SENATE BILL NO. 306
AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the House Committee on Appropriations
on March 4, 1996)
(Patron Prior to Substitute—Senator Walker)

A BILL to authorize the issuance of bonds subject to the provisions of Section 9(c) of Article X of the Constitution of Virginia in an amount not to exceed \$23,433,900, plus amounts needed to fund issuance costs, reserve funds and other financing expenses, for the purpose of providing funds, together with any other available funds, for paying all or a portion of the costs incurred or to be incurred for acquiring, constructing and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds and to provide for the sale of such bonds at public or private sale; to authorize the Treasury Board, by and with the consent of the Governor, to borrow money in anticipation of the issuance of the bonds; to authorize the issuance of refunding bonds, by and with the consent of the Governor; to provide for the pledge of the net revenues of such capital projects and the full faith, credit and taxing power of the Commonwealth for the payment of the principal of and the interest on such bonds; to provide that the interest income on such bonds shall be exempt from all taxation by the Commonwealth and any political subdivision thereof; and to repeal Chapters 824 and 878 of the Acts of Assembly of 1994 and Chapter 191 of the Acts of Assembly of 1995.

Whereas, Section 9(c) of Article X of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including the enlargement or improvement thereof, at, among others, institutions of higher learning of the Commonwealth; and

Whereas, in accordance with the provisions of Section 9(c) of Article X of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of each of the capital projects set forth below to be pledged to the payment of the principal of and the interest on that portion of such debt issued for each such project will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Section 9(c) of Article X of the Constitution of Virginia; now, therefore,

Be it enacted by the General Assembly of Virginia:

1. § 1. This act shall be known and may be cited as the "Commonwealth of Virginia Higher Educational Institutions Bond Act of 1996."

§ 2. The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, subject to the provisions of Section 9(c) of Article X of the Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Higher Educational Institutions Bonds, Series ....." in an aggregate principal amount not exceeding \$23,433,900, plus amounts needed to fund issuance costs, reserve funds and other financing expenses. The proceeds of such bonds, excluding amounts needed to fund issuance costs, reserve funds and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs incurred or to be incurred for acquiring, constructing, renovating, enlarging, improving and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth as follows:

163 the timely payment of the principal of, premium, if any, and interest on the bonds, any refunding bonds  
164 or any bond anticipation notes herein authorized where the full faith and credit of the Commonwealth  
165 have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor  
166 shall direct payment therefor from the general fund revenues of the Commonwealth.

167 § 11. The interest income on the bonds and any refunding bonds or bond anticipation notes issued  
168 under the provisions of this act shall at all times be exempt from taxation by the Commonwealth and by  
169 any county, city or town, or other political subdivision thereof. The interest on the bonds and any  
170 refunding bonds or bond anticipation notes may be subject to inclusion in gross income of the holders  
171 thereof for federal income tax purposes.

173 at one time or from time to time, refunding bonds of the Commonwealth, to be designated as provided  
174 in § 2 hereof to refund any or all of the bonds issued under this act. No refunding bonds shall be issued  
175 in a principal amount exceeding that necessary to amortize the principal of and premium, if any, and  
176 interest on the bonds to be refunded and pay all issuance costs and other financing expenses of the  
177 refunding bonds. Such refunding bonds may be issued whether or not the bonds to be refunded are then
