6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 23-38.34:1 of the Code of Virginia is amended and reenacted as follows:**

8 § 23-38.34:1. State Education Assistance Authority trust funds; investment; limitations on contingent
 9 interests; terms of acquisition.

10 A. The State Education Assistance Authority is authorized to establish and maintain a trust fund or
 11 funds, to which it shall deposit guaranty insurance premiums, federal reinsurance payments, student loan
 12 payments and all other revenues and funds it receives, and from which it shall pay the guaranty
 13 obligations it incurs and its operating expenses. *Assets necessary or required to support non-federal,*
 14 *state-sponsored programs shall be segregated from those required for federal loan programs and shall*
 15 *be held in reserve to guarantee such loans. The assets of such State Education Assistance Authority trust*
 16 *funds shall be reserved, invested, and expended solely by the State Education Assistance Authority*
 17 *pursuant to and for the purposes of this chapter and shall not be loaned or otherwise transferred or*
 18 *used by the Commonwealth for any other purpose. If the State Education Assistance Authority ceases to*
 19 *guarantee state-sponsored programs, the reserves set aside for those programs will revert to the*
 20 *Commonwealth to be held and administered for purposes consistent with administration of such*
 21 *state-sponsored programs.* The State Education Assistance Authority shall be the trustee of all such trust
 22 funds.

23 B. The State Education Assistance Authority is hereby authorized and empowered to invest and
 24 reinvest all such trust funds except that no investments shall be made in securities which, at the time of
 25 making such investments, are by statute prohibited for the investment of reserves of domestic life
 26 insurance companies, except in the exercise of bona fide discretion. Subject to such limitations, the State
 27 Education Assistance Authority shall have full power to purchase, hold, sell, assign, transfer and dispose
 28 of all funds, assets and investments comprising such trust funds.

29 C. The State Education Assistance Authority may acquire from lenders contingent interests in student
 30 loan obligations and may fix, revise and charge guaranty insurance premiums for acquiring such
 31 contingent interests, except that the State Education Assistance Authority shall not acquire additional
 32 contingent interests in student loan obligations to the extent such additional contingent interests would
 33 then cause the current unpaid balance of all contingent interests then held by the State Education
 34 Assistance Authority to exceed one hundred times the amount of all cash, cash equivalents, investments,
 35 and federal reinsurance receivables which would then be available to the State Education Assistance
 36 Authority to purchase the underlying student loan obligations in the event of default.

37 D. The State Education Assistance Authority shall prescribe the terms and conditions upon which it
 38 will acquire contingent interests in student loans. Such terms and conditions may include, without
 39 limitation: (i) any requirements of notice and transfer of such student loans to the State Education
 40 Assistance Authority in the event such student loans become delinquent; (ii) the interest rate or rates
 41 payable on such student loans; (iii) the terms and places of payment of principal and interest; (iv) the
 42 maturities of such student loans; (v) the terms of any life insurance which may be required in
 43 connection with such student loans; (vi) the safekeeping of all assets pledged to the payment of such
 44 student loans; and (vii) all other matters respecting such contingent interests and student loans as will
 45 protect the assets of the State Education Assistance Authority.
