gratuitously or for compensation,

2104 in any nursing facility shall, before making such change, alteration or addition, submit the proposal  
2105 therefor to the Director for his approval. The Director shall review, in consultation with the State  
2106 Health Commissioner, the proposal to determine compliance with applicable statutes and regulations of  
2107 the Board and as soon thereafter as reasonably practicable notify the person that the proposal is or is  
2108 not approved.

2109 B. If any such alteration, addition or change has the effect of changing the bed capacity or  
2110 classification of the nursing facility, the licensee shall obtain a new license for the remainder of the  
2111 license year before beginning operation of additional beds or in the new classification.

2112 § 32.1-388. Display of license.

2124 All appeals from notice of imposition of administrative sanctions shall be received in writing within  
2125 fifteen days of the date of receipt of such notice. The provisions of the Administrative Process Act  
2126 (§ 9-6.14:1 et seq.) shall be applicable to such appeals.

2127 B. If a license or certification is revoked as herein provided, a new license or certification may be  
2128 issued by the Director after satisfactory evidence is submitted to him that the conditions upon which  
2129 revocation was based have been corrected, and after proper inspection has been made and compliance  
2130 with all provisions of this article and applicable state and federal law and regulations has been  
2131 obtained.

2132 C. Suspension of a license shall in all cases be for an indefinite time. The Director may completely  
2133 or partially restore a suspended license or certificate when he determines that the conditions upon  
2134 which suspension was based have been completely or partially corrected and that the interests of the  
2135 public will not be jeopardized by resumption of operation. No additional service charges shall be  
2136 required for restoring such license.

2137 § 32.1-390. Violation; penalties.

2138 Any person owning, establishing, conducting, maintaining, managing or operating a nursing facility

2182 *The court may terminate the receivership on the motion of the Department, the receiver, or the*

2253 serving the area. Copies of such policies and procedures shall be given to patients upon admittance to  
2254 the facility and made available to patients currently in residence; to any guardians, next of kin, or  
2255 sponsoring agency or agencies; and to the public.

2256 C. The provisions of this section shall not be construed to restrict any right which any patient in

2258 D. Each facility shall provide appropriate staff training to implement each patient's rights included  
2259 in subsection A hereof.

2260 E. All rights and responsibilities specified in subsection A hereof and § 32.1-393 as they pertain to

2266 F. Nothing in this section shall be construed to prescribe, regulate, or control the remedial care and  
2267 treatment or nursing service provided to any patient in a nursing institution to which the provisions of  
2268 § 32.1-383 are applicable.

2269 G. It shall be the responsibility of the Director to ensure that the provisions of this section and the  
2270 provisions of § 32.1-393 are observed and implemented by nursing facilities. Each nursing facility to  
2271 which this section and § 32.1-393 are applicable shall certify to the Director that it is in compliance  
2272 with the provisions of each section as a condition to the issuance or renewal of a license.

2273 § 32.1-393. Implementation of transfer and discharge policies.

2274 A. To implement and conform with the provisions of subdivision A 4 of § 32.1-392, a facility may  
 2275 discharge the patient, or transfer the patient, including transfer within the facility, only:

2276 1. If appropriate to meet that patient's documented medical needs;

2277 2. If appropriate to safeguard that patient or one or more other patients from physical or emotional  
 2278 injury;

2279 3. On account of nonpayment for his stay except as prohibited by Titles XVIII or XIX of the United  
 2280 States Social Security Act and the state plan for medical assistance services; or

2281 4. With the informed voluntary consent of the patient, or if incapable of providing consent, with the  
 2282 informed voluntary consent of the patient's authorized decision maker pursuant to § 54.1-2986 acting in  
 2283 the best interest of the patient, following reasonable advance written notice.

2284 B. Except in an emergency involving the patient's health or well being, no patient shall be  
 2285 transferred or discharged without prior consultation with the patient, the patient's family or responsible  
 2286 party and the patient's attending physician. If the patient's attending physician is unavailable, the  
 2287 facility's medical director in conjunction with the nursing director, social worker or another health  
 2288 professional, shall be consulted. In the case of an involuntary transfer or discharge, the attending  
 2289 physician of the patient or the medical director of the facility shall make a written notation in the  
 2290 patient's record approving the transfer or discharge after consideration of the effects of the transfer or  
 2291 discharge, appropriate actions to minimize the effects of the transfer or discharge, and the care and  
 2292 kind of service the patient needs upon transfer or discharge.

2293 C. Except in an emergency involving the patient's health or well being, reasonable advance written  
 2294 notice shall be given in the following manner. In the case of a voluntary transfer or discharge, notice  
 2295 shall be reasonable under the circumstances. In the case of an involuntary transfer or discharge,  
 2296 reasonable advance written notice shall be given to the patient at least five days prior to the discharge  
 2297 or transfer.

2298 D. Nothing in this section or in subdivision A 4 of § 32.1-392 shall be construed to authorize or  
 2299 require conditions upon a transfer within a facility that are more restrictive than Titles XVIII or XIX of  
 2300 the United States Social Security Act or by regulations promulgated pursuant to either title.

2301 § 32.1-394. Certain contract provisions prohibited.

2302 No contract or agreement for nursing facility care shall contain any provisions which restrict or  
 2303 limit the ability of a resident to apply for and receive Medicaid or which require a specified period of  
 2304 residency prior to applying for Medicaid. The resident may be required to notify the facility when an  
 2305 application for Medicaid has been made. No contract or agreement may require a deposit or other  
 2306 prepayment from Medicaid recipients. No contract or agreement shall contain provisions authorizing the  
 2307 facility to refuse to accept retroactive Medicaid benefits.

2308 § 32.1-395. Third party guarantor prohibition.

