**Be it enacted by the General Assembly of Virginia:**

**1. That § 6.1-58.1 of the Code of Virginia is amended and reenacted as follows:**

§ 6.1-58.1. Investment in stock or securities of controlled subsidiary corporations.

A. A bank may acquire, own and hold the stock, securities or obligations of one or more controlled subsidiary corporations. Such investment in stock, securities or obligations together with any investment of the bank in stock, securities or obligations of a bank service corporation, shall not exceed in the aggregate fifty percent of the bank's capital stock and permanent surplus, without the permission of the State Corporation Commission, except that the foregoing limit shall not include, but shall be in addition to, investment in a real estate subsidiary as provided in § 6.1-59.1, investment in the stock, securities or obligations of a building corporation under § 6.1-57 and investment in controlled subsidiary corporations that are wholly owned by the bank.

B. 1. A controlled subsidiary corporation is defined as a domestic corporation in which a majority of the voting stock is owned by a bank or banks organized under the laws of this Commonwealth or the United States and authorized to do a banking business in this Commonwealth, or in which a majority of the voting stock is owned by banks which are subsidiary banks of the same registered bank holding company, or by such subsidiary banks and such registered bank holding company.

2. Such controlled subsidiary corporation shall not be authorized (1) to receive deposits (except as hereafter provided); (2) to engage in the trust business; or (3) to conduct any business which is required under § 13.1-620 to be specifically stated in the articles of incorporation, except as may be authorized by subdivision 3.

3. Such controlled subsidiary corporation may engage in the business of credit card operations, leasing, safe deposit, factoring, credit bureaus, mortgage brokerage or servicing, data processing, international banking and finance, and any other function or business activity in which a bank might engage, except the receipt of deposits, or the trust business.

C. 1. A controlled subsidiary corporation engaged solely in the business of international banking and finance, and subject to the regulation and supervision by the Board of Governors of the Federal Reserve System, shall not be prohibited from receiving deposits or from taking any other action which any such regulated international banking and finance institution is permitted to take.

2. Such controlled subsidiary corporation may charge and collect such finance charges and fees or interest rates as are authorized to banks by the laws of this Commonwealth or as otherwise authorized by Chapter 7.3 (§ 6.1-330.49 et seq.) of this title.

D. The provisions of § 6.1-60.1, relating to investment of funds in shares of stock of another corporation shall be applicable to controlled subsidiary corporations, except that a controlled subsidiary corporation may acquire, own and hold stock in a subsidiary corporation if a bank would be permitted to directly acquire, own or hold the stock hereunder. The provisions of § 6.1-62 relating to loans to officers, directors or employees of the bank shall be applicable both to loans by the subsidiary to officers, directors or employees of the bank and to loans by the bank to officers, directors or employees of the subsidiary, with the approval of the board of directors of the bank only being required for purposes of § 6.1-62. The limitations of §§ 6.1-63, 6.1-64, 6.1-65, 6.1-65.1 and 6.1-66 as they relate to appraisal value, maximum term and amortization on loans secured by real estate shall be applicable to controlled subsidiary corporations. This subsection and subsection E of this section are subject to the proviso that the restrictions of §§ 6.1-60.1 through 6.1-66 are not intended to be imposed upon any controlled subsidiary which has no state banks as shareholders.

E. 1. The provisions of § 6.1-61 relating to limitation upon obligations of any one borrower shall apply to the total obligations of any borrower in the aggregate to the subsidiary corporation and to any bank or bank holding company owning stock securities or obligations of such subsidiary corporation. The loan limit of the subsidiary shall be computed by attributing to the subsidiary a pro rata share of the lending limit of each bank stockholder prorated in accordance with the percentage of stock owned by such bank or in the case of a subsidiary, any of the stock, securities or other obligations of which are

60 owned by a bank holding company, the loan limits of the subsidiary shall be computed by attributing to  
61 the subsidiary a pro rata share of the lending limits of all bank subsidiaries of such holding company  
62 prorated in accordance with the percentage of stock owned by such holding company and all subsidiary  
63 banks thereof. In computing whether a bank or subsidiary (which is not wholly owned) is complying  
64 with its lending limit, the loans of the bank and the subsidiary to any common borrower shall be  
65 aggregated on a basis pro rata to the percentage of stock of the subsidiary owned by the bank.

66 2. Such controlled subsidiary corporation shall not otherwise be subject to the provisions of the  
67 Virginia Banking Act (§ 6.1-3 et seq.) except where it is expressly so provided.

68 F. A controlled subsidiary corporation shall be subject to audit and examination by the Commission  
69 whether or not it is an affiliate as defined in § 6.1-85. It shall pay such examination fees as shall be  
70 imposed under § 6.1-94 for the examination of trust departments. If upon examination, the Commission  
71 shall ascertain that the corporation is created or operated in violation of this section or that the manner  
72 of operation is detrimental to the business of the parent bank and its depositors, it may order the bank to  
73 dispose of all or part of its investment in such corporation upon such terms as the Commission may  
74 deem proper.

75 G. A controlled subsidiary may not merge or consolidate unless the surviving corporation is itself a  
76 controlled subsidiary corporation as defined herein, or unless as a result of such merger or consolidation  
77 the bank divests itself of all stock or other securities which are held pursuant to the authority herein  
78 granted.

79 H. The Commission shall have the same powers over controlled subsidiary corporations as it has  
80 over banks under §§ 6.1-100, 6.1-101, 6.1-103, 6.1-104 and 6.1-105, excepting those controlled  
81 subsidiary corporations which have no state banks as stockholders.
