[H 511]

Approved April 22, 1998

Be it enacted by the General Assembly of Virginia:

1. That § 16.1-241 of the Code of Virginia, as it is currently effective and as it may become effective, is amended and reenacted and that the Code of Virginia is amended by adding in Chapter 11 of Title 16.1 an article numbered 17, consisting of sections numbered 16.1-349 through 16.1-355, as follows:

§ 16.1-241. Jurisdiction.

The judges of the juvenile and domestic relations district court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent except where the jurisdiction of the juvenile court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, except as provided in § 16.1-244;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.1-56 or § 63.1-204 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought. In such cases jurisdiction shall be concurrent with and not exclusive of courts having equity jurisdiction, as provided in § 16.1-244;

6. Who is charged with a traffic infraction as defined in § 46.2-100.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was fourteen years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the juvenile court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was fourteen years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the juvenile court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the juvenile court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the juvenile court determines to transfer the case, jurisdiction of the juvenile court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the juvenile court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the juvenile court to adjudicate matters involving the custody, visitation, support,

control or disposition of a child shall not be limited to the consideration of petitions filed by a mother, father or legal guardian but shall include petitions filed at any time by any party with a legitimate interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not be limited to, grandparents, stepparents, former stepparents, blood relatives and family members. A party with a legitimate interest shall not include any person (i) whose parental rights have been terminated by court order, either voluntarily or involuntarily, or any other person whose interest in the child derives from or through such person whose parental rights have been so terminated, including but not limited to grandparents, stepparents, former stepparents, blood relatives and family members, if the child subsequently has been legally adopted except where a final order of adoption is entered pursuant to § 63.1-231 or (ii) who has been convicted of a violation of subsection A of § 18.2-61 or subsection B of § 18.2-366 when the child who is the subject of the petition was conceived as a result of such violation. The authority of the juvenile court to consider a petition involving the custody of a child shall not be proscribed or limited where the child has previously been awarded to the custody of a local board of social services.

B. The admission of minors for inpatient treatment in a mental health facility in accordance with the provisions of Article 16 (§ 16.1-335 et seq.) of this chapter and the commitment of a mentally ill person or judicial certification of eligibility for admission to a treatment facility of a mentally retarded person in accordance with the provisions of Chapters 1 (§ 37.1-1 et seq.) and 2 (§ 37.1-63 et seq.) of Title 37.1. Jurisdiction of the commitment and certification of adults shall be concurrent with the general district court.

C. Except as provided in subsections D and H hereof, judicial consent to such activities as may require parental consent may be given for a child who has been separated from his parents, guardian, legal custodian or other person standing in loco parentis and is in the custody of the court when such consent is required by law.

D. Judicial consent for emergency surgical or medical treatment for a child who is neither married nor has ever been married, when the consent of his parent, guardian, legal custodian or other person standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person standing in loco parentis (i) is not a resident of this Commonwealth, (ii) his whereabouts is unknown, (iii) he cannot be consulted with promptness, reasonable under the circumstances or (iv) fails to give such consent or provide such treatment when requested by the judge to do so.

E. Any person charged with deserting, abandoning or failing to provide support for any person in violation of law.

F. Any parent, guardian, legal custodian or other person standing in loco parentis of a child:

1. Who has been abused or neglected;
2. Who is the subject of an entrustment agreement entered into pursuant to § 63.1-56 or § 63.1-204 or is otherwise before the court pursuant to subdivision A 4 of this section;
3. Who has been adjudicated in need of services, in need of supervision, or delinquent, if the court finds that such person has by overt act or omission induced, caused, encouraged or contributed to the conduct of the child complained of in the petition.

G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services which are required by law to be provided for that child or such child's parent, guardian, legal custodian or other person standing in loco parentis. Jurisdiction in such cases shall be concurrent with and not exclusive of that of courts having equity jurisdiction as provided in § 16.1-244.

H. Judicial consent to apply for work permit for a child when such child is separated from his parents, legal guardian or other person standing in loco parentis.

I. The prosecution and punishment of persons charged with ill-treatment, abuse, abandonment or neglect of children or with any violation of law which causes or tends to cause a child to come within the purview of this law, or with any other offense against the person of a child. In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause.

J. All offenses in which one family or household member is charged with an offense in which another family or household member is the victim and all offenses under § 18.2-49.1.