2309 Any facility certified under Title XVIII or XIX of the United States Social Security Act shall not  
 2310 require a third party guarantee of payment to the facility as a condition of admission or of expedited  
 2311 admission to, or continued stay in, the facility. This section shall not be construed to prevent a facility  
 2312 from requiring an individual who has legal access to a resident's income or resources which are  
 2313 available to pay for care in the facility to sign a contract without incurring personal financial liability,  
 2314 except for breach of the duty to provide payment from the resident's income or resources for such care.

2315 For purposes of this section, the resident's income or resources shall include any amount deemed to  
 2316 be income or resources of the resident for purposes of Medicaid eligibility and any resources  
 2317 transferred by the resident to a third party if the transfer disqualifies the resident from Medicaid  
 2318 coverage for nursing facility services.

 2345 impairment is unable to exit the residence in an emergency without the assistance of another person.

2346 "Residential living" means a level of service provided by an adult care residence for adults who may  
 2347 have physical or mental impairments but require only minimal assistance with the activities of daily  
 2348 living and who are independently mobile. This definition includes independent living facilities that  
 2349 voluntarily become licensed.

2350 "Semimobile" means a resident of an adult care residence who because of physical or mental  
 2351 impairment requires limited assistance, such as the assistance of a wheelchair, walker, cane, prosthetic

2353 § 32.1-397. Employment for compensation of persons convicted of certain offenses prohibited;  
 2354 criminal records check required; suspension or revocation of license.

2355 A. A licensed adult care residence shall not hire, for compensated employment, persons who have  
 2356 been convicted of murder, abduction for immoral purposes as set out in § 18.2-48, assaults and bodily  
 2357 woundings as set out in Article 4 (§ 18.2-51 et seq.) of Chapter 4 of Title 18.2, robbery as set out in  
 2358 § 18.2-58, sexual assault as set out in Article 7 (§ 18.2-61 et seq.) of Chapter 4 of Title 18.2, arson as  
 2359 set out in Article 1 (§ 18.2-77 et seq.) of Chapter 5 of Title 18.2, pandering as set out in § 18.2-355,  
 2360 crimes against nature involving children as set out in § 18.2-361, taking indecent liberties with children

 2362 to secure medical attention for an injured child as set out in § 18.2-314, obscenity offenses as set out in  
 2363 § 18.2-374.1 or § 18.2-379, or abuse or neglect of an incapacitated adult as set out in § 18.2-369.  
 2364 However, an adult care residence may hire an applicant convicted of one misdemeanor specified in this  
 2365 section not involving abuse or neglect or moral turpitude, provided five years have elapsed following the  
 2366 conviction.

2367 Any person desiring to work at a licensed adult care residence shall provide the hiring residence  
 2368 with a sworn statement or affirmation disclosing any criminal convictions or any pending criminal  
 2369 charges, whether within or without the Commonwealth. Any person making a materially false statement  
 2370 when providing such sworn statement or affirmation regarding any such offense shall be guilty upon  
 2371 conviction of a Class 1 misdemeanor. Further dissemination of the information provided pursuant to this  
 2372 section is prohibited other than to a federal or state authority or court as may be required to comply  
 2373 with an express requirement of law for such further dissemination.

2374 Such hiring residences shall, within thirty days of employment, obtain for any compensated  
 2375 employees an original criminal record clearance with respect to convictions for offenses specified in this  
 2376 section or an original criminal history record from the Central Criminal Records Exchange. The  
 2377 provisions of this section shall be enforced by the Director. If an applicant is denied employment  
 2378 because of convictions appearing on his criminal history record, the hiring residence shall provide a  
 2379 copy of the information obtained from the Central Criminal Records Exchange to the applicant.

2380 The provisions of this section shall not apply to volunteers who work with the permission or under  
 2381 the supervision of a person who has received a clearance pursuant to this section.

2382 B. A person who complies in good faith with the provisions of this section shall not be liable for any  
 2383 civil damages for any act or omission in the performance of duties under this section unless the act or  
 2384 omission was the result of gross negligence or willful misconduct.

2385 § 32.1-398. Uniform assessment instrument.

2386 A uniform assessment instrument setting forth a resident's care needs shall be completed for all  
 2387 residents upon admission and at subsequent intervals as determined by Board regulation. The resident's  
 2388 case manager and other appropriate persons shall complete the uniform assessment instrument for  
 2389 public pay residents or, upon request by the private pay resident, for private pay residents. Unless a  
 2390 private pay resident requests the uniform assessment instrument be completed by a case manager, an  
 2391 independent private physician who is chosen by the resident and who has no financial interest in the  
 2392 adult care residence, directly or indirectly as an owner, officer, employee, or otherwise, shall complete  
 2393 the uniform assessment instrument for private pay residents; however, for private pay residents, social  
 2394 and financial information which is not relevant because of the resident's payment status shall not be  
 2395 required. Upon receiving the uniform assessment instrument for a resident, the adult care residence  
 2396 administrator shall provide written assurance that the residence has the capacity to meet the care needs

2397 of the resident.

2398 § 32.1-399. Regulations.

2399 A. The Board shall have the authority to promulgate and enforce regulations to carry out the  
2400 provisions of this article and to protect the health, safety, welfare and individual rights of residents of  
2401 adult care residences and to promote their highest level of functioning.

2402 B. Regulations shall include standards for staffing; staff qualifications and training; facility design,  
2403 functional design and equipment; services to be provided to residents; administration of medicine;  
2404 allowable medical conditions for which care can be provided; and medical procedures to be followed by  
2405 staff, including provisions for physicians' services, restorative care, and specialized rehabilitative  
2406 services.

2407 § 32.1-400. Admissions and discharge.

2408 A. The Board shall promulgate regulations:

2409 1. Governing admissions to adult care residences;

2410 2. Establishing a process to ensure that residents admitted or retained in an adult care residence  
2411 receive the appropriate services and that, in order to determine whether a resident's needs can continue  
2412 to be met by the residence and whether continued placement in the residence is in the best interests of  
2413 the resident, each resident receives periodic independent reassessments and reassessments in the event of  
2414 significant deterioration of the resident's condition;

2415 3. Governing appropriate discharge planning for residents whose care needs can no longer be met  
2416 by the residence;

2417 4. Addressing the involuntary discharge of residents; and

2418 5. Requiring that residents are informed of their rights pursuant to § 32.1-412 at the time of  
2419 admission.

