Be it enacted by the General Assembly of Virginia:**1. That § 3.1-796.93:1 of the Code of Virginia is amended and reenacted as follows:**

§ 3.1-796.93:1. Authority to control dangerous or vicious dogs.

A. The governing body of any county, city or town may enact an ordinance regulating dangerous dogs and vicious dogs.

B. As used in this section, "dangerous dogs" means a canine or canine crossbreed which has bitten, attacked, or inflicted injury on a person or companion animal, other than a dog, or killed a companion animal, and "vicious dog" means a canine or canine crossbreed which has (i) killed a person; (ii) inflicted serious injury to a person, including multiple bites, serious disfigurement, serious impairment of health, or serious impairment of a bodily function; or (iii) continued to exhibit the behavior which resulted in a previous finding by a court that it is a dangerous dog, provided that its owner has been given notice of that finding.

C. Any ordinance enacted pursuant to this section shall prescribe the following provisions:

1. Any animal warden who has reason to believe that a canine or canine crossbreed within his jurisdiction is a dangerous dog or vicious dog shall apply to a magistrate of the jurisdiction for the issuance of a summons requiring the owner or custodian, if known, to appear before a general district court at a specified time. The summons shall advise the owner of the nature of the proceeding and the matters at issue. The animal warden or owner shall confine the animal until such time as evidence shall be heard and a verdict rendered. The court, through its contempt powers, may compel the owner, custodian or harbinger of the animal to produce the animal. If, after hearing the evidence, the court finds that the animal is a dangerous dog, the court shall order the animal's owner to comply with the provisions of the ordinance. If, after hearing the evidence, the court finds that the animal is a vicious dog, the court shall order the animal euthanized in accordance with the provisions of § 3.1-796.119.

2. No canine or canine crossbreed shall be found to be a dangerous dog or vicious dog solely because it is a particular breed, nor shall the local governing body prohibit the ownership of a particular breed of canine or canine crossbreed. No animal shall be found to be a dangerous dog or vicious dog if the threat, injury or damage was sustained by a person who was (i) committing, at the time, a crime upon the premises occupied by the animal's owner or custodian, (ii) committing, at the time, a willful trespass or other tort upon the premises occupied by the animal's owner or custodian or (iii) provoking, tormenting, or physically abusing the animal, or can be shown to have repeatedly provoked, tormented, abused, or assaulted the animal at other times. No police dog which was engaged in the performance of its duties as such at the time of the acts complained of shall be found to be a dangerous dog or a vicious dog. No animal which, at the time of the acts complained of, was responding to pain or injury, or was protecting itself, its kennel, its offspring, or its owner or owner's property, shall be found to be a dangerous dog or a vicious dog.

3. The owner of any animal found by a court to be a dangerous dog shall, within ten days of such finding, obtain a dangerous dog registration certificate from the animal warden for a fee of fifty dollars in addition to other fees that may be authorized by law. The local animal warden shall also provide the owner with a uniformly designed tag which identifies the animal as a dangerous dog. The owner shall affix the tag to the animal's collar and ensure that the animal wears the collar and tag at all times. All certificates obtained pursuant to this subdivision shall be renewed annually for the same fee and in the same manner as the initial certificate was obtained.

4. All certificates or renewals thereof required to be obtained under this section shall only be issued to persons eighteen years of age or older who present satisfactory evidence (i) of the animal's current rabies vaccination, if applicable, and (ii) that the animal is and will be confined in a proper enclosure or is and will be confined inside the owner's residence or is and will be muzzled and confined in the owner's fenced-in yard until the proper enclosure is constructed. In addition, owners who apply for certificates or renewals thereof under this section shall not be issued a certificate or renewal thereof unless they present satisfactory evidence that (i) their residence is and will continue to be posted with clearly visible signs warning both minors and adults of the presence of a dangerous dog on the property