In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause. Any objection based on jurisdiction under this subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial, before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it shall be conclusively waived for all purposes. Any such objection shall not affect or be grounds for challenging directly or collaterally the jurisdiction of the court in which the case is tried. For purposes of this subsection, "family or household member," as defined in § 16.1-228, shall also be construed to include parent and child, stepparent and stepchild, brothers and sisters, and grandparent and grandchild, regardless of whether such persons reside in the same home.

K. Petitions filed by a natural parent, whose parental rights to a child have been voluntarily relinquished pursuant to a court proceeding, to seek a reversal of the court order terminating such

parental rights. No such petition shall be accepted, however, after the child has been placed in the home of adoptive parents.

L. Any person who seeks spousal support after having separated from his spouse. A decision under this subdivision shall not be res judicata in any subsequent action for spousal support in a circuit court. A circuit court shall have concurrent original jurisdiction in all causes of action under this subdivision.

M. Petitions filed for the purpose of obtaining an order of protection pursuant to § 16.1-253.1 or § 16.1-279.1.

N. Any person who escapes or remains away without proper authority from a residential care facility in which he had been placed by the court or as a result of his commitment to the Virginia Department of Juvenile Justice.

O. Petitions for emancipation of a minor pursuant to Article 15 (§ 16.1-331 et seq.) of this chapter.

P. Petitions for enforcement of administrative support orders entered pursuant to Chapter 13 (§ 63.1-249 et seq.) of Title 63.1, or by another state in the same manner as if the orders were entered by a juvenile and domestic relations district court upon the filing of a certified copy of such order in the juvenile and domestic relations district court.

Q. Petitions for a determination of parentage pursuant to Chapter 3.1 (§ 20-49.1 et seq.) of Title 20.

R. Petitions for the purpose of obtaining an emergency protective order pursuant to § 16.1-253.4.

S. Petitions filed by school boards against parents pursuant to §§ 16.1-241.2 and 22.1-279.3.

T. Petitions to enforce any request for information or subpoena that is not complied with or to review any refusal to issue a subpoena in an administrative appeal regarding child abuse and neglect pursuant to § 63.1-248.6:1.

U. Petitions filed in connection with parental placement adoption consent hearings, pursuant to § 63.1-220.3. Such proceedings shall be advanced on the docket so as to be heard by the court within ten days of filing of the petition, or as soon thereafter as practicable so as to provide the earliest possible disposition.

V. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to allow notice to an authorized person. After a hearing, a judge may authorize a physician to perform an abortion upon finding that the minor is mature and capable of giving informed consent to the proposed abortion. If the judge determines that the minor is not mature, the judge shall, after a hearing, determine whether the performance of an abortion upon the minor without notice to an authorized person would be in the minor's best interest, and if the court finds that the abortion would be in the minor's best interest, it shall so authorize a physician.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Court proceedings under this subsection shall be confidential and shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. Court proceedings under this subsection shall be heard as soon as practicable but in no event later than four days after the petition is filed.

Notwithstanding any other provision of law, an expedited confidential appeal to the circuit court shall be available to any minor for whom the court denies an order authorizing an abortion without notice. Any such appeal shall be heard and decided no later than five days after the appeal is filed. An order authorizing an abortion without notification shall not be subject to appeal.

No filing fees shall be required of the minor at trial or upon appeal.

If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without notice to an authorized person.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless notice has been given or the minor delivers to the physician a court order entered pursuant to this section. However, neither notice nor judicial authorization shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.1-248.2 and reports the suspected abuse or neglect in accordance with § 63.1-248.3; or if, in the attending physician's good faith medical judgment, (i) the abortion is medically necessary immediately to avert the minor's death or (ii) there is insufficient time to provide the required notice or judicial authorization because a delay would create a serious risk of substantial impairment of a major bodily function or substantial physical injury. The attending physician shall certify the facts justifying the exception in the minor's medical record.

For purposes of this subsection:

"Authorized person" means: (i) a parent or duly appointed legal guardian or custodian of the minor or (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling, with whom the minor regularly and customarily resides and who has care and control of the minor.

