The dealer may continue to operate for 120 days thereafter without a dealer-operator and may be granted approval by the Department Board to operate for an additional 60 days on application and good cause shown for such delay.

§ 46.2-1514. Action on applications; hearing on denial; denial for failure to have established place of business.

inspection of the new location shall be required prior to approval of a change of location. The ~~Commissioner~~ Board shall endorse the change of location on the license, without charge, if the new location is within the same county or city. A change in location to another county or city shall require a new license and fee. A temporary supplemental license for the sale of new motor vehicles may be issued only for locations within the dealer's area of responsibility, as defined in his franchise or sales agreement, unless proof is provided that all dealers in the same line-make in whose areas of responsibility, as defined in their franchise or sales agreements, where the temporary supplemental license is sought do not oppose the issuance of the temporary license.

A temporary supplemental license for sale of used motor vehicles may be issued only for the county, city, or town in which the dealer is licensed pursuant to § 46.2-1510, or for a contiguous county, city, or town. Temporary licenses may be issued without regard to the foregoing geographic restrictions where the dealer operating under a temporary license provides notice, at least thirty days before any proposed sale under a temporary license, to all other dealers licensed in the jurisdiction in which the sale will occur of the intent to conduct a sale and permits any locally licensed dealer who wishes to do so to participate in the sale on the same terms as the dealer operating under the temporary license. Any locally licensed dealer who chooses to participate in the sale must obtain a temporary supplemental license for the sale pursuant to this section.

A temporary supplemental license may be issued for the sale of boat trailers at a boat show. Any such license shall be valid for no more than fourteen days. Application for such a license shall be made and such license obtained prior to the opening of the show. Temporary supplemental licenses for sale of boat trailers at boat shows may be issued for any boat show located anywhere in the Commonwealth without notification of or approval by other boat trailer dealers.

Any change in the form of ownership or the addition or deletion of a partner shall require a new application, license, and fee.

Any addition or deletion of a franchise or change in the name of a dealer shall require immediate notification to the Department *and the Board*, and the ~~Commissioner~~ Board shall endorse the change on the license without a fee. The change of an officer or director of a corporation shall be made at the time of license renewal.

§ 46.2-1518. Display of salesperson's license; notice on termination.

No salesperson shall be employed by more than one dealer, unless the dealers are owned by the same person.

Each dealer shall post and maintain in a place conspicuous to the public a list of salespersons employed.

Each salesperson, factory representative, and distributor representative shall carry his license when engaged in his business and shall display it on request.

Each dealer, ~~manufacturer, and distributor~~ shall notify the ~~Department~~ Board in writing not later than the tenth day following the month of the termination of any licensed salesperson's ~~or representative's~~ employment. In lieu of written notification, the license of the terminated salesperson ~~or representative~~ may be returned to the ~~Department~~ Board annotated "terminated" on the face of the license and signed and dated by the dealer-operator, owner, or officer.

§ 46.2-1519. License and registration fees; additional to other licenses and fees required by law.

A. The fee for each license and registration year or part thereof shall be as follows *determined by the Board*, subject to the following:

B. The licenses, registrations, and fees required by this chapter are in addition to licenses, taxes, and fees imposed by other provisions of law and nothing contained in this chapter shall exempt any person from any license, tax, or fee imposed by any other provision of law.

§ 46.2-1521. Issuance, expiration, and renewal of licenses and certificates of registration.

All licenses and certificates of registration issued under this chapter shall be issued for a period of twelve consecutive months except, at the discretion of the ~~Commissioner~~ Board, the periods may be adjusted as is necessary to distribute the licenses and certificates as equally as practicable on a monthly basis. The expiration date shall be the last day of the twelfth month of validity or the last day of the designated month. Every license and certificate of registration shall be renewed annually on application by the licensee or registrant and by payment of fees required by law, the renewal to take effect on the first day of the succeeding month.

~~The Commissioner may offer an optional multi-year license or certificate of registration. When such option is offered and chosen by the licensee or the registrant, all annual and twelve-month fees due at the time of licensing or registration shall be multiplied by the number of years or fraction thereof the license or registrant will be licensed or registered.~~

§ 46.2-1527.1. Motor Vehicle Transaction Recovery Fund established.

All fees in this article shall be deposited in the Motor Vehicle Transaction Recovery Fund, hereinafter referred to in this chapter as "the Fund." The Fund shall be a special fund in the state treasury to pay claims against the Fund and for no other purpose. The Fund shall be used to satisfy unpaid judgments, as provided for in § 46.2-1527.3. Any interest income shall accrue to the Fund. The ~~Commissioner~~ Board shall maintain an accurate record of all transactions involving the Fund. The minimum balance of the Fund shall be \$250,000. However, beginning with April 8, 1994, the Fund balance may decline to \$50,000, in order to pay current claims. Beginning on July 1, 1995, the Fund balance shall be allowed to return to \$250,000.

Effective July 1, 1994, every applicant renewing a motor vehicle dealer's license shall pay, in addition to other license fees, an annual Fund fee of \$100 and every applicant for a motor vehicle salesperson's license shall pay, in addition to other license fees, an annual Fund fee of ten dollars, prior to license issue. However, annual Fund renewal fees from salespersons shall not exceed \$100 per year from an individual dealer. These fees shall be deposited in the Motor Vehicle Transaction Recovery Fund.

Beginning with April 8, 1994, applicants for an original motor vehicle dealer's license shall pay an annual Fund fee of \$250 each year for three consecutive years. During this period, the \$250 Fund fee will take the place of the annual \$100 fund fee.

In addition to the \$250 annual fee, applicants for an original dealer's license shall have a \$25,000 bond pursuant to § 46.2-1527.2 for three consecutive years. Only those renewing licensees who have not been the subject of a claim against their bond or against the Fund for three consecutive years shall pay the annual \$100 fee and will no longer be required to pay the \$250 annual fee or hold the \$25,000 bond.

Persons licensed as motor vehicle dealers as of April 8, 1994, shall not be subject to the \$250 annual fee or the bond, nor shall persons licensed as motor vehicle dealers as of April 8, 1994, who open an additional dealership be subject to the \$250 annual fee or the bond.

At the time of the first renewal after July 1, 1994, the annual Fund fee paid by persons already holding a license shall be doubled from \$10 to \$20 for a salesperson and from \$100 to \$200 for a licensed dealer. The double fee shall be paid one time.

Beginning with April 8, 1994, in addition to other license fees, applicants for an original Certificate of Dealer Registration or its renewal shall pay a Fund fee of \$60.

~~The Commissioner, after consulting with the Motor Vehicle Dealer's Advisory Board, may suspend or reinstate collection of Fund fees.~~

The provisions of this section shall not apply to manufactured home dealers as defined in § 36-85.16. *On and after July 1, 1995, the provisions of this section shall apply to T&M vehicles as defined in § 46.2-1900.*

§ 46.2-1527.2. Bonding requirements for applicants for an original license.

Before the ~~Commissioner~~ Board shall issue to an applicant an original license, the applicant shall obtain and file with the ~~Commissioner~~ Board a bond in the amount of \$25,000. The bond shall come from a corporate surety licensed to do business in the Commonwealth and approved by the Attorney General. The bond shall be conditioned on a statement by the applicant that the applicant will not practice fraud, make any fraudulent representation, or violate any provision of this chapter in the conduct of the applicant's business. The ~~Commissioner~~ Board may, without holding a hearing, suspend the dealer's license during the period that the dealer does not have a sufficient bond on file.

If a person suffers any of the following: (i) loss or damage in connection with the purchase of a

675 motor vehicle by reason of fraud practiced on him or fraudulent representation made to him by a
676 licensed motor vehicle dealer or one of the dealer's salespersons acting within his scope of employment,
677 (ii) loss or damage by reason of the violation by a dealer or salesperson of any provision of this chapter
678 in connection with the purchase of a motor vehicle, or (iii) loss or damage resulting from a breach of an
679 extended service contract entered into on or after the effective date of this act, as defined by § 59.1-435,
680 that person shall have a claim against the dealer and the dealer's bond, and may recover such damages
681 as may be awarded to such person by final judgment of a court of competent jurisdiction against the
682 dealer as a proximate result of such loss or damage up to but not exceeding the amount of the bond,
683 from such surety, who shall be subrogated to the rights of such person against the dealer or salesperson.
684 The liability of such surety shall be limited to actual damages, and shall not include any punitive
685 damages or attorneys' fees assessed against the dealer or salesperson.

686 In those cases in which a dealer's surety shall be liable pursuant to this section, the surety shall be
687 liable only for the first \$25,000 in claims against the dealer. Thereafter, the Fund shall be liable for the
688 next \$25,000 in those cases in which the Fund itself may be liable. The aggregate liability of the
689 dealer's surety to any and all persons, regardless of the number of claims made against the bond or the
690 number of years the bond remains in force, shall in no event exceed \$25,000.

691 The dealer's surety shall notify the ~~Department~~ Board when a claim is made against a dealer's bond,
692 when a claim is paid and when the bond is cancelled. Such notification shall include the amount of a
693 claim and the circumstances surrounding the claim. Notification of cancellation shall include the
694 effective date and reason for cancellation. The bond may be cancelled as to future liability by the
695 dealer's surety upon thirty days' notice to the ~~Department~~ Board.

696 § 46.2-1527.3. Recovery from Fund, generally.

697 Whenever any person is awarded a final judgment in a court of competent jurisdiction in the
698 Commonwealth for (i) any loss or damage in connection with the purchase of a motor vehicle by reason
699 of any fraud practiced on him or fraudulent representation made to him by a licensed or registered
700 motor vehicle dealer or one of a dealer's salespersons acting for the dealer or within the scope of his
701 employment, or (ii) any loss or damage by reason of the violation by a dealer or salesperson of any of
702 the provisions of this chapter in connection with the purchase of a motor vehicle, on or after January 1,
703 1989, the judgment creditor may file a verified claim with the ~~Commissioner~~ Board, requesting payment
704 from the Fund of the amount unpaid on the judgment. The claim shall be filed with the ~~Commissioner~~
705 Board no sooner than thirty days and no later than twelve months after the judgment becomes final.

706 On or after the effective date of this act, the ~~Commissioner~~ Board shall only consider for payment,
707 claims submitted by retail purchasers of motor vehicles, and for purchases of motor vehicles by licensed
708 or registered motor vehicle dealers who contribute to the Fund.

709 § 46.2-1527.4. Opportunity to intervene.

710 Any action instituted by a person against a licensed or registered dealer or a salesperson, which may
711 become a claim against the Fund, shall be served to the ~~Commissioner~~ Board in the manner prescribed
712 by law. All subsequent pleadings and documents shall also be served to the ~~Commissioner~~ Board.
713 Included in such service shall be an affidavit stating all acts constituting fraud or violations of this
714 chapter. Upon service of process, the ~~Commissioner~~ Board, or duly authorized representative, shall have
715 the right to request leave of the court to intervene. The person shall submit such pleadings or documents
716 to the ~~Commissioner~~ Board by certified mail or the equivalent.

717 § 46.2-1527.5. Limitations on recovery from Fund.

718 The maximum claim of one judgment creditor against the Fund based on an unpaid final judgment
719 arising out of any loss or damage by reason of a claim submitted under § 46.2-1527.2 or § 46.2-1527.3
720 involving a single transaction, shall be limited to \$15,000, regardless of the amount of the unpaid final
721 judgment of one judgment creditor.

722 The aggregate of claims against the Fund based on unpaid final judgments arising out of any loss or
723 damage by reason of a claim submitted under § 46.2-1527.3 involving more than one transaction shall
724 be limited to \$50,000, regardless of the total amounts of the unpaid final judgments of judgment
725 creditors.

726 However, aggregate claims against the Fund under § 46.2-1527.2 shall be limited to \$25,000 and
727 then only after the dealer's \$25,000 bond has been exhausted.

728 If a claim has been made against the Fund, and the ~~Commissioner~~ Board has reason to believe that
729 there may be additional claims against the Fund from other transactions involving the same licensee or
730 registrant, the ~~Commissioner~~ Board may withhold any payment from the Fund involving the licensee or
731 registrant for a period not to exceed the end of the relevant license or registration period. After this
732 period, if the aggregate of claims against the licensee or registrant exceeds \$50,000, a total of \$50,000
733 shall be prorated among the claimants and paid from the Fund in proportion to the amounts of their
734 unpaid final judgments against the licensee or registrant.

735 However, claims against motor vehicle dealers and salespersons under § 46.2-1527.2 shall be prorated
736 when the aggregate exceeds \$25,000. Claims shall be prorated only after the dealer's \$25,000 bond has

been exhausted.

On receipt of a verified claim filed against the Fund, the ~~Commissioner~~ Board shall forthwith notify the licensee or registrant who is the subject of the unpaid judgment that a verified claim has been filed and that the licensee or registrant should satisfy the judgment debt. If the judgment debt is not fully satisfied thirty days following the date of the notification by the ~~Commissioner~~ Board, the ~~Commissioner~~ Board shall make payment from the Fund subject to the other limitations contained in this article.

Excluded from the amount of any unpaid final judgment on which a claim against the Fund is based shall be any sums representing interest, or punitive or exemplary damages.

If at any time the Fund is insufficient to fully satisfy any claims or claim filed with the ~~Commissioner~~ Board and authorized by this article, the ~~Commissioner~~ Board shall pay such claims, claim, or portion thereof to the claimants in the order that the claims were filed with the ~~Commissioner~~ Board. However, claims by retail purchasers shall take precedence over other claims.

§ 46.2-1527.6. Assignment of claimant's rights to the Board; payment of claims.

Subject to the provisions of this article and on the claimant's execution and delivery to the ~~Commissioner~~ Board of an assignment to the ~~Department~~ Board of his rights against the licensee or registrant, to the extent he received satisfaction from the Fund, the ~~Commissioner~~ Board shall pay the claimant from the Fund the amount of the unpaid final judgment.

§ 46.2-1527.7. Revocation of license or certificate of registration on payment from the Fund.