2421 needs:

2430 9. Individuals whose physician certifies that placement is no longer appropriate;

2431 10. Individuals who require maximum physical assistance as documented by the uniform assessment  
2432 instrument;

2433 11. Individuals whose health care needs cannot be met in the specific adult care residence;

2434 12. Such other medical and functional care needs of residents which the Board determines cannot  
2435 properly be met in an adult care residence.

2436 C. In promulgating regulations pursuant to subsections A and B above, the Board shall consult with  
2437 the Department of Mental Health, Mental Retardation and Substance Abuse Services.

2438 § 32.1-401. Application fees; regulations and schedules; use of fees; certain residences exempt.

2439 The Board is authorized to promulgate regulations and schedules for fees to be charged for  
2440 processing applications for licenses to operate adult care residences. Such schedules shall specify  
2441 minimum and maximum fees and, where appropriate, gradations based on the capacity for residents.  
2442 Such fees shall be used for the development and delivery of training for operators and staff of adult  
2443 care residences. Such fees shall be expended for this purpose within two fiscal years following the fiscal  
2444 year in which they are collected. These fees shall not be applicable to facilities operated by federal  
2445 entities.

2446 § 32.1-402. Compliance with Uniform Statewide Building Code.

2447 Buildings licensed for independently mobile residents, semimobile residents or nonambulatory  
2448 residents shall be classified by and meet the specifications for the proper Use Group as required by the  
2449 Virginia Uniform Statewide Building Code.

2450 § 32.1-403. Licenses required; expiration and renewal; maximum number of residents; restrictions on  
2451 nomenclature.

2452 A. Every person who constitutes, or who operates or maintains, an adult care residence shall obtain  
2453 the appropriate license from the Director, which may be renewed. The Director or his designated  
2454 agents, upon request, shall consult with, advise, and assist any person interested in securing and  
2455 maintaining any such license.

2456 B. The licenses shall be issued on forms prescribed by the Director. Any two or more licenses may  
2457 be issued for concurrent operation of more than one adult care residence. Each license, and renewals  
2458 thereof, may be issued for periods of up to three successive years, unless sooner revoked or

2459 surrendered.

2460 C. Each license shall indicate whether the residence is licensed to provide residential living or  
2461 residential living and assisted living and shall stipulate the maximum number of persons who may be  
2462 cared for in the adult care residence for which it is issued.

2463 D. Any facility licensed exclusively as an adult care residence shall not use in its title the words  
2464 "convalescent," "health," "hospital," "nursing," "sanitorium," or "sanitarium," nor shall such words be  
2465 used to describe the facility in brochures, advertising, or other marketing material. Nothing in this  
2466 subsection shall prohibit the facility from describing services available in the facility.

2467 § 32.1-404. Investigation on receipt of application.

2468 Upon receipt of the application the Director shall cause an investigation to be made of the activities,  
2469 services and facilities of the applicant, of the applicant's financial responsibility, and of his character  
2470 and reputation or, if the applicant be an association, partnership or corporation, the character and  
2471 reputation of its officers and agents.

2472 § 32.1-405. Inspections and interviews.

2473 A. Applicants and licensees shall at all times afford the representatives of the Director reasonable  
2474 opportunity to inspect all of their facilities, books and records, and to interview their agents and  
2475 employees and any person living in such facilities.

2476 B. The Director and his authorized agents shall have the right to inspect and investigate all adult  
2477 care residences, interview their residents and have access to their records.

2478 C. The Director or his authorized agents shall make at least two inspections of each licensed adult  
2479 care residence each year, one of which shall be unannounced. The Director may authorize such other  
2480 announced or unannounced inspections as he considers appropriate.

2481 § 32.1-406. Issuance or refusal of license; provisional and conditional licenses.

2482 Upon completion of his investigation, the Director shall issue an appropriate license to the applicant  
2483 if he determines that the applicant and his agents and employees comply, and structures proposed to be  
2484 used by the applicant and his proposed manner of operation conform, with the provisions of this article.

2485 Upon completion of the investigation for the renewal of a license, the Director may issue a provisional  
2486 license to any applicant if the applicant is temporarily unable to comply with all of the requirements of  
2487 this article. Such provisional license may be renewed, but the issuance of a provisional license and any  
2488 renewals thereof shall be for no longer a period than six successive months. The Director may issue to  
2489 any applicant a provisional license and permit renewals thereof for a period no longer than twelve  
2490 successive months with the approval of the appropriate fire marshal in order to permit the applicant to  
2491 comply with the Fire Prevention Code.

2492 At the discretion of the Director, a conditional license may be issued to an applicant to operate a  
2493 new facility in order to permit the applicant to demonstrate compliance with the provisions of this  
2494 article. Such conditional license may be renewed, but the issuance of a conditional license and any  
2495 renewals thereof shall be for no longer a period than six successive months. The Director may issue to  
2496 any applicant a conditional license and permit renewals thereof for a period no longer than twelve  
2497 successive months with the approval of the appropriate fire marshal when such applicant is purchasing  
2498 an existing facility licensed in accordance with the provisions of this article in order to permit the  
2499 applicant to comply with the Fire Prevention Code.

2500 § 32.1-407. Interagency agreements; cooperation of Department with other departments.

2501 The Department of Aging and Long-Term Care Services is authorized to enter into interagency  
2502 agreements with other state agencies to develop and implement regulations for residential living and  
2503 assisted living. Any state agency identified by the Department as appropriate to include in an  
2504 interagency agreement shall participate in the development and implementation of the agreement. The  
2505 Department shall assist and cooperate with other state departments in fulfilling their respective  
2506 inspection responsibilities and in coordinating the regulations involving inspections. The Board may  
2507 promulgate regulations allowing the Department to so assist and cooperate with other state departments.

