SENATE BILL NO. 631

Offered January 25, 1996

A BILL to amend and reenact § 58.1-3506 of the Code of Virginia, relating to classification of tangible personal property for taxation.

Patrons—Waddell, Goode, Lucas and Marsh

Consent to introduce

Referred to the Committee on Finance

Be it enacted by the General Assembly of Virginia:

1. That § 58.1-3506 of the Code of Virginia is amended and reenacted as follows:

§ 58.1-3506. Other classifications of tangible personal property for taxation.

A. The items of property set forth below are each declared to be a separate class of property and shall constitute a classification for local taxation separate from other classifications of tangible personal property provided in this chapter:

1. Boats or watercraft weighing five tons or more;

2. Aircraft having a maximum passenger seating capacity of no more than fifty which are owned and operated by scheduled air carriers operating under certificates of public convenience and necessity issued by the State Corporation Commission or the Civil Aeronautics Board;

3. All other aircraft not included in subdivision A 2 and flight simulators;

4. Antique automobiles as defined in § 46.2-100;

5. Tangible personal property used in a research and development business;

6. Heavy construction machinery, including but not limited to land movers, bulldozers, front-end loaders, graders, packers, power shovels, cranes, pile drivers, forest harvesting equipment and ditch and other types of diggers;

7. Generating equipment purchased after December 31, 1974, for the purpose of changing the energy source of a manufacturing plant from oil or natural gas to coal, wood, wood bark, wood residue, or any other alternative energy source for use in manufacturing and any cogeneration equipment purchased to achieve more efficient use of any energy source. Such generating equipment and cogeneration equipment shall include, without limitation, such equipment purchased by firms engaged in the business of generating electricity or steam, or both;

8. Vehicles without motive power, used or designed to be used as manufactured homes as defined in § 36-85.3;

9. Computer hardware used by businesses primarily engaged in providing data processing services to other nonrelated or nonaffiliated businesses;

10. Privately owned pleasure boats and watercraft used for recreational purposes only;

11. Privately owned vans with a seating capacity for twelve or more persons used exclusively pursuant to a ridesharing arrangement as defined in § 46.2-1400;

12. Motor vehicles specially equipped to provide transportation for physically handicapped individuals;

13. Motor vehicles owned by members of a volunteer rescue squad or volunteer fire department. One motor vehicle which is owned by each volunteer rescue squad member or volunteer fire department member may be specially classified under this section, provided the volunteer rescue squad member or volunteer fire department member regularly responds to emergency calls. In January of each year, the said volunteer shall furnish the commissioner of revenue, or other assessing officer, with a certification by the chief or head of the volunteer organization, that said volunteer is a member of the volunteer rescue squad or fire department who regularly responds to calls or regularly performs other duties for the rescue squad or fire department, and the motor vehicle owned by the volunteer rescue squad member or volunteer fire department member is identified. In any county which prorates the assessment of tangible personal property pursuant to § 58.1-3516, a replacement vehicle may be certified and classified pursuant to this subsection when the vehicle certified as of the immediately prior January date is transferred during the tax year;

14. Motor vehicles owned by auxiliary members of a volunteer rescue squad or volunteer fire department. One motor vehicle which is regularly used by each auxiliary volunteer fire department or rescue squad member may be specially classified under this section. In January of each year, the auxiliary member shall furnish the commissioner of revenue, or other assessing officer, with a certification by the chief or head of the volunteer organization, that the volunteer is an auxiliary member

60 of the volunteer rescue squad or fire department who regularly performs duties for the rescue squad or
61 fire department, and the motor vehicle is identified as regularly used for such purpose; however, if a
62 volunteer rescue squad or fire department member and an auxiliary member are members of the same
63 household, that household shall be allowed only one special classification under this subdivision or
64 subdivision 13 of this section;

65 15. Motor vehicles owned by a nonprofit organization and used to deliver meals to homebound
66 persons or provide transportation to senior or handicapped citizens in the community to carry out the
67 purposes of the nonprofit organization;

68 16. Privately owned camping trailers and motor homes as defined in § 46.2-100 which are used for
69 recreational purposes only;

70 17. One motor vehicle owned and regularly used by a veteran who has either lost, or lost the use of,
71 one or both legs, or an arm or a hand, or who is blind or who is permanently and totally disabled as
72 certified by the Department of Veterans' Affairs. In order to qualify the veteran shall provide a written
73 statement to the commissioner of revenue or other assessing officer from the Department of Veterans'
74 Affairs that the veteran has been so designated or classified by the Department of Veterans' Affairs as to
75 meet the requirements of this section, and that his disability is service-connected. For purposes of this
76 section a person is blind if he meets the provisions of § 46.2-739;

77 18. Motor vehicles owned by persons who have been appointed to serve as auxiliary police officers
78 pursuant to § 15.1-159.2 et seq. One motor vehicle which is regularly used by each auxiliary police
79 officer to respond to auxiliary police duties may be specially classified under this section. In order to
80 qualify for such classification, in January of each year, any auxiliary police officer who applies for such
81 classification shall identify the vehicle for which this classification is sought, and shall furnish the
82 commissioner of revenue or other assessing officer with a certification from the governing body which
83 has appointed such auxiliary police officer or from the official who has appointed such auxiliary
84 officers. That certification shall state that the applicant is an auxiliary police officer who regularly uses a
85 motor vehicle to respond to auxiliary police duties, and it shall state that the vehicle for which the
86 classification is sought is the vehicle which is regularly used for that purpose;

87 19. Machines and tools owned by a commercial air carrier which uses such machines and tools in a
88 commercial airline maintenance, repair, and rebuilding facility, which has an assessed value of at least
89 \$100,000,000 and which is located on or contiguous to an airport;

90 20. Motor vehicles which use clean special fuels as defined in § 58.1-2101;

91 21. Wild or exotic animals kept for public exhibition in an indoor or outdoor facility which is
92 properly licensed by the federal government, the Commonwealth, or both, and which is properly zoned
93 for such use. "Wild animals" means any animals which are found in the wild, or in a wild state, within
94 the boundaries of the United States, its territories or possessions. "Exotic animals" means any animals
95 which are found in the wild, or in a wild state, and are native to a foreign country;

96 22. Furniture, office, and maintenance equipment, exclusive of motor vehicles, which are owned and
97 used by an organization whose real property is assessed in accordance with § 58.1-3284.1 and which is
98 used by that organization for the purpose of maintaining or using the open or common space within a
99 residential development; and

100 23. Motor vehicles owned or used by a motor carrier as defined in § 56-273, and motor carrier
101 transportation property as defined in 49 U.S.C. § 11503a (a) (3), exclusive of rolling stock of a
102 certificated motor vehicle carrier subject to taxation pursuant to Article 5 (§ 58.1-2652 et seq.) of
103 Chapter 26 of this title, trailers and semitrailers with a gross vehicle weight rating of 10,000 pounds or
104 more used to transport property for hire by a motor carrier engaged in interstate commerce.

105 B. The governing body of any county, city or town may levy a tax on the property enumerated in
106 subsection A at different rates from the tax levied on other tangible personal property. The rates of tax
107 and the rates of assessment shall (i) for purposes of subdivisions 1, 2, 3, 4, 6, 9 through 18, and 20
108 through 22 of subsection A, not exceed that applicable to the general class of tangible personal property,
109 (ii) for purposes of subdivisions A 5, A 7, A 19, and A 23, not exceed that applicable to machinery and
110 tools, and (iii) for purposes of subdivision A 8, equal that applicable to real property.