On payment by the ~~Commissioner~~ Board to a claimant from the Fund as provided in this article, the ~~Commissioner~~ Board shall immediately notify the licensee or registrant in writing of the ~~Department's~~ Board's payment to the claimant and request full reimbursement be made to the ~~Department~~ Board within thirty days of the notification. Failure to reimburse the ~~Department~~ Board in full within the specified period shall cause the ~~Commissioner~~ Board to immediately revoke the license or certificate of the dealer or the license of a salesperson whose fraud, fraudulent representation, or violation of this chapter resulted in this payment. Any person whose license or certificate is revoked shall not be eligible to apply for a license or certificate as a motor vehicle dealer or a license as a salesperson until the person has repaid in full the amount paid from the Fund on his account, plus interest at the rate of eight percent per year from the date of payment.

§ 46.2-1527.8. No waiver by the Board of disciplinary action against licensee or registrant.

Nothing contained in this article shall limit the authority of the ~~Department~~ Board to take disciplinary action against any licensee or registrant for any violation of this chapter or any regulation promulgated thereunder, nor shall full repayment of the amount paid from the Fund on a licensee's or registrant's account nullify or modify the effect of any disciplinary action against that licensee or registrant for any violation.

§ 46.2-1542. Temporary certificates of ownership.

A. Notwithstanding §§ 46.2-617 and 46.2-628, whenever a dealer licensed by the ~~Department~~ Board sells and delivers to a purchaser a motor vehicle, ~~trailer, or semitrailer~~, and is unable at the time of the sale to deliver to the purchaser the certificate of title or certificate of origin for the vehicle because the certificate of title or certificate of origin is lost or is being detained by another in possession or for any other reason beyond the dealer's control, the dealer shall execute, on forms provided by the Commissioner, a temporary certificate of ownership. The certificate shall bear its date of issuance, the name and address of the purchaser, the identification number of the vehicle, the registration number to be used temporarily on the vehicle, the name of the state in which the vehicle is to be registered, the name and address of the person from whom the dealer acquired the vehicle, and whatever other information may be required by the Commissioner. A copy of the temporary certificate and a bona fide bill of sale shall be delivered to the purchaser and shall be in the possession of the purchaser at all times when operating the vehicle. One copy of the certificate shall be retained by the dealer and shall be subject to inspection at any time by the Department's agents. The original of the certificate shall be forwarded by the dealer to the Department directly on issuance to the purchaser if the vehicle is to be titled outside the Commonwealth, along with application for title. The issuance of a temporary certificate of ownership to a purchaser pursuant to this section shall have the effect of vesting ownership to the vehicle in the purchaser for the period that the certificate remains effective.

B. A temporary certificate of ownership issued by a dealer to a purchaser pursuant to this section shall expire on receipt by the purchaser of a certificate of title to the vehicle issued by the Department in the name of the purchaser, but in no event shall any temporary certificate of ownership issued under this section be effective for more than thirty days from the date of its issuance. In the event that the dealer fails to produce the old certificate of title or certificate of origin to the vehicle or fails to apply for a replacement certificate of title pursuant to § 46.2-632, thereby preventing delivery to the Department or purchaser before the expiration of the temporary certificate of ownership, the purchaser's ownership of the vehicle may terminate and the purchaser shall have the right to return the vehicle to the dealer and obtain a full refund of all payments made toward the purchase of the vehicle, less any damage to the vehicle incurred while ownership was vested in the purchaser, and less a reasonable amount for use not to exceed one-half the amount allowed per mile by the Internal Revenue Service, as provided by regulation, revenue procedure, or revenue ruling promulgated pursuant to § 162 of the Internal Revenue Code, for use of a personal vehicle for business purposes.

C. Notwithstanding subsection B of this section, if the dealer fails to deliver the certificate of title or certificate of origin to the purchaser within thirty days, a second temporary certificate of ownership may be issued. However, the dealer shall, not later than the expiration of the first temporary certificate, deliver to the Department an application for title, copy of the bill of sale, all required fees and a written statement of facts describing the dealer's efforts to secure the certificate of title or certificate of origin to the vehicle. On receipt of the title application with attachments as described herein, the Department shall record the purchaser's ownership of the vehicle and may authorize the dealer to issue a second thirty-day temporary certificate of ownership. If the dealer does not produce the certificate of title or certificate of origin to the vehicle before the expiration of the second temporary certificate, the purchaser's ownership of the vehicle may terminate and he shall have the right to return the vehicle as provided in subsection B of this section.

D. If the dealer is unable to produce the certificate of title or certificate of origin to the vehicle within the sixty-day period from the date of issuance of the first temporary certificate, the Department may extend temporary ownership for an additional period of up to ninety days, provided the dealer makes application in the format required by the Department. If the dealer does not produce the certificate of title or certificate of origin to the vehicle before the expiration of the additional ninety-day period, the purchaser's ownership of the vehicle may terminate and he shall have the right to return the vehicle as provided in subsection B of this section.

E. The Commissioner, on determining that the provisions of this section or the directions of the Department are not being complied with by a dealer, may suspend, after a hearing, the right of the dealer to issue temporary certificates of ownership.

§ 46.2-1543. Use of old license plates and registration number on another vehicle.

An owner who sells or transfers a registered motor vehicle, ~~trailer, or semitrailer~~ may have the license plates and the registration number transferred to another vehicle titled in the owner's name

921 according to the provisions of Chapter 6 of this title, which is in a like vehicle category as specified in
922 § 46.2-694 and which requires an identical registration fee, on application to the Department
923 accompanied by a fee of two dollars or, if the other vehicle requires a greater registration fee than that
924 for which the license plates were assigned, on the payment of a fee of two dollars and the amount of
925 the difference in registration fees between the two vehicles, all such transfers to be in accordance with
926 the regulations of the Department. All fees collected under this section shall be paid by the
927 Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the
928 expenses of the Department. For purposes of this section, a motor vehicle dealer licensed by the
929 ~~Department Board~~ may be authorized to act as an agent of the Department for the purpose of receiving,
930 processing, and approving applications from its customers for assignment of license plates and
931 registration numbers pursuant to this section, using the forms and following the procedures prescribed by
932 the Department. The Commissioner, on determining that the provisions of this section or the directions
933 of the Department are not being complied with by a dealer, may suspend, after a hearing, the authority
934 of the dealer to receive, process, and approve the assignment of license plates and registration numbers
935 pursuant to this section.

936 § 46.2-1544. Certificate of title for dealers.

937 Except as otherwise provided in this chapter, every dealer shall obtain, on the purchase of each
938 vehicle, a certificate of title issued to the dealer or shall obtain an assignment or reassignment of a
939 certificate of title for each vehicle purchased *within two full business days*, except that a certificate of
940 title shall not be required for any new vehicle to be sold as such. *Any person found guilty of violating*
941 *any of the provisions of this section shall be guilty of a Class 1 misdemeanor.*

942 § 46.2-1545. Termination of business.

943 No dealer, unless his license has been suspended, revoked, or canceled, shall cease business without
944 a thirty-day prior notification to the Department *and the Board*. On cessation of the business, the dealer
945 shall immediately surrender to the ~~Department Board~~ the dealer's certificate of license, all salespersons'
946 licenses, *and any other materials furnished by the Board*. *The dealer shall also immediately surrender to*
947 *the Department* all dealer and temporary license plates, all fees and taxes collected, and any other
948 materials furnished by the Department. After cessation of business, the former licensee shall continue to
949 maintain and make available to the Department *and the Board* dealer records as set forth in this chapter.

950 § 46.2-1546. Registration of dealers; fees.

951 Every manufacturer, distributor, or dealer, before he commences to operate vehicles in his inventory
952 for sale or resale, shall apply to the Commissioner for a dealer's certificate of vehicle registration and
953 license plates. For the purposes of this article, a vehicle is in inventory when it is owned by or assigned
954 to a dealer and is offered and available for sale or resale. All dealer's certificates of vehicle registration
955 and license plates issued under this section may, at the discretion of the Commissioner, be placed in a
956 system of staggered issue to distribute the work of issuing vehicle registration certificates and license
957 plates as uniformly as practicable throughout the year. Dealerships which sold fewer than twenty-five
958 vehicles during the last twelve months of the preceding license year shall be eligible to receive no more
959 than two dealer's license plates; dealerships which sold at least twenty-five but fewer than fifty vehicles
960 during the last twelve months of the preceding license year shall be eligible to receive no more than
961 four dealer's license plates. However, dealerships which sold fifty or more vehicles during their current
962 license year may apply for additional license plates not to exceed four times the number of licensed
963 salespersons employed by that dealership. Dealerships which sold fifty or more vehicles during the last
964 twelve months of the preceding license year shall be eligible to receive a number of dealer's license
965 plates not to exceed four times the number of licensed salespersons employed by that dealership. A new
966 applicant for a dealership shall be eligible to receive a number of dealer's license plates not to exceed
967 four times the number of licensed salespersons employed by that dealership. For the purposes of this
968 article, a salesperson or employee shall be considered to be employed only if he (i) works for the
969 dealership at least twenty-five hours each week on a regular basis and (ii) is compensated for this work.
970 All salespersons' or employees' employment records shall be retained in accordance with the provisions
971 of § 46.2-1529. A salesperson shall not be considered employed, within the meaning of this section, if
972 he is an independent contractor as defined by the United States Internal Revenue Code. The fee for the
973 issuance of dealer's license plates shall be ~~thirty dollars per year for the first two dealer's license plates~~
974 ~~and thirteen dollars per year for determined by the Board, but not more than \$30 per license plate;~~
975 *however, the fee for the first two dealer's plates shall not be less than twenty-four dollars and the fee*

982 *dealer's license plate.*

§ 46.2-1547. License under this chapter prerequisite to receiving dealer's license plates; insurance required; Commissioner may revoke plates.

No motor vehicle ~~manufacturer, distributor, or~~ dealer, unless licensed under this chapter, *nor any motor vehicle manufacturer or distributor, unless licensed under Chapter 19 (§ 46.2-1900 et seq.) of this title*, shall be entitled to receive or maintain any dealer's license plates. It shall be unlawful to use or permit the use of any dealer's license plates for which there is no automobile liability insurance coverage or a certificate of self-insurance as defined in § 46.2-368 on any motor vehicle. No dealer's license plates shall be issued unless the dealer certifies to the Department that there is automobile liability insurance coverage or a certificate of self-insurance with respect to each dealer's license plate to be issued. Such automobile liability insurance or a certificate of self-insurance shall be maintained as to each dealer's license plate for so long as the registration for the dealer's license plate remains valid without regard to whether the plate is actually being used on a vehicle. If insurance or a certificate of self-insurance is not so maintained, the dealer's license plate shall be surrendered to the Department. The Commissioner shall revoke any dealer's license plate as to which there is no insurance or a certificate of self-insurance. The Commissioner may also revoke any dealer's license plate that has been used in any way not authorized by the provisions of this title.

§ 46.2-1548. Transferable dealer's license plates.

In lieu of registering each vehicle of a type described in this section, a manufacturer, distributor, or dealer owning and operating any motor vehicle; ~~trailer, or semitrailer~~ on any highway may obtain a dealer's license plate from the Department, on application therefor on the prescribed form and on payment of the fees required by law. These license plates shall be attached to each vehicle as required by subsection A of § 46.2-711. Each plate shall bear a distinctive number, and the name of the Commonwealth, which may be abbreviated, together with the word "dealer" or a distinguishing symbol indicating that the plate is issued to a manufacturer, distributor, or dealer. Month and year decals indicating the date of expiration shall be affixed to each license plate. Any license plates so issued may, during the calendar year or years for which they have been issued, be transferred from one motor vehicle; ~~trailer, or semitrailer~~ to another, used or operated by the manufacturer, distributor, or dealer, who shall keep a written record of the motor vehicle; ~~trailer, or semitrailer~~ on which the dealer's license plates are used. This record shall be in a format approved by the Commissioner and shall be open to inspection by any law-enforcement officer or any officer or employee of the Department.

Display of a transferable manufacturer's, distributor's, or dealer's license plate or plates on a motor vehicle; ~~trailer, or semitrailer~~ shall subject the vehicle to the requirements of §§ 46.2-1038 and 46.2-1056.

All manufacturer's, distributor's, and dealer's license plates shall be issued for a period of twelve consecutive months except, at the discretion of the Commissioner, the periods may be adjusted as may be necessary to distribute the registrations as equally as practicable on a monthly basis. The expiration date shall be the last day of the twelfth month of validity or the last day of the designated month. Every license plate shall be renewed annually on application by the owner and by payment of fees required by law, such renewal to take effect on the first day of the succeeding month.

The Commissioner may offer an optional multi-year license plate registration to manufacturers, distributors, and dealers licensed pursuant to this chapter provided that he has chosen to offer optional multi-year licensing to such persons pursuant to § 46.2-1521. When such option is offered and chosen by the licensee, all annual and twelve-month fees due at the time of registration shall be multiplied by the number of years or fraction thereof the licensee will be licensed pursuant to § 46.2-1521.

§ 46.2-1549. Dealer's license plates to distinguish between various types of dealers.

The Commissioner shall provide for the issuance of appropriate franchised or independent dealer's license plates so as to distinguish between:

1053 dealer, or (ii) when the plates are being used by a customer on a vehicle owned by the dealer in whose
1054 repair shop the customer's vehicle is being repaired. The dealer shall issue to the prospective purchaser
1055 or customer whose vehicle is being repaired a certificate on forms provided by the Department, a copy
1056 of which shall be retained by the dealer and open at all times to the inspection of the Commissioner or
1057 any of the officers or agents of the Department. The certificate shall be in the immediate possession of
1058 the person operating or authorized to operate the vehicle. The certificate shall entitle the person to
1059 operate with dealer's license plates for a specific period of no more than five days. Not more than two
1060 certificates may be issued by a dealer to the same person for successive periods.

1061 § 46.2-1551. Use of dealer's license plates or temporary transport plates on certain vehicles traveling

1068 the title to the vehicle has been retained by the dealer, and no other license, permit, warrant, exemption
1069 card, or classification plate from any other agency of the Commonwealth shall be required under these

1072 a vehicle owned and operated outside the Commonwealth to an establishment within the Commonwealth
1073 and to the return trip of that vehicle from the Commonwealth to another state, provided the operator of
1074 the vehicle carries on his person when so operating a bill of sale for the fifth wheel, body, or special
1075 equipment.

1076 § 46.2-1553. Operation without license plate prohibited.