"Notice" means that (i) the physician or his agent has given actual notice of his intention to perform such abortion to an authorized person, either in person or by telephone, at least twenty-four hours previous to the performance of the abortion; or (ii) the physician or his agent, after a reasonable effort

to notify an authorized person, has mailed notice to an authorized person by certified mail, addressed to such person at his usual place of abode, with return receipt requested, at least seventy-two hours prior to the performance of the abortion; or (iii) at least one authorized person is present with the minor seeking the abortion; or (iv) the minor has delivered to the physician a written statement signed by an authorized person and witnessed by a competent adult that the authorized person knows of the minor's intent to have an abortion.

"Perform an abortion" means to interrupt or terminate a pregnancy by any surgical or nonsurgical procedure or to induce a miscarriage as provided in §§ 18.2-72, 18.2-73 or § 18.2-74.

"Unemancipated minor" means a minor who has not been emancipated by (i) entry into a valid marriage, even though the marriage may have been terminated by dissolution; (ii) active duty with any of the armed forces of the United States; (iii) willingly living separate and apart from his or her parents or guardian, with the consent or acquiescence of the parents or guardian; or (iv) entry of an order of emancipation pursuant to Article 15 (§ 16.1-331 et seq.) of Chapter 11 of Title 16.1.

W. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) of Chapter 11 of Title 16.1 relating to standby guardians for minor children.

The ages specified in this law refer to the age of the child at the time of the acts complained of in the petition.

Notwithstanding any other provision of law no fees shall be charged by a sheriff for the service of any process in a proceeding pursuant to subdivision 3 of subsection A or subsection B, D, M or R of this section.

Notwithstanding the provisions of § 18.2-71, any physician who performs an abortion in violation of subsection V shall be guilty of a Class 3 misdemeanor.

§ 16.1-241. (Delayed effective date) Jurisdiction.

The judges of the family court elected or appointed under this law shall be conservators of the peace within the corporate limits of the cities and the boundaries of the counties for which they are respectively chosen and within one mile beyond the limits of such cities and counties. Except as hereinafter provided, each family court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the family court or courts of the adjoining city or county over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

1. Who is alleged to be abused, neglected, in need of services, in need of supervision, a status offender, or delinquent; except where the jurisdiction of the family court has been terminated or divested;

2. Who is abandoned by his parent or other custodian or who by reason of the absence or physical or mental incapacity of his parents is without parental care and guardianship;

2a. Who is at risk of being abused or neglected by a parent or custodian who has been adjudicated as having abused or neglected another child in the care of the parent or custodian;

3. Whose custody, visitation or support is a subject of controversy or requires determination;

4. Who is the subject of an entrustment agreement entered into pursuant to § 63.1-56 or § 63.1-204 or whose parent or parents for good cause desire to be relieved of his care and custody;

5. Where the termination of residual parental rights and responsibilities is sought;

6. Who is charged with a traffic infraction as defined in § 46.2-100.

In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection B of § 16.1-269.1, and for any charges ancillary thereto, the jurisdiction of the family court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was fourteen years of age or older at the time of the commission of the alleged offense, and any matters related thereto. In any case in which the juvenile is alleged to have committed a violent juvenile felony enumerated in subsection C of § 16.1-269.1, and for all charges ancillary thereto, if the attorney for the Commonwealth has given notice as provided in subsection C of § 16.1-269.1, the jurisdiction of the family court shall be limited to conducting a preliminary hearing to determine if there is probable cause to believe that the juvenile committed the act alleged and that the juvenile was fourteen years of age or older at the time of the commission of the alleged offense, and any matters related thereto. A determination by the family court following a preliminary hearing pursuant to subsection B or C of § 16.1-269.1 to certify a charge to the grand jury shall divest the family court of jurisdiction over the charge and any ancillary charge. In any case in which a transfer hearing is held pursuant to subsection A of § 16.1-269.1, if the family court determines to transfer the case, jurisdiction of the family court over the case shall be divested as provided in § 16.1-269.6.

In all other cases involving delinquent acts, and in cases in which an ancillary charge remains after a violent juvenile felony charge has been dismissed or a violent juvenile felony has been reduced to a lesser offense not constituting a violent juvenile felony, the jurisdiction of the family court shall not be divested unless there is a transfer pursuant to subsection A of § 16.1-269.1.

