The examination is performed under the supervision of such an accredited insurance department or with the participation of one or more examiners who are employed by an accredited insurance department and who, after a review of the examination work papers and report, state under oath that the examination was performed in a manner consistent with the standards and procedures required by their insurance department; *or*

3. *The Commission determines, in its sole discretion, that the examination was performed in a manner consistent with standards and procedures employed by the Commission in the examination of domestic insurers, and the report of examination is duly authenticated by the insurance supervisory official of the insurer's state of domicile or entry.*