1077 No manufacturer or distributor of or dealer in motor vehicles, ~~trailers, or semitrailers~~ shall cause or
1078 permit any motor vehicle, ~~trailer, or semitrailer~~ owned by him to be operated or moved on a public
1079 highway without there being displayed on the motor vehicle, ~~trailer, or semitrailer~~ a license plate or
1080 plates issued to him, either under § 46.2-711 or under § 46.2-1548, except as otherwise authorized in

B. The Department shall inform the manufacturer, factory branch, distributor, distributor branch, or subsidiary and the dealer or dealers or other parties named in the agreement of a preliminary recommendation as to the consistency of the agreement with the provisions of this chapter. If any of the parties involved have comments on the preliminary recommendation, they must be submitted to the Commissioner within thirty days of receiving the preliminary recommendation. The Commissioner shall render his decision within fifteen days of receiving comments from the parties involved. If the Commissioner does not receive comments within the thirty-day time period, he shall make the final determination as to the consistency of the agreement with the provisions of this chapter.

§ 46.2-1568. Coercion of retail dealer by manufacturer or distributor with respect to retail installment sales contracts prohibited.

A. It shall be unlawful for any manufacturer or distributor, or any officer, agent, or representative of either, to coerce or attempt to coerce any retail motor vehicle dealer or prospective retail motor vehicle dealer in the Commonwealth to sell, assign, or transfer any retail installment sales contract obtained by the dealer in connection with the sale by him in the Commonwealth of motor vehicles manufactured or sold by the manufacturer or distributor, to a specified finance company or class of finance companies or to any other specified persons by any of the following:

1. By any statement, suggestion, promise, or threat that the manufacturer or distributor will in any manner benefit or injure the dealer, whether the statement, suggestion, threat, or promise is express or implied or made directly or indirectly.

2. By any act that will benefit or injure the dealer.

3. By any contract, or any express or implied offer of contract, made directly or indirectly to the dealer, for handling the motor vehicle on the condition that the dealer sell, assign, or transfer his retail installment sales contract on the vehicle, in the Commonwealth, to a specified finance company or class of finance companies or to any other specified person.

4. By any express or implied statement or representation made directly or indirectly that the dealer is under any obligation whatsoever to sell, assign, or transfer any of his retail sales contracts in the Commonwealth on motor vehicles manufactured or sold by the manufacturer or distributor to a finance company, or class of finance companies, or other specified person, because of any relationship or affiliation between the manufacturer or distributor and the finance company or companies or the specified person or persons.

B. Any such statements, threats, promises, acts, contracts, or offers of contracts, when their effect may be to lessen or eliminate competition or tend to create a monopoly, are declared unfair trade practices and unfair methods of competition and are prohibited.

C. Any person found guilty of violating any of the provisions of this section shall be guilty of a Class 1 misdemeanor.

§ 46.2-1569. Other coercion of dealers; transfer, grant, succession to and cancellation of dealer franchises; delivery of vehicles, parts, and accessories.

Notwithstanding the terms of any franchise agreement, it shall be unlawful for any manufacturer, factory branch, distributor, or distributor branch, or any field representative, officer, agent, or their representatives:

1. To coerce or attempt to coerce any dealer to accept delivery of any motor vehicle or vehicles, parts or accessories therefor, or any other commodities, which have not been ordered by the dealer.

2. To coerce or attempt to coerce any dealer to enter into an agreement with the manufacturer, factory branch, distributor, or distributor branch, or representative thereof, or do any other act unfair to

the dealer, by threatening to cancel any franchise existing between the manufacturer, factory branch, distributor, distributor branch, or representative thereof and the dealer.

2a. To coerce or attempt to coerce any dealer to join, contribute to, or affiliate with any advertising association.

3. ~~Notwithstanding the terms of any franchise, to~~ To prevent or refuse to approve the sale or transfer of the ownership of a dealership by the sale of the business, stock transfer, or otherwise, or the transfer, sale, or assignment of a dealer franchise, or a change in the executive management or principal operator of the dealership, unless the franchisor provides written notice to the dealer of its objection and the reasons therefor at least thirty days prior to the proposed effective date of the transfer, sale, assignment, or change. No such objection shall be effective to prevent the sale, transfer, assignment, or change if the Commissioner has determined, if requested in writing by the dealer within thirty days after receipt of an objection to the proposed sale, transfer, or change, and after a hearing on the matter, that the failure to permit or honor the sale, transfer, assignment, or change is unreasonable under the circumstances. No franchise may be sold, assigned, or transferred unless (i) the franchisor has been given at least ninety days' prior written notice by the dealer as to the identity, financial ability, and qualifications of the proposed transferee, and (ii) the sale or transfer of the franchise and business will not involve, without the franchisor's consent, a relocation of the business.

4. To grant an additional franchise for a particular line-make of motor vehicle in a relevant market area in which a dealer or dealers in that line-make are already located unless the franchisor has first advised in writing all other dealers in the line-make in the relevant market area. No such additional franchise may be established at the proposed site unless the Commissioner has determined, if requested by a dealer of the same line-make in the relevant market area within thirty days after receipt of the franchisor's notice of intention to establish the additional franchise, and after a hearing on the matter, that there is reasonable evidence that after the grant of the new franchise, the market will support all of the dealers in that line-make in the relevant market area. Establishing a franchised dealer in a relevant market area to replace a franchised dealer that has not been in operation for more than two years shall constitute the establishment of a new franchise subject to the terms of this subdivision. The two-year period for replacing a franchised dealer shall begin on the day the franchise was terminated, or, if a termination hearing was held, on the day the franchisor was legally permitted finally to terminate the franchise. This subdivision shall not apply to (i) the relocation of an existing dealer within that dealer's relevant market area if the relocation site is to be more than ten miles distant from any other dealer for the same line-make; (ii) the relocation of an existing dealer within that dealer's relevant market area if the relocation site is to be more distant than the existing site from all other dealers of the same line-make in that relevant market area; or (iii) the relocation of an existing new motor vehicle dealer within two miles of the existing site of the relocating dealer.

5. Except as otherwise provided in this subdivision and notwithstanding the terms of any franchise, to terminate, cancel, or refuse to renew the franchise of any dealer without good cause and unless (i) the dealer and the Commissioner have received written notice of the franchisor's intentions at least sixty days prior to the effective date of such termination, cancellation, or the expiration date of the franchise, setting forth the specific grounds for the action, and (ii) the Commissioner has determined, if requested in writing by the dealer within the sixty-day period and, after a hearing on the matter, that there is good cause for the termination, cancellation, or nonrenewal of the franchise. In any case where a petition is made to the Commissioner for a determination as to good cause for the termination, cancellation, or nonrenewal of a franchise, the franchise in question shall continue in effect pending the Commissioner's decision or, if that decision is appealed to the circuit court, pending the decision of the circuit court. In any case in which a franchisor neither advises a dealer that it does not intend to renew a franchise nor takes any action to renew a franchise beyond its expiration date, the franchise in question shall continue in effect on the terms last agreed to by the parties. Notwithstanding the other provisions of this subdivision notice of termination, cancellation, or nonrenewal may be provided to a dealer by a franchisor not less than fifteen days prior to the effective date of such termination, cancellation, or nonrenewal when the grounds for such action are any of the following:

a. Insolvency of the franchised motor vehicle dealer or filing of any petition by or against the franchised motor vehicle dealer, under any bankruptcy or receivership law, leading to liquidation or which is intended to lead to liquidation of the franchisee's business.

b. Failure of the franchised motor vehicle dealer to conduct its customary sales and service operations during its posted business hours for seven consecutive business days, except where the failure results from acts of God or circumstances beyond the direct control of the franchised motor vehicle dealer.

c. Revocation of any license which the franchised motor vehicle dealer is required to have to operate a dealership.

d. Conviction of the dealer or any principal of the dealer of a felony.

The change or discontinuance of a marketing or distribution system of a particular line-make product

by a manufacturer or distributor, while the name identification of the product is continued in substantial form by the same or different manufacturer or distributor, may be considered to be a franchise termination, cancellation, or nonrenewal. The provisions of this paragraph shall apply to changes and discontinuances made after January 1, 1989, but they shall not be considered by any court in any case in which such a change or discontinuance occurring prior to that date has been challenged as constituting a termination, cancellation or nonrenewal.

5a. To fail to provide continued parts and service support to a dealer which holds a franchise in a discontinued line-make for at least five years from the date of such discontinuance. This requirement shall not apply to a line-make which was discontinued prior to January 1, 1989.

6. ~~Notwithstanding the terms of any franchise, to~~ To fail to allow a dealer the right at any time to designate a member of his family as a successor to the dealership in the event of the death or incapacity of the dealer. It shall be unlawful to prevent or refuse to honor the succession to a dealership by a member of the family of a deceased or incapacitated dealer if the franchisor has not provided to the member of the family previously designated by the dealer as his successor written notice of its objections to the succession and of such person's right to seek a hearing on the matter before the Commissioner pursuant to this article, and the Commissioner determines, if requested in writing by such member of the family within thirty days of receipt of such notice from the franchisor, and after a hearing on the matter before the Commissioner pursuant to this article, that the failure to permit or honor the succession is unreasonable under the circumstances. No member of the family may succeed to a franchise unless (i) the franchisor has been given written notice as to the identity, financial ability, and qualifications of the member of the family in question, and (ii) the succession to the franchise will not involve, without the franchisor's consent, a relocation of the business.

7. To fail to ship monthly to any dealer, if ordered by the dealer, the number of new vehicles of each make, series, and model needed by the dealer to receive a percentage of total new vehicle sales of each make, series, and model equitably related to the total new vehicle production or importation currently being achieved nationally by each make, series, and model covered under the franchise. Upon the written request of any dealer holding its sales or sales and service franchise, the manufacturer or distributor shall disclose to the dealer in writing the basis upon which new motor vehicles are allocated, scheduled, and delivered to the dealers of the same line-make. In the event that allocation is at issue in a request for a hearing, the dealer may demand the Commissioner to direct that the manufacturer or distributor provide to the dealer, within thirty days of such demand, all records of sales and all records of distribution of all motor vehicles to the same line-make dealers who compete with the dealer requesting the hearing.

7a. ~~Notwithstanding the terms of any franchise, to~~ To require or otherwise coerce a dealer to underutilize the dealer's facilities.

8. To include in any franchise with a motor vehicle dealer terms that are contrary to, prohibited by, or otherwise inconsistent with the requirements of this chapter.

8a. For any franchise agreement to require a motor vehicle dealer to pay the attorney's fees of the manufacturer or distributor related to hearings and appeals brought under this article.

9. To fail to include in any franchise with a motor vehicle dealer the following language: "If any provision herein contravenes the laws or regulations of any state or other jurisdiction wherein this agreement is to be performed, or denies access to the procedures, forums, or remedies provided for by such laws or regulations, such provision shall be deemed to be modified to conform to such laws or regulations, and all other terms and provisions shall remain in full force," or words to that effect.

§ 46.2-1573. Hearings and other remedies.

A. In every case of a hearing before the Commissioner authorized under this article, the Commissioner shall give reasonable notice of each hearing to all interested parties, and the Commissioner's decision shall be binding on the parties, subject to the rights of judicial review and appeal as provided in Chapter 1.1:1 (§ 9-6.14:1 et seq.) of Title 9.

1687 city, or town in which the dealer is licensed pursuant to § 46.2-1910, or for a contiguous county, city,
1688 or town. Temporary licenses may be issued without regard to the foregoing geographic restrictions

1690 proposed sale under a temporary license, to all other dealers licensed in the jurisdiction in which the
1691 sale will occur of the intent to conduct a sale and permits any locally licensed dealer who wishes to do

1876 or near the main entrance of each place of business.

1877 Each dealer shall include his business hours on the original and every renewal application for a
1878 license, and changes to these hours shall be immediately filed with the Department.

1879 § 46.2-1935. Signs.

1880 Each retail T&M vehicle dealer's place of business shall be identified by a permanent sign visible
1881 from the front of the business office so that the public may quickly and easily identify the dealership.
1882 The sign shall contain the dealer's trade name in letters no less than six inches in height unless
1883 otherwise restricted by law or contract.

1884 Each licensee engaged in business exclusively as a dealer in used mobile homes without inventory
1885 shall be identified by a permanent sign visible from the front of the business office so that the public
1886 may quickly and easily identify the dealership. The sign shall contain the dealer's trade name in letters
1887 no less than two inches in height unless otherwise restricted by law or contract.

1888 § 46.2-1936. Advertisements.

1889 Unless the dealer is clearly identified by name, whenever any licensee places an advertisement in
1890 any newspaper or publication, the abbreviations "VA DLR," denoting a Virginia licensed dealer, shall
1891 appear therein.

1892 § 46.2-1937. Coercing purchaser to provide insurance coverage on T&M vehicle.

1893 It shall be unlawful for any dealer or salesperson or any employee of a dealer or representative of
1894 either to coerce or offer anything of value to any purchaser of a T&M vehicle to provide any type of
1895 insurance coverage on the T&M vehicle.

1896 Nothing in this section shall prohibit a dealer from requiring that a retail customer obtain
1897 automobile physical damage insurance to protect collateral secured by an installment sales contract.
1898 Any person found guilty of violating any provisions of this section shall be guilty of a Class 1
1899 misdemeanor.

1900 § 46.2-1938. Prohibited solicitation and compensation.

1901 It shall be unlawful for any T&M vehicle dealer or salesperson licensed under this chapter, directly
1902 or indirectly, to solicit the sale of a T&M vehicle through a person with a pecuniary interest, or to pay,
1903 or cause to be paid, any commission or compensation in any form whatsoever to any person in
1904 connection with the sale of a T&M vehicle, unless the person is duly licensed as a salesperson employed

1905 by the dealer.

1906 § 46.2-1939. Salesman selling for other than his employer prohibited.

1907 It shall be unlawful for any T&M vehicle salesman licensed under this chapter to sell or exchange or
1908 offer or attempt to sell or exchange any T&M vehicle except for the licensed T&M vehicle dealer by
1909 whom he is employed, or to offer, transfer, or assign any sale or exchange that he may have negotiated
1910 to any other dealer or salesman.

1911 § 46.2-1940. Inspection of vehicles required.