The authority of the family court to adjudicate matters involving the custody, visitation, support,

control or disposition of a child shall not be limited to the consideration of petitions filed by a mother, father or legal guardian but shall include petitions filed at any time by any party with a legitimate interest therein. A party with a legitimate interest shall be broadly construed and shall include, but not be limited to, grandparents, stepparents, former stepparents, blood relatives and family members. A party with a legitimate interest shall not include any person (i) whose parental rights have been terminated by court order, either voluntarily or involuntarily or any other person whose interest in the child derives from or through such person whose parental rights have been so terminated, including but not limited to grandparents, stepparents, former stepparents, blood relatives and family members, if the child subsequently has been legally adopted except where a final order of adoption is entered pursuant to § 63.1-231 or (ii) who has been convicted of a violation of subsection A of § 18.2-61 or subsection B of § 18.2-366 when the child who is the subject of the petition was conceived as a result of such violation. The authority of the family court to consider a petition involving the custody of a child shall not be proscribed or limited where the child has previously been awarded to the custody of a local board of social services.

B. The admission of minors for inpatient treatment in a mental health facility in accordance with the provisions of Article 16 (§ 16.1-335 et seq.) of this chapter and the commitment of a mentally ill person or judicial certification of eligibility for admission to a treatment facility of a mentally retarded person in accordance with the provisions of Chapters 1 (§ 37.1-1 et seq.) and 2 (§ 37.1-63 et seq.) of Title 37.1. Jurisdiction of the commitment and certification of adults shall be concurrent with the general district court.

C. Except as provided in subsections D and H hereof, judicial consent to such activities as may require parental consent may be given for a child who has been separated from his parents, guardian, legal custodian or other person standing in loco parentis and is in the custody of the court when such consent is required by law.

D. Judicial consent for emergency surgical or medical treatment for a child who is neither married nor has ever been married, when the consent of his parent, guardian, legal custodian or other person standing in loco parentis is unobtainable because such parent, guardian, legal custodian or other person standing in loco parentis (i) is not a resident of this Commonwealth, (ii) his whereabouts is unknown, (iii) cannot be consulted with promptness, reasonable under the circumstances or (iv) fails to give such consent or provide such treatment when requested by the judge to do so.

G. Petitions filed by or on behalf of a child or such child's parent, guardian, legal custodian or other person standing in loco parentis for the purpose of obtaining treatment, rehabilitation or other services which are required by law to be provided for that child or such child's parent, guardian, legal custodian or other person standing in loco parentis.

H. Judicial consent to apply for work permit for a child when such child is separated from his parents, legal guardian or other person standing in loco parentis.

I. The prosecution and punishment of persons charged with ill-treatment, abuse, abandonment or neglect of children or with any violation of law which causes or tends to cause a child to come within the purview of this law, or with any other offense against the person of a child. In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause.

J. All offenses in which one family or household member is charged with an offense in which another family or household member is the victim and all offenses under § 18.2-49.1.

In prosecution for felonies over which the court has jurisdiction, jurisdiction shall be limited to determining whether or not there is probable cause. Any objection based on jurisdiction under this subsection shall be made before a jury is impaneled and sworn in a jury trial or, in a nonjury trial, before the earlier of when the court begins to hear or receive evidence or the first witness is sworn, or it shall be conclusively waived for all purposes. K. Petitions filed by a natural parent, whose parental rights to a child have been voluntarily relinquished pursuant to a court proceeding, to seek a reversal of the court order terminating such parental rights. After a hearing, a judge may authorize a physician to perform an abortion upon finding that the minor is mature and capable of giving informed consent to the proposed abortion. If the judge determines that the minor is not mature, the judge shall, after a hearing, determine whether the performance of an abortion upon the minor without notice to an authorized person would be in the minor's best interest, and if the court finds that the abortion would be in the minor's best interest, it shall so authorize a physician.

If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without notice to an authorized person.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless notice has been given or the minor delivers to the physician a court order entered pursuant to this section. However, neither notice nor judicial authorization shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.1-248.2 and reports the suspected abuse or neglect in accordance with § 63.1-248.3; or if, in the attending physician's good faith medical judgment, (i) the abortion is medically necessary immediately to avert the minor's death or (ii) there is insufficient time to provide the required notice or judicial authorization because a delay would create a serious risk of substantial impairment of a major bodily function or substantial physical injury. The attending physician shall certify the facts justifying the exception in the minor's medical record.

§ 16.1-349. Definitions.

"Attending physician" means the physician who has primary responsibility for the treatment and care of a qualified parent.

