 320 *former* § 37.1-128.02 or § 37.1-134 ~~or~~, (ii) mentally incapacitated pursuant to *former* § 37.1-128.1 or  
 321 § 37.1-132 or (iii) *incapacitated pursuant to Article 1.1 (§ 37.1-134.6 et seq.) of Chapter 4 of Title 37.1*  
 322 and whose competency or capacity has not been restored pursuant to *former* § 37.1-134.1 or  
 323 § 37.1-134.16, to purchase, possess, or transport any firearm. A violation of this subsection shall be  
 324 punishable as a Class 1 misdemeanor.

325 B. Any firearm possessed or transported in violation of this section shall be forfeited to the  
 326 Commonwealth and disposed of as provided in § 18.2-310.

327 § 24.2-232. Vacancy occurring when officer determined mentally incompetent.

328 The office of any person who is determined to be ~~mentally incompetent~~ *incapacitated* in a judicial  
 329 proceeding as provided for in Article ~~1 (§ 37.1-128.01 et seq.)~~ *1.1 (§ 37.1-134.6 et seq.)* of Chapter 4  
 330 of Title 37.1, shall become vacant and the vacancy filled in the manner provided by law.  
 331 Notwithstanding the provisions of Article ~~1 (§ 37.1-128.01 et seq.)~~ *1.1 (§ 37.1-134.6 et seq.)* of Chapter  
 332 4 of Title 37.1, however, any officer shall have a jury trial unless it is waived by him or for him by his  
 333 counsel of record.

334 § 26-6. How judgment may be entered against personal representative, *conservator* or committee.

335 A judgment or decree against any person, as the personal representative of a decedent or committee  
 336 of a convict or an insane person, or *conservator* of a ~~an incapacitated person adjudged incapable of~~  
 337 ~~earing for his person or property, in accordance with the provisions of § 37.1-132, or incompetent under~~  
 338 ~~provisions of § 37.1-134 as defined in § 37.1-134.6, or of any provision of law now or hereafter enacted~~  
 339 ~~under which a conservator or committee may be appointed, for a debt due from such decedent, convict,~~  
 340 ~~or insane person, or from any incapacitated person adjudged incompetent under provisions of~~  
 341 ~~§ 37.1-132, or § 37.1-134, or any other statute for appointment of a conservator or committee now or~~  
 342 ~~hereafter enacted, may, without taking an account of the transactions of such representative, conservator~~  
 343 ~~or committee, be entered to be paid out of the personal estate of such decedent, convict, insane person~~  
 344 ~~or other incompetent incapacitated person in, or which shall come to, the hands of the representative,~~  
 345 *conservator* or committee to be administered. When the court enters of record that if the fiduciary had  
 346 prudently discharged his duty, the proceeding would not have been brought, the judgment or decree, so  
 347 far as it is for costs, shall be entered to be paid out of his own estate.

348 § 26-17.4. Guardians, curators, *conservators*, committees, trustees under § 37.1-134.21 and receivers  
 349 under § 55-44.

350 A. Within six months from the date of the qualification, guardians, curators, committees, trustees  
 351 under ~~§ 37.1-134~~ *§ 37.1-134.21* and receivers under § 55-44 shall exhibit before the commissioner of  
 352 accounts a statement of all money and other property which such fiduciary has received, or become  
 353 chargeable with, or has disbursed within four months from the date of qualification.

354 B. After the first account of the fiduciary has been filed and settled, the second and subsequent  
 355 accounts for each succeeding twelve-month period will be due within four months from the last day of  
 356 the twelve-month period commencing on the terminal date of the preceding account unless the  
 357 commissioner of accounts extends the period for filing upon reasonable cause.

358 § 26-50. Notice required; certain substitutions validated.

359 A motion under § 26-48 shall be after reasonable notice to all persons interested in the execution of  
 360 the trust other than the plaintiff in such motion, and, if any of the parties on whom such notice is  
 361 required to be served be under eighteen years of age, the court or clerk shall appoint some discreet and  
 362 competent attorney at law as guardian ad litem to such infant defendant, on whom notice may be served.  
 363 If any such party is ~~insane~~ *incapacitated* or a convict, the notice shall be served on his committee,  
 364 *guardian or conservator*, if any, but if none, a guardian ad litem shall be appointed for him in the  
 365 manner hereinbefore provided for the appointment of a guardian ad litem for an infant. No notice need  
 366 be given to a trustee or, if one has previously been appointed, to a substituted trustee who has removed  
 367 from the Commonwealth, declined to accept the trust, or has resigned, nor to the personal

368 representatives of one who is dead, or, if the trustee or substituted trustee, as the case may be, be a  
 369 corporation which has been adjudicated a bankrupt or whose charter then stands revoked, no notice need  
 370 be given to such corporation.

371 In the case of the substitution of the trustee or trustees in a deed of trust securing the payment of  
 372 indebtedness it shall be necessary to give notice of the motion only to the trustee or, if one has  
 373 previously been appointed, to the substituted trustee, (unless notice to him is dispensed with under the  
 374 foregoing provisions), the beneficiaries appearing of record, if any, or known to the plaintiff, if any, the  
 375 debtor or debtors mentioned in the deed of trust, if any, the person or persons, if any, who may be  
 376 shown by the deed records to have assumed payment of the indebtedness in whole or in part, and the  
 377 person or persons in whom the equitable title to the property conveyed by the deed of trust is vested at  
 378 the time of the motion as shown by the records. In such case when the notice of motion in writing shall  
 379 have been filed in the clerk's office of the court having jurisdiction as defined in § 26-48, service of  
 380 such notice as to all parties mentioned in § 8.01-316 may be made in conformity with the provisions of  
 381 §§ 8.01-316 through 8.01-318, 8.01-320, 8.01-322 and 8.01-323.

382 Any such decree or order of substitution heretofore made by a court of competent jurisdiction is  
 383 hereby validated.

384 Nothing herein contained shall be construed as preventing a court of equity from substituting a  
 385 trustee in a suit instituted for that purpose.

386 § 26-59. Nonresident fiduciaries must have resident cofiduciaries; exceptions.

387 A. Except as provided in subsection B, a natural person, not a resident of this Commonwealth shall  
 388 not be appointed or allowed to qualify or act as personal representative, or trustee under a will, of any  
 389 decedent, or appointed as guardian of an infant's estate, or guardian *or conservator* of the person or  
 390 property of an incapacitated person under ~~§ 37.1-132 or committee of any person non compos mentis~~  
 391 *Article 1.1 (§ 37.1-134.6 et seq) of Chapter 4 of Title 37.1*, unless there is also appointed to serve with  
 392 the nonresident personal representative, trustee, guardian or ~~committee~~ *conservator*, a person resident in  
 393 this Commonwealth or corporation authorized to do business in this Commonwealth. In the event such  
 394 resident personal representative, trustee, *conservator* or guardian ceases, for any reason to act, then a  
 395 new resident personal representative, trustee, *conservator* or guardian shall be appointed in the same  
 396 manner as provided in § 26-48. However, when ~~the~~ a nonresident guardian or committee is the parent  
 397 of the infant or person non compos mentis, the resident guardian appointed under this section shall have  
 398 no control over the person of the ward.

399 B1. Notwithstanding the provisions of subsection A, a parent, brother, sister, niece or nephew of a  
 400 decedent, a child or other descendant of a decedent, the spouse of a child of a decedent, the surviving  
 401 spouse of a decedent, or a person or all such persons otherwise eligible to file a statement in lieu of an  
 402 accounting pursuant to § 26-20.1, or any combination of them, may be appointed and allowed to qualify  
 403 as personal representative, or trustee under a will, of the decedent, provided, in each instance, (i) such  
 404 qualification shall be subject to the provisions of Article 1 (§ 64.1-116 et seq.) of Chapter 6 of Title  
 405 64.1, and (ii) at the time of qualification each such person files with the clerk of the circuit court of the  
 406 jurisdiction wherein such qualification is had, his consent in writing that service of process in any action  
 407 or proceeding against him as personal representative, or trustee under a will, or any other notice with  
 408 respect to the administration of the probate estate or the trust in his charge in this Commonwealth may  
 409 be by service upon such resident of this Commonwealth and at such address as he may appoint in the  
 410 written instrument. In the event of the death, removal, resignation or absence from this Commonwealth  
 411 of such resident agent or any successor named by a similar instrument filed with the clerk, or in the  
 412 event that such resident agent or any such successor cannot with due diligence be found for service at  
 413 the address designated in such instrument, then any process or notice may be served on the clerk of  
 414 such circuit court. Notwithstanding § 64.1-121, where any nonresident qualifies pursuant to this  
 415 subsection, bond with surety shall be required in every case, unless a resident personal representative or  
 416 trustee qualifies at the same time.