1912 No person required to be licensed as a dealer under this chapter shall sell at retail any T&M vehicle
1913 which is intended by the buyer for use on the public highways, and which is required to comply with the
1914 safety inspection requirements provided in Article 21 (§ 46.2-1157 et seq.) of Chapter 10 of this title
1915 unless between the time the vehicle comes into the possession of the dealer and the time it is sold at
1916 retail it is inspected by an official safety inspection station. In the event the vehicle is found not to be in
1917 compliance with all safety inspection requirements, the dealer shall either take steps to bring it into
1918 compliance or shall furnish any buyer intending it for use on the public highway a written disclosure,
1919 prior to sale, that the vehicle did not pass a safety inspection. Any person found guilty of violating any
1920 provisions of this section shall be guilty of a Class 1 misdemeanor.

1921 § 46.2-1941. Inspections prior to sale not required of certain sellers.

1922 The provisions of §§ 46.2-1158 and 46.2-1940 requiring inspection of any T&M vehicle prior to sale
1923 at retail shall not apply to any person conducting a public auction for the sale of T&M vehicles at
1924 retail, provided that the individual, firm, or business conducting the auction shall not have taken title to
1925 the vehicle, but is acting as an agent for the sale of the vehicle. Nor shall the provisions of
1926 §§ 46.2-1158 and 46.2-1940 requiring inspection of any T&M vehicle prior to sale at retail apply to any
1927 new T&M vehicle or vehicles sold on the basis of a special order placed by a dealer with a
1928 manufacturer outside Virginia on behalf of a customer who is a nonresident of Virginia and takes
1929 delivery outside Virginia.

1930 § 46.2-1942. Inspections or disclosure required before sale of certain trailers.

1931 Any trailer required by any provision of this title to undergo periodic safety inspections shall be
1932 inspected by an official inspection station between the time it comes into the possession of a retail
1933 dealer and the time the trailer is sold by the dealer or, in lieu of an inspection, the dealer shall present
1934 to the purchaser, prior to purchase of the trailer, a written itemization of all the trailer's deficiencies
1935 relative to applicable Virginia safety inspection requirements. The provisions of this section shall not
1936 apply to sales of trailers by individuals not ordinarily engaged in the business of selling trailers. Any
1937 person found guilty of violating any provisions of this section shall be guilty of a Class 1 misdemeanor.

1938 § 46.2-1943. Temporary certificates of ownership.

1939 A. Notwithstanding §§ 46.2-617 and 46.2-628, whenever a dealer licensed by the Department sells
1940 and delivers to a purchaser a T&M vehicle, trailer, or semitrailer, and is unable at the time of the sale
1941 to deliver to the purchaser the certificate of title or certificate of origin for the vehicle because the
1942 certificate of title or certificate of origin is lost or is being detained by another in possession or for any
1943 other reason beyond the dealer's control, the dealer shall execute, on forms provided by the
1944 Commissioner, a temporary certificate of ownership. The certificate shall bear its date of issuance, the
1945 name and address of the purchaser, the identification number of the vehicle, the registration number to
1946 be used temporarily on the vehicle, the name of the state in which the vehicle is to be registered, the
1947 name and address of the person from whom the dealer acquired the vehicle, and whatever other
1948 information may be required by the Commissioner. A copy of the temporary certificate and a bona fide
1949 bill of sale shall be delivered to the purchaser and shall be in the possession of the purchaser at all
1950 times when operating the vehicle. One copy of the certificate shall be retained by the dealer and shall
1951 be subject to inspection at any time by the Department's agents. The original of the certificate shall be
1952 forwarded by the dealer to the Department directly on issuance to the purchaser if the vehicle is to be
1953 titled outside the Commonwealth, along with application for title. The issuance of a temporary
1954 certificate of ownership to a purchaser pursuant to this section shall have the effect of vesting
1955 ownership to the vehicle in the purchaser for the period that the certificate remains effective.

1956 B. A temporary certificate of ownership issued by a dealer to a purchaser pursuant to this section
1957 shall expire on receipt by the purchaser of a certificate of title to the vehicle issued by the Department
1958 in the name of the purchaser, but in no event shall any temporary certificate of ownership issued under
1959 this section be effective for more than thirty days from the date of its issuance. In the event that the
1960 dealer fails to produce the old certificate of title or certificate of origin to the vehicle or fails to apply
1961 for a replacement certificate of title pursuant to § 46.2-632, thereby preventing delivery to the
1962 Department or purchaser before the expiration of the temporary certificate of ownership, the purchaser's
1963 ownership of the vehicle may terminate and the purchaser shall have the right to return the vehicle to
1964 the dealer and obtain a full refund of all payments made toward the purchase of the vehicle, less any
1965 damage to the vehicle incurred while ownership was vested in the purchaser, and less a reasonable
1966 amount for use not to exceed one-half the amount allowed per mile by the Internal Revenue Service, as

provided by regulation, revenue procedure, or revenue ruling promulgated pursuant to § 162 of the Internal Revenue Code, for use of a personal vehicle for business purposes.

C. Notwithstanding subsection B of this section, if the dealer fails to deliver the certificate of title or certificate of origin to the purchaser within thirty days, a second temporary certificate of ownership may be issued. However, the dealer shall, not later than the expiration of the first temporary certificate, deliver to the Department an application for title, copy of the bill of sale, all required fees and a written statement of facts describing the dealer's efforts to secure the certificate of title or certificate of origin to the vehicle. On receipt of the title application with attachments as described herein, the Department shall record the purchaser's ownership of the vehicle and may authorize the dealer to issue a second thirty-day temporary certificate of ownership. If the dealer does not produce the certificate of title or certificate of origin to the vehicle before the expiration of the second temporary certificate, the purchaser's ownership of the vehicle may terminate and he shall have the right to return the vehicle as provided in subsection B of this section.

D. If the dealer is unable to produce the certificate of title or certificate of origin to the vehicle within the sixty-day period from the date of issuance of the first temporary certificate, the Department may extend temporary ownership for an additional period of up to ninety days, provided the dealer makes application in the format required by the Department. If the dealer does not produce the certificate of title or certificate of origin to the vehicle before the expiration of the additional ninety-day period, the purchaser's ownership of the vehicle may terminate and he shall have the right to return the vehicle as provided in subsection B of this section.

E. The Commissioner, on determining that the provisions of this section or the directions of the Department are not being complied with by a dealer, may, after a hearing, suspend the right of the dealer to issue temporary certificates of ownership.

§ 46.2-1944. Use of old license plates and registration number on a T&M vehicle.

An owner who sells or transfers a registered T&M vehicle, trailer, or semitrailer may have the license plates and the registration number transferred to a T&M vehicle titled in the owner's name according to the provisions of Chapter 6 (§§ 46.2-600 et seq.), which is in a like vehicle category as specified in § 46.2-694 and which requires an identical registration fee, on application to the Department accompanied by a fee of two dollars or, if the T&M vehicle requires a greater registration fee than that for which the license plates were assigned, on the payment of a fee of two dollars and the amount of the difference in registration fees between the two vehicles, all such transfers to be in accordance with the regulations of the Department. All fees collected under this section shall be paid by the Commissioner into the state treasury and shall be set aside as a special fund to be used to meet the expenses of the Department. For purposes of this section, a T&M vehicle dealer licensed by the Department may be authorized to act as an agent of the Department for the purpose of receiving, processing, and approving applications from its customers for assignment of license plates and registration numbers pursuant to this section, using the forms and following the procedures prescribed by the Department. The Commissioner, on determining that the provisions of this section or the directions of the Department are not being complied with by a dealer, may suspend, after a hearing, the authority of the dealer to receive, process, and approve the assignment of license plates and registration numbers pursuant to this section.

§ 46.2-1945. Certificate of title for dealers.

Except as otherwise provided in this chapter, every dealer shall obtain, on the purchase of each vehicle, a certificate of title issued to the dealer or shall obtain an assignment or reassignment of a certificate of title for each vehicle purchased, except that a certificate of title shall not be required for any new vehicle to be sold as such.

§ 46.2-1946. Termination of business.

No dealer, unless his license has been suspended, revoked, or canceled, shall cease business without a thirty-day prior notification to the Department. On cessation of the business, the dealer shall immediately surrender to the Department the dealer's certificate of license, all salespersons' licenses, all dealer and temporary license plates, all fees and taxes collected, and any other materials furnished by the Department. After cessation of business, the former licensee shall continue to maintain and make available to the Department dealer records as set forth in this chapter.

Article 5.

T&M Dealer License Plates.

§ 46.2-1947. Registration of dealers; fees.

Every manufacturer, distributor, or dealer, before he commences to operate vehicles in his inventory for sale or resale, shall apply to the Commissioner for a dealer's certificate of vehicle registration and license plates. For the purposes of this article, a vehicle is in inventory when it is owned by, or assigned to, a dealer and is offered and available for sale or resale. All dealer's certificates of vehicle registration and license plates issued under this section may, at the discretion of the Commissioner, be

placed in a system of staggered issue to distribute the work of issuing vehicle registration certificates and license plates as uniformly as practicable throughout the year. Dealerships which sold fewer than twenty-five vehicles during the last twelve months of the preceding license year shall be eligible to receive no more than two dealer's license plates; dealerships which sold at least twenty-five but fewer than fifty vehicles during the last twelve months of the preceding license year shall be eligible to receive no more than four dealer's license plates. However, dealerships which sold fifty or more vehicles during their current license year may apply for additional license plates not to exceed four times the number of licensed salespersons employed by that dealership. Dealerships which sold fifty or more vehicles during the last twelve months of the preceding license year shall be eligible to receive a number of dealer's license plates not to exceed four times the number of licensed salespersons employed by that dealership. A new applicant for a dealership shall be eligible to receive a number of dealer's license plates not to exceed four times the number of licensed salespersons employed by that dealership. For the purposes of this article, a salesperson or employee shall be considered to be employed only if he (i) works for the dealership at least twenty-five hours each week on a regular basis and (ii) is compensated for this work. All salespersons' or employees' employment records shall be retained in accordance with the provisions of § 46.2-1929. A salesperson shall not be considered employed, within the meaning of this section, if he is an independent contractor as defined by the United States Internal Revenue Code. The fee for the issuance of dealer's license plates shall be thirty dollars per year for the first two dealer's license plates and thirteen dollars per year for each additional dealer's license plate. However, for motorcycle dealers, the fee shall be nine dollars per year for each dealer's license plate.

§ 46.2-1948. License under this chapter prerequisite to receiving dealer's license plates; insurance required; Commissioner may revoke plates.

No T&M vehicle manufacturer, distributor, or dealer, unless licensed under this chapter, shall be entitled to receive or maintain any dealer's license plates. It shall be unlawful to use or permit the use of any dealer's license plates for which there is no automobile liability insurance coverage or a certificate of self-insurance as defined in § 46.2-368 on any T&M vehicle. No dealer's license plates shall be issued unless the dealer certifies to the Department that there is automobile liability insurance coverage or a certificate of self-insurance with respect to each dealer's license plate to be issued. Such automobile liability insurance or a certificate of self-insurance shall be maintained for each dealer's license plate for so long as the registration for the dealer's license plate remains valid without regard to whether the plate is actually being used on a vehicle. If insurance or a certificate of self-insurance is not so maintained, the dealer's license plate shall be surrendered to the Department. The Commissioner shall revoke any dealer's license plate for which there is no insurance or a certificate of self-insurance. The Commissioner may also revoke any dealer's license plate that has been used in any way not authorized by the provisions of this title.

§ 46.2-1949. Transferable dealer's license plates.

In lieu of registering each vehicle of a type described in this section, a manufacturer, distributor, or dealer owning and operating any T&M vehicle on any highway may obtain a dealer's license plate from the Department, on application therefor on the prescribed form and on payment of the fees required by law. These license plates shall be attached to each vehicle as required by subsection A of § 46.2-711. Each plate shall bear a distinctive number, and the name of the Commonwealth, which may be abbreviated, together with the word "dealer" or a distinguishing symbol indicating that the plate is issued to a manufacturer, distributor, or dealer. Month and year decals indicating the date of expiration shall be affixed to each license plate. Any license plates so issued may, during the calendar year or years for which they have been issued, be transferred from one T&M vehicle, used or operated by the manufacturer, distributor, or dealer, who shall keep a written record of the T&M vehicle on which the dealer's license plates are used. This record shall be in a format approved by the Commissioner and shall be open to inspection by any law-enforcement officer or any officer or employee of the Department.

Display of a transferable manufacturer's, distributor's, or dealer's license plate or plates on a T&M vehicle shall subject the vehicle to the requirements of §§ 46.2-1038 and 46.2-1056.

All manufacturer's, distributor's, and dealer's license plates shall be issued for a period of twelve consecutive months except, at the discretion of the Commissioner, the periods may be adjusted as may be necessary to distribute the registrations as equally as practicable on a monthly basis. The expiration date shall be the last day of the twelfth month of validity or the last day of the designated month. Every license plate shall be renewed annually on application by the owner and by payment of fees required by law, such renewal to take effect on the first day of the succeeding month.

The Commissioner may offer an optional multi-year license plate registration to manufacturers, distributors, and dealers licensed pursuant to this chapter provided that he has chosen to offer optional multi-year licensing to such persons pursuant to § 46.2-1921. When such option is offered and chosen by the licensee, all annual and twelve-month fees due at the time of registration shall be multiplied by the number of years or fraction thereof the licensee will be licensed pursuant to § 46.2-1921.

§ 46.2-1950. Dealer's license plates to distinguish between various types of dealers.
The Commissioner shall provide for the issuance of appropriate franchised or independent dealer's license plates so as to distinguish between:

1. Factory dealers;
2. Trailer dealers;
3. Motor home dealers; and
4. Motorcycle dealers.

§ 46.2-1951. Dealer's promotional license plates.

