B. A physician shall not knowingly perform an abortion upon an unemancipated minor unless:

1. The physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least twenty-four hours previous to the performance of the abortion; or

2. The physician or his agent, after a reasonable effort to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least seventy-two hours previous to the performance of the abortion; or

After a hearing, a judge may authorize a physician to perform an abortion upon finding that the minor is mature and capable of giving informed consent to the proposed abortion. If the judge determines that the minor is not mature, the judge shall, after a hearing, determine whether the performance of an abortion upon the minor without notification of an authorized person would be in the minor's best interest, and if the court finds that the abortion would be in the minor's best interest, it shall so authorize a physician.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Court proceedings under this section shall be confidential and shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this section shall be heard as soon as practicable but in no event later than four days after the petition is filed.

An expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without notification. Any such appeal shall be heard and decided no later than five days after the appeal is filed. An order authorizing an abortion without notification shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this section, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without notification to an authorized person.
