The situs for the imposition of licensing fees under this section shall in all cases, except as hereinafter provided, be the county, city, or town in which the motor vehicle, trailer, or semitrailer is normally garaged, stored, or parked. If it cannot be determined where the personal property is normally garaged, stored, or parked, the situs shall be the domicile of its owner. 60 motor vehicle, trailer, or semitrailer to be licensed have been paid and satisfactory evidence that any
61 delinquent motor vehicle, trailer, or semitrailer personal property taxes owing have been paid which
62 have been properly assessed or are assessable against the applicant by the county, city, or town. A
63 county, city, or town may also provide that no motor vehicle license shall be issued unless the tangible
64 personal property taxes properly assessed or assessable by that locality on any tangible personal property
65 used or usable as a dwelling titled by the Department of Motor Vehicles and owned by the taxpayer
66 have been paid. Any county and any town within any such county may by agreement require that all
67 personal property taxes assessed by either the county or the town on any vehicle be paid before
68 licensure of such vehicle by either the county or the town.

69 D. The Counties of Arlington, Fairfax, Loudoun, and Prince William and towns within them and any
70 city may require that no motor vehicle, trailer, or semitrailer shall be licensed by that jurisdiction unless
71 all fines owed to the jurisdiction by the owner of the vehicle, trailer, or semitrailer for violation of the
72 jurisdiction's ordinances governing parking of vehicles have been paid. The provisions of this subsection
73 shall not apply to vehicles owned by firms or companies in the business of renting motor vehicles.

74 E. If in any county imposing license fees and taxes under this section, a town therein imposes like
75 fees and taxes on vehicles of owners resident in the town, the owner of any vehicle subject to the fees
76 or taxes shall be entitled, on the owner's displaying evidence that he has paid the fees or taxes, to
77 receive a credit on the fees or taxes imposed by the county to the extent of the fees or taxes he has paid
78 to the town. Nothing in this section shall deprive any town now imposing these licenses and taxes from
79 increasing them or deprive any town not now imposing them from hereafter doing so, but subject to the
80 limitations provided in subsection D of this section. The governing body of any county and the
81 governing body of any town in that county wherein each imposes the license tax herein provided may
82 provide mutual agreements so that not more than one license plate or decal in addition to the state plate
83 shall be required.

84 F. Notwithstanding the provisions of subsection E of this section, in a consolidated county wherein a
85 tier-city exists, the tier-city may, in accordance with the provisions of the agreement or plan of
86 consolidation, impose license fees and taxes under this section in addition to those fees and taxes
87 imposed by the county, provided that the combined county and tier-city rates do not exceed the
88 maximum provided in subsection A of this section. No credit shall be allowed on the fees or taxes
89 imposed by the county for fees or taxes paid to the tier-city, except as may be provided by the
90 consolidation agreement or plan. The governing body of any county and the governing body of any
91 tier-city in said county wherein each imposes the license tax herein may provide by mutual agreement
92 that no more than one license plate or decal in addition to the state license plate shall be required.

93 G. Any county, city, or town may by ordinance provide that it shall be unlawful for any owner or
94 operator of a motor vehicle, trailer, or semitrailer to fail to obtain and display the local license required
95 by any ordinance of the county, city or town in which the vehicle is registered or to display upon a
96 motor vehicle, trailer, or semitrailer any such local license after its expiration date. The ordinance may
97 provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a
98 Class 4 misdemeanor and may, in the case of a motor vehicle registered to a resident of the locality
99 where such vehicle is registered, authorize the issuance by local law-enforcement officers of citations,
100 summonses, parking tickets, or uniform traffic summonses for violations. Any such ordinance may also
101 provide that a violation of the ordinance by the registered owner of the vehicle may not be discharged
102 by payment of a fine except upon presentation of satisfactory evidence that the required license has been
103 obtained.

104 H. Except as provided by subsections E and F, no vehicle shall be subject to taxation under the
105 provisions of this section in more than one jurisdiction.

106 I. Purchasers of new or used motor vehicles shall be allowed at least a ten-day grace period,
107 beginning with the date of purchase, during which to pay license fees charged by local governments
108 under authority of this section.

109 J. Beginning October 1, 1992, the treasurer or director of finance of any county, city, or town may
110 enter into an agreement with the Commissioner whereby the Commissioner will refuse to issue or renew
111 any vehicle registration of any applicant therefor who owes to such county, city or town any delinquent
112 tangible personal property tax ~~levied with respect to such vehicle in excess of \$100~~. Before being issued
113 any vehicle registration or renewal of such license or registration by the Commissioner, the applicant
114 must first satisfy all such delinquent taxes and present evidence satisfactory to the Commissioner that all
115 such delinquent taxes have been paid in full. The Commissioner shall charge a reasonable fee, *not to*
116 *exceed \$5*, to cover the costs of such enforcement action, *and the treasurer or director of finance may*
117 *add the cost of this fee to the delinquent tax bill*. The treasurer or director of finance of any county,
118 city, or town seeking to collect delinquent taxes through the withholding of registration or renewal
119 thereof by the Commissioner as provided for in this subsection shall notify the Commissioner in the
120 manner provided for in his agreement with the Commissioner and supply to the Commissioner
121 information necessary to identify the debtor whose registration or renewal is to be denied. Any

agreement entered into pursuant to the provisions of this subsection shall provide the debtor notice of the intent to deny renewal of registration at least thirty days prior to the expiration date of a current vehicle registration. For the purposes of this subsection, notice by first-class mail to the registrant's address as maintained in the records of the Department of Motor Vehicles shall be deemed sufficient.

