Referred to the Committee on Local Government

Be it enacted by the General Assembly of Virginia:

1. That the Code of Virginia is amended by adding a section numbered 15.1-21.01 as follows:

§ 15.1-21.01. Voluntary economic growth sharing.

A. Notwithstanding the provisions of §§ 15.1-21 and 15.1-1167.1, any county, city or town may voluntarily enter into with any other county, city or town or combination thereof an agreement containing one or more binding economic growth-sharing arrangements for fixed time periods. Such an agreement may be entered into for any public purpose, including economic development projects and the provision of public services or facilities that have a regional impact. The benefits of such an agreement may be derived through regional growth and development, job creation, efficiency savings in infrastructure, and the sharing of revenues generated by such cooperative projects.

B. The governing body of each locality participating in an agreement pursuant to this section shall hold a public hearing on the agreement. Each hearing shall be advertised once a week for two successive weeks in a newspaper of general circulation in the locality. The agreement shall be submitted to the Commission on Local Government, which shall make findings of fact in accordance with subdivision 4 of § 15.1-945.3. After the hearings and issuance of the Commission on Local Government report, the agreement shall become effective if approved by resolution adopted by a majority of the members of the governing bodies of each locality.

C. Before a county, under the terms of a voluntary agreement entered pursuant to this section, contracts a debt pursuant to Article VII, Section 10 (b) of the Constitution of Virginia, the board of supervisors shall petition the circuit court of the county for an order calling for a special election in accordance with § 15.1-1167.2.