2508 § 32.1-408. Enforcement and sanctions.

2509 The Board shall promulgate regulations for the Director to use in determining when the imposition  
2510 of administrative sanctions or initiation of court proceedings, severally or jointly, is appropriate in  
2511 order to ensure prompt correction of violations involving noncompliance with state law or regulation as  
2512 discovered through any inspection or investigation conducted by the Departments of Aging and  
2513 Long-Term Care Services; Health; or Mental Health, Mental Retardation and Substance Abuse Services.  
2514 The Director may impose such sanctions or take such actions as are appropriate for violation of any of  
2515 the provisions of this article, § 54.1-3408, or any rule or regulation promulgated under any provision of  
2516 this article which adversely impacts the health, safety or welfare of the persons cared for therein, or for  
2517 permitting, aiding, or abetting the commission of any illegal act in an adult care residence. Such  
2518 sanctions or actions may include (i) reducing the licensed capacity of any adult care residence, (ii)  
2519 restricting or prohibiting new admissions to any adult care residence, (iii) petitioning the court to

2520 impose a civil penalty against any adult care residence or to appoint a receiver for the adult care  
2521 residence, and (iv) revoking or denying renewal of the license for the adult care residence.

2522 § 32.1-409. Appeal from refusal, denial of renewal or revocation of license and other sanctions.

2523 A. Whenever the Director refuses to issue or to renew a license for an adult care residence, or  
2524 whenever the Director revokes a license of an adult care residence or imposes a sanction as provided in  
2525 § 32.1-408, the provisions of the Administrative Process Act (§ 9-6.14:1 et seq.) shall apply, except that  
2526 all appeals from notice of imposition of administrative sanctions, pursuant to § 32.1-408, shall be  
2527 received in writing from the adult care residence operator within fifteen days of the date of receipt of  
2528 the notice. Judicial review of a final review agency decision shall be in accordance with the provisions  
2529 of the Administrative Process Act. No stay may be granted upon appeal to the Virginia Supreme Court.

2530 B. In every appeal to a court of record, the Director shall be named defendant.

2531 C. An appeal, taken as provided in this section, shall operate to stay any criminal prosecution for  
2532 operation without a license.

2533 D. When issuance or renewal of a license has been refused by the Director, the applicant shall not  
2534 thereafter for a period of one year apply again for such license unless the Director in his sole  
2535 discretion believes that there has been such a change in the conditions on account of which he refused  
2536 the prior application as to justify considering the new application. When an appeal is taken by the  
2537 applicant pursuant to subsection A above, the one-year period shall be extended until a final decision  
2538 has been rendered on appeal.

2539 § 32.1-410. Enjoining operation of adult care residence without license.

2540 Any court of record, having chancery jurisdiction in the county or city where the adult care  
2541 residence is located, shall, on motion of the Director, have jurisdiction to enjoin the operation of any  
2542 adult care residence operated without a license required by this article.

2543 § 32.1-411. Offenses.

2544 Any person who (i) interferes with any authorized agent of the Director in the discharge of his duties  
2545 under this article; (ii) makes to the Director or any authorized agent of the Director any report or  
2546 statement with respect to the operation of any adult care residence which is known by such person to be  
2547 false or untrue; (iii) operates or engages in the conduct of an adult care residence without first  
2548 obtaining a license as required by this article, or after such license has been revoked or has expired  
2549 and not been renewed; or (iv) operates or engages in the conduct of an adult care residence serving  
2550 more persons than the maximum stipulated in the license; and each officer and each member of the  
2551 governing board of any association or corporation which operates an adult care residence without  
2552 obtaining such license or after such revocation or expiration, or which operates or engages in the  
2553 conduct of an adult care residence serving more persons than the maximum stipulated in the license,  
2554 shall be guilty of a Class 1 misdemeanor.

2555 It shall be the duty of the attorney for the Commonwealth of every county and city to prosecute all  
2556 violations of this article.

2558 A. Any resident of an adult care residence has the rights and responsibilities enumerated in this  
2559 section. The operator or administrator of an adult care residence shall establish written policies and

2563 and of all rules and expectations governing the resident's conduct, responsibilities, and the terms of the

2565 informed, which shall be filed in his record;

2573 manage his financial affairs is made to the residence for any period of time in conformance with state  
2574 law;

2575 4. Is afforded confidential treatment of his personal affairs and records and may approve or refuse  
2576 their release to any individual outside the residence except as otherwise provided in law and except in

 2863 discovered through any inspection or investigation conducted by the Director or his representatives. The  
 2864 Director may impose such sanctions or take such actions as are appropriate for violation of any of the  
 2865 provisions of this article or any regulation promulgated under any provision of this article which

2883 D. When issuance or renewal of a license has been refused by the Director, the applicant shall not  
 2884 thereafter for a period of one year apply again for such license unless the Director in his sole  
 2885 discretion believes that there has been such a change in the conditions on account of which he refused  
 2886 the prior application as to justify considering the new application. When an appeal is taken by the  
 2887 applicant pursuant to subsection A above, the one-year period shall be extended until a final decision  
 2888 has been rendered on appeal.

2889 § 32.1-433. *Enjoining operation of center without license.*

2900 persons than the maximum stipulated in the license; and each officer and each member of the governing  
2901 board of any association or corporation which operates an adult day care center without obtaining such  
2902 license or after such revocation or expiration, or which operates or engages in the conduct of an adult

2916 abuse and neglect of children as set out in § 18.2-371.1, failure to secure medical attention for an  
2917 injured child as set out in § 18.2-314, or abuse or neglect of an incapacitated adult as set out in  
2918 § 18.2-369. However, an adult day care center may hire an applicant who has been convicted of one  
2919 misdemeanor specified in this section not involving abuse or neglect or moral turpitude, provided five  
2920 years have elapsed following the conviction.