417 B2. Notwithstanding the provisions of subsection A, an adult parent, brother, sister, spouse, child, or  
 418 other adult descendant of a person adjudged ~~incompetent or~~ incapacitated pursuant to ~~Chapter 4~~  
 419 ~~(§ 37.1-128.01 Article 1.1 (§ 37.1-134.6 et seq.) of Chapter 4~~ of Title 37.1 of the Code, or any  
 420 combination of them, may be appointed and allowed to qualify as guardian, ~~committee~~ *conservator* or  
 421 trustee of such ~~incompetent or~~ incapacitated person, provided, in each instance, at the time of  
 422 qualification each such person files with the clerk of the circuit court of the jurisdiction wherein such  
 423 qualification is had, his consent in writing that service of process in any action or proceeding against  
 424 him as such fiduciary, or any other notice with respect to the administration of the estate, trust or person  
 425 in his charge in this Commonwealth, may be by service upon the clerk of the court in which he is  
 426 qualified pursuant to Chapter 1 (§ 26-7.1 et seq.) of Title 26, or upon such resident of this  
 427 Commonwealth and at such address as he may appoint in the written instrument. Notwithstanding  
 428 § 37.1-135, when any nonresident qualifies pursuant to this subsection, bond with surety shall be

429 required in every case, unless a resident fiduciary qualifies at the same time or the court making the  
430 appointment waives surety under the provisions of § 26-7.1.

431 C. No corporation shall be appointed or allowed to qualify or act as personal representative, or  
432 trustee under a will, or as one of the personal representatives or trustees under a will, of any decedent,  
433 or appointed or allowed to qualify or act as guardian of an infant, or as one of the guardians of an  
434 infant, or guardian *or conservator* of the person or property of an incapacitated person under § 37.1-132,  
435 or as one of the guardians *or conservators* of the person or property of an incapacitated person under  
436 § 37.1-132, or as committee of any person non compos mentis, or as one of the committees of a person  
437 non compos mentis, unless such corporation be authorized to do business in this Commonwealth.  
438 Nothing in this section shall be construed to impair the validity of any appointment or qualification  
439 made prior to January 1, 1962, nor to affect in any way the other provisions of this chapter or of  
440 § 64.1-130. The provisions of this section shall not authorize or allow any appointment or qualifications  
441 prohibited by § 6.1-5.

442 D. The fact that an individual nominated or appointed as the guardian of the person of an infant is  
443 not a resident of this Commonwealth shall not prevent the qualification of the individual to serve as the  
444 sole guardian of the person of the infant.

445 § 37.1-67.3. Same; involuntary admission and treatment.

446 The commitment hearing shall be held within forty-eight hours of the execution of the temporary  
447 detention order as provided for in § 37.1-67.1; however, if the forty-eight-hour period herein specified  
448 terminates on a Saturday, Sunday, or legal holiday, such person may be detained, as herein provided,  
449 until the next day which is not a Saturday, Sunday, or legal holiday, but in no event may the person be  
450 detained for a period longer than seventy-two hours or ninety-six hours when such legal holiday occurs  
451 on a Monday or Friday. A Saturday, Sunday, or legal holiday shall be deemed to include the time  
452 period up to 8:00 a.m. of the next day which is not a Saturday, Sunday, or legal holiday.

453 The judge, in commencing the commitment hearing, shall inform the person whose involuntary  
454 admission is being sought of his right to apply for voluntary admission and treatment as provided for in  
455 § 37.1-65 and shall afford such person an opportunity for voluntary admission. The judge shall ascertain  
456 if such person is then willing and capable of seeking voluntary admission and treatment. If the person is  
457 capable and willingly accepts voluntary admission and treatment, the judge shall require him to accept  
458 voluntary admission for a minimum period of treatment and after such minimum period, not to exceed  
459 seventy-two hours, to give the hospital forty-eight hours' notice prior to leaving the hospital, during  
460 which notice period he shall not be discharged, unless sooner discharged pursuant to § 37.1-98 or  
461 § 37.1-99. Such person shall be subject to the transportation provisions as provided in § 37.1-71 and the  
462 requirement for prescreening by a community services board or community mental health clinic as  
463 provided in § 37.1-65.

464 If a person is incapable of accepting or unwilling to accept voluntary admission and treatment, the  
465 judge shall inform such person of his right to a commitment hearing and right to counsel. The judge  
466 shall ascertain if a person whose admission is sought is represented by counsel, and if he is not  
467 represented by counsel, the judge shall appoint an attorney-at-law to represent him. However, if such  
468 person requests an opportunity to employ counsel, the court shall give him a reasonable opportunity to  
469 employ counsel at his own expense.

470 A written explanation of the involuntary commitment process and the statutory protections associated  
471 with the process shall be given to the person and its contents explained by an attorney prior to the  
472 commitment hearing. The written explanation shall include, at a minimum, an explanation of the  
473 person's right to retain private counsel or be represented by a court-appointed attorney, to present any  
474 defenses including independent evaluation and expert testimony or the testimony of other witnesses, to  
475 be present during the hearing and testify, to appeal any certification for involuntary admission to the  
476 circuit court, and to have a jury trial on appeal. The judge shall ascertain whether the person whose  
477 admission is sought has been given the written explanation required herein.

478 To the extent possible, during the commitment hearing, the attorney for the person whose admission  
479 is sought shall interview his client, the petitioner, the examiner described below, the community services  
480 board staff in attendance, and any other material witnesses. He shall also examine all relevant diagnostic  
481 and other reports, present evidence and witnesses, if any, on his client's behalf, and otherwise actively  
482 represent his client in the proceedings. The role of the attorney shall be to represent the wishes of his  
483 client, to the extent possible.

484 The petitioner shall be given adequate notice of the place, date, and time of the commitment hearing.  
485 The petitioner shall be entitled to retain counsel at his own expense, to be present during the hearing,  
486 and to testify and present evidence. The petitioner shall be encouraged but shall not be required to  
487 testify at the hearing and the person whose admission is sought shall not be released solely on the basis  
488 of the petitioner's failure to attend or testify during the hearing.

489 Notwithstanding the above, the judge shall require an examination of such person by a psychiatrist  
490 who is licensed in Virginia or a clinical psychologist who is licensed in Virginia or, if such a

491 psychiatrist or clinical psychologist is not available, a physician or psychologist who is licensed in  
 492 Virginia and who is qualified in the diagnosis of mental illness. The examiner chosen shall be able to  
 493 provide an independent examination of the person. The examiner shall not be related by blood or  
 494 marriage to the person, shall not be responsible for treating the person, shall have no financial interest in  
 495 the detaining or admitting hospital, and, except for employees of state hospitals, shall not be employed  
 496 by the detaining or admitting hospital. All such examinations shall be conducted in private. The judge  
 497 shall summons the examiner who shall certify that he has personally examined the individual and has  
 498 probable cause to believe that the individual (i) is or is not so seriously mentally ill as to be  
 499 substantially unable to care for himself, or (ii) does or does not present an imminent danger to himself  
 500 or others as a result of mental illness, and (iii) requires or does not require involuntary hospitalization or  
 501 treatment. The judge, in his discretion, may accept written certification of the examiner's findings if the  
 502 examination has been personally made within the preceding five days and if there is no objection to the  
 503 acceptance of such written certification by the person or his attorney. The judge shall not render any  
 504 decision on the petition until such examiner has presented his report either orally or in writing.

505 Except as otherwise provided in this section, prior to making any adjudication that such person is  
 506 mentally ill and shall be confined to an institution pursuant to this section, the judge shall require from  
 507 the community services board which serves the political subdivision where the person resides a  
 508 prescreening report, and the board or clinic shall provide such a report within forty-eight hours or within  
 509 seventy-two hours if the forty-eight-hour period terminates on a Saturday, Sunday or legal holiday. The  
 510 report shall state whether the person is deemed to be so seriously mentally ill that he is substantially  
 511 unable to care for himself, an imminent danger to himself or others as a result of mental illness and in  
 512 need of involuntary hospitalization or treatment, whether there is no less restrictive alternative to  
 513 institutional confinement and what the recommendations are for that person's care and treatment. In the  
 514 case of a person sentenced and committed to the Department of Corrections and who has been examined  
 515 by a psychiatrist or clinical psychologist, the judge may proceed to adjudicate whether the person is  
 516 mentally ill and should be confined pursuant to this section without requesting a prescreening report  
 517 from the community services board.

518 After observing the person and obtaining the necessary positive certification and other relevant  
 519 evidence, if the judge finds specifically that the person (i) presents an imminent danger to himself or  
 520 others as a result of mental illness, or (ii) has been proven to be so seriously mentally ill as to be  
 521 substantially unable to care for himself, and (iii) that alternatives to involuntary confinement and  
 522 treatment have been investigated and deemed unsuitable and there is no less restrictive alternative to  
 523 institutional confinement and treatment, the judge shall by written order and specific findings so certify  
 524 and order that the person be placed in a hospital or other facility for a period of treatment not to exceed  
 525 180 days from the date of the court order. Such placement shall be in a hospital or other facility  
 526 designated by the community services board which serves the political subdivision in which the person  
 527 was examined as provided in this section. If the community services board does not provide a placement  
 528 recommendation at the commitment hearing, the person shall be placed in a hospital or other facility  
 529 designated by the Commissioner.

