§ 2.1-526.3. Inspection of state-owned properties for insurance purposes; determination of coverage; procurement, discontinuance, etc., of insurance.

A. The Division may inspect or may administer a program of self-inspection for all state-owned properties and confer with the proper officials or employees of the several agencies of the Commonwealth for the purpose of determining (i) insurance coverages which shall be carried on or with respect to properties under their control; and to determine (ii) the manner whereby savings and costs of such insurance may be made. It may seek the assistance of insurance companies, and their representatives, and the Fire Marshal of the Commonwealth, and the State Insurance Advisory Board in devising means by which hazards may be reduced or eliminated. The Division shall have final responsibility with respect to coverage, noncoverage, provisions of policies, quantity and type of fire and

extended coverage, vandalism and malicious mischief, and optional perils or all risk insurance coverage. The Governor may exempt any agency, institution of higher education, or part thereof from any part of the risk management and insurance program.

B. The Division shall have the authority to change or discontinue fire and extended coverage, vandalism and malicious mischief, optional perils or all risk insurance coverage carried pursuant to bond indentures and other contractual requirements, provided such change or discontinuance meets with the written approval of the trustee or trustees of the bond indenture and those signatory to the contracts.

C. As its programs are implemented, the Division shall assume the sole responsibility, with the approval of the Governor, for purchasing insurance, self-insuring or combining insurance and self-insurance (i) on all properties of the Commonwealth or (ii) for protection of liabilities or other casualties.

§ 2.1-526.5. State Insurance Reserve Trust Fund.

A. The State Insurance Reserve Trust Fund established under former § 2.1-109.8 is continued. The fund shall consist of the payments required by subsection B of this section. The fund shall be under the management and control of the Department of General Services, through the Division of Risk Management, and any claims for losses payable out of the fund shall be at the direction of the Division. The fund shall be invested as provided in § 2.1-185 and interest shall be added to the fund as earned.

B. Each agency, department, division, or institution of state government having control over any state structure and contents thereof, or which participates in any program of insurance operated by the Division of Risk Management, shall pay each year into the State Insurance Reserve Trust Fund or any trust fund established pursuant to the provisions of this article amounts necessary to maintain the trusts at levels of funding deemed adequate by the Division. The Division shall, ~~in consultation with the State Insurance Advisory Board,~~ set the premium and administrative costs to be paid to it for providing an insurance plan established pursuant to this section. The premiums and administrative costs set by the Division shall be payable in the amounts, at the time and in the manner that the Division in its sole discretion requires. Premiums and administrative costs need not be uniform among participants, but shall be set to best insure the financial stability of the plan. Whenever any building or structure is under the control of two or more agencies, departments, divisions or institutions of the Commonwealth, the payment required herein shall be prorated upon the basis of percentage of the area controlled.

C. In the event of loss or damage exceeding \$1000 to property on which there is no insurance recovery or limited insurance recovery as a consequence of any action by the Division of Risk Management resulting in noncoverage, reduced insurance, elimination of insured perils or otherwise, the Division shall determine the amount, if any, payable out of the fund, and such amount, when approved by the Governor, shall be final. The amount payable shall be used for the purpose of restoring the damaged structure or rebuilding the same, as the circumstances may require, but in no event shall the amount payable on account of such loss exceed the actual cash value or the replacement cost value of the property in accordance with the basis of insurance, nor shall the amount payable when added to the insurance recovered exceed the actual cash value or the replacement cost value of the property, as recorded in the property and insurance records of the Division of Risk Management.

D. In addition to the amounts payable under subsection C of this section, the costs of operating the Division which are properly allocated to its functions concerning the State Insurance Reserve Trust Fund, ~~the cost of operating the State Insurance Advisory Board~~ and other administrative and contractual costs of the Division not otherwise provided for shall be paid out of the State Insurance Reserve Trust Fund, for which purposes such funds are hereby appropriated.

§ 2.1-526.11:1. Loss prevention.

The Division of Risk Management may develop and implement risk management and loss prevention programs related to insurance plans established pursuant to the provisions of this article. The Division may confer with the proper officials or employees of all agencies and institutions of the Commonwealth and of participating entities and persons pursuant to § 2.1-526.8:1, for the purpose of determining risk management and loss prevention programs which shall be carried on with respect to properties and governmental operations under their control and may determine the manner in which such programs may be developed, implemented and enforced. The Division may seek the assistance of risk management consulting companies, insurance companies, loss prevention engineering companies, and their representatives, the Fire Marshal of the Commonwealth, ~~and the Division of Engineering and Buildings and the State Insurance Advisory Board~~ in devising means by which causes of loss may be reduced or eliminated. The Division shall have the final responsibility with respect to implementation or nonimplementation of a plan or plans by an agency or institution of the Commonwealth and by a participating entity or person pursuant to § 2.1-526.8:1. Information contained in investigative reports of any state or local police department, sheriff's office, fire department or fire marshal relevant to insurance plans established pursuant to the provisions of this article shall be made available to the Division of Risk Management upon request.