2921 Any person desiring to work at a licensed adult day care center shall provide the hiring facility with  
2922 a sworn statement or affirmation disclosing any criminal convictions or any pending criminal charges,  
2923 whether within or without the Commonwealth. Any person making a materially false statement when  
2924 providing such sworn statement or affirmation regarding any such offense shall be guilty upon  
2925 conviction of a Class 1 misdemeanor. Further dissemination of the information provided pursuant to this  
2926 section is prohibited other than to a federal or state authority or court as may be required to comply  
2927 with an express requirement of law for such further dissemination.

2932 because of convictions appearing on his criminal history record, the hiring facility shall provide a copy  
2933 of the information obtained from the Central Criminal Records Exchange to the applicant.

2934 The provisions of this section shall not apply to volunteers who work with the permission or under  
2935 the supervision of a person who has received a clearance pursuant to this section.

 2974 Social Security Act or other relevant federal law and their implementing regulations or constructions of  
 2975 these laws and regulations by courts of competent jurisdiction or the United States Secretary of Health  
 2976 and Human Services.

 2978 the Board shall not be required to comply with the requirements of Article 2 (§ 9-6.14:7.1 et seq.) of  
 2979 Chapter 1.1:1 of Title 9. However, the Board shall, pursuant to the requirements of § 9-6.14:4.1, (i)  
 2980 notify the Registrar of Regulations that such amendment is necessary to meet the requirements of federal  
 2981 law or regulations or because of the order of any state or federal court or (ii) certify to the Governor  
 2982 that the regulations are necessitated by an emergency situation. Any such amendments which are in  
 2983 conflict with the Code of Virginia shall only remain in effect until July 1 following adjournment of the  
 2984 next regular session of the General Assembly unless enacted into law.

2985 B. The Director is authorized to administer such state plan and to receive and expend federal funds  
 2986 therefor in accordance with applicable federal and state laws and regulations; and to enter into all  
 2987 contracts necessary or incidental to the performance of the Department's duties and the execution of its  
 2988 powers as provided by law.

2989 C. The Director is authorized to enter into agreements and contracts with medical care facilities and  
 2990 health care providers where necessary to carry out the provisions of such state plan. Any such  
 2991 agreement or contract shall terminate upon conviction of the provider of a felony. In the event such  
 2992 conviction is reversed upon appeal, the provider may apply to the Director for a new agreement or  
 2993 contract. Such provider may also apply to the Director for reconsideration of the agreement or contract  
 2994 termination if the conviction is not appealed, or if it is not reversed upon appeal.

2995 The Director may refuse to enter into or renew an agreement or contract with any provider who has  
 2996 been convicted of a felony. In addition, the Director may refuse to enter into or renew an agreement or  
 2997 contract with a provider who is or has been a principal in a professional or other corporation when  
 2998 such corporation has been convicted of a felony.

2999 In any case in which a Medicaid agreement or contract is denied to a provider on the basis of his  
 3000 interest in a convicted professional or other corporation, the Director shall, upon request, conduct a  
 3001 hearing in accordance with the Administrative Process Act (§ 9-6.14:1 et seq.) regarding the provider's  
 3002 participation in the conduct resulting in the conviction.

3003 The Director's decision upon reconsideration shall be consistent with federal and state laws. The  
 3004 Director may consider the nature and extent of any adverse impact the agreement or contract denial or  
 3005 termination may have on the medical care provided to Medicaid recipients.

3006 D. The Director is authorized to negotiate and enter into agreements for services rendered to eligible  
 3007 recipients with special needs. The Board shall promulgate regulations regarding these special needs  
 3008 patients, to include persons with AIDS, ventilator-dependent patients, and other recipients with special  
 3009 needs as defined by the Board.

3010 Except as provided in subsection I of § 11-45, the provisions of the Virginia Public Procurement Act  
 3011 (§ 11-35 et seq.) shall not apply to the activities of the Director authorized by this subsection.

3012 *Agreements made pursuant to this subsection shall comply with federal law and regulation.*

3013 *§ 32.1-438. Adverse initial determination of overpayment; appeals of agency determinations.*

3014 *A. The Director shall make an initial determination as to whether an overpayment has been made to*  
3015 *a provider in accordance with the state plan for medical assistance, the provisions of § 9-6.14:11 and*  
3016 *applicable federal law. Once a determination of overpayment has been made, the Director shall*  
3017 *undertake full recovery of such overpayment whether or not the provider disputes, in whole or in part,*  
3018 *the initial determination of overpayment. Interest charges on the unpaid balance of any overpayment*  
3019 *shall accrue pursuant to § 32.1-313 from the date the Director's determination becomes final. Nothing in*  
3020 *§ 32.1-313 shall be construed to require interest payments on any portion of overpayment other than the*  
3021 *unpaid balance referenced herein. In any case in which an initial determination of overpayment has*  
3022 *been reversed in a subsequent agency or judicial proceeding, the provider shall be reimbursed that*  
3023 *portion of the payment to which he is entitled plus any applicable interest.*

3024 *B. An appeal of the Director's initial determination concerning provider reimbursement shall be*  
3025 *heard in accordance with the Administrative Process Act (§ 9-6.14:1 et seq.) and the state plan for*  
3026 *medical assistance. Court review of final agency determinations concerning provider reimbursement*  
3027 *shall be made in accordance with the Administrative Process Act.*

3028 *§ 32.1-439. Definitions; recovery of overpayment for medical assistance services.*

3029 *A. For the purposes of this section, the following definitions shall apply:*

3030 *"Agreement" means any contract executed for the delivery of services to recipients of medical*  
3031 *assistance pursuant to subsection C of § 32.1-437.*

3032 *"Successor in interest" means any person as defined in § 1-13.19 having stockholders, directors,*  
3033 *officers, or partners in common with a health care provider for which an agreement has been*  
3034 *terminated.*