530 After observing the person and obtaining the necessary positive certification and other relevant  
 531 evidence, if the judge finds specifically that the person (i) presents an imminent danger to himself or  
 532 others as a result of mental illness, or (ii) has been proven to be so seriously mentally ill as to be  
 533 substantially unable to care for himself, and (iii) that less restrictive alternatives to institutional  
 534 confinement and treatment have been investigated and are deemed suitable, and if, moreover, the judge  
 535 finds specifically that (i) the patient has the degree of competency necessary to understand the  
 536 stipulations of his treatment, (ii) the patient expresses an interest in living in the community and agrees  
 537 to abide by his treatment plan, (iii) the patient is deemed to have the capacity to comply with the  
 538 treatment plan, (iv) the ordered treatment can be delivered on an outpatient basis, and (v) the ordered  
 539 treatment can be monitored by the community services board or designated providers, the judge shall  
 540 order outpatient treatment, day treatment in a hospital, night treatment in a hospital, outpatient  
 541 involuntary treatment with anti-psychotic medication pursuant to ~~§ 37.1-134.5~~ 37.1-134.22, or such other  
 542 appropriate course of treatment as may be necessary to meet the needs of the individual. Upon failure of  
 543 the patient to adhere to the terms of the outpatient treatment, the judge may revoke the same and, upon  
 544 notice to the patient and after a commitment hearing, order involuntary commitment for treatment at a  
 545 hospital. The community services board which serves the political subdivision in which the person  
 546 resides shall recommend a specific course of treatment and programs for provision of such treatment.  
 547 The community services board shall monitor the person's compliance with such treatment as may be  
 548 ordered by the court under this section, and the person's failure to comply with involuntary outpatient  
 549 treatment as ordered by the court may be admitted into evidence in subsequent hearings held pursuant to  
 550 the provisions of this section.

551 The judge shall make or cause to be made a tape or other audio recording of the hearing and shall

552 submit such recording to the appropriate district court clerk to be retained in a confidential file. Such  
553 recordings shall only be used to document and to answer questions concerning the judge's conduct of the  
554 hearing. These recordings shall be retained for at least three years from the date of the relevant  
555 commitment hearing. The judge shall also order that the relevant medical records of such person be  
556 released to the facility or program in which he is placed upon request of the treating physician or  
557 director of the facility or program. Except as provided in this section, the relevant medical records,  
558 reports, and court documents pertaining to the hearings provided for in this section shall be kept  
559 confidential by the court if so requested by such person, or his counsel, with access provided only upon  
560 court order for good cause shown. Such records, reports, and documents shall not be subject to the  
561 Virginia Freedom of Information Act (§ 2.1-340 et seq.). Such person shall be released at the expiration  
562 of 180 days unless involuntarily committed by further petition and order of a court as provided herein or  
563 such person makes application for treatment on a voluntary basis as provided for in § 37.1-65.

564 The procedures required by this section shall be followed at such commitment hearing. The judge  
565 shall render a decision on such petition after the appointed examiner has presented his report, either  
566 orally or in writing, and after the community services board which serves the political subdivision where  
567 the person resides has presented a prescreening report, either orally or in writing, with recommendations  
568 for that person's placement, care and treatment.

569 The clerk shall certify and forward forthwith to the Central Criminal Records Exchange, on a form  
570 provided by the Exchange, a copy of any order for involuntary commitment to a hospital. The copy of  
571 the form and the order shall be kept confidential in a separate file and used only for the purpose of  
572 conducting a firearms transaction record check authorized by § 18.2-308.2:2.

573 § 37.1-89. Fees and expenses.

574 Any special justice as defined in § 37.1-88 and any district court substitute judge who presides over  
575 hearings pursuant to the provisions of §§ 37.1-67.1 through 37.1-67.4 shall receive a fee of fifty-seven  
576 dollars and fifty cents for each commitment hearing and his necessary mileage. Any special justice and  
577 any district court substitute judge who presides over a hearing shall receive a fee of twenty-eight dollars  
578 and seventy-five cents for each certification hearing and each order under § ~~37.1-134.5~~ 37.1-134.22  
579 ruling on competency or treatment and his necessary mileage. Every physician, clinical psychologist or  
580 interpreter for the deaf appointed pursuant to § 37.1-67.5 who is not regularly employed by the  
581 Commonwealth of Virginia who is required to serve as a witness or as an interpreter for the  
582 Commonwealth in any proceeding under this chapter shall receive a fee of fifty dollars and his  
583 necessary expenses for each commitment hearing in which he serves. Every physician, clinical  
584 psychologist or interpreter for the deaf appointed pursuant to § 37.1-67.5 who is not regularly employed  
585 by the Commonwealth and who is required to serve as a witness or as an interpreter for the  
586 Commonwealth in any proceeding under this chapter shall receive a fee of twenty-five dollars and  
587 necessary expenses for each certification hearing in which he serves. Other witnesses regularly  
588 summoned before a judge under the provisions of this chapter shall receive such compensation for their  
589 attendance and mileage as is allowed witnesses summoned to testify before grand juries. Every attorney  
590 appointed under § 37.1-65.1 or §§ 37.1-67.1 through 37.1-67.4 shall receive a fee of fifty dollars and his  
591 necessary expenses for each commitment hearing. Every attorney appointed shall receive a fee of  
592 twenty-five dollars and his necessary expenses for each certification hearing and each proceeding under  
593 § ~~37.1-134.5~~ 37.1-134.22. Except as hereinafter provided, all expenses incurred, including the fees,  
594 attendance and mileage aforesaid, shall be paid by the Commonwealth. Any such fees, costs and  
595 expenses incurred in connection with an examination or hearing for an admission pursuant to § 37.1-65.1  
596 or §§ 37.1-67.1 through 37.1-67.4 in carrying out the provisions of this chapter or in connection with a  
597 proceeding under § ~~37.1-134.5~~ 37.1-134.22, when paid by the Commonwealth, shall be recoverable by  
598 the Commonwealth from the person who is the subject of the examination, hearing or proceeding, or  
599 from his estate. Such collection or recovery may be undertaken by the Department. All such fees, costs  
600 and expenses, if collected or recovered by the Department, shall be refunded to the Commonwealth. No  
601 such fees or costs shall be recovered, however, from the person who is the subject of the examination or  
602 his estate when no good cause for his admission exists or when the recovery would create an undue  
603 financial hardship.

604 § 37.1-109. Assessments and contracts by Department.

605 The Department may assess or contract with any patient, patient's parent, guardian, trustee,  
606 committee, or the person legally liable for his support and maintenance, and in arriving at the amount to  
607 be paid, the Department shall have due regard for the financial condition and estate of the patient, his  
608 present and future needs and the present and future needs of his lawful dependents, and, whenever  
609 deemed necessary, to protect him or his dependents, may assess or agree to accept a monthly sum for  
610 his maintenance less than the actual per capita cost of his maintenance; provided, however, that the  
611 estate of such patient other than income shall not be depleted below the sum of \$500. Nothing contained  
612 in this title shall be construed as making any such contract permanently binding upon the Department or  
613 prohibiting it from periodically reevaluating the actual per capita cost of care, treatment, and

614 maintenance and the financial condition and estate of any patient, his present and future needs and the  
615 present and future needs of his lawful dependents and entering into a new agreement with the patient,

626 *Guardianship and Conservatorship.*

627 § 37.1-134.6. *Definitions.*

628 *As used in this chapter, unless a different meaning is clearly required by the context:*

629 "Advance directive" means (i) a witnessed written document, voluntarily executed by the respondent  
630 in accordance with the requirements of § 54.1-2983 or (ii) a witnessed oral statement in accordance  
631 with the provisions of § 54.1-2983.

632 "Agent" means an adult appointed by the respondent under an advance directive executed or made in  
633 accordance with § 54.1-2983 to make health care decisions on his or her behalf; or an adult appointed  
634 by the respondent under a durable power of attorney in accordance with § 11-9.1.

635 "Conservator" means a person appointed by the court who is responsible for managing the estate  
636 and financial affairs of an incapacitated person, and where the context plainly indicates, includes a  
637 "limited conservator" or a "temporary conservator."

638 "Guardian" means a person appointed by the court who is responsible for the personal affairs of an  
639 incapacitated person, and where the context plainly indicates, includes a "limited guardian" or a  
640 "temporary guardian."

