SENATE BILL NO. 306
AMENDMENT IN THE NATURE OF A SUBSTITUTE
(Proposed by the Senate Committee on Finance
on February 13, 1996)
(Patron Prior to Substitute—Senator Walker)

A BILL to authorize the issuance of bonds subject to the provisions of Section 9(c) of Article X of the Constitution of Virginia in an amount not to exceed \$113,326,000, plus amounts needed to fund issuance costs, reserve funds and other financing expenses, for the purpose of providing funds, together with any other available funds, for paying all or a portion of the costs incurred or to be incurred for acquiring, constructing and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth; to authorize the Treasury Board, by and with the consent of the Governor, to fix the details of such bonds and to provide for the sale of such bonds at public or private sale; to authorize the Treasury Board, by and with the consent of the Governor, to borrow money in anticipation of the issuance of the bonds; to authorize the issuance of refunding bonds, by and with the consent of the Governor; to provide for the pledge of the net revenues of such capital projects and the full faith, credit and taxing power of the Commonwealth for the payment of the principal of and the interest on such bonds; to provide that the interest income on such bonds shall be exempt from all taxation by the Commonwealth and any political subdivision thereof; and to repeal Chapters 824 and 878 of the Acts of Assembly of 1994 and Chapter 191 of the Acts of Assembly of 1995.

Whereas, Section 9(c) of Article X of the Constitution of Virginia provides that the General Assembly may authorize the creation of debt secured by a pledge of net revenues derived from rates, fees or other charges and the full faith and credit of the Commonwealth of Virginia, provided that such debt is created for specific revenue-producing capital projects, including the enlargement or improvement thereof, at, among others, institutions of higher learning of the Commonwealth; and

Whereas, in accordance with the provisions of Section 9(c) of Article X of the Constitution of Virginia, the Governor has certified in writing, filed with the Auditor of Public Accounts, his opinion that the anticipated net revenues of each of the capital projects set forth below to be pledged to the payment of the principal of and the interest on that portion of such debt issued for each such project will be sufficient to meet such payments as the same become due and to provide such reserves as may be required by law and that each of the capital projects complies with the requirements of Section 9(c) of Article X of the Constitution of Virginia; now, therefore,

Be it enacted by the General Assembly of Virginia:

1. § 1. This act shall be known and may be cited as the "Commonwealth of Virginia Higher Educational Institutions Bond Act of 1996."

§ 2. The Treasury Board is hereby authorized, by and with the consent of the Governor, to sell and issue, subject to the provisions of Section 9(c) of Article X of the Constitution of Virginia, at one time or from time to time, bonds of the Commonwealth, to be designated "Commonwealth of Virginia Higher Educational Institutions Bonds, Series" in an aggregate principal amount not exceeding \$113,326,000, plus amounts needed to fund issuance costs, reserve funds and other financing expenses. The proceeds of such bonds, excluding amounts needed to fund issuance costs, reserve funds and other financing expenses, shall be used exclusively for the purpose of providing funds, with any other available funds, for paying all or a portion of the costs incurred or to be incurred for acquiring, constructing, renovating, enlarging, improving and equipping revenue-producing capital projects at institutions of higher learning of the Commonwealth as follows:

93 § 3. The proceeds of the bonds, including any premium, except the proceeds of bonds the issuance of
94 which has been anticipated by bond anticipation notes, and the proceeds of any bond anticipation notes
95 shall be deposited in a special capital outlay fund in the state treasury and shall be disbursed by the
96 State Treasurer for paying all or any part of the cost of the acquisition, construction, renovation,
97 enlargement, improvement and equipping of said capital projects in the amounts provided in § 2 hereof,
98 plus issuance costs, reserve funds and other financing expenses. The proceeds of the bonds the issuance
99 of which has been anticipated by bond anticipation notes shall be used to pay such bond anticipation
100 notes. The Treasury Board shall be authorized to supplement the special capital outlay fund in the state
101 treasury from excess moneys in any debt service, sinking or comparable fund established in connection
102 with previous issues of higher educational institutions bonds so long as such excess fund moneys are not
103 otherwise restricted by law or by express contract with the holders of such prior bonds.

104 § 4. The bonds shall be dated, shall mature at such time or times not exceeding thirty years from
105 their date or dates, and may be made redeemable before their maturity or maturities at such price or
106 prices, all as may be determined by the Treasury Board, by and with the consent of the Governor. The
107 bonds shall be in such form, shall bear interest at such rate or rates, either at fixed rates or at rates
108 established by formula or other method, and may contain such other provisions, all as determined by
109 the Treasury Board or the State Treasurer, when authorized by the Treasury Board. The principal of,
110 premium, if any, and the interest on the bonds shall be payable in lawful money of the United States of
111 America. The Treasury Board shall fix the denomination or denominations of the bonds and the place or
112 places of payment of principal, premium, if any, and interest, which may be at the Office of the State
113 Treasurer or at any bank or trust company within or without the Commonwealth.

114 The bonds may be in registered form or as may be required by federal law in effect on the date of
115 issuance. The Treasury Board may contract for services of such registrars, transfer agents, or other
116 authenticating agents as it deems appropriate to maintain a record of the persons entitled to the bonds
117 and the principal, premium, if any, and interest due thereon. Bonds issued in registered form may be

118 issued under a system of book entry for recording the ownership and transfer of ownership of rights to
119 receive payments of principal of, premium, if any, and interest on the bonds.

120 The Treasury Board may sell the bonds in such manner, at public or private sale, and for such price
121 as it may determine, by and with the consent of the Governor, to be in the best interest of the
122 Commonwealth. The bonds may be sold at par, at a premium or at a discount.