In addition to any other license plate authorized by this article, the Commissioner may issue dealer's promotional license plates to a dealership for use on vehicles held for sale or resale in the dealership's inventory. The design of these license plates shall be at the discretion of the Commissioner. These license plates shall be for use as authorized by the Commissioner. For each such license plate issued or renewed, the Commissioner shall charge an annual fee of \$100. Issuance of license plates pursuant to this section shall be subject to the insurance requirement contained in § 46.2-1948. The Commissioner shall limit the validity of any license plate issued under this section to no more than thirty consecutive days. Upon written request from the dealership, the Commissioner may consider an extended use of a license plate issued under this section. The Commissioner's authorization for use of any license plate issued under this section shall be kept in the vehicle on which the license plate is displayed until expiration of the authorization. These license plates shall be included in the number of dealer's license plates authorized under § 46.2-1547 and not in addition thereto.

§ 46.2-1952. Use of dealer's license plates, generally.

Dealer's license plates may be used on vehicles in the inventory of licensed T&M vehicle manufacturers, distributors, and dealers in the Commonwealth when operated on the highways of Virginia by dealers, their spouses, or employees of manufacturers, distributors, and dealers as permitted in this article. Except as otherwise explicitly permitted in this article, it shall be unlawful for any dealer to cause or permit: (i) use of dealer's license plates on vehicles other than those held in inventory for sale or resale; (ii) dealer's license plates to be lent, leased, rented, or placed at the disposal of any persons other than those permitted by this article to use dealer's license plates; and (iii) use of dealer's license plates on any vehicle of a type for which their use is not authorized by this article. It shall be unlawful for any dealer to cause or permit dealer's license plates to be used on:

1. Vehicles such as tow trucks, wrecking cranes, or other service vehicles;
2. Vehicles used to deliver or transport (i) T&M vehicles; (ii) portions of vehicles; (iii) vehicle components, parts, or accessories; or (iv) fuel;
3. Courtesy vehicles; or
4. Vehicles used in conjunction with any other business.

A dealer may permit his license plates to be used in the operation of a T&M vehicle (i) by any person whom the dealer reasonably believes to be a bona fide prospective purchaser who is either accompanied by a licensed salesperson or has the written permission of the dealer, or (ii) when the plates are being used by a customer on a vehicle owned by the dealer in whose repair shop the customer's vehicle is being repaired. The dealer shall issue to the prospective purchaser or customer whose vehicle is being repaired a certificate on forms provided by the Department, a copy of which shall be retained by the dealer and open at all times to the inspection of the Commissioner or any of the officers or agents of the Department. The certificate shall be in the immediate possession of the person operating or authorized to operate the vehicle. The certificate shall entitle the person to operate with dealer's license plates for a specific period of no more than five days. Not more than two certificates may be issued by a dealer to the same person for successive periods.

§ 46.2-1953. Use of dealer's license plates and temporary transport plates on certain vehicles.

Notwithstanding the provisions of § 46.2-1952, dealer's license plates or dealer's temporary transport plates may be used on vehicles being transported (i) from a T&M vehicle auction or other point of purchase or sale, (ii) between properties owned or controlled by the same dealership, or (iii) for repairs, painting, or installation of parts or accessories. This section shall also apply to return trips by such vehicles.

§ 46.2-1954. Issuance and use of temporary transport plates, generally.

The Department, subject to the limitations and conditions set forth in this section and the insurance requirements contained in § 46.2-1948, may provide for the issuance of temporary transport plates designed by the Department to any dealer licensed under this chapter who applies for at least ten plates and who encloses with his application a fee of one dollar for each plate. The application shall be made on a form prescribed and furnished by the Department. Temporary transport plates may be used for those purposes outlined in § 46.2-1953. Every dealer who has applied for temporary transport plates shall maintain a permanent record of (i) all temporary transport plates delivered to him, (ii) all temporary transport plates issued by him, and (iii) any other information pertaining to the receipt or the

2151 issuance of temporary transport plates which may be required by the Department.

2152 Every dealer who issues temporary transport plates shall insert clearly and indelibly on the face of
2153 the temporary transport plates the name of the issuing dealer, the date of issuance and expiration, and
2154 the make and identification number of the vehicle for which issued.

2155 The dealer shall issue to the operator of the specified vehicle a certificate on forms provided by the
2156 Department, a copy of which shall be retained by the dealer and open at all times to the inspection of
2157 the Commissioner or any of the officers or agents of the Department. The certificate shall be in the
2158 immediate possession of the person operating or authorized to operate the vehicle. The certificate shall
2159 entitle the person to operate with the dealer's temporary transport plate for a period of no more than
2160 five days. Temporary transport plates may also be used by the dealer to demonstrate types of vehicles
2161 taken in trade but for which he has not been issued dealer's license plates.

2162 § 46.2-1955. Use of dealer's license plates or temporary transport plates on certain vehicles traveling
2163 from one establishment to another for purpose of having special equipment installed.

2164 Notwithstanding the provisions of § 46.2-1952, dealer's license plates or temporary transport plates
2165 may be used on trailers, or semitrailers for the purpose of delivering these vehicles to another
2166 establishment for the purpose of having a fifth wheel, body, or any special permanently mounted
2167 equipment installed on the vehicles, and for the purpose of returning the vehicle to the dealer whose
2168 plates are attached to the trailer, or semitrailer, whether or not the title to the vehicle has been retained
2169 by the dealer, and no other license, permit, warrant, exemption card, or classification plate from any
2170 other agency of the Commonwealth shall be required under these circumstances. No other statute or
2171 regulation in conflict with the provisions of this section shall be applicable to the extent of the conflict.
2172 This section shall also apply to trips into the Commonwealth by a vehicle owned and operated outside
2173 the Commonwealth to an establishment within the Commonwealth and to the return trip of that vehicle
2174 from the Commonwealth to another state, provided the operator of the vehicle carries on his person
2175 when so operating a bill of sale for the fifth wheel, body, or special equipment.

2176 § 46.2-1956. Use of dealer's license plates on newly purchased vehicles.

2177 Notwithstanding the provisions of § 46.2-1952, any dealer who sells and delivers to a purchaser a
2178 T&M vehicle at a time when the main offices of the Department, its branch offices, or offices of its local
2179 agents, are not open for business and the purchaser is therefore unable to register the vehicle, may
2180 permit the purchaser to use, for a period not exceeding five days, on the newly purchased vehicle,
2181 license plates which have been issued to the dealer, provided that, at the time of the purchase, the
2182 dealer executes in duplicate, on forms provided by the Commissioner, a certificate bearing the date of
2183 issuance, the name and address of the purchaser, the identification number of the vehicle, the
2184 registration number to be used temporarily on the vehicle, the name of the state in which the vehicle is
2185 to be registered, and whatever other information may be required by the Commissioner. The original of
2186 the certificate and a bona fide bill of sale shall be delivered to the purchaser and shall be in the
2187 possession of the purchaser at all times when operating the vehicle under dealer plates. One copy of the
2188 certificate shall be retained by the dealer, filed by him, and shall be subject to inspection at any time by
2189 the Department's agents. If the vehicle is to be titled and registered in the Commonwealth, application
2190 for title and registration shall be made by the purchaser on the first business day following issuance of
2191 the certificate and a copy of the certificate shall accompany the applications.

2192 License plates temporarily used by the purchaser shall be returned to the dealer by the purchaser
2193 not later than five days after the issuance of the certificate.

2194 § 46.2-1957. Operation without license plate prohibited.

2195 No manufacturer or distributor of or dealer in T&M vehicles shall cause or permit any T&M
2196 vehicle, owned by him to be operated or moved on a public highway without there being displayed on
2197 the T&M vehicle, a license plate or plates issued to him, either under § 46.2-711 or under § 46.2-1949,
2198 except as otherwise authorized in §§ 46.2-733, 46.2-1948 and 46.2-1959.

2199 § 46.2-1958. Movement by manufacturer to place of shipment or delivery.

2200 Any manufacturer of T&M vehicles may operate or move or cause to be moved or operated on the
2201 highways for a distance of no more than twenty-five miles T&M vehicles from the factory where
2202 manufactured or assembled to a railway depot, vessel, or place of shipment or delivery, without
2203 registering them and without license plates attached thereto, under a written permit first obtained from
2204 the local law-enforcement authorities having jurisdiction over the highways and on displaying in plain
2205 sight on each T&M vehicle a placard bearing the name and address of the manufacturer authorizing or
2206 directing the movement.

2207 § 46.2-1959. Movement by dealers to salesrooms.

2208 Any dealer in T&M vehicles, may operate or move, or cause to be operated or moved, any T&M
2209 vehicle on the highways for a distance of no more than twenty-five miles from a vessel, railway depot,
2210 warehouse, or any place of shipment or from a factory where manufactured or assembled to a
2211 salesroom, warehouse, or place of shipment or transshipment without registering them and without
2212 license plates attached thereto, under a written permit first obtained from the local law-enforcement

authorities having jurisdiction over the highways, and on displaying in plain sight on each T&M vehicle, a placard bearing the name and address of the dealer authorizing or directing the movement.

§ 46.2-1960. Operation under foreign dealer's license.

It shall be unlawful, except as provided for by reciprocal agreement, for any person to operate a T&M vehicle or for the owner thereof to permit a T&M vehicle to be operated in the Commonwealth on a foreign dealer's license, unless the operation of the T&M vehicle on the license is specifically authorized by the Commissioner.

§ 46.2-1961. Use of certain foreign-registered T&M vehicles in driver education programs.

Dealer's license plates may be displayed on T&M vehicles used by Virginia school systems in connection with driver education programs approved by the State Board of Education. In the event of such use of a T&M vehicle or vehicles by a school system, any dealer, his employees and agents furnishing the T&M vehicle or vehicles shall be immune from liability in any suit, claim, action, or cause of action, including but not limited to, actions or claims for injury to persons or property arising out of such use. Nothing in this section shall authorize the sale of any T&M vehicle or vehicles so used in such driver education program as a demonstrator vehicle.

Notwithstanding the provisions of §§ 46.2-1900 and 46.2-1960, school divisions either (i) bordering on Kentucky, Maryland, North Carolina, Tennessee, or West Virginia, or (ii) located in Accomack or Northampton County may use T&M vehicles bearing foreign T&M vehicle dealer's license plates in connection with their driver education programs.

§ 46.2-1962. Removal of plates by Department of T&M vehicles investigators; cancellation; reissuance.

If any Department of T&M vehicles investigator finds that a vehicle bearing license plates or temporary transport plates issued under this article is being operated in a manner inconsistent with (i) the requirements of this article, or (ii) the Commissioner's authorization provided for in this article, the Department of Motor Vehicles investigator may remove the license plate for cancellation. Once a license plate has been cancelled, the dealership may reapply for the license plate. Reissuance of the license plate shall be subject to the approval of the Commissioner and the payment of the fee prescribed for issuance of license plates under this article.

§ 46.2-1963. Penalties for violations of article; service of summons.

Notwithstanding § 46.2-1907, any person violating any of the provisions of this article shall be guilty of a Class 3 misdemeanor. Any summons issued for any violation of any provision of this article relating to use or misuse of dealer's license plates shall be served upon the dealership to whom the plates were issued or to the person expressly permitting the unlawful use, or upon the operator of the T&M vehicle if the plates are used contrary to the use authorized by the certificate issued pursuant to § 46.2-1952.

Article 6.

Issuance of Temporary License Plates by Dealers.

§ 46.2-1964. Issuance of temporary license plates to dealers and vehicle owners.

The Department may, subject to the limitations and conditions set forth in this article, deliver temporary license plates designed by the Department to any dealer licensed under this chapter who applies for at least ten sets of plates and who encloses with his application a fee of two dollars for each set applied for. The application shall be made on a form prescribed and furnished by the Department. Dealers, subject to the limitations and conditions set forth in this article, may issue temporary license plates to owners of vehicles. The owners shall comply with the provisions of this article and §§ 46.2-705, 46.2-706 and 46.2-707. Dealers issuing temporary license plates may do so free of charge, but if they charge a fee for issuing temporary plates, the fee shall be no more than the fee charged the dealer by the Department under this section.

Display of a temporary license plate or plates on a T&M vehicle shall subject the vehicle to the requirements of §§ 46.2-1038 and 46.2-1056.

§ 46.2-1965. Records to be kept by dealers; inspection.

Every dealer who has applied for temporary license plates shall maintain a permanent record of (i) all temporary license plates delivered to him, (ii) all temporary license plates issued by him, and (iii) any other information pertaining to the receipt or the issuance of temporary license plates which may be required by the Department. Each record shall be kept for at least one year from the date of entry. Every dealer shall allow full access to these records during regular business hours to authorized representatives of the Department and to law-enforcement officers.

§ 46.2-1966. Application for temporary license plate.

No dealer shall issue a temporary license plate except on written application by the person entitled to receive the license plate, which application shall be forwarded by the dealer to the Department as provided in § 46.2-1943.

§ 46.2-1967. To whom temporary plates shall not be issued; dealer to forward application for

2274 current titling and registration; misstatements and false information.

2275 No dealer shall issue, assign, transfer, or deliver temporary license plates to other than the bona fide
2276 purchaser or owner of a vehicle, whether or not the vehicle is to be registered in Virginia. If the vehicle
2277 is to be registered in Virginia, the dealer shall submit to the Department a written application for the
2278 current titling and registration of the purchased vehicle, accompanied by the prescribed fees. Any dealer
2279 who issues temporary license plates to a purchaser who fails or declines to request that his application
2280 be forwarded promptly to the Department forthwith shall notify the Department of the issuance in the
2281 manner provided in this article. No dealer shall issue temporary license plates to any person who
2282 possesses current license plates for a vehicle that has been sold or exchanged, nor shall any dealer lend
2283 temporary license plates to any person for use on any vehicle. If the dealer does not have in his
2284 possession the certificate of title or certificate of origin, he shall issue temporary license plates even
2285 though the purchaser has current license plates to be transferred. The dealer shall present the title or
2286 certificate of origin to the customer within thirty days of purchase and after this transaction is
2287 completed, the customer shall transfer his current license plates to the vehicle. If the title or certificate
2288 of origin cannot be produced for a vehicle within thirty days, a second set of temporary license plates
2289 may be issued provided that a temporary certificate of ownership is issued as provided in § 46.2-1943.
2290 It shall be unlawful for any person to issue any temporary license plates containing any misstatement of
2291 fact, or for any person issuing or using temporary license plates knowingly to insert any false
2292 information on their face.

2293 § 46.2-1968. Dealer to insert his name, date of issuance and expiration, make and identification
2294 number of vehicle.

