6 **Be it enacted by the General Assembly of Virginia:**7 **1. That § 10.1-1307.01 of the Code of Virginia is amended and reenacted as follows:**

8 § 10.1-1307.01. Further duties of Board; localities particularly affected.

9 After June 30, 1994, before promulgating any regulation under consideration or, granting any
10 variance to an existing regulation, or issuing any ~~major~~ permit *for the construction of a new major*
11 *source or for a major modification to an existing source*, if the Board finds that there are localities
12 particularly affected by the regulation, variance or permit, the Board shall:

13 1. Publish, or require the applicant to publish, a notice in a local paper of general circulation in the
14 localities affected at least thirty days prior to the close of any public comment period. Such notice shall
15 contain a statement of the estimated local impact of the proposed action, which at a minimum shall
16 provide information regarding specific pollutants and the total quantity of each which may be emitted
17 and shall list the type and quantity of any fuels to be used.

18 2. Mail the notice to the chief elected official and chief administrative officer and the planning
19 district commission for those localities.

20 Written comments shall be accepted by the Board for at least fifteen days after any hearing on the
21 regulation, variance, or permit, unless the Board votes to shorten the period.

22 For the purposes of this section, the term "locality particularly affected" means any locality which
23 bears any identified disproportionate material air quality impact which would not be experienced by
24 other localities.