641 "Incapacitated person" means an adult who has been found by a court, because of functional  
642 impairment to be unable to receive and evaluate information effectively or to respond to people, events,  
643 and environments to such an extent that the individual lacks the capacity to (i) meet the essential  
644 requirements for his or her health, care, safety, or therapeutic needs without the assistance or protection  
645 of a guardian or (ii) manage property or financial affairs or to provide for his or her support or for the  
646 support of legal dependents without the assistance or protection of a conservator. A finding that the  
647 individual displays poor judgment, alone, shall not be considered sufficient evidence that the individual  
648 is an incapacitated person within the meaning of this subsection.

649 "Limited conservator" means a person appointed by the court who has only those responsibilities for  
650 managing the estate and financial affairs of an incapacitated person as specified in the order of  
651 appointment.

652 "Limited guardian" means a person appointed by the court who has only those responsibilities for  
653 the personal affairs of an incapacitated person as specified in the order of appointment.

654 "Respondent" means an alleged incapacitated person for whom a petition for guardianship or  
655 conservatorship has been filed.

661 for a nonresident with property in the state, in the city or county in which the respondent's property is  
662 located.

663 B. The circuit court in which the proceeding is first commenced may order a transfer of venue if it  
664 would be in the best interest of the respondent.

665 C. The proceeding shall be brought as a fiduciary matter. The fee for filing a petition shall be  
666 payable upon filing to the circuit court clerk. The person bringing the petition shall be responsible for

668 and transcripts. If a guardian or conservator is appointed by the court, such fees shall be reimbursed to  
669 the individual who filed the petition from the incapacitated person's estate, if funds are available. If any

 709 respondent's social security number, the approximate value of the respondent's real and personal  
 710 property, and the respondent's anticipated annual gross income and other receipts, and debts.

731 C. A health care provider acting pursuant to this section shall not be liable for a breach of patient  
 732 confidentiality.

733 § 37.1-134.10. Notice of hearing.

741 the petitioner, at least seven days before the hearing, to all adult individuals and to all entities whose

760 guardian ad litem to represent the interests of the respondent. The guardian ad litem shall be paid such  
761 fee as is fixed by the court to be taxed as part of the costs of the proceeding.

762 B. The guardian ad litem shall address the following major areas of concern: (i) whether the court  
763 has jurisdiction; (ii) whether or not a guardian or conservator is needed; (iii) the extent of the duties  
764 and powers of the guardian or conservator - e.g., personal supervision, financial management, medical  
765 consent only; (iv) the propriety and suitability of the person selected as guardian or conservator, after  
766 consideration of geographic location, familial or other relationship with the respondent, ability to carry

768 conflicts of interests, wishes of the respondent, and recommendations of relatives; (v) a recommendation  
769 as to the amount of surety on the fiduciary bond; and (vi) consideration of proper residential placement  
770 of the respondent.

771 C. Duties of the guardian ad litem shall include: (i) personally visiting the respondent; (ii) advising  
772 the respondent of rights pursuant to §§ 34.1-134.12 and 34.1-134.13, and certifying to the court that the  
773 respondent has been so advised; (iii) if the guardian ad litem believes that counsel for the respondent is  
774 necessary, recommending that legal counsel should be appointed for the respondent, pursuant to  
775 § 37.1-134.12; (iv) investigating the petition and evidence, requesting additional evaluation if necessary,  
776 and filing a report addressing any relevant areas of concern; and (v) personally appearing at all court  
777 proceedings and conferences.

778 § 37.1-134.12. Counsel for respondent.

779 The respondent has the right to be represented by counsel of respondent's choice. If the respondent  
780 is not represented, the court may appoint legal counsel, either upon the filing of the petition or at any  
781 prior to the entry of the order if: (i) the guardian ad litem recommends the appointment of counsel; or  
782 (ii) the court determines that counsel is otherwise needed to protect the respondent's interest. Counsel  
783 shall be paid such fee as is fixed by the court to be taxed as part of the costs of the proceeding.

784 § 37.1-134.13. Hearing on petition to appoint.

785 The court shall hear the petition for the appointment of a guardian or conservator. The hearing  
786 may be held at such convenient place as the court directs, including the place where the respondent is  
787 located. The proposed guardian or conservator shall attend the hearing except for good cause shown  
788 and, where appropriate, shall provide the court with a recommendation as to living arrangements and a  
789 treatment plan for the respondent. The respondent is entitled to be present at the hearing and all other  
790 stages of the proceedings. The respondent shall be present if he or she so requests or if his or her  
791 presence is requested by the guardian ad litem. Whether or not present, the respondent shall be  
792 regarded as having denied the allegations in the petition.

793 The respondent is entitled to: (i) counsel; (ii) compel the attendance of witnesses; (iii) present  
794 evidence on his own behalf; (iv) confront and cross-examine all witnesses providing evidence; and (v)  
795 request a jury trial.

796 If, after considering the evidence presented at the hearing, the court or jury, if one is requested,  
797 determines on the basis of clear and convincing evidence that the respondent is incapacitated, the court

798 shall appoint a suitable person to be the guardian or the conservator, or both.

799 The court shall make specific findings of fact and conclusions of law based on clear and convincing  
800 evidence in support of each provision of any orders entered.

801 § 37.1-134.14. Limited guardianships and conservatorships.

802 In determining the need for a guardian and/or a conservator, and the powers and duties of any  
803 needed guardian or conservator, the court shall consider: the limitations of the respondent; the  
804 development of the respondent's maximum self-reliance and independence; the availability of less  
805 restrictive alternatives including advance directives and durable powers of attorney; the extent to which  
806 it is necessary to protect the respondent from neglect, exploitation, or abuse; the actions needed to be  
807 taken by the guardian; and the suitability of the proposed guardian or conservator. The court shall limit  
808 its order accordingly.

809 § 37.1-134.15. Factors to be considered by court; order of appointment.

810 The court's order appointing a guardian or conservator shall: (i) state the nature and extent of the  
811 person's incapacity; (ii) define the powers and duties of the guardian or conservator so as to permit the  
812 incapacitated person to care for himself or herself and manage property to the extent he or she is  
813 capable; (iii) specify whether the appointment of a guardian and/or conservator is limited to a specified  
814 length of time, as the court in its discretion may determine; (iv) specify the legal disabilities, if any, of  
815 the person in connection with the finding of incapacity; and (v) set the bond and surety, if any.

816 The court may appoint a limited guardian for an incapacitated person who is capable of addressing  
817 some of the essential requirements for his or her care, for the limited purpose of medical  
818 decision-making, decisions about place of residency, or other specific decisions regarding his or her  
819 personal affairs.

820 No guardian shall have authority to make health care decisions for a person who has appointed an  
821 agent under an advance directive executed in accordance with the provisions of Article 8 (§§ 54.1-2983  
822 et seq.) of Chapter 29 of Title 54.1, unless the court determines that the agent is not acting in  
823 accordance with the wishes of the principal or there is a need for decision-making outside the purview  
824 of the advance directive.

825 The court may appoint a limited conservator for an incapacitated person who is capable of  
826 managing some of his or her property and financial affairs, for limited purposes specified in the order.

827 No conservator need be appointed for a person (i) who has appointed an agent under a durable  
828 power of attorney, unless the court determines pursuant to § 37.1-134.23 that the agent is not acting in  
829 the best interests of the principal or there is a need for decision-making outside the purview of the  
830 durable power of attorney; (ii) whose only or major source of income is from the Social Security  
831 Administration or other government program and who has a representative payee; or (iii) whose  
832 property and funds are so limited that financial decisions involve only minor personal matters.

833 A guardian or conservator appointed in the court order shall qualify, upon the following:

834 1. The guardian or conservator has subscribed to an oath promising to faithfully perform the duties  
835 of the office in accordance with all provisions of this chapter;

836 2. Posting of bond, with or without surety, as ordered by the court; and

837 3. Acceptance in writing by the guardian or conservator of any educational materials provided by  
838 the court.

840 A. Upon petition by the incapacitated person, the guardian or conservator, any other person, or  
841 upon the motion of the court, the court may declare the incapacitated person restored to capacity, or  
842 may modify the type of appointment or the areas of protection, management or assistance previously  
843 granted. Such revocation or modification may be ordered if:

844 1. The incapacitated person is no longer in need of the assistance or protection of a guardian or  
845 conservator;

846 2. The extent of protection, management or assistance previously granted is either excessive or  
847 insufficient considering the current need therefor;

848 3. The incapacitated person's understanding or capacity to manage the estate and financial affairs or  
849 to provide for his or her health, care or safety has so changed as to warrant such action; or

850 4. It is otherwise in the best interests of the incapacitated person.