K. The governing bodies of any two or more counties, cities, or towns may enter into compacts for the regional enforcement of local motor vehicle license requirements. The governing body of each participating jurisdiction may by ordinance require the owner or operator of any motor vehicle, trailer, or semitrailer to display on his vehicle a valid local license issued by another county, city, or town that is a party to the regional compact, provided that the owner or operator is required by the jurisdiction of situs, as provided in § 58.1-3511, to obtain and display such license. The ordinance may provide that a violation shall constitute a misdemeanor the penalty for which shall not exceed that of a Class 4 misdemeanor. Any such ordinance may also provide that a violation of the ordinance by the owner of the vehicle may not be discharged by payment of a fine except upon presentation of satisfactory evidence that the required license has been obtained.

§ 58.1-3916. Counties, cities and towns may provide dates for filing returns, set penalties, interest, etc.

Notwithstanding provisions contained in §§ 58.1-3518, 58.1-3900, 58.1-3913, 58.1-3915 and 58.1-3918, the governing body of any county, city or town may provide by ordinance the time for filing local license applications and annual returns of taxable tangible personal property, machinery and tools and merchants' capital. The governing body may also by ordinance establish due dates for the payment of local taxes; may provide that payment be made in a single installment or in two equal installments; may provide by ordinance penalties for failure to file such applications and returns and for nonpayment in time; may provide for payment of interest on delinquent taxes; and may provide for the recovery of reasonable attorney's or collection agency's fees which shall not exceed twenty percent of the delinquent tax bill upon nonpayment. Attorney's fees shall be added only if such delinquency is collected by action at law or suit in equity.

No tax assessment or tax bill shall be deemed delinquent and subject to the collection procedures prescribed herein during the pendency of any administrative appeal under § 58.1-3980, so long as the appeal is filed within ninety days of the date of the assessment, and for thirty days after the date of the final determination of the appeal, provided that nothing in this paragraph shall be construed to preclude the assessment or refund, following the final determination of such appeal, of such interest as otherwise may be provided by general law as to that portion of a tax bill which has remained unpaid or was overpaid during the pendency of such appeal and is determined in such appeal to be properly due and owing.

Interest may commence not earlier than the first day following the day such taxes are due by ordinance to be filed, at a rate not to exceed ten percent per year. The governing body may impose interest at a rate not to exceed the rate of interest established pursuant to § 6621 of the Internal Revenue Code of 1954, as amended, or ten percent annually, whichever is greater, for the second and subsequent years of delinquency. No penalty for failure to pay a tax or installment shall exceed ~~ten~~ *twenty-five* percent of the tax past due on such property or the sum of ten dollars, whichever is the greater; provided, however, that the penalty shall in no case exceed the amount of tax due. No penalty for failure to file a return shall be greater than ten percent of the tax assessable on such return or ten dollars, whichever is greater; provided, however, that the penalty shall in no case exceed the amount of the tax assessable. The assessment of such penalty shall not be deemed a defense to any criminal prosecution for failing to make return of taxable property as may be required by law or ordinance. Penalty for failure to file an application or return may be assessed on the day after such return or application is due; penalty for failure to pay any tax may be assessed on the day after the first installment is due. Any such penalty when so assessed shall become a part of the tax.

No penalty for failure to pay any tax shall be imposed for any assessment made later than two weeks prior to the day on which the taxes are due, if such assessment is made thereafter through the fault of a local official, and if such assessment is paid within two weeks after the notice thereof is mailed.

In the event a transfer of real property ownership occurs after January 1 of a tax year and a real estate tax bill has been mailed pursuant to §§ 58.1-3281 and 58.1-3912, the treasurer or other appropriate local official designated by ordinance of the local governing body in jurisdictions not having a treasurer, upon ascertaining that a property transfer has occurred, may invalidate a bill sent to the prior owner and reissue the bill to the new owner as permitted by § 58.1-3912, and no penalty for failure to pay any tax for any such assessment shall be imposed if the tax is paid within two weeks after the notice thereof is mailed.

Penalty and interest for failure to file a return or to pay a tax shall not be imposed if such failure was not the fault of the taxpayer, or was the fault of the commissioner of revenue or the treasurer, as the case may be. The failure to file a return or to pay a tax due to a medically determinable physical or

183 mental impairment on the date the return or tax is due shall be presumptive proof of lack of fault on the
184 taxpayer's part, provided the return is filed or the taxes are paid within thirty days of the due date;
185 however, this provision shall not apply if there is a committee, legal guardian or other fiduciary
186 handling the individual's affairs. The treasurer shall make determinations of fault relating exclusively to
187 failure to pay a tax, and the commissioner of the revenue shall make determinations of fault relating
188 exclusively to failure to file a return. In jurisdictions not having a treasurer or commissioner of the
189 revenue, the governing body may delegate to the appropriate local tax officials the responsibility to
190 make the determination of fault.

191 The governing body may further provide for reasonable extensions of time, not to exceed ninety
192 days, for the payment of real estate taxes and for filing returns on tangible personal property, machinery
193 and tools and merchants' capital, and the business, professional, and occupational license tax, whenever
194 good cause exists. The official granting such extension shall keep a record of every such extension. If
195 any taxpayer who has been granted an extension of time for filing his return fails to file his return
196 within the extended time, his case shall be treated the same as if no extension had been granted.

197 This section shall be the sole authority for local ordinances setting due dates of local taxes and
198 penalty and interest thereon, and shall supersede the provisions of any charter or special act.