2295 Every dealer who issues temporary license plates shall insert clearly and indelibly on the face of
2296 each temporary license plate the name of the issuing dealer, the date of issuance and expiration, and
2297 the make and identification number of the vehicle for which issued.

2298 § 46.2-1969. Suspension of right of dealer to issue.

2299 The Commissioner, on determining that the provisions of this chapter or the directions of the
2300 Department are not being complied with by any dealer, may, after a hearing, suspend the right of a
2301 dealer to issue temporary license plates.

2302 § 46.2-1970. Plates to be destroyed on expiration.

2303 Every person to whom temporary license plates have been issued shall destroy them on the thirtieth
2304 day after issue or immediately on receipt of the permanent license plates from the Department,
2305 whichever occurs first.

2306 § 46.2-1971. When plates to expire; refunds or credit.

2307 Temporary license plates shall expire on the receipt of the permanent license plates from the
2308 Department, or on the rescission of a contract to purchase a T&M vehicle, or on the expiration of, or
2309 thirty days from the date of issuance, whichever occurs first. No refund or credit of fees paid by dealers
2310 to the Department for temporary license plates shall be allowed, except that when the Department
2311 discontinues the right of a dealer to issue temporary license plates, the dealer, on returning temporary
2312 license plates to the Department, may receive a refund or a credit for them.

2313 § 46.2-1972. Penalties,

2314 Any person violating any of the provisions of this article shall be guilty of a Class 1 misdemeanor.

2315 Article 7.

2316 Franchises.

2317 § 46.2-1973. Filing of franchises.

2318 Each T&M vehicle manufacturer, factory branch, distributor, distributor branch, or subsidiary
2319 thereof shall file with the Commissioner a true copy of each new, amended, modified, or different form
2320 or addendum offered to more than one dealer which affects the rights, responsibilities, or obligations of
2321 the parties of a franchise or sales, service, or sales and service agreement to be offered to a T&M
2322 vehicle dealer or prospective T&M vehicle dealer in the Commonwealth no later than sixty days prior to
2323 the date the franchise or sales agreement is offered. In no event shall a new, amended, modified, or
2324 different form of franchise or sales, service, or sales and service agreement be offered a T&M vehicle
2325 dealer in the Commonwealth until the form has been determined by the Commissioner as not containing
2326 terms inconsistent with the provisions of this chapter. At the time a filing is made with the
2327 Commissioner pursuant to this section, the manufacturer, factory branch, distributor, distributor branch,
2328 or subsidiary shall also give written notice together with a copy of the papers so filed to the affected
2329 dealer or dealers.

2330 § 46.2-1974. Exemption of franchises from Retail Franchising Act.

2331 Franchises subject to the provisions of this chapter shall not be subject to any requirement contained
2332 in Chapter 8 (§ 13.1-557 et seq.) of Title 13.1.

2333 § 46.2-1975. Coercion of retail dealer by manufacturer or distributor with respect to retail
2334 installment sales contracts prohibited.

2335 A. It shall be unlawful for any manufacturer or distributor, or any officer, agent, or representative of

either, to coerce or attempt to coerce any retail T&M vehicle dealer or prospective retail T&M vehicle dealer in the Commonwealth to sell, assign, or transfer any retail installment sales contract obtained by the dealer in connection with the sale by him in the Commonwealth of T&M vehicles manufactured or sold by the manufacturer or distributor, to a specified finance company or class of finance companies or to any other specified persons by any of the following:

1. By any statement, suggestion, promise, or threat that the manufacturer or distributor will in any manner benefit or injure the dealer, whether the statement, suggestion, threat, or promise is expressed or implied or made directly or indirectly.

2. By any act that will benefit or injure the dealer.

3. By any contract, or any expressed or implied offer of contract, made directly or indirectly to the dealer, for handling the T&M vehicle on the condition that the dealer sell, assign, or transfer his retail installment sales contract on the vehicle, in the Commonwealth, to a specified finance company or class of finance companies or to any other specified person.

4. By any expressed or implied statement or representation made directly or indirectly that the dealer is under any obligation whatsoever to sell, assign, or transfer any of his retail sales contracts in the Commonwealth on T&M vehicles manufactured or sold by the manufacturer or distributor to a finance company, or class of finance companies, or other specified person, because of any relationship or affiliation between the manufacturer or distributor and the finance company or companies or the specified person or persons.

B. Any such statements, threats, promises, acts, contracts, or offers of contracts, when their effect may be to lessen or eliminate competition or tend to create a monopoly, are declared unfair trade practices and unfair methods of competition and are prohibited.

C. Any person violating any of the provisions of this article shall be guilty of a Class 1 misdemeanor

§ 46.2-1976. Other coercion of dealers; transfer, grant, succession to and cancellation of dealer franchises; delivery of vehicles, parts, and accessories.

It shall be unlawful for any manufacturer, factory branch, distributor, or distributor branch, or any field representative, officer, agent, or their representatives:

1. To coerce or attempt to coerce any dealer to accept delivery of any T&M vehicle or vehicles, parts or accessories therefor, or any other commodities, which have not been ordered by the dealer.

2. To coerce or attempt to coerce any dealer to enter into an agreement with the manufacturer, factory branch, distributor, or distributor branch, or representative thereof, or do any other act unfair to the dealer, by threatening to cancel any franchise existing between the manufacturer, factory branch, distributor, distributor branch, or representative thereof and the dealer.

3. To coerce or attempt to coerce any dealer to join, contribute to, or affiliate with any advertising association.

4. To approve the sale or transfer of the ownership of a dealership by the sale of the business, stock transfer, or otherwise, or the transfer, sale, or assignment of a dealer franchise, or a change in the executive management or principal operator of the dealership, unless the franchisor provides written notice to the dealer of its objection and the reasons therefor at least thirty days prior to the proposed effective date of the transfer, sale, assignment, or change. No such objection shall be effective to prevent the sale, transfer, assignment, or change if the Commissioner has determined, if requested in writing by the dealer within thirty days after receipt of an objection to the proposed sale, transfer, or change, and after a hearing on the matter, that the failure to permit or honor the sale, transfer, assignment, or change is unreasonable under the circumstances. No franchise may be sold, assigned, or transferred unless (i) the franchisor has been given at least ninety days' prior written notice by the dealer as to the identity, financial ability, and qualifications of the proposed transferee, and (ii) the sale or transfer of the franchise and business will not involve, without the franchisor's consent, a relocation of the business.

5. To grant an additional franchise for a particular line-make of T&M vehicle in a relevant market area in which a dealer or dealers in that line-make are already located unless the franchisor has first advised in writing all other dealers in the line-make in the relevant market area. No such additional franchise may be established at the proposed site unless the Commissioner has determined, if requested by a dealer of the same line-make in the relevant market area within thirty days after receipt of the franchisor's notice of intention to establish the additional franchise, and after a hearing on the matter, that there is reasonable evidence that after the grant of the new franchise, the market will support all of the dealers in that line-make in the relevant market area. Establishing a franchised dealer in a relevant market area to replace a franchised dealer that has not been in operation for more than two years shall constitute the establishment of a new franchise subject to the terms of this subdivision. The two-year period for replacing a franchised dealer shall begin on the day the franchise was terminated, or, if a termination hearing was held, on the day the franchisor was legally permitted finally to terminate the

2397 franchise. This subdivision shall not apply to (i) the relocation of an existing dealer within that dealer's
2398 relevant market area if the relocation site is to be more than ten miles distant from any other dealer for
2399 the same line-make; (ii) the relocation of an existing dealer within that dealer's relevant market area if
2400 the relocation site is to be more distant than the existing site from all other dealers of the same
2401 line-make in that relevant market area; or (iii) the relocation of an existing new T&M vehicle dealer
2402 within two miles of the existing site of the relocating dealer.

2403 6. Except as otherwise provided in this subdivision and notwithstanding the terms of any franchise,
2404 to terminate, cancel, or refuse to renew the franchise of any dealer without good cause and unless (i)
2405 the dealer and the Commissioner have received written notice of the franchisor's intentions at least sixty
2406 days prior to the effective date of such termination, cancellation, or the expiration date of the franchise,
2407 setting forth the specific grounds for the action, and (ii) the Commissioner has determined, if requested
2408 in writing by the dealer within the sixty-day period and, after a hearing on the matter, that there is
2409 good cause for the termination, cancellation, or nonrenewal of the franchise. In any case where a
2410 petition is made to the Commissioner for a determination as to good cause for the termination,
2411 cancellation, or nonrenewal of a franchise, the franchise in question shall continue in effect pending the
2412 Commissioner's decision or, if that decision is appealed to the circuit court, pending the decision of the
2413 circuit court. In any case in which a franchisor neither advises a dealer that it does not intend to renew
2414 a franchise nor takes any action to renew a franchise beyond its expiration date, the franchise in
2415 question shall continue in effect on the terms last agreed to by the parties. Notwithstanding the other
2416 provisions of this subdivision notice of termination, cancellation, or nonrenewal may be provided to a
2417 dealer by a franchisor not less than fifteen days prior to the effective date of such termination,
2418 cancellation, or nonrenewal when the grounds for such action are any of the following:

2419 a. Insolvency of the franchised T&M vehicle dealer or filing of any petition by or against the
2420 franchised T&M vehicle dealer, under any bankruptcy or receivership law, leading to liquidation or
2421 which is intended to lead to liquidation of the franchisee's business;

2422 b. Failure of the franchised T&M vehicle dealer to conduct its customary sales and service
2423 operations during its posted business hours for seven consecutive business days, except where the failure
2424 results from acts of God or circumstances beyond the direct control of the franchised T&M vehicle
2425 dealer;

2426 c. Revocation of any license which the franchised T&M vehicle dealer is required to have to operate
2427 a dealership;

2428 d. Conviction of the dealer or any principal of the dealer of a felony.

2429 The change or discontinuance of a marketing or distribution system of a particular line-make
2430 product by a manufacturer or distributor, while the name identification of the product is continued in
2431 substantial form by the same or different manufacturer or distributor, may be considered to be a
2432 franchise termination, cancellation, or nonrenewal. The provisions of this paragraph shall apply to
2433 changes and discontinuances made after January 1, 1989, but they shall not be considered by any court
2434 in any case in which such a change or discontinuance occurring prior to that date has been challenged
2435 as constituting a termination, cancellation or nonrenewal.

2436 7. To fail to provide continued parts and service support to a dealer which holds a franchise in a
2437 discontinued line-make for at least five years from the date of such discontinuance. This requirement
2438 shall not apply to a line-make which was discontinued prior to January 1, 1989.

2439 8. To fail to allow a dealer the right at any time to designate a member of his family as a successor
2440 to the dealership in the event of the death or incapacity of the dealer. It shall be unlawful to prevent or
2441 refuse to honor the succession to a dealership by a member of the family of a deceased or incapacitated
2442 dealer if the franchisor has not provided to the member of the family previously designated by the
2443 dealer as his successor written notice of its objections to the succession and of such person's right to
2444 seek a hearing on the matter before the Commissioner pursuant to this article, and the Commissioner
2445 determines, if requested in writing by such member of the family within thirty days of receipt of such
2446 notice from the franchisor, and after a hearing on the matter before the Commissioner pursuant to this
2447 article, that the failure to permit or honor the succession is unreasonable under the circumstances. No
2448 member of the family may succeed to a franchise unless (i) the franchisor has been given written notice
2449 as to the identity, financial ability, and qualifications of the member of the family in question, and (ii)
2450 the succession to the franchise will not involve, without the franchisor's consent, a relocation of the
2451 business.

2452 9. To fail to ship monthly to any dealer, if ordered by the dealer, the number of new vehicles of each
2453 make, series, and model needed by the dealer to receive a percentage of total new vehicle sales of each
2454 make, series, and model equitably related to the total new vehicle production or importation currently
2455 being achieved nationally by each make, series, and model covered under the franchise. Upon the
2456 written request of any dealer holding its sales or sales and service franchise, the manufacturer or
2457 distributor shall disclose to the dealer in writing the basis upon which new T&M vehicles are allocated,
2458 scheduled, and delivered to the dealers of the same line-make. In the event that allocation is at issue in

a request for a hearing, the dealer may demand the Commissioner to direct that the manufacturer or distributor provide to the dealer, within thirty days of such demand, all records of sales and all records of distribution of all T&M vehicles to the same line-make dealers who compete with the dealer requesting the hearing.

10. To require or otherwise coerce a dealer to underutilize the dealer's facilities.

11. To include in any franchise with a T&M vehicle dealer terms that are contrary to, prohibited by, or otherwise inconsistent with the requirements of this chapter.

12. For any franchise agreement to require a T&M vehicle dealer to pay the attorney's fees of the manufacturer or distributor related to hearings and appeals brought under this article.

13. To fail to include in any franchise with a T&M vehicle dealer the following language: "If any provision herein contravenes the laws or regulations of any state or other jurisdiction wherein this agreement is to be performed, or denies access to the procedures, forums, or remedies provided for by such laws or regulations, such provision shall be deemed to be modified to conform to such laws or regulations, and all other terms and provisions shall remain in full force," or words to that effect.

§ 46.2-1977. Manufacturer or distributor right of first refusal.

Notwithstanding the terms of any franchise agreement, in the event of a proposed sale or transfer of a dealership, the manufacturer or distributor shall be permitted to exercise a right of first refusal to acquire the new vehicle dealer's assets or ownership, if such sale or transfer is conditioned upon the manufacturer's or dealer's entering into a dealer agreement with the proposed new owner or transferee, only if all the following requirements are met:

1. To exercise its right of first refusal, the manufacturer or distributor must notify the dealer in writing within forty-five days of its receipt of the completed proposal for the proposed sale transfer;

2. The exercise of the right of first refusal will result in the dealer's and dealer's owner's receiving the same or greater consideration as they have contracted to receive in connection with the proposed change of ownership or transfer;

3. The proposed sale or transfer of the dealership's assets does not involve the transfer or sale to a member or members of the family of one or more dealer owners, or to a qualified manager or a partnership or corporation controlled by such persons; and

4. The manufacturer or distributor agrees to pay the reasonable expenses, including attorney's fees which do not exceed the usual, customary, and reasonable fees charged for similar work done for other clients, incurred by the proposed new owner and transferee prior to the manufacturer's or distributor's exercise of its right of first refusal in negotiating and implementing the contract for the proposed sale or transfer of the dealership or dealership assets. Notwithstanding the foregoing, no payment of such expenses and attorney's fees shall be required if the dealer has not submitted or caused to be submitted an accounting of those expenses within thirty days of the dealer's receipt of the manufacturer's or distributor's written request for such an accounting. Such accounting may be requested by a manufacturer or distributor before exercising its right of first refusal.