851 B. Upon the filing of any such petition or upon the motion of the court, the court after reasonable  
852 notice to the incapacitated person, or to the guardian and/or conservator or to both the incapacitated  
853 person and the guardian and/or conservator, shall hold a hearing. In making a determination under this  
854 section, the court may appoint a guardian ad litem for the incapacitated person and may appoint other  
855 persons whom it deems qualified to make evaluations as it determines appropriate. If, on the basis of  
856 evidence offered at the hearing, the court finds that the incapacitated person has substantially regained  
857 his or her ability to care for his person and/or manage and handle his or her estate, it shall declare the  
858 person restored to capacity and discharge the guardian or conservator.

929 administering the funds payable through the Veterans' Administration, shall administer the entire estate  
930 of such ex-service person or beneficiary of such ex-service person regardless of the source from which it  
931 is derived, and in such administration shall have the same powers and duties and be subject to the same  
932 liabilities as are vested in or imposed upon a conservator pursuant to this chapter. Such trustee, in  
933 addition to such duties and obligations imposed upon him under his trust by the federal government,  
934 shall be subject to such state laws as are now in force or hereafter enacted applicable to the  
935 appointment and administration of conservators for incapacitated persons.

936 Any person for whom a trustee has been appointed under the provisions of this section may  
937 thereafter be adjudged restored to capacity by the court which appointed the trustee.

938 § 37.1-134.22. Judicial authorization of treatment and detention of certain persons.

939 A. An appropriate circuit court, or judge as defined in § 37.1-1, may authorize on behalf of an adult  
940 person, in accordance with this section, a specific treatment or course of treatment for a mental or  
941 physical disorder, if it finds upon clear and convincing evidence that (i) the person is either incapable  
942 of making an informed decision on his own behalf or is incapable of communicating such a decision  
943 due to a physical or mental disorder, and (ii) the proposed treatment is in the best interest of the  
944 person.

945 B. For purposes of this section:

946 "Disorder" shall include any physical or mental disorder or impairment, whether caused by injury,  
947 disease, genetics, or other cause.

948 "Incapable of making an informed decision" shall mean unable to understand the nature, extent or  
949 probable consequences of a proposed treatment, or unable to make a rational evaluation of the risks  
950 and benefits of the proposed treatment as compared with the risks and benefits of alternatives to that  
951 treatment. Persons with dysphasia or other communication disorders who are mentally competent and  
952 able to communicate shall not be considered incapable of giving informed consent.

953 C. Any person may request authorization of a specific treatment, or course of treatment, for an adult  
954 person by filing a petition in the circuit court, or with a judge as defined in § 37.1-1, of the county or  
955 city in which the allegedly incapable person resides or is located, or in the county or city in which the  
956 proposed place of treatment is located. Upon filing such a petition, the petitioner or the court shall  
957 deliver or send a certified copy of the petition to the person for whom treatment is sought and, if the  
958 identity and whereabouts of the person's next of kin are known, to the next of kin.

959 D. As soon as reasonably possible after the filing of the petition, the court shall appoint an attorney  
960 to represent the interests of the allegedly incapable person at the hearing. However, such appointment  
961 shall not be required in the event that the person, or another interested person on behalf of the person,  
962 elects to retain private counsel at his own expense to represent the interests of the person at the  
963 hearing. In the event that the allegedly incapable person is indigent, his counsel shall be paid by the  
964 Commonwealth as provided in § 37.1-89 from funds appropriated to reimburse expenses incurred in the  
965 involuntary mental commitment process. However, this provision shall not be construed to prohibit the  
966 direct payment of an attorney's fee either by the patient, or by an interested person on his behalf, which  
967 fee shall be subject to the review and approval of the court.

968 E. Following the appointment of an attorney pursuant to subsection D above, the court shall  
969 schedule an expedited hearing of the matter. The court shall notify the person who is the subject of the  
970 petition, his next of kin, if known, the petitioner, and their respective counsel of the date and time for  
971 the hearing. In scheduling such a hearing, the court shall take into account the type and severity of the  
972 alleged physical or mental disorder, as well as the need to provide the person's attorney with sufficient  
973 time to adequately prepare his client's case.

974 F. Notwithstanding the provisions of subsections C and E above regarding delivery or service of the  
975 petition and notice of the hearing to the next of kin of any person for whom consent to observation,  
976 testing or treatment is sought, if such person is a patient in any hospital at the time the petition is filed,  
977 the court, in its discretion, may dispense with the requirement of any notice to the next of kin.

978 G. Evidence presented at the hearing may be submitted by affidavit in the absence of objection by  
979 the person who is the subject of the petition, the petitioner, either of their respective counsel, or by any  
980 other interested party. Prior to the hearing, the attorney shall investigate the risks and benefits of the  
981 treatment decision for which authorization is sought and of alternatives to the proposed decision. The  
982 attorney shall make a reasonable effort to inform the person of this information and to ascertain the

983 person's religious beliefs and basic values and the views and preferences of the person's next of kin.  
984 H. Prior to authorizing treatment pursuant to this section, the court shall find:  
985 1. That there is no legally authorized guardian or committee available to give consent;  
986 2. That the person who is the subject of the petition is incapable either of making an informed  
987 decision regarding a specific treatment or course of treatment or is physically or mentally incapable of  
988 communicating such a decision;  
989 3. That the person who is the subject of the petition is unlikely to become capable of making an  
990 informed decision or of communicating an informed decision within the time required for decision; and  
991 4. That the proposed treatment or course of treatment is in the best interest of the patient. However,  
992 the court shall not authorize a proposed treatment or course of treatment which is proven by a  
993 preponderance of the evidence to be contrary to the person's religious beliefs or basic values unless  
994 such treatment is necessary to prevent death or a serious irreversible condition. The court shall take  
995 into consideration the right of the person to rely on nonmedical, remedial treatment in the practice of  
996 religion in lieu of medical treatment.  
997 I. The court may not authorize the following under this section:  
998 1. Nontherapeutic sterilization, abortion, or psychosurgery.  
999 2. Admission to a mental retardation facility or a psychiatric hospital, as defined in § 37.1-1.  
1000 However, the court may issue an order under this section authorizing a specific treatment or course of  
1001 treatment of a person whose admission to such facility has been or is simultaneously being authorized  
1002 under §§ 37.1-65, 37.1-65.1, 37.1-65.2, 37.1-65.3, or § 37.1-67.1, or of a person who is subject to an  
1003 order of involuntary commitment previously or simultaneously issued under § 37.1-67.3.  
1004 3. Administration of antipsychotic medication for a period to exceed 180 days or electroconvulsive  
1005 therapy for a period to exceed sixty days pursuant to any petition filed under this section. The court  
1006 may authorize electroconvulsive therapy only if it is demonstrated by clear and convincing evidence,  
1007 which shall include the testimony of a licensed psychiatrist, that all other reasonable forms of treatment  
1008 have been considered and that electroconvulsive therapy is the most effective treatment for the person.  
1009 Even if the court has authorized administration of antipsychotic medication or electroconvulsive therapy  
1010 hereunder, these treatments may be administered over the person's objection only if he is subject to an  
1011 order of involuntary commitment, including outpatient involuntary commitment, previously or  
1012 simultaneously issued under § 37.1-67.3 or the provisions of Chapter 11 (§ 19.2-167 et seq.) of Title  
1013 19.2.  
1014 4. Restraint or transportation of the person, unless it finds upon clear and convincing evidence that  
1015 restraint or transportation is necessary to the provision of an authorized treatment for a physical  
1016 disorder.  
1017 J. Any order authorizing treatment pursuant to subsection A shall describe the treatment or course of  
1018 treatment authorized and may authorize generally such related examinations, tests, or services as the  
1019 court may determine to be reasonably related to the treatment authorized. The order shall require the  
1020 treating physician to review and document the appropriateness of the continued admission of  
1021 antipsychotic medications not less frequently than every thirty days. Such order shall require the treating  
1022 physician or other service provider to report to the court and the person's attorney any change in the  
1023 person's condition resulting in probable restoration or development of the person's capacity to make and  
1024 to communicate an informed decision prior to completion of the authorized treatment and related  
1025 services. The order may further require the treating physician or other service provider to report to the  
1026 court and the person's attorney any change in circumstances regarding the authorized treatment or  
1027 related services which may indicate that such authorization is no longer in the person's best interests.  
1028 Upon receipt of such report, or upon the petition of any interested party, the court may enter such order  
1029 withdrawing or modifying its prior authorization as it deems appropriate. Any petition or order under  
1030 this section may be orally presented or entered, provided a written order shall be subsequently executed.  
1031 K. Any order hereunder of a judge, or of a judge or magistrate under subsection M, may be  
1032 appealed de novo within ten days to the circuit court for the jurisdiction where the order was entered,  
1033 and any such order of a circuit court hereunder, either originally or on appeal, may be appealed within  
1034 ten days to the Court of Appeals.  
1035 L. Any licensed health professional or licensed hospital providing treatment, testing or detention  
1036 pursuant to the court's or magistrate's authorization as provided in this section shall have no liability  
1037 arising out of a claim to the extent it is based on lack of consent to such treatment, testing or detention.  
1038 Any such professional or hospital providing, withholding or withdrawing treatment with the consent of  
1039 the person receiving or being offered treatment shall have no liability arising out of a claim to the  
1040 extent it is based on lack of capacity to consent if a court or a magistrate has denied a petition  
1041 hereunder to authorize such treatment, and such denial was based on an affirmative finding that the  
1042 person was capable of making and communicating an informed decision regarding the proposed  
1043 provision, withholding or withdrawal of treatment.