3035 *"Termination" means (i) the cessation of operations by a provider, (ii) the sale or transfer of the*  
3036 *provider, (iii) the reorganization or restructuring of the health care provider, or (iv) the termination of*  
3037 *an agreement by either party.*

3038 *B. The Director shall collect by any means available to him at law any amount owed to the*  
3039 *Commonwealth because of overpayment for medical assistance services. Upon making an initial*  
3040 *determination that an overpayment has been made to the provider pursuant to § 32.1-438, the Director*  
3041 *shall notify the provider of the amount of the overpayment. Such initial determination shall be made*  
3042 *within the earlier of (i) four years or (ii) fifteen months after filing of the final cost report by the*  
3043 *provider subsequent to sale of the facility or termination of the provider. The provider shall make*  
3044 *arrangements satisfactory to the Director to repay the amount due. If the provider fails or refuses to*  
3045 *make arrangements satisfactory to the Director for such repayment, or fails or refuses to repay the*  
3046 *Commonwealth for the amount due for overpayment in a timely manner, the Director may devise a*  
3047 *schedule for reducing the Medicaid reimbursement due to any successor in interest.*

3048 *C. In any case in which the Director is unable to recover the amount due for overpayment pursuant*  
3049 *to subsection B, he shall not enter into another agreement with the responsible provider or any person*  
3050 *who is the transferee, assignee, or successor in interest to such provider unless (i) he receives*  
3051 *satisfactory assurances of repayment of all amounts due or (ii) the agreement with the provider is*  
3052 *necessary in order to ensure that Medicaid recipients have access to the covered services rendered by*  
3053 *the provider.*

3054 *D. The provisions of this section shall not apply to successors in interest with respect to transfer of a*  
3055 *medical care facility pursuant to contracts entered into before February 1, 1990.*

3056 *§ 32.1-440. Penalty for violation.*

3057 *Any person who willfully violates or refuses, fails, or neglects to comply with any regulation or*  
3058 *order of the Board or the Director promulgated pursuant to § 32.1-325.3 shall be guilty of a Class 1*  
3059 *misdemeanor.*

3060 *§ 32.1-441. Director may make payments to or for eligible persons in state-owned medical facilities.*

3061 *The Director is authorized, subject to the state medical assistance plan and any other regulations of*  
3062 *the Board, to make payments to or on behalf of eligible persons in state-owned mental hospitals,*  
3063 *nursing or geriatric units or other state-owned medical facilities.*

3064 *§ 32.1-442. Department to operate program of estate recovery.*

3065 *In accordance with applicable federal law and regulations, including those under Title XIX of the*  
3066 *Social Security Act, the Department shall operate a program of estate recovery for all persons who*  
3067 *receive payments or on whose behalf payments are made for Medicaid-financed nursing facility care by*  
3068 *the Department. The amount recovered from the estate of a deceased recipient shall not exceed the*  
3069 *amount of total Medicaid payments made on behalf of such recipient.*

3070 *§ 32.1-443. Claim against indigent's estate for payments made.*

3071 *In accordance with applicable federal law and regulations, including those under Title XIX of the*  
3072 *Social Security amendments of 1965, the Department may make claim against the estate of an indigent*  
3073 *or medically indigent person for the amount of any medical assistance payments made on his behalf by*

3074 the Department. The Department may waive its claim if it determines that enforcement of the claim  
 3075 would result in substantial hardship to the heirs or dependents of the individual against whose estate the  
 3076 claim exists.

3077 § 32.1-444. Repayment of reimbursable depreciation required on sale or transfer of a nursing facility

3078 A. Upon the sale or transfer of the real and tangible personal property comprising a licensed  
 3079 nursing facility certified to provide Medicaid services, the transferor or other person liable therefor  
 3080 shall reimburse to the Commonwealth the amount of depreciation previously allowed as a reasonable  
 3081 cost of providing such services and subject to recapture under the provisions of the state medical  
 3082 assistance plan. The amount of reimbursable depreciation shall be paid to the Commonwealth within  
 3083 thirty days of the sale or transfer of the real property unless an alternative form of repayment, the term  
 3084 of which shall not exceed one year, is approved by the Director.

3085 B. Prior to the transfer, the transferor shall file a written request by certified or registered mail to  
 3086 the Director for a letter of verification that he either does not owe the Commonwealth any amount for  
 3087 reimbursable depreciation or that he has repaid any amount owed the Commonwealth for reimbursable  
 3088 depreciation, or that an alternative form of repayment has been approved by the Director. The request  
 3089 for a letter of verification shall state: (i) that a sale or transfer is about to be made; (ii) the location  
 3090 and general description of the property to be sold or transferred; (iii) the names and addresses of the  
 3091 transferee and transferor and all such business names and addresses of the transferor for the last three  
 3092 years; and (iv) whether or not there is a debt owing to the Commonwealth for the amount of  
 3093 depreciation charges previously allowed and reimbursed as a reasonable cost to the transferor under  
 3094 the medical assistance program.

3095 Within ninety days after receipt of the request, the Director shall determine whether or not there is  
 3096 an amount due to the Commonwealth by the nursing facility by reason of depreciation charges  
 3097 previously allowed and reimbursed as a reasonable cost under the medical assistance program, and  
 3098 notify the transferor of such sum, if any.

3099 The transferor shall provide a copy of this section and a copy of his request for a letter of  
 3100 verification to the prospective transferee via certified mail at least thirty days prior to the transfer.  
 3101 However, whether or not the transferor provides a copy of this section and his request for verification  
 3102 to the prospective transferee as required herein, the transferee shall be deemed to be notified of the  
 3103 requirements of this law.

3104 After the transferor has made arrangements satisfactory to the Director to repay the amount due, or  
 3105 if there is no amount due, the Director shall issue a letter of verification to the transferor in recordable  
 3106 form stating that the transferor has complied with the provisions of this section and setting forth the  
 3107 terms of any alternative repayment agreement.