§ 46.2-1978. Discontinuation of distributors.

If the contract between a distributor and a manufacturer or importer is terminated or otherwise discontinued, all franchises granted to T&M vehicle dealers in Virginia by that distributor shall continue in full force and shall not be affected by the discontinuance, except that the manufacturer, factory branch, distributor, representative, or other person who undertakes to distribute T&M vehicles of the same line-make or the same T&M vehicles of a re-named line-make shall be substituted for the discontinued distributor under the existing T&M vehicle dealer franchises and those franchises shall be modified accordingly.

§ 46.2-1979. Warranty obligations.

A. Each T&M vehicle manufacturer, factory branch, distributor, or distributor branch shall (i) specify in writing to each of its T&M vehicle dealers licensed in the Commonwealth the dealer's obligations for preparation, delivery, and warranty service on its products and (ii) compensate the dealer for warranty parts, service and diagnostic work required of the dealer by the manufacturer or distributor as follows:

1. Compensation of a dealer for warranty parts, service and diagnostic work shall not be less than the amounts charged by the dealer for the manufacturer's or distributor's original parts, service and diagnostic work to retail customers for nonwarranty service, parts and diagnostic work installed or performed in the dealer's service department unless the amounts are not reasonable;

2. For purposes of determining warranty parts and service compensation, menu-priced parts or services, group discounts, special event discounts, and special event promotions shall not be considered in determining amounts charged by the dealer to retail customers;

3. Increases in dealer warranty parts and service compensation and diagnostic work compensation, pursuant to this section, shall be requested by the dealer in writing, shall be based on 100 consecutive repair orders or all repair orders over a ninety-day period, whichever occurs first and, in the case of

2520 parts, shall be stated as a percentage of markup which shall be uniformly applied to all the
2521 manufacturer's or distributor's parts;

2522 4. In the case of warranty parts compensation, the provisions of this subdivision shall be effective
2523 only for model year 1992 and succeeding model years;

2524 5. If a manufacturer or distributor furnishes a part to a dealer at no cost for use by the dealer in
2525 performing work for which the manufacturer or distributor is required to compensate the dealer under
2526 this section, the manufacturer or distributor shall compensate the dealer for the part in the same
2527 manner as warranty parts compensation, less the wholesale costs, for such part as listed in the
2528 manufacturer's current price schedules. A manufacturer or distributor may pay the dealer a reasonable
2529 handling fee instead of the compensation otherwise required by this subsection for special
2530 high-performance complete engine assemblies in limited production T&M vehicles which constitute less
2531 than five percent of model production furnished to the dealer at no cost, if the manufacturer or
2532 distributor excludes such special high-performance complete engine assemblies in determining whether
2533 the amounts requested by the dealer for warranty compensation are consistent with the amounts that the
2534 dealer charges its other retail service customers for parts used by the dealer to perform similar work;
2535 or

2536 6. In the case of service work, manufacturer original parts or parts otherwise specified by the
2537 manufacturer or distributor, and parts provided by a dealer either pursuant to an adjustment program
2538 as defined in § 59.1-207.34 or as otherwise requested by the manufacturer or distributor, the dealer
2539 shall be compensated in the same manner as for warranty service or parts.

2540 This section does not apply to compensation for parts such as components, systems, fixtures,
2541 appliances, furnishings, accessories, and features that are designed, used, and maintained primarily for
2542 nonvehicular, residential purposes, nor does it apply to compensation for parts used in warranty repair
2543 of motorcycles. Warranty audits of dealer records may be conducted by the manufacturer, factory
2544 branch, distributor, or distributor branch on a reasonable basis, and dealer claims for warranty
2545 compensation shall not be denied except for good cause, such as performance of nonwarranty repairs,
2546 lack of material documentation, fraud, or misrepresentation. Claims for dealer compensation shall be
2547 paid within thirty days of dealer submission or within thirty days of the end of an incentive program or
2548 rejected in writing for stated reasons. The manufacturer, factory branch, distributor, or distributor
2549 branch shall reserve the right to reasonable periodic audits to determine the validity of all such paid
2550 claims for dealer compensation. Any chargebacks for warranty parts or service compensation and
2551 service incentives shall only be for the twelve-month period immediately following the date of the claim
2552 and, in the case of chargebacks for sales compensation only, for the eighteen-month period immediately
2553 following the date of claim. However, such limitations shall not be effective in the case of intentionally
2554 false or fraudulent claims.

2555 B. It shall be unlawful for any T&M vehicle manufacturer, factory branch, distributor, or distributor
2556 branch to:

2557 1. Fail to perform any of its warranty obligations, including tires, with respect to a T&M vehicle;
2558 2. Fail to assume all responsibility for any liability resulting from structural or production defects;
2559 3. Fail to include in written notices of factory recalls to vehicle owners and dealers the expected
2560 date by which necessary parts and equipment will be available to dealers for the correction of defects;

2561 4. Fail to compensate any of the T&M vehicle dealers licensed in the Commonwealth for repairs
2562 effected by the dealer of merchandise damaged in manufacture or transit to the dealer where the carrier
2563 is designated by the manufacturer, factory branch, distributor, or distributor branch;

2564 5. Fail to compensate its T&M vehicle dealers licensed in the Commonwealth for warranty parts,
2565 work, and service pursuant to subsection A of this section, or for legal costs and expenses incurred by
2566 such dealers in connection with warranty obligations for which the manufacturer, factory branch,
2567 distributor, or distributor branch is legally responsible or which the manufacturer, factory branch,
2568 distributor, or distributor branch imposes upon the dealer;

2569 6. Misrepresent in any way to purchasers of T&M vehicles that warranties with respect to the
2570 manufacture, performance, or design of the vehicle are made by the dealer, either as warrantor or
2571 co-warrantor;

2572 7. Require the dealer to make warranties to customers in any manner related to the manufacture,
2573 performance, or design of the vehicle; or

2574 8. Shift or attempt to shift to the T&M vehicle dealer, directly or indirectly, any liabilities of the
2575 manufacturer, factory branch, distributor or distributor branch under the Virginia T&M vehicle
2576 Warranty Enforcement Act (§ 59.1-207.9 et seq.), unless such liability results from the act or omission
2577 by the dealer.

2578 C. Notwithstanding the terms of any franchise, it shall be unlawful for any T&M vehicle
2579 manufacturer, factory branch, distributor, or distributor branch to fail to indemnify and hold harmless
2580 its T&M vehicle dealers against any losses or damages arising out of complaints, claims, or suits
2581 relating to the manufacture, assembly, or design of T&M vehicles, parts, or accessories, or other

functions by the manufacturer, factory branch, distributor, or distributor branch beyond the control of the dealer, including, without limitation, the selection by the manufacturer, factory branch, distributor, or distributor branch of parts or components for the vehicle or any damages to merchandise occurring in transit to the dealer where the carrier is designated by the manufacturer, factory branch, distributor, or distributor branch. The dealer shall notify the manufacturer of pending suits in which allegations are made which come within this subsection whenever reasonably practicable to do so. Every T&M vehicle dealer franchise issued to, amended, or renewed for T&M vehicle dealers in Virginia shall be construed to incorporate provisions consistent with the requirements of this subsection.

D. On any new T&M vehicle, any uncorrected damage or any corrected damage exceeding three percent of the manufacturer's or distributor's suggested retail price as defined in 15 U.S.C. §§ 1231-1233, as measured by retail repair costs, must be disclosed to the dealer in writing prior to delivery. Factory mechanical repair and damage to glass, tires, and bumpers are excluded from the three percent rule when properly replaced by identical manufacturer's or distributor's original equipment or parts. Whenever a new T&M vehicle is damaged in transit, when the carrier or means of transportation is determined by the manufacturer or distributor, or whenever a T&M vehicle is otherwise damaged prior to delivery to the new T&M vehicle dealer, the new T&M vehicle dealer shall:

1. Notify the manufacturer or distributor of the damage within three business days from the date of delivery of the new T&M vehicle to the new T&M vehicle dealership or within the additional time specified in the franchise; and

2. Request from the manufacturer or distributor authorization to replace the components, parts, and accessories damaged or otherwise correct the damage, unless the damage to the vehicle exceeds the three percent rule, in which case the dealer may reject the vehicle within three business days.

E. If the manufacturer or distributor refuses or fails to authorize correction of such damage within ten days after receipt of notification, or if the dealer rejects the vehicle because damage exceeds the three percent rule, ownership of the new T&M vehicle shall revert to the manufacturer or distributor, and the new T&M vehicle dealer shall have no obligation, financial or otherwise, with respect to such T&M vehicle. Should either the manufacturer, distributor, or the dealer elect to correct the damage or any other damage exceeding the three percent rule, full disclosure shall be made by the dealer in writing to the buyer and an acknowledgment by the buyer is required. If there is less than three percent damage, no disclosure is required, provided the damage has been corrected. Predelivery mechanical work shall not require a disclosure. Failure to disclose any corrected damage within the knowledge of the selling dealer to a new T&M vehicle in excess of the three percent rule shall constitute grounds for revocation of the buyer order, provided that, within thirty days of purchase, the T&M vehicle is returned to the dealer with an accompanying written notice of the grounds for revocation. In case of revocation pursuant to this section, the dealer shall accept the vehicle and refund any payments made to the dealer in connection with the transaction, less a reasonable allowance for the consumer's use of the vehicle as defined in § 59.1-207.11.

F. If there is a dispute between the manufacturer, factory branch, distributor, or distributor branch and the dealer with respect to any matter referred to in subsection A, B, or C of this section, either party may petition the Commissioner in writing, within thirty days after either party has given written notice of the dispute to the other, for a hearing. The decision of the Commissioner shall be binding on the parties, subject to rights of judicial review and appeal as provided in Chapter 1.1:1 (§ 9-6.14:1 et seq.) of Title 9. However, nothing contained in this section shall give the Commissioner any authority as to the content or interpretation of any manufacturer's or distributor's warranty.

§ 46.2-1980. Operation of dealership by manufacturer.

It shall be unlawful for any T&M vehicle manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof, to own, operate, or control any T&M vehicle dealership in the Commonwealth. However, this section shall not prohibit:

1. The operation by a manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof, of a dealership for a temporary period, not to exceed one year, during the transition from one owner or operator to another;

2. The ownership or control of a dealership by a manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof, while the dealership is being sold under a bona fide contract or purchase option to the operator of the dealership;

3. The ownership, operation, or control of a dealership by a manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof, if the manufacturer, factory branch, distributor, distributor branch, or subsidiary has been engaged in the retail sale of T&M vehicles through the dealership for a continuous period of three years prior to July 1, 1972, and if the Commissioner determines, after a hearing on the matter at the request of any party, that there is no dealer independent of the manufacturer or distributor, factory branch or distributor branch, or subsidiary thereof available in the community to own and operate the franchise in a manner consistent with the

2643 public interest;

2644 4. The ownership, operation, or control of a dealership by a manufacturer, factory branch,
2645 distributor, distributor branch, or subsidiary thereof if the Commissioner determines, after a hearing at
2646 the request of any party, that there is no dealer independent of the manufacturer or distributor, factory
2647 branch or distributor branch, or subsidiary thereof available in the community or trade area to own and
2648 operate the franchise in a manner consistent with the public interest;

2649 5. The ownership, operation, or control of a dealership dealing exclusively with school buses by a
2650 school bus manufacturer or school bus parts manufacturer or a person who assembles school buses; or

2651 6. The ownership, operation, or control of a dealership dealing exclusively with refined fuels truck
2652 tanks by a manufacturer of refined fuels truck tanks or by a person who assembles refined fuels truck
2653 tanks.

2654 § 46.2-1981. Ownership of service facilities.

2655 It shall be unlawful for any T&M vehicle manufacturer, factory branch, distributor, distributor
2656 branch, or subsidiary thereof, to own, operate, or control, either directly or indirectly, any T&M vehicle
2657 warranty or service facility located in the Commonwealth. Nothing in this section shall prohibit any
2658 T&M vehicle manufacturer, factory branch, distributor, distributor branch, or subsidiary thereof, from
2659 owning, operating, or controlling any warranty or service facility for warranty or service of T&M
2660 vehicles owned or operated by the manufacturer, factory branch, distributor, distributor branch, or
2661 subsidiary thereof. Nothing contained in this section shall prohibit a T&M vehicle manufacturer, factory
2662 branch, distributor, or distributor branch from performing service for reasons of compliance with an
2663 order of a court of competent jurisdiction or of warranty under Chapter 17.3 (§ 59.1-207.9 et seq.) of
2664 Title 59.1.

2665 The preceding provisions of this section shall not apply to manufacturers of refined fuels truck tanks
2666 or to persons who assemble refined fuels truck tanks or to persons who exclusively manufacture or
2667 assemble school buses or school bus parts.

2668 § 46.2-1982. Hearings and other remedies.

2669 A. In every case of a hearing before the Commissioner authorized under this article, the
2670 Commissioner shall give reasonable notice of each hearing to all interested parties, and the
2671 Commissioner's decision shall be binding on the parties, subject to the rights of judicial review and
2672 appeal as provided in Chapter 1.1:1 (§ 9-6.14:1 et seq.) of Title 9.

2673 B. Hearings before the Commissioner under this article shall commence within ninety days of the
2674 request for a hearing and the Commissioner's decision shall be rendered within sixty days from the
2675 conclusion of the hearing. Hearings authorized under this article shall be presided over by a hearing
2676 officer selected from a list prepared by the Executive Secretary of the Supreme Court of Virginia. On
2677 request of the Commissioner, the Executive Secretary will name a hearing officer from the list, selected
2678 on a rotation system administered by the Executive Secretary. The Hearing Officer shall provide
2679 recommendations to the Commissioner within ninety days of the conclusion of the hearing.

