## HOUSE JOINT RESOLUTION NO. 64

Offered January 18, 1996

*Requesting the Department of Veterans' Affairs to establish an Agent Orange task force.*

Patrons—Puller, Almand, Brickley, Connally, Darner, Dillard, May, McClure, McEachin, Moran, O'Brien, Stump and Watts; Senators: Barry, Gartlan, Ticer and Waddell

Referred to Committee on Rules

WHEREAS, the General Assembly of Virginia conducted a study of the effects of Agent Orange on the Commonwealth's Vietnam veterans in 1988; and

WHEREAS, the study subcommittee conducted work sessions and public hearings at the four corners of Virginia; and

WHEREAS, repeatedly, the subcommittee received testimony from packed audiences concerning the various forms of disorders suffered by Vietnam veterans and their families, including, among their children, birth defects, learning disabilities, and cancers and, among the men and women veterans themselves, cancer such as soft tissue sarcoma and non-Hodgkin's lymphoma; neurological and metabolic disorders such as porphyria cutanea tarda, a rare disorder characterized by neurological symptoms, abdominal pain, and sensitivity to light; reduced fertility, miscarriages, still births, and chloracne, a disfiguring skin disorder caused by exposure to certain chemicals; and

WHEREAS, as one of its recommendations, the subcommittee proposed, and was successful in having approved, enhancement of the duties of the Department of Veterans' Affairs as applied to Vietnam veterans; and

WHEREAS, § 2.1-740 requires the Department, as a result of the subcommittee's efforts, to disseminate literature and information on Agent Orange, establish a mechanism for informing Vietnam veterans about the availability of free screening for exposure to Agent Orange; develop cooperative relationships with other organizations for the purpose of disseminating literature and information on Agent Orange to Vietnam veterans and their families; monitor congressional actions related to Vietnam veterans and exposure to Agent Orange and the developments in class action suits; and join and attend the National Conference of State Agent Orange Programs; and

WHEREAS, in some other states, Agent Orange Commissions have been established to provide a forum for communication, support, and consolidation of efforts for Vietnam veterans; and

WHEREAS, the Department has the duty of assisting veterans and their spouses and children in "matters of rehabilitation and in the preparation, presentation, and prosecution of all lawful claims"; and

WHEREAS, in the exercise of this duty and the responsibilities set forth in § 2.1-740, the Department must facilitate Vietnam veterans in their efforts to organize, communicate, seek redress, and find support; now, therefore, be it

RESOLVED by the House of Delegates, the Senate concurring, That the Department of Veterans' Affairs be requested to establish an Agent Orange task force to advise its Board in the exercise of its statutory responsibilities relating to disseminating literature and information on Agent Orange, establishing a mechanism for informing Vietnam veterans about the availability of free screening for exposure to Agent Orange; developing cooperative relationships with other organizations for the purpose of disseminating literature and information on Agent Orange to Vietnam veterans and their families; monitoring congressional actions related to Vietnam veterans and exposure to Agent Orange and the developments in class action suits; and participating in the National Conference of State Agent Orange Programs.

The Department of Veterans' Affairs shall report on its actions pursuant to this resolution to the Governor and the 1996 Session of the General Assembly as provided in the procedures of the Division of Legislative Automated Systems for processing legislative documents.
