VIEW shall require eligible AFDC recipients to participate in unsubsidized, partially subsidized or fully subsidized employment and enter into an agreement of personal responsibility. 1. Unsubsidized private-sector employment;

2. Subsidized employment, as follows:

(a) The Department shall conduct a program in accordance with this section and any applicable federal waivers that shall be known as the Full Employment Program (FEP). FEP replaces AFDC and food stamp benefits with subsidized employment. Persons not able to find unsubsidized employment who are otherwise eligible for both AFDC and food stamp benefits shall participate in FEP unless exempted by this chapter. FEP will assign participants to and subsidize wage-paying private-sector jobs designed to increase the participants' self-sufficiency and improve their competitive position in the work force.

(b) The Department shall administer a wage fund, which shall be used exclusively to meet the necessary expenditures of FEP. Funds to operate FEP, drawn from funds appropriated for expenditure by or apportioned to Virginia for operation of the AFDC and food stamp programs, shall be deposited in this pool. 93 distances from their homes or remain away from their homes overnight without their consent.

94 Any injury to a VIEW participant by accident arising out of and in the course of community work
95 experience shall be covered by the participant's existing Medicaid coverage. If a community work
96 experience participant is unable to work due to such an accident, his status shall be reviewed to
97 determine whether he is eligible for an exemption from the limitation on AFDC financial assistance.

98 A community work experience participant who becomes incapacitated for thirty days or more shall
99 be eligible for AFDC financial assistance for the duration of the incapacity, if otherwise eligible.