2680 C. Notwithstanding any contrary provision of this article, the Commissioner shall initiate
2681 investigations, conduct hearings, and determine the rights of parties under this article whenever he is
2682 provided information indicating a possible violation of any provision of this article.

2683 D. For purposes of any matter brought to the Commissioner under subdivisions 3, 4, 5, 6 and 9 of
2684 § 46.2-1976 with respect to which the Commissioner is to determine whether there is good cause for a
2685 proposed action or whether it would be unreasonable under the circumstances, the Commissioner shall
2686 consider:

- 2687 1. The volume of the affected dealer's business in the relevant market area;
- 2688 2. The nature and extent of the dealer's investment in its business;
- 2689 3. The adequacy of the dealer's service facilities, equipment, parts, supplies, and personnel;
- 2690 4. The effect of the proposed action on the community;
- 2691 5. The extent and quality of the dealer's service under T&M vehicle warranties;
- 2692 6. The dealer's performance under the terms of its franchise; and
- 2693 7. Other economic and geographical factors reasonably associated with the proposed action.

2694 With respect to subdivision 6 of this subsection, any performance standard or program for measuring
2695 dealership performance that may have a material effect on a dealer, and the application of any such
2696 standard or program by a manufacturer or distributor, shall be fair, reasonable, and equitable and, if
2697 based upon a survey, shall be based upon a statistically valid sample. Upon the request of any dealer, a
2698 manufacturer or distributor shall disclose in writing to the dealer a description of how a performance
2699 standard or program is designed and all relevant information used in the application of the performance
2700 standard or program to that dealer.

2701 § 46.2-1983. Late model and factory repurchase franchises.

2702 Franchised late model or factory repurchase T&M vehicle dealers shall have the same rights and
2703 obligations as provided for franchised new T&M vehicle dealers in Article 7 (§ 46.2-1973 et seq.) of
2704 this chapter, mutatis mutandis.

Article 8.

Denial, Suspension, and Revocation of Dealer Licenses.

§ 46.2-1984. Acts of officers, directors, partners, and salespersons.

If a licensee or registrant is a partnership or corporation, it shall be sufficient cause for the denial, suspension, or revocation of a license or certificate of dealer registration that any officer, director, or trustee of the partnership or corporation, or any member in the case of a partnership or the dealer-operator, has committed any act or omitted any duty which would be cause for refusing, suspending, or revoking a license or certificate of dealer registration issued to him as an individual under this chapter. Each licensee or registrant shall be responsible for the acts of any of his salespersons while acting as his agent, if the licensee approved of those acts or had knowledge of those acts or other similar acts and, after such knowledge, retained the benefit, proceeds, profits, or advantages accruing from those acts or otherwise ratified those acts.

§ 46.2-1985. Grounds for denying, suspending, or revoking licenses or certificates of dealer registration or qualification.

A license or certificate of dealer registration or qualification issued under this subtitle may be denied, suspended, or revoked on any one or more of the following grounds:

1. Material misstatement or omission in application for license, dealer's license plates, certificate of dealer registration, certificate of qualification, or certificate of title;

2. Failure to comply subsequent to receipt of a written warning from the Department or any willful failure to comply with any provision of this chapter or any regulation promulgated by the Commissioner under this chapter;

3. Failure to have an established place of business as defined in § 46.2-1910 or failure to have as the dealer-operator an individual who holds a valid certificate of qualification;

4. Defrauding any retail buyer, to the buyer's damage, or any other person in the conduct of the licensee's or registrant's business;

5. Employment of fraudulent devices, methods or practices in connection with compliance with the requirements under the statutes of the Commonwealth with respect to the retaking of vehicles under retail installment contracts and the redemption and resale of those vehicles;

6. Having used unfair methods of competition or deceptive acts or practices;

7. Knowingly advertising by any means any assertion, representation, or statement of fact which is untrue, misleading, or deceptive in any particular relating to the conduct of the business licensed or registered or for which a license or registration is sought;

8. Having been convicted of any fraudulent act in connection with the business of selling vehicles or any consumer-related fraud;

9. Having been convicted of any criminal act involving the business of selling vehicles;

10. Willfully retaining in his possession title to a T&M vehicle that has not been completely and legally assigned to him;

11. Failure to comply with any provision of Chapter 4.1 (§ 36-85.2 et seq.) of Title 36 or any regulation promulgated pursuant to that chapter;

12. Leasing, renting, lending, or otherwise allowing the use of a dealer's license plate by persons not specifically authorized under this title;

13. Having been convicted of a felony;

14. Failure to submit to the Department, within thirty days from the date of sale, any application, tax, or fee collected for the Department on behalf of a buyer;

15. Having been convicted of larceny of a vehicle or receipt or sale of a stolen vehicle;

16. Having been convicted of odometer tampering or any related violation;

17. If a salvage dealer, salvage pool, or rebuilder, failing to comply with any provision of Chapter 16 of this title or any regulation promulgated by the Commissioner under that chapter; or

18. Failing to maintain automobile liability insurance, issued by a company licensed to do business in the Commonwealth, or a certificate of self-insurance as defined in § 46.2-368, with respect to each dealer's license plate issued to the dealer by the Department.

§ 46.2-1986. Suspension, revocation, and refusal to renew licenses or certificates of dealer registration or qualification; notice and hearing.

A. Except as provided in subsection B of this section, no license or certificate of dealer registration or qualification issued under this subtitle shall be suspended or revoked, or renewal thereof refused, until a written copy of the complaint made has been furnished to the licensee, registrant, or qualifier against whom the same is directed and a public hearing thereon has been had before the Commissioner. At least ten days' written notice of the time and place of the hearing shall be given to the licensee, registrant, or qualifier by registered mail addressed to his last known post-office address or as shown on his license or certificate or other record of information in possession of the Commissioner. At the hearing the licensee, registrant, or qualifier shall have the right to be heard personally or by counsel.

2766 After hearing, the Commissioner may suspend, revoke, or refuse to renew the license or certificate in
2767 question. Immediate notice of any suspension, revocation, or refusal shall be given to the licensee,
2768 registrant, or qualifier in the same manner provided in this section for giving notices of hearing.

2769 B. Should a dealer fail to maintain an established place of business, the Commissioner may cancel
2770 the license of the dealer without a hearing after notification of the intent to cancel has been sent, by
2771 return receipt mail, to the dealer at the dealer's residence and business addresses, and the notices are
2772 returned undelivered or the dealer does not respond within twenty days from the date the notices were
2773 sent. Any subsequent application for a dealer's license shall be treated as an original application.

2774 § 46.2-1987. Appeals from actions of the Commissioner.

2775 Any person aggrieved by the action of the Commissioner in refusing to grant or renew a license or
2776 certificate of dealer registration or qualification issued under this chapter, or by any other action of the
2777 Commissioner which is alleged to be improper, unreasonable, or unlawful under the provisions of this
2778 chapter is entitled to judicial review in accordance with the provisions of the Administrative Process Act
2779 (§ 9-6.14:1 et seq.).

2780 § 46.2-1988. Appeals to Court of Appeals; bond.

2781 Either party may appeal from the decision of the court under § 46.2-1987 to the Court of Appeals.
2782 These appeals shall be taken and prosecuted in the same manner and with like effect as is provided by
2783 law in other cases appealed as a matter of right to the Court of Appeals.

2784 No appeal shall be taken on behalf of the person whose license or certificate of registration or
2785 qualification was suspended or revoked until the person enters into a proper bond with surety approved
2786 by the trial court in an amount determined by the trial court, not to exceed \$5,000, to observe the T&M
2787 vehicle laws of the Commonwealth, including the provisions of this chapter, until final judgment of the
2788 Court of Appeals.

2789 § 46.2-1989. Equitable remedies not impaired.

2790 The remedy at law provided by §§ 46.2-1987 and 46.2-1988 shall not in any manner impair the right
2791 to applicable equitable relief. That right to equitable relief is hereby preserved, notwithstanding the
2792 provisions of §§ 46.2-1987 and 46.2-1988.

2793 Article 9.

2794 T&M Vehicle Dealer Advertising.

2795 § 46.2-1990. Regulated advertising practices.

2796 For purposes of this chapter, a violation of the following regulated advertising practices shall be an
2797 unfair, deceptive, or misleading act or practice.

2798 1. A vehicle shall not be advertised as new, either by word or implication, unless it is one which
2799 conforms to the requirements of § 46.2-1900.

2800 2. When advertising any vehicle which does not conform to the definition of "new" as provided in
2801 § 46.2-1900, the fact that it is used shall be clearly and unequivocally expressed by the term "used" or
2802 by such other term as is commonly understood to mean that the vehicle is used. By way of example but
2803 not by limitation, "special purchase" by itself is not a satisfactory disclosure; however, such terms as
2804 "demonstrator" or "former leased vehicles" used alone clearly express that the vehicles are used for
2805 advertising purposes.

2806 3. Advertisement of finance charges or other interest rates shall not be used when there is a cost to
2807 buy-down said charge or rate which is passed on, in whole or in part, to the purchaser.

2808 4. Terms, conditions, and disclaimers shall be stated clearly and conspicuously. An asterisk or other
2809 reference symbol may be used to point to a disclaimer or other information, but shall not be used as a
2810 means of contradicting or changing the meaning of an advertised statement.

2811 5. The expiration date of an advertised sale shall be clearly and conspicuously disclosed.

2812 6. The term "list price," "sticker price," or "suggested retail price" and similar terms, shall be used
2813 only in reference to the manufacturer's suggested retail price for new vehicles or the dealer's own usual
2814 and customary price for used vehicles.

2815 7. Terms such as "at cost," "below cost," "\$ off cost" shall not be used in advertisements because of
2816 the difficulty in determining a dealer's actual net cost at the time of the sale. Terms such as "invoice
2817 price," "\$ over invoice," may be used, provided that the invoice referred to is the manufacturer's factory
2818 invoice or a bona fide bill of sale and the invoice or bill of sale is available for customer inspection.

2819 "Manufacturer's factory invoice" means that document supplied by the manufacturer to the dealer
2820 listing the manufacturer's charge to the dealer before any deduction for holdback, group advertising,
2821 factory incentives or rebates, or any governmental charges.

2822 8. When the price or credit terms of a vehicle are advertised, the vehicle shall be fully identified as
2823 to year, make, and model. In addition, in advertisements placed by individual dealers and not line-make
2824 marketing groups, the stated price or credit terms shall include all charges which the buyer must pay to
2825 the seller, except buyer-selected options, state and local fees and taxes, and manufacturer's or
2826 distributor's freight or destination charges. If freight or destination charges are not included in the
2827 advertised price, the amount of any such freight or destination charge must be clearly and

conspicuously disclosed.

9. Advertisements which set out a policy of matching or bettering competitors' prices shall not be used unless the terms of the offer are specific, verifiable and reasonable.

10. Advertisements of "dealer rebates" shall not be used. This does not affect advertisement of manufacturer rebates.

11. "Free," "at no cost," or other words to that effect shall not be used unless the "free" item, merchandise, or service is available without a purchase. This provision shall not apply to advertising placed by manufacturers, distributors, or line-make marketing groups.

12. "Bait" advertising, in which an advertiser may have no intention to sell at the price or terms advertised, shall not be used. By way of example, but not by limitation:

a. If a specific vehicle is advertised, the seller shall be in possession of a reasonable supply of said vehicles, and they shall be available at the advertised price. If the advertised vehicle is available only in limited numbers or only by order, that shall be stated in the advertisement. For purposes of this subdivision, the listing of a vehicle by stock number or vehicle identification number in the advertisement for a used vehicle is one means of satisfactorily disclosing a limitation of availability. Stock numbers or vehicle identification numbers shall not be used in advertising a new vehicle unless the advertisement clearly and conspicuously discloses that it relates to only one vehicle;

b. Advertising a vehicle at a certain price, including "as low as" statements, but having available for sale only vehicles equipped with dealer added cost "options" which increase the selling price, above the advertised price, shall also be considered "bait" advertising;

c. If a lease payment is advertised, the fact that it is a lease arrangement shall be disclosed.

13. The term "repossessed" shall be used only to describe vehicles that have been sold, registered, titled and then taken back from a purchaser and not yet resold to an ultimate user. Advertisers offering repossessed vehicles for sale shall provide proof of repossession upon request.

14. Words such as "finance" or "loan" shall not be used in a T&M vehicle advertiser's firm name or trade name, unless that person is actually engaged in the financing of T&M vehicles.

15. Any advertisement which gives the impression a dealer has a special arrangement or relationship with the distributor or manufacturer, as compared to similarly situated dealers, shall not be used.

§ 46.2-1991. Enforcement; regulations.

The Commissioner may promulgate regulations reasonably necessary for enforcement of this article.

In addition to any other sanctions or remedies available to the Commissioner under this chapter, the Commissioner may assess a civil penalty not to exceed \$1,000 for any single violation of this article. Each day that a violation continues shall constitute a separate violation.

2. That upon establishment of the Motor Vehicle Dealer Board provided for in this act, such Board shall enter into an agreement, signed by the Secretary of Transportation, with the Department of Motor Vehicles, to transfer from the Department to the Board tangible personal property and records relevant to the transfer of duties and powers as required by the provisions of this act. This agreement shall also provide for the orderly transfer of administrative and other responsibilities as required by the provisions of this act. Such transfer shall begin on July 1, 1995, and be completed no later than December 31, 1995. At such time the Board shall fully assume all responsibilities and authority as set out in this act. Employees of the Department of Motor Vehicles shall continue to provide administrative support to the Board through December 31, 1995.

3. That regulations promulgated by the Department for the purposes of carrying out the provisions of this act shall remain in force until such regulations are amended, modified, or repealed by the Board

4. That, until such time as the Motor Vehicle Dealer Board has established fees as authorized by the provisions of this act, existing fees shall remain in effect.

5. That the Department of Motor Vehicles shall administer the Transaction Recovery Fund through December 31, 1995. All claims against the Transaction Recovery Fund filed after December 31, 1995, shall be administered by the Board. Any claim filed with the Department prior to January 1, 1996, and not settled before that date, shall be processed by the Department. Any judgments awarded shall be paid from the Transaction Recovery Fund.

6. That §§ 46.2-1502 and 46.2-1541 of the Code of Virginia are repealed.