123 The bonds and the refunding bonds authorized hereby may be issued at one time or in part from
124 time to time and may, in the discretion of the Treasury Board, be issued and sold at the same time with
125 other general obligation bonds of the Commonwealth authorized pursuant to Article X, Section 9 (a)(3),
126 (b), and (c) of the Constitution of Virginia, either as separate issues or as a combined issue, designated
127 "Commonwealth of Virginia General Obligation Bonds, Series", or as a combination of both.

128 § 5. The bonds shall be signed on behalf of the Commonwealth by the Governor, or shall bear his
129 facsimile signature, and by the State Treasurer, or shall bear his facsimile signature, and shall bear the
130 lesser seal of the Commonwealth or a facsimile thereof. If the bonds bear the facsimile signature of the
131 State Treasurer, the bonds shall be signed by such administrative assistant as the State Treasurer shall
132 determine, or by such registrar or paying agent as may be designated to sign such bonds by the
133 Treasury Board. If any officer whose signature or facsimile signature appears on any bonds ceases to
134 be such officer before the delivery of such bonds, such signature or facsimile signature shall
135 nevertheless be valid and sufficient for all purposes the same as if he had remained in office until such
136 delivery, and any bond may bear the facsimile signature of, or may be signed by, such persons as at the
137 actual time of the execution of such bond are the proper officers to sign such bond although, at the date
138 of such bond, such persons may not have been such officers.

139 § 6. All expenses incurred under this act shall be paid from the proceeds of the bonds, bond
140 anticipation notes, or refunding bonds from payments made by the institutions for which the capital
141 projects were authorized in § 2 hereof or from any other available funds as the Treasury Board shall
142 determine, including excess moneys in any debt service, sinking or comparable fund created in
143 connection with prior issues of higher educational institutions bonds to the extent not otherwise
144 restricted by law or by contract with the holders of such prior bonds.

145 § 7. The Treasury Board is hereby authorized, by and with the consent of the Governor, to borrow
146 money in anticipation of the issuance of the bonds. Such bond anticipation notes shall be dated, shall
147 mature at such time or times not exceeding five years from their date or dates, and may be redeemable
148 before their maturity or maturities at such price or prices, all as may be determined by the Treasury
149 Board, by and with the consent of the Governor. Such bond anticipation notes shall be in such form,
150 shall be executed in such manner, shall bear interest at such rate or rates, either at fixed rates or at
151 rates established by formula or other method, and may contain such other provisions, all as the
152 Treasury Board or the State Treasurer, when authorized by the Treasury Board, may determine. Such
153 bond anticipation notes shall be executed in the manner provided in § 5 hereof for the execution of
154 bonds.

155 The bond anticipation notes authorized hereby may be issued at one time or in part from time to
156 time and may, in the discretion of the Treasury Board, be issued and sold at the same time with other
157 bond anticipation notes of the Commonwealth authorized pursuant to Article X, Section 9 (a)(3), (b),
158 and (c) of the Constitution of Virginia, either as a separate issue or as a combined issue, designated
159 "Commonwealth of Virginia General Obligation Bonds, Series", or as a combination of both.

160 § 8. Pending the application of the proceeds of the bonds and any bond anticipation notes to the
161 purpose for which they have been authorized, all or any part of such proceeds may be invested by the
162 State Treasurer in securities that are legal investments under the laws of the Commonwealth for public
163 funds. Such investments shall be deemed at all times to be a part of such proceeds, and the interest
164 thereon and any profit realized from such investments shall be credited to such proceeds, and any losses
165 shall be deducted therefrom.

166 § 9. Each institution of higher learning mentioned above is hereby authorized (i) to fix, revise,
167 charge and collect a building fee or other comprehensive student fee and other rates, fees and charges
168 for or in connection with the use, occupation and services of each capital project mentioned above or
169 the system of which such capital project is a part and (ii) to pledge such rates, fees and charges
170 remaining after payment of (a) the expenses of operating the project or system, as the case may be, and
171 (b) the expenses related to all other activities funded by the building fee or other comprehensive student
172 fee, if applicable, to the payment of the principal of, premium, if any, and interest on the portion of the
173 bonds issued for such capital project. Each such institution is further authorized to create debt service
174 and sinking funds for the payments of the principal of, premium, if any, and interest on the bonds and
175 other reserves required by any agency of the United States of America purchasing the bonds or any
176 portion thereof.

177 § 10. The net revenues of the capital projects set forth above and the full faith and credit of the

185 *or any bond anticipation notes herein authorized where the full faith and credit of the Commonwealth*
186 *have been pledged, the General Assembly shall appropriate a sum sufficient therefor or the Governor*

192 *thereof for federal income tax purposes.*

193 § 12. *The Treasury Board is authorized, by and with the consent of the Governor, to sell and issue,*
194 *at one time or from time to time, refunding bonds of the Commonwealth, to be designated as provided*
195 *in § 2 hereof to refund any or all of the bonds issued under this act. No refunding bonds shall be issued*
196 *in a principal amount exceeding that necessary to amortize the principal of and premium, if any, and*

198 *refunding bonds. Such refunding bonds may be issued whether or not the bonds to be refunded are then*
199 *subject to redemption.*

200 § 13. *The provisions of this act or the application thereof to any person or circumstance which are*
201 *held invalid shall not affect the validity of other provisions or applications of this act which can be*
202 *given effect without the invalid provisions or applications.*

203 **2. That Chapters 824 and 878 of the Acts of Assembly of 1994 and Chapter 191 of the Acts of**
