 5 Approved

6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 45.1-392 of the Code of Virginia is amended and reenacted as follows:**

8 § 45.1-392. Solar Photovoltaic Manufacturing Incentive Grant Program.

9 A. Any manufacturer *commencing eligible sales during calendar year 1995* who, from January 1,
 10 1995, through December 31, 1999, sells solar photovoltaic panels it manufactured in Virginia shall be
 11 entitled to receive an annual solar photovoltaic manufacturing incentive grant in an amount of
 12 seventy-five cents per watt of the rated capacity of panels sold in a calendar year. The grants shall be
 13 paid from a fund to be entitled the Solar Photovoltaic Manufacturing Incentive Grant Fund (the "Fund").

14 B. *Any manufacturer commencing eligible sales at any time subsequent to December 31, 1995, and*
 15 *who, from January 1, 1996, through December 31, 2001, sells solar photovoltaic panels it manufactured*
 16 *in Virginia shall be entitled to receive an annual solar photovoltaic manufacturing incentive grant in an*
 17 *amount up to seventy-five cents per watt of the rated capacity of panels sold in a calendar year. The*
 18 *grants shall be paid from the Fund. No manufacturer shall be eligible to receive grants for more than*
 19 *five years.*

20 C. In the event applications for grants exceed six million watts per calendar year, the grant payments
 21 will be apportioned among the eligible applicants, based upon the total wattage evidenced by such
 22 applicants, *the amount per watt the applicant is eligible to receive*, and the total wattage eligible for
 23 grants specified in this section.

24 ~~C.~~ D. Any manufacturer entitled to apply for a grant pursuant to this section shall provide evidence,
 25 satisfactory to the Director, of manufacturing such panels in Virginia, the sale of such solar photovoltaic
 26 panels, and the wattage sold per year. The reports of manufacturing and sales shall be filed no later than
 27 March 31 following the calendar year in which the sales eligible for the grant were made. Failure to
 28 meet the filing deadline shall render the applicant ineligible to receive a grant. The postmark
 29 cancellation shall govern the date of the filing determination unless the Director has approved an
 30 alternative means of filing.

31 ~~D.~~ E. The Director shall certify to the Comptroller the amount of grant a manufacturer of solar
 32 photovoltaic panels is eligible to receive in a given calendar year. Payments shall be paid by check
 33 issued by the Treasurer of Virginia on warrant of the Comptroller.

34 ~~E.~~ F. The Director, upon presenting appropriate credentials, may examine the records, books,
 35 invoices, bills of lading, storage and production facilities and other applicable documents to determine
 36 whether the manufacturing and sale of the photovoltaic panels meet the requirements for grants as set
 37 forth in this section.