1044 M. Upon the advice of a licensed physician who has attempted to obtain consent and upon a finding  
1045 of probable cause to believe that an adult person within the court's or a magistrate's jurisdiction is  
1046 incapable of making an informed decision regarding treatment of a physical or mental disorder, or is  
1047 incapable of communicating such a decision due to a physical or mental disorder, and that the medical  
1048 standard of care calls for testing, observation or treatment of the disorder within the next twenty-four  
1049 hours to prevent death, disability or a serious irreversible condition, the court or, if the court is  
1050 unavailable, a magistrate may issue an order authorizing temporary detention of the person by a  
1051 hospital emergency room or other appropriate facility and authorizing such testing, observation or  
1052 treatment. The detention may not be for a period exceeding twenty-four hours unless extended by the  
1053 court as part of an order authorizing treatment under subsection A. If before completion of authorized  
1054 testing, observation or treatment, the physician determines that a person subject to an order under this  
1055 subsection has become capable of making and communicating an informed decision, the physician shall  
1056 rely on the person's decision on whether to consent to further observation, testing or treatment. If before  
1057 issuance of an order under this subsection or during its period of effectiveness, the physician learns of  
1058 an objection by a member of the person's immediate family to the testing, observation or treatment, he  
1059 shall so notify the court or magistrate, who shall consider the objection in determining whether to issue,  
1060 modify or terminate the order.

1061 N. The provisions of § 37.1-89 relating to payment by the Commonwealth shall not apply to the cost  
1062 of detention, testing or treatment under this section.

1063 O. Nothing in this section shall be deemed to affect the right to use, and the authority conferred by,  
1064 any other applicable statutory or regulatory procedure relating to consent, or to diminish any common  
1065 law authority of a physician or other treatment provider to provide, withhold or withdraw services to a  
1066 person unable to give or to communicate informed consent to those actions, with or without the consent  
1067 of the person's relative, including but not limited to common law or other authority to provide treatment  
1068 in an emergency situation; nor shall anything in this section be construed to affect the law defining the  
1069 conditions under which consent shall be obtained for medical treatment, or the nature of the consent  
1070 required.

1071 § 37.1-134.23. Discovery of information and records regarding actions of certain agents and  
1072 attorneys-in-fact.

1073 A. Any person interested in the welfare of a principal believed to be unable to properly attend to his  
1074 affairs, may, for the purpose of obtaining information pertinent to the need or propriety of (i) instituting  
1075 a proceeding under this chapter or (ii) terminating, suspending or limiting the authority of an  
1076 attorney-in-fact or other agent, petition a circuit court for discovery from the attorney-in-fact or other  
1077 agent of information and records pertaining to actions taken within the past two years from the date the  
1078 petition is filed pursuant to powers or authority conferred by a power of attorney or other writing  
1079 described in § 11-9.1.

1080 B. Such petition may be filed in the circuit court of the county or city in which the attorney-in-fact  
1081 or agent resides or has his principal place of employment, or if a nonresident, in any court in which a  
1082 determination of incompetency, incapacity or impairment of the principal is proper under this title, or, if  
1083 a committee or guardian has been appointed for the principal, in the court which made the appointment.  
1084 The court, after reasonable notice to the attorney-in-fact or agent and to the principal if no guardian or  
1085 committee has been appointed, may conduct a hearing on the petition. The court, upon the hearing on  
1086 the petition and upon consideration of the interest of the principal and his estate, may dismiss the  
1087 petition or may enter such order or orders respecting discovery as it may deem appropriate, including  
1088 an order that the attorney-in-fact or agent respond to all discovery methods that the petitioner might  
1089 employ in a civil action or suit subject to the Rules of the Supreme Court of Virginia. Upon the failure  
1090 of the agent or attorney-in-fact to make discovery, the court may make and enforce such further orders  
1091 respecting discovery as would be proper in a civil action subject to such Rules, and may award  
1092 expenses, including reasonable attorney's fees, as therein provided. Furthermore, upon completion of  
1093 discovery, the court, if satisfied that prior to filing the petition the petitioner had requested the  
1094 information or records that are the subject of ordered discovery, and the attorney-in-fact or agent had  
1095 been informed of the intention of the petitioner to file a petition hereunder if the request were not fully  
1096 honored, may, in its discretion upon finding that the failure to comply with the request for information  
1097 was unreasonable, order the attorney-in-fact or agent to pay the petitioner's expenses in obtaining  
1098 discovery, including reasonable attorney's fees.

1099 C. A "principal believed to be unable to properly attend to his affairs" means an individual believed  
1100 in good faith by the petitioner to be a person who is impaired by reason of mental illness, mental  
1101 deficiency, physical illness or disability, chronic use of drugs, chronic intoxication, or other causes to  
1102 the extent of lacking sufficient understanding or capacity to make or communicate responsible decisions.

1103 A "person interested in the welfare of a principal" includes any member of the principal's family,  
1104 persons who are co-agents or co-attorneys-in-fact and alternate and successor agents and  
1105 attorneys-in-fact designated under the power of attorney or other writing described in § 11-9.1 and; if

1106 none of the preceding individuals are reasonably available and willing to act, the adult protective  
 1107 services unit of the local social services board for the city or county where the principal resides or is  
 1108 located at the time of the request. "Members of the principal's family" shall include an adult parent,  
 1109 brother or sister, child or other descendent, spouse of a child of the principal, spouse or surviving  
 1110 spouse of the principal.

1111 D. A determination to grant or deny in whole or in part discovery sought hereunder shall not be  
 1112 considered a finding regarding the competence, capacity or impairment of the principal, nor shall the  
 1113 granting or denial of discovery hereunder preclude the availability of other remedies involving  
 1114 protection of the person or estate of the principal or the rights and duties of the attorney-in-fact or  
 1115 other agent.

1116 § 37.1-137.1. Duties and powers of guardian.

1117 Pursuant to the authority granted in the court order, a guardian shall make decisions with respect to  
 1118 the incapacitated person's support, care, health, habilitation, education, therapeutic treatment, and, if no  
 1119 inconsistent with an order of commitment, with respect to the person's residence.

1120 A guardian's duties and authority shall not extend to decisions addressed in a valid advance  
 1121 directive or durable power of attorney previously executed by the incapacitated person. Where  
 1122 necessary, a guardian may seek court authorization to revoke, suspend or otherwise limit such an  
 1123 advance directive or durable power of attorney, as provided by § 37.1-134.23.

1124 A guardian shall maintain sufficient contact with the incapacitated person to know of his or her  
 1125 capabilities, limitations, needs, and opportunities. The guardian shall visit the incapacitated person as  
 1126 often as necessary, but in no event less frequent than one visit every six months.

1127 A guardian shall be required to seek prior court authorization to change the incapacitated person's  
 1128 residence to another state, to terminate or consent to a termination of the person's parental rights, or to  
 1129 initiate a change in the person's marital status.

1130 A guardian shall, where feasible, encourage the incapacitated person to participate in decisions, to  
 1131 act on his or her own behalf, and to develop or regain the capacity to manage personal affairs. A  
 1132 guardian shall, to the extent known, consider the express desires and personal values of the person  
 1133 when making decisions. If such desires and personal values cannot be determined, the guardian shall  
 1134 act in the person's best interests. At all times the guardian shall exercise reasonable care, diligence, and  
 1135 prudence.

1136 Regarding personal liability, a guardian:

1137 1. Shall have a fiduciary duty to the incapacitated person for whom he or she was appointed  
 1138 guardian and may be held personally liable for a breach of that duty; and

1139 2. Shall not be liable for the acts of the incapacitated person, unless the guardian is personally  
 1140 negligent, nor shall a guardian be required to expend personal funds on behalf of the incapacitated  
 1141 person.

1142 § 37.1-137.2. Reports by guardian.

1143 A. A guardian shall file an annual report in compliance with the filing deadlines in § 26-17.4. If the  
 1144 guardian is also the conservator, the report shall be attached to the settlement of accounts. The report  
 1145 shall include:

1146 1. A description of the current mental, physical, and social condition of the incapacitated person;

1147 2. A description of the person's living arrangements during the reported period;

1148 3. The medical, educational, vocational, and other professional services provided to the person and  
 1149 the guardian's opinion as to the adequacy of the person's care;

1150 4. A summary of the guardian's visits with and activities on behalf of the person;

1151 5. A statement of whether the guardian agrees with the current treatment or habilitation plan;

1152 6. A recommendation as to the need for continued guardianship, any recommended changes in the  
 1153 scope of the guardianship, and any other information useful in the opinion of the guardian; and

1154 7. The compensation requested and the reasonable and necessary expenses incurred by the guardian.

