3 [H 619]

4 Approved

5 **Be it enacted by the General Assembly of Virginia:**6 **1. That § 22.1-304 of the Code of Virginia is amended and reenacted as follows:**7 § 22.1-304. Reemployment of teacher who has not achieved continuing contract status; effect of  
8 continuing contract; resignation of teacher; reduction in number of teachers.9 If a teacher who has not achieved continuing contract status receives notice of reemployment, he  
10 must accept or reject in writing within fifteen days of receipt of such notice. Except as provided in  
11 § 22.1-305, written notice of nonrenewal of the contract must be given by the school board on or before  
12 April 15 of each year. If no such notice is given a teacher by April 15, the teacher shall be entitled to a  
13 contract for the ensuing year in accordance with local salary stipulations including increments.14 Teachers employed after completing the probationary period shall be entitled to continuing contracts  
15 during good behavior and competent service and prior to the age at which they are eligible or required  
16 to retire except as hereinafter provided. Written notice of noncontinuation of the contract by either party  
17 must be given by April 15 of each year; otherwise the contract continues in effect for the ensuing year  
18 in conformity with local salary stipulations including increments.19 A teacher may resign after April 15 of any school year with the approval of the local school board  
20 or, upon authorization by the school board, with the approval of the division superintendent. The  
21 teacher shall request release from contract at least two weeks in advance of intended date of resignation.  
22 Such request shall be in writing and shall set forth the cause of resignation.23 *If the division superintendent has been authorized to approve resignations, a teacher may, within one*  
24 *week, withdraw a request to resign. Upon the expiration of the one-week period, the division*  
25 *superintendent shall notify the school board of his decision to accept or reject the resignation. The*  
26 *school board, within two weeks, may reverse the decision of the division superintendent.*27 In the event that the board or the division superintendent declines to grant the request for release on  
28 the grounds of insufficient or unjustifiable cause, and the teacher breaches such contract, disciplinary  
29 action, which may include revocation of the teacher's license, may be taken pursuant to regulations  
30 prescribed by the Board of Education.31 As soon after April 15 as the school budget shall have been approved by the appropriating body, the  
32 school board shall furnish each teacher a statement confirming continuation of employment, setting forth  
33 assignment and salary.34 Nothing in the continuing contract shall be construed to authorize the school board to contract for  
35 any financial obligation beyond the period for which funds have been made available with which to  
36 meet such obligation.37 A school board may reduce the number of teachers, whether or not such teachers have reached  
38 continuing contract status, because of decrease in enrollment or abolition of particular subjects.
