## HOUSE BILL NO. 987

House Amendments in [ ] — February 6, 1996

A BILL to amend and reenact § 23-220 of the Code of Virginia, relating to local community college boards service delivery boundaries.

Patrons—Hall, Cunningham, Jones, D.C. and McEachin; Senator: Lambert

Referred to Committee on Education

Be it enacted by the General Assembly of Virginia:

1. That § 23-220 of the Code of Virginia is amended and reenacted as follows:

§ 23-220. Local community college boards; community college boards service delivery boundaries.

A. The State Board shall establish policies providing for the creation of a local community college board for each institution established under this chapter and the procedures and regulations under which such local boards shall operate. A local community college board as defined in § 23-214 shall be established for each college. These boards shall assist in ascertaining educational needs, enlisting community involvement and support, and shall perform such other duties as may be prescribed by the State Board.

B. [ *The State Board for Community Colleges shall provide in its regulations governing the service delivery area boundaries of the local community colleges comprising the community college system that the governing body of a member locality of a community college service delivery area shall determine whether the county, city or town in its entirety or parts thereof shall participate in one or more community college service delivery area boundaries. The governing body of a county or city served by more than one community college may determine by official action whether the jurisdiction in its entirety or parts thereof shall participate in one or more community college service regions. The governing body shall notify the State Board in writing of this official action. The action shall be effective on the date set by such governing body.* ]