1155 B. The guardian shall certify that the information contained in the report is true and correct to the  
 1156 best of his or her knowledge.

1157 § 37.1-137.3. General duties and powers of conservator.

1158 Subject to any conditions or limitations set forth in the conservatorship order, the conservator shall  
 1159 take care of and preserve the estate of the incapacitated person and manage it to the best advantage.  
 1160 The conservator shall apply the personal estate, or so much as may be necessary, to the payment of the  
 1161 debts of the incapacitated person, and shall apply the rents and profits of the residue of the estate, real  
 1162 and personal, and the residue of the personal estate, or so much as may be necessary, to the  
 1163 maintenance of such person and of his or her family, if any. The conservator shall comply with the law  
 1164 governing the sale or management of real property.

1165 A conservator shall, where feasible, encourage the incapacitated person to participate in decisions,  
 1166 to act on his or her own behalf, and to develop or regain the capacity to manage the estate and his or

1167 *her financial affairs. A conservator shall also consider the size of the estate the probable duration of the*  
1168 *conservatorship, the incapacitated person's accustomed manner of living, other resources known to the*  
1169 *conservator to be available, and the recommendations of the guardian.*

1170 *A conservator shall, to the extent known, consider the express desires and personal values of the*  
1171 *incapacitated person when making decisions. If such desires and personal values cannot be determined,*  
1172 *the conservator shall act in the incapacitated person's best interests. At all times, the conservator shall*  
1173 *exercise reasonable care, diligence, and prudence.*

1174 *A conservator may not revoke or amend a valid durable power of attorney which has been*  
1175 *previously executed by the incapacitated person, without the prior approval of the court.*

1176 *Regarding personal liability of conservators:*

1177 *1. A conservator shall have a fiduciary duty to the incapacitated person for whom he or she was*  
1178 *appointed conservator and may be held personally liable for a breach of that duty.*

1179 *2. Unless otherwise provided in the contract, a conservator is not personally liable on a contract*  
1180 *entered into in a fiduciary capacity in the course of administration of the estate unless the conservator*  
1181 *fails to reveal the representative capacity or to identify the estate in the contract.*

1182 *3. Claims based upon contracts entered into by a conservator in a fiduciary capacity, obligations*  
1183 *arising from ownership or control of the estate, or torts committed in the course of administration of the*  
1184 *estate, may be asserted against the estate by proceeding against the conservator in a fiduciary capacity,*  
1185 *whether or not the conservator is personally liable therefor.*

1186 *4. A successor conservator is not personally liable for the contracts or actions of a predecessor.*

1187 *§ 37.1-137.4. Management powers and duties of conservator.*

1188 *A conservator, in managing the estate, shall have the following powers which may be exercised*  
1189 *without prior court authorization except as otherwise specifically provided:*

1190 *1. To invest and reinvest the funds of the estate in accordance with the standards of a prudent*  
1191 *investor;*

1192 *2. To collect, hold, and retain assets of the estate, including real property in another state, and to*  
1193 *receive additions to the estate;*

1194 *3. To continue or participate in the operation of any unincorporated business or other enterprise;*

1195 *4. To deposit estate funds in a state or federally insured financial institution, including one operated*  
1196 *by the conservator;*

1197 *5. To manage, control and sell at public or private sale, for cash or for credit, the personal property*  
1198 *of the estate;*

1199 *6. To ratify or reject a contract entered into by an incapacitated person;*

1200 *7. To vote a security, in person or by general or limited proxy, and to consent to the reorganization,*  
1201 *consolidation, merger, dissolution, or liquidation of a corporation or other enterprise;*

1202 *8. To sell or exercise stock subscription or conversion rights and to pay calls, assessments, and any*  
1203 *other sums chargeable or accruing against or on account of securities;*

1204 *9. To hold a security in the name of a nominee or in other form without disclosure of the*  
1205 *conservatorship, so that title to the security may pass by delivery, but the conservator is liable for any*  
1206 *act of the nominee in connection with a security so held;*

1207 *10) To insure the assets of the estate against damage or loss, and the guardian and conservator*  
1208 *against liability with respect to third persons, and to maintain and repair property of the incapacitated*  
1209 *person;*

1210 *11. To allow, pay, reject, contest or settle any claim by or against the estate or incapacitated person*  
1211 *by compromise or otherwise, and to release, in whole or in part, any claim belonging to the estate to*  
1212 *the extent it is uncollectible;*

1213 *12. To pay taxes, assessments and other expenses incurred in the collection, care and administration*  
1214 *of the estate;*

1215 *13. To file petitions under the Uniform Custodial Trust Act (§ 55-34.1 et seq.) and under Title 8.01;*

1216 *14. To pay any sum distributable for the benefit of the incapacitated person or for the benefit of a*  
1217 *legal dependent by paying the sum directly to the distributee, to the provider of goods and services, to*  
1218 *any individual or facility that is responsible for or has assumed responsibility for care and custody, to a*  
1219 *distributee's custodian under a Uniform Gifts or Transfers to Minors Act of any applicable jurisdiction,*  
1220 *or by paying the sum to the guardian of the incapacitated person or, in the case of a dependent, to the*  
1221 *dependent's guardian or conservator;*

1222 *(15) To employ persons, including attorneys accountants, investment advisors, or agents; to act upon*  
1223 *their recommendations without independent investigation; to delegate to them any power, whether*  
1224 *ministerial or discretionary; and to pay them reasonable compensation;*

1225 *(16) To maintain life, health, casualty and liability insurance for the benefit of the incapacitated*  
1226 *person, or legal dependents;*

1227 *(17) To manage the estate following the termination of the conservatorship until its delivery to the*  
1228 *incapacitated person, or successors in interest; and*

1229 (18) To execute and deliver all instruments, and to take all other actions that will serve in the best  
1230 interests of the incapacitated person.

1231 § 37.1-137.5. Estate planning.

1232 A. On petition, the court may authorize a conservator to: (i) make gifts from income and principal  
1233 not necessary for the incapacitated person's maintenance to those persons to whom the incapacitated  
1234 person would, in the judgment of the court, have made gifts if he or she had been of sound mind; or (ii)  
1235 disclaim property as provided in Chapter 8 (§ 64.1-188 et seq.) of Title 64.1. A guardian ad litem shall  
1236 be appointed to represent the interest of the incapacitated person, and reasonable notice of the hearing  
1237 shall be given to the incapacitated person and to all persons who would be heirs or distributees of the  
1238 incapacitated person if he or she were dead as of the date of the filing of the petition, or beneficiaries  
1239 under any known will of the incapacitated person. however, the court in its discretion may authorize the  
1240 hearing to proceed without notice of any beneficiary who would not be substantially affected by the  
1241 proposed gift or disclaimer. The court shall determine the amounts, recipients and proportions of any  
1242 gifts of the estate and the advisability of any disclaimer after considering: (i) the size and composition  
1243 of the estate; (ii) the nature and probable duration of the incapacity; (iii) the effect of such gifts or  
1244 disclaimers on the estate's financial ability to meet the incapacitated person's foreseeable maintenance  
1245 needs; (iv) the incapacitated person's estate plan; (v) prior patterns of assistance or gifts to the  
1246 proposed donees; (vi) the tax effect of the proposed gifts or disclaimers; and (vii) such other factors as  
1247 the court may deem relevant.

1248 B. The conservator may make a gift, not to exceed \$100 to each donee in a calendar year and not to  
1249 exceed a total of \$500 per calendar year from such income and principal, without the requirement of a  
1250 court-appointed guardian ad litem, without the requirement of notification to the incapacitated person or  
1251 to any person who would be an heir or distributee of the incapacitated person if he or she were dead or  
1252 a beneficiary under any known will of the incapacitated person and without requiring a court hearing.  
1253 Prior to the making of such a gift, the conservator must consider conditions (i) through (vii) as set forth  
1254 in subsection (a) of this section and must also find that the incapacitated person has shown a history of  
1255 giving the same or a similar gift to a specific donee for the previous three years prior to the  
1256 appointment of the conservator.

1257 C. The conservator may transfer assets of an incapacitated person or an incapacitated person's  
1258 estate into an irrevocable trust where such transfer has been designated solely for burial of the  
1259 incapacitated person or spouse of the incapacitated person in accordance with conditions set forth in  
1260 subdivision A 2 of § 32.1-325 and may also contractually bind an incapacitated person or an  
1261 incapacitated person's estate by executing a preneed funeral contract described in Chapter 28  
1262 (§ 54.1-2800 et seq.) of Title 54.1, for the benefit of the incapacitated person.

