Thereafter, appointments shall be made to accomplish the restructuring of the Advisory Board according to the membership in effect on July 1, 1996, and shall be for terms of three years or the unexpired portions thereof in a manner to preserve insofar as possible the representation of the specified groups. No member shall serve more than two successive terms. Effective July 1, 1997, no individual representing any one or more of the groups named in subsection A who has served as a member of the State Emergency Medical Services Advisory Board for two or more successive terms for any period or for six or more consecutive years shall be nominated for appointment or appointed to the Advisory Board unless at least three consecutive years have elapsed since such individual has served on the Advisory Board.

The chairman shall be elected from the membership of the Advisory Board for a term of one year and shall be eligible for reelection. The Advisory Board shall meet at least four times annually at the call of the chairman or the Commissioner.