3108 C. The failure of the transferor to reimburse to the Commonwealth the amount of depreciation  
 3109 previously allowed as a reasonable cost of providing service to the medical assistance program in a  
 3110 timely manner renders the transfer of the nursing facility ineffective as to the Commonwealth. Upon a  
 3111 finding by the Director that such sale or transfer is ineffective as to the Commonwealth, the Director  
 3112 may collect any sum owing by any means available by law, including devising a schedule for reducing  
 3113 the Medicaid reimbursement to the transferee up to the amount owed the Commonwealth for  
 3114 reimbursable depreciation by the transferor or other person liable therefor. Medicaid reimbursement to  
 3115 the transferee shall continue to be so reduced until repayment is made in full or the terms of the  
 3116 repayment are agreed to by the transferor or person liable therefor. In the event the transferor or other  
 3117 person liable therefor defaults on any such repayment agreement, the reductions of Medicaid  
 3118 reimbursement to the transferee may resume.

3119 D. An action to reduce the transferee's Medicaid reimbursement or an action for attachment or levy  
 3120 shall not be brought or initiated more than six months after the date on which the sale or transfer has  
 3121 taken place unless the sale or transfer has been concealed or a letter of verification has not been  
 3122 obtained by the transferor or the transferor defaults on a repayment agreement approved by the  
 3123 Director.

3124 E. For the purpose of this section, "sale or transfer" shall mean any agreement between the  
 3125 transferor and the transferee by which the former, in consideration of the payment or promise of  
 3126 payment of a certain price in money, transfers to the latter the title and possession of the property.

3127 F. Any lien in favor of the Commonwealth created at any time pursuant to former § 32.1-76.1 is  
 3128 declared void.

3129 § 32.1-445. Preadmission screening.

3130 All individuals eligible for community or institutional long-term care services as defined by the  
 3131 Department shall be evaluated to determine their need for such services. The Department shall require a  
 3132 preadmission screening of all individuals who, at the time of application for admission to a long-term  
 3133 care service, are eligible for public funding for long-term care or will be eligible within six months  
 3134 following admission to the service. Preadmission screening shall be performed by any human service

3135 agency or acute care hospital that the Department contracts with for this purpose. Preadmission  
 3136 screening shall be performed using the assessment instrument and criteria designated by the  
 3137 Department.

3138 § 36-47. Consolidated housing authority.

3139 If the governing body of each of two or more municipalities (whether or not contiguous) by  
 3140 resolution declares that there is a need for one housing authority to be created for all of the  
 3141 municipalities to exercise in the municipalities the powers and other functions prescribed for a  
 3142 consolidated housing authority, a political subdivision of the Commonwealth to be known as a  
 3143 consolidated housing authority (with a corporate name it selects) shall thereupon exist for all of the  
 3144 municipalities and exercise its public and corporate powers and other functions within its area of  
 3145 operation (as herein defined), including the power to undertake projects therein. Thereupon, any housing  
 3146 authority created for each of the municipalities shall cease to exist except for the purpose of winding up  
 3147 its affairs and executing a deed of its real property to the consolidated housing authority. The creation of  
 3148 a consolidated housing authority and the finding of need therefor shall be subject to the same provisions  
 3149 and limitations of this chapter as are applicable to the creation of a regional housing authority. The  
 3150 provisions of this chapter applicable to regional housing authorities and the commissioners thereof shall  
 3151 be applicable to consolidated housing authorities and the commissioners thereof. The area of operation  
 3152 of a consolidated housing authority shall include all of the territory within the boundaries of each  
 3153 municipality joining in the creation of the authority, except that the area of operation may be changed to  
 3154 include or exclude any municipality or municipalities in the same manner and under the same provisions  
 3155 as provided in this chapter for changing the area of operation of a regional housing authority by  
 3156 including or excluding a county or counties. For all such purposes, the term "board of supervisors" shall  
 3157 be construed as meaning "governing body." The term "county" shall be construed as meaning  
 3158 "municipality" and the terms "county housing authority" and "regional housing authority" shall be  
 3159 construed as meaning "housing authority of the city" and "consolidated housing authority," respectively,  
 3160 unless a different meaning clearly appears from the context.

3161 The governing body of a municipality for which a housing authority has not been created shall not  
 3162 adopt the above resolution unless it first declares that there is a need for a consolidated housing  
 3163 authority to function in the municipality, which declaration shall be made in the same manner and  
 3164 subject to the same conditions as the declaration of the governing body of a city required by § 36-4 for  
 3165 the purpose of authorizing a housing authority created for a city to transact business and exercise its  
 3166 powers.

3167 Except as otherwise provided herein, a consolidated housing authority and the commissioners thereof  
 3168 shall, within the area of operation of the consolidated housing authority, have the same functions, rights,  
 3169 powers, duties, privileges, immunities and limitations as those provided for housing authorities created  
 3170 for cities, counties, or groups of counties and the commissioners of such housing authorities, in the same  
 3171 manner as though all the provisions of law applicable to housing authorities created for cities, counties,  
 3172 or groups of counties were applicable to consolidated housing authorities.

3173 The term "municipality" as used in this chapter shall mean any county, city or town in the  
 3174 Commonwealth.

3175 The term "residential buildings" as used in this chapter shall include, but not be limited to, any  
 3176 multi-family residential property in which no less than twenty percent of the units will be occupied by  
 3177 persons of low income and the remainder therein by persons of moderate income, both as determined by  
 3178 the housing authority using the criteria set forth in the definition of "persons and families of low and  
 3179 moderate income" in § 36-55.26, and any nursing care facility, or any nursing home as defined in  
 3180 § 32.1-123 facility as defined in § 32.1-375.

3181 § 36-99.5:1. Smoke detectors in adult care residences, adult day care centers and nursing facilities.

3182 A. Battery- or AC-powered smoke detector devices shall be installed in all adult care residences and  
 3183 adult day care centers licensed by the Department of Social Services of Aging and Long-Term Care  
 3184 Services, regardless of when the building was constructed. The location and installation of the smoke  
 3185 detectors shall be determined by the Uniform Statewide Building Code.