1267 Any individual or entity who, in good faith, conducts business with a guardian or conservator, who  
1268 presents a currently effective certificate of qualification, as to any matter or transaction is entitled to  
1269 presume that the guardian or conservator is properly authorized to act. The fact that an individual or  
1270 entity conducts business with a guardian or conservator with knowledge of the representative capacity  
1271 does not alone require an inquiry into the authority of the guardian or conservator.

1272 § 37.1-137.8 Termination of appointment of guardian or conservator; termination of guardianship or  
1273 conservatorship.

1274 The powers of a guardian or conservator shall terminate upon the death, resignation, or removal of  
1275 the guardian or conservator or upon the termination of the guardianship or conservatorship.

1276 A guardianship or conservatorship of an incapacitated person shall terminate upon the death of the  
1277 incapacitated person, or whenever jurisdiction is transferred to another state, or if ordered by the court  
1278 following a hearing on the petition of any interested person.

1279 § 37.1-137.9. Removal of guardian or conservator; new bond or other relief.

1282 relief if the guardian or conservator is not acting in the best interests of the incapacitated person or of  
1283 the estate.

1284 § 37.1-144. Surrender of ward's estate.

1285 The fiduciary shall surrender the ward's estate or that portion for which he is accountable, to the  
1286 ward if the ward is restored to competence or capacity, or

1287 If the ward dies prior to such restoration, the fiduciary shall surrender the real estate to the ward's  
1288 heirs or devisees, and the personal estate to his executors or administrators. If upon the death of the  
1289 ward (i) the value of the personal estate in the custody of the fiduciary is \$5,000 or less, (ii) a personal

1290 representative has not qualified within sixty days of the ward's death and (iii) the fiduciary does not  
 1291 anticipate that anyone will qualify, the fiduciary may pay the balance of the ward's estate to the ward's  
 1292 surviving spouse, or if there is no surviving spouse, to the distributees of the ward or other persons  
 1293 entitled thereto, including any person or entity entitled to payment for funeral or burial services  
 1294 provided. The distribution shall be noted in the guardian's final accounting submitted to the  
 1295 Commissioner of Accounts.

 1305 vehicle with safety to persons or property, shall forthwith suspend his license; but he shall not suspend  
 1306 the license if the person has been adjudged competent by judicial order or decree.

1307 In any case in which the person's license has been suspended prior to his discharge it shall not be

 1334 ~~degree to make an informed judgment about sterilization in the foreseeable future;~~

1335 5. The court, to the greatest extent possible, has elicited and taken into account the views of the  
 1336 person concerning the sterilization, giving the views of the person such weight in its decision as the  
 1337 court deems appropriate;

1338 6. The court has complied with the requirements of § 54.1-2977; and

1339 7. The court has entered an order authorizing a qualified physician to perform the operation not  
 1340 earlier than thirty days after the date of the entry of the order, and thirty days have elapsed. The court  
 1341 order shall state the date on and after which the sterilization operation may be performed.

1356 § 63.1-55.6. Same; emergency order for protective services.

1357 A. Upon petition by the local department of social services or public welfare to the circuit court, the  
1358 court may issue an order authorizing the provision of protective services on an emergency basis to an  
1359 adult after finding on the record, based on a greater weight of the evidence, that:

1360 1. The adult is incapacitated; and

1361 2. An emergency exists; and

1362 3. The adult lacks the capacity to consent to receive protective services; and

1363 4. The proposed order is substantially supported by the findings of the local department of social  
1364 services or public welfare which has investigated the case, or if not so supported, there are compelling  
1365 reasons for ordering services.

1366 B. In issuing an emergency order, the court shall adhere to the following limitations:

1367 1. Only such protective services as are necessary to improve or correct the conditions creating the  
1368 emergency shall be ordered, and the court shall designate the approved services in its order. In ordering  
1369 protective services the court shall consider the right of a person to rely on nonmedical remedial  
1370 treatment in accordance with a recognized religious method of healing in lieu of medical care.

1371 2. The court shall specifically find in the emergency order whether hospitalization or a change of  
1372 residence is necessary. Approval of the hospitalization or change of residence shall be stated in the  
1373 order. No person may be committed to a mental health facility under this section.

1374 3. Protective services may be provided through an appropriate court order only for a period of five  
1375 days. The original order may be renewed once for a five-day period upon a showing to the court that  
1376 continuation of the original order is necessary to remove the emergency.

1377 4. In its order the court shall appoint the petitioner or another interested person, as temporary  
1378 guardian of the adult with responsibility for the person's welfare and authority to give consent for the  
1379 person for the approved protective services until the expiration of the order.

1380 5. The issuance of an emergency order and the appointment of a temporary guardian shall not  
1381 deprive the adult of any rights except to the extent provided for in the order or appointment.

1382 C. The petition for an emergency order shall set forth the name, address, and interest of the  
1383 petitioner; the name, age and address of the adult in need of protective services; the nature of the  
1384 emergency; the nature of the person's disability, if determinable; the proposed protective services; the  
1385 petitioner's reasonable belief, together with facts supportive thereof, as to the existence of the facts stated  
1386 in subdivisions A 1 through 4 of this section; and facts showing the petitioner's attempts to obtain the  
1387 adult's consent to the services and the outcomes of such attempts.

1388 D. Written notice of the time, date and place for the hearing shall be given to the person, to his  
1389 spouse, or if none, to his nearest known next of kin, and a copy of the petition shall be attached. Such  
1390 notice shall be given at least twenty-four hours prior to the hearing for emergency intervention. The  
1391 court may waive the twenty-four hour notice requirement upon showing that (i) immediate and  
1392 reasonably foreseeable physical harm to the person or others will result from the twenty-four hour delay,  
1393 and (ii) reasonable attempts have been made to notify the adult, his spouse, or if none, his nearest  
1394 known next of kin.

1395 E. Upon receipt of a petition for an emergency order for protective services, the court shall hold a  
1396 hearing. The adult who is the subject of the petition shall have the right to be present and be  
1397 represented by counsel at the hearing. If it is determined that the person is indigent, or, in the  
1398 determination of the judge, lacks capacity to waive the right to counsel, the court shall locate and  
1399 appoint a guardian ad litem. If the person is indigent, the cost of the proceeding shall be borne by the  
1400 Commonwealth. If the person is not indigent, the cost of the proceeding shall be borne by such person.  
1401 This hearing shall be held no earlier than twenty-four hours after the notice required in subsection D of  
1402 this section has been given, unless such notice has been waived by the court.

1403 F. The adult, the temporary guardian or any interested person may petition the court to have the  
1404 emergency order set aside or modified at any time there is evidence that a substantial change in the  
1405 circumstances of the person for whom the emergency services were ordered has occurred.

1406 G. Where protective services are rendered on the basis of an emergency order, the temporary  
1407 guardian shall submit to the court a report describing the circumstances thereof including the name,  
1408 place, date and nature of the services provided. This report shall become part of the court record. Such  
1409 report shall be confidential and open only to such persons as may be directed by the court.

1410 H. If the person continues to need protective services after the renewal order provided in subdivision  
1411 B 3 of this section has expired, the temporary guardian or the local department of social services or  
1412 public welfare shall immediately petition the court to appoint a guardian pursuant to ~~§ 37.1-128.1 or~~

1418 § 63.1-107.1. Such application shall contain a statement of the amount of property, real and personal, in  
1419 which the applicant has an interest and of all income which he may have at the time of the filing of the  
1420 application and such other information as the Commissioner may require.

1421 In the case of aid to families with dependent children, the application shall be made by the relative  
1422 with whom the child is living and one application may be made for several children if they reside with  
1423 the same person.

1424 In the case of auxiliary grants, social services to the blind or visually handicapped, and general relief,  
1425 if the condition of the potential recipient is such as to preclude his signing an application, the  
1426 application may be made in his behalf by his guardian or ~~committee~~ conservator. If no guardian or  
1427 ~~committee~~ conservator has been appointed for such potential recipient, such application may be made by  
1428 any adult member of his family or other competent adult person having knowledge of the potential  
1429 recipient's financial affairs, until such time as a guardian or committee is appointed by a court.

1430 § 65.2-525. Who may receive payment and receipt therefor.

1431 A. Whenever payment of compensation is made to a surviving spouse for his use, or for his use and  
1432 the use of a minor child or children, the written receipt thereof of such surviving spouse shall acquit the

1438 empowered to receive and receipt for such moneys to the same extent as a guardian of the person and  
1439 property of such minor duly appointed by proper court, and the release or discharge of such parent or  
1440 natural guardian shall be a full and complete discharge of all claims or demands of such minor  
1441 thereunder.

1442 C. Whenever any payment of over \$300 is due to a minor or to a ~~mentally incompetent adult~~ *an*  
1443 *incapacitated person as defined in § 37.1-134.6*, the same shall be made to the guardian of the property
