HB262

60 in providing notification to a community regarding the residence of a person registered with the Sex  
61 Offender Registry. The guidelines shall identify factors relevant to risk of re-offense and shall provide  
62 for three levels of notification depending upon the degree of risk of re-offense. Factors relevant to risk  
63 of re-offense shall include, but not be limited to:

64 1. Conditions of release that minimize risk of re-offense, including, but not limited to, whether the  
65 offender is under supervision, receiving counseling, therapy or treatment or residing in a home situation  
66 that provides guidance and supervision.

67 2. Physical conditions that minimize risk of re-offense including, but not limited to, advanced age or  
68 debilitating illness.

69 3. Criminal history factors indicative of high risk of re-offense, such as whether (i) the offender's  
70 conduct was found to be characterized by repetitive and compulsive behavior, (ii) the offender  
71 committed the sex offense against a child, (iii) the offender served the maximum term, and other  
72 criminal history factors including the relationship between the offender and the victim, whether the  
73 offense involved the use of a weapon, violence or infliction of serious bodily injury, and the number,  
74 date and nature of prior offenses.

75 4. Whether the psychological or psychiatric profiles indicate a risk of recidivism.

76 5. The offender's response to treatment.

77 6. Recent behavior, including behavior while confined in the community following service of  
78 sentence.

79 7. Recent threats against persons or expressions of intent to commit additional crimes.

80 B. The guidelines shall provide for three levels of notification depending upon the risk of re-offense  
81 by the offender as follows:

82 1. If risk of re-offense is low, local law-enforcement agencies likely to encounter the offender shall  
83 be notified.

84 2. If risk of re-offense is moderate, organizations in the community, including schools and religious  
85 and youth organizations, shall be notified in accordance with the guidelines in addition to the notice  
86 required by subdivision 1.

87 3. If risk of re-offense is high, the public shall be notified through means in accordance with the  
88 guidelines designed to reach members of the public likely to encounter the person registered, in addition  
89 to the notice required by subdivisions 1 and 2.

90 C. In order to promote uniform application of the guidelines, the Attorney General shall develop  
91 procedures for evaluation of the risk of re-offense and implementation of community notification. Among  
92 other things, these procedures shall require that the Parole Board, together with any law-enforcement  
93 officials that it deems appropriate, assess the risk of re-offense and that the attorney for the  
94 Commonwealth for the county or city in which the person will reside, after consultation with the Parole  
95 Board and local law-enforcement officials, determine the means of providing notification.

96 § 19.2-390.1. Sex Offender Registry; maintenance; access.

97 A. The Department of State Police shall keep and maintain a Sex Offender Registry, separate and  
98 apart from all other records maintained by it. The purpose of the Sex Offender Registry shall be to  
99 assist the efforts of law-enforcement agencies to protect their communities from repeat sex offenders and  
100 to protect children from becoming the victims of repeat sex offenders by helping to prevent such  
101 individuals from being hired or allowed to volunteer to work directly with children. The Sex Offender  
102 Registry shall include conviction data received from the courts pursuant to § 19.2-390 for felony  
103 violations of §§ 18.2-61, 18.2-63, 18.2-64.1, 18.2-67.1, 18.2-67.2, 18.2-67.3, 18.2-67.5, 18.2-370 or  
104 § 18.2-370.1 or, where the victim is a minor or is physically helpless or mentally incapacitated as  
105 defined in § 18.2-67.10, subsection B of § 18.2-361 or subsection B of § 18.2-366, including the  
106 disposition records for juveniles tried and convicted in the circuit courts pursuant to § 16.1-269, and  
107 registrations received from persons required to do so by § 19.2-298.1. The State Police shall promulgate  
108 regulations governing the operation and maintenance of the Sex Offender Registry and the expungement  
109 of records on persons who are deceased, whose convictions have been reversed or who have been  
110 pardoned, and those for whom an order of expungement has been entered pursuant to § 19.2-298.2 or  
111 § 19.2-392.1.

112 B. Sex Offender Registry information shall be disseminated to local law-enforcement agencies as  
113 provided in § 19.2-298.1 and, upon request, only to authorized officers or employees of (i) a criminal  
114 justice agency, as defined by § 9-169; (ii) a public school division; (iii) a private, denominational or  
115 parochial school; or (iv) a child-welfare agency or a registered or unregistered small family day-care  
116 home as defined in § 63.1-195. Sex Offender Registry information provided under this section shall be  
117 used only for the purposes of the administration of criminal justice or for the screening of current or  
118 prospective employees or volunteers. Further dissemination of such information or use of the information  
119 for purposes not authorized by this section is prohibited and a willful violation of this section shall be  
120 punished as a Class 1 misdemeanor. Any form or document used by the Department of State Police to  
121 disseminate information from the Sex Offender Registry shall provide notice that any further or

122 unauthorized dissemination of the information is a crime punishable as a Class 1 misdemeanor.  
123 The Department of State Police may by regulation establish a fee not to exceed fifteen dollars for  
124 responding to requests for information from the Sex Offender Registry. Any fees collected shall be  
125 deposited in a special account to be used to offset the costs of administering the Registry.