3186 The licensee shall obtain a certificate of compliance from the building official of the locality in  
 3187 which the residence or center is located, or in the case of state-owned buildings, from the Department of  
 3188 General Services.

3189 The licensee shall maintain the smoke detector devices in good working order.

3190 B. The Board of Housing and Community Development shall promulgate regulations in accordance  
 3191 with the Administrative Process Act (§ 9-6.14:1 et seq.) establishing standards for requiring smoke  
 3192 detectors in nursing homes and nursing facilities. All nursing homes and nursing facilities which are  
 3193 already equipped with sprinkler systems shall comply with these regulations.

3194 § 36-139.3. Inspection of residential care facilities operated by state agencies; enforcement of safety  
 3195 standards.

3196 Notwithstanding any other provisions of this chapter, the State Fire Marshal, upon presenting

3197 appropriate credentials, is empowered to and shall make annual inspections for hazards incident to fire  
 3198 in all residential care facilities operated by any state agency and in all adult care residences licensed or  
 3199 subject to licensure pursuant to ~~Chapter 9 (§ 63.1-172 et seq.)~~ of ~~Title 63.1 Article 3 (§ 32.1-396 et seq.)~~  
 3200 of ~~Chapter 13 of Title 32.1~~. In the event that any such facility or residence is found to be  
 3201 nonconforming to the Statewide Fire Prevention Code (§ 27-94 et seq.), the State Fire Marshal may  
 3202 petition any court of competent jurisdiction for the issuance of an injunction.

3203 § 37.1-62.2. *Alzheimer's and Related Diseases Research Award Fund.*

3204 *There is hereby established a fund to be known as the Alzheimer's and Related Diseases Research*  
 3205 *Award Fund. This Fund shall be administered by the Virginia Center on Aging and the awards shall be*  
 3206 *made through an awards committee consisting of representatives from the scientific and medical*  
 3207 *community and the general public. The awards shall be given annually to scientists in Virginia in order*  
 3208 *to support research into the causes of Alzheimer's and related diseases, methods of treatment, ways that*  
 3209 *families can cope with the stresses of the disease, and the impact of the disease on the citizens of the*  
 3210 *Commonwealth.*

3211 § 37.1-98. Discharge, conditional release, and convalescent status of patients.

3212 A. The director of a state hospital may discharge any patient after the preparation of a pre-discharge  
 3213 plan formulated in cooperation with the community services board which serves the political subdivision  
 3214 where the patient resided prior to hospitalization or with the board located within the political  
 3215 subdivision the patient chooses to reside in immediately following the discharge, except one held upon  
 3216 an order of a court or judge for a criminal proceeding, as follows:

3217 1. Any patient who, in his judgment, is recovered.

3218 2. Any patient who, in his opinion, is not mentally ill.

3219 3. Any patient who is impaired or not recovered and whose discharge, in the judgment of the  
 3220 director, will not be detrimental to the public welfare, or injurious to the patient.

3221 4. Any patient who is not a proper case for treatment within the purview of this chapter.

3222 The pre-discharge plan required by this paragraph shall, at a minimum, (i) specify the services  
 3223 required by the released patient in the community to meet the individual's needs for treatment, housing,  
 3224 nutrition, physical care and safety; (ii) specify any income subsidies for which the individual is eligible;  
 3225 (iii) identify all local and state agencies which will be involved in providing treatment and support to  
 3226 the individual; and (iv) specify services which would be appropriate for the individual's treatment and  
 3227 support in the community but which are currently unavailable. For all individuals discharged on or after  
 3228 January 1, 1987, the pre-discharge plan shall be contained in a uniform discharge document developed by  
 3229 the Department and used by all state hospitals. If the individual will be housed in an adult care  
 3230 residence, as defined in § ~~63.1-172~~ ~~32.1-396~~, the plan shall so state.

3231 B. The director may grant convalescent status to a patient in accordance with rules prescribed by the  
 3232 Board. The state hospital granting a convalescent status to a patient shall not be liable for his expenses  
 3233 during such period. Such liability shall devolve upon the relative, committee, person to whose care the  
 3234 patient is entrusted while on convalescent status, or the appropriate local public welfare agency of the  
 3235 county or city of which the patient was a resident at the time of admission. The provision of social  
 3236 services to the patient shall be the responsibility of the appropriate local public welfare agency as  
 3237 determined by policy approved by the State Board of Social Services.

3238 C. Any patient who is discharged pursuant to subdivision A 4 hereof shall, if necessary for his  
 3239 welfare, be received and cared for by the appropriate local public welfare agency. The provision of  
 3240 social services to the patient shall be the responsibility of the appropriate local public welfare agency as  
 3241 determined by policy approved by the State Board of Social Services. Expenses incurred by the  
 3242 provision of public assistance to the patient, who is receiving twenty-four-hour care while in an adult  
 3243 care residence licensed pursuant to ~~Chapter 9 (§ 63.1-172 et seq.)~~ of ~~Title 63.1 Article 3 (§ 32.1-396 et~~  
 3244 ~~seq.) of Chapter 13 of Title 32.1~~, shall be the responsibility of the appropriate local public welfare  
 3245 agency of the county or city of which the patient was a resident at the time of admission.

3246 § 37.1-123. Nursing facilities or other institutions; costs.

3247 In lieu of placing a patient at board in a private home, the director of a state hospital may, subject to  
 3248 regulations adopted by the State Mental Health, Mental Retardation and Substance Abuse Services  
 3249 Board, place such patient in a nursing home facility or other institution licensed by either the State  
 3250 Board of Health, *the State Board of Aging and Long-Term Care Services*, the State Mental Health,  
 3251 Mental Retardation and Substance Abuse Services Board or the State Board of Social Services;  
 3252 provided, that the cost to the Commonwealth of such placement shall not exceed the maximum fixed in  
 3253 § 37.1-121.