"Designation" means a writing which (i) is voluntarily executed in conformance with the requirements of § 16.1-351 and signed by a parent and (ii) names a person to act as standby guardian.

"Determination of debilitation" means a written determination made by an attending physician that a qualified parent is chronically and substantially unable to care for a minor child as a result of a debilitating illness, disease or injury. Such a determination shall include the physician's medical opinion to a reasonable degree of medical certainty, regarding the nature, cause, extent and probable duration of the parent's debilitating condition.

"Determination of incompetence" means a written determination made by the attending physician that to a reasonable degree of medical certainty a qualified parent is chronically and substantially unable to understand the nature and consequences of decisions concerning the care of a minor child as a result of a mental or organic impairment and is consequently unable to care for the child. Such a determination shall include the physician's medical opinion, to a reasonable degree of medical certainty, regarding the nature, cause, extent and probable duration of the parent's incompetence.

"Parent" means a genetic or adoptive parent or parent determined in accordance with the standards set forth in § 20-49.1 or § 20-158, and includes a person, other than a parent, who has physical custody of a child and who has either been awarded custody by a court or claims a right to custody.

"Qualified parent" means a parent who has been diagnosed, as evidenced in writing, by a licensed physician to be afflicted with a progressive or chronic condition caused by injury, disease or illness from which, to a reasonable degree of medical probability, the patient cannot recover.

"Standby guardian" means a person who, in accordance with this article, is designated in writing or approved by the court to temporarily assume the duties of guardian of the person or guardian of the property, or both, of a minor child on behalf of or in conjunction with a qualified parent upon the occurrence of a triggering event. The term shall be so construed as to enable the parent to plan for the future care of a child, without terminating parental or legal rights, and to give the standby guardian the authority to act in a manner consistent with the known wishes of a qualified parent regarding the care, custody and support of the minor child.

"Triggering event" means the event upon the occurrence of which the standby guardian may be authorized to act. The triggering event shall be specified in the court order or written designation and shall be the earlier of a determination of incompetence or the death of the qualified parent. However, in the case of a standby guardian judicially approved pursuant to § 16.1-350, the triggering event may also be specified as the qualified parent's written consent to the commencement of the standby guardian's authority. In the case of a standby guardian designated pursuant to § 16.1-351, the

triggering event may also be specified as (i) a determination of debilitation of the qualified parent and (ii) that parent's written consent to the commencement of the designated standby guardian's authority.

§ 16.1-350. Petition for court approval of standby guardian.

A. Upon petition of any person, the juvenile court of the jurisdiction in which a child resides may approve a person as standby guardian for a child of a qualified parent upon the occurrence of a specified triggering event. If requested in the petition, the court may also approve an alternate standby guardian identified by the petitioner, to act in the event that at any time after approval pursuant to this section the standby guardian is unable or unwilling to assume the responsibilities of the standby guardianship.

B. The petition shall state:

1. The name and address of the petitioner and his relationship to the child and the name and address of the child's qualified parent, and the name and address of any other parent of the child whose identity and whereabouts are known to the petitioner or can reasonably be ascertained;

2. The name, address and birthdate of the child;

3. The nature of the proposed triggering event, including when a qualified parent's consent would be effective in those cases where such consent is chosen as the triggering event;

4. Whether a determination of incompetence or debilitation has been made and, if so, when and by whom;

5. Whether there is a significant risk that the qualified parent will imminently become physically or mentally incapable of caring for the child or die as the result of a progressive chronic condition or illness; however, a petitioner shall not be required to submit medical documentation of a parent's medical status with the petition;

6. The name and address of the person proposed as standby guardian and any alternate and whether the petition requests that such person be given authority as a guardian of the person or guardian of the property of the minor, or both;

7. A statement of any known reasons as to why the child's other parent is not assuming or should not assume the responsibilities of a standby guardian;

8. Whether there is any prior judicial history regarding custody of the child or any pending litigation regarding custody of the child; and

9. The name and address of the attending physician.

C. Upon the filing of a petition, notice of the filing shall promptly be given to each parent of the child whose identity and whereabouts are known to the petitioner. The court shall direct the issuance of summonses to the child, if the child is twelve or more years of age and the proposed standby guardian and alternate, if any, and such other persons as appear to the court to be proper or necessary parties to the proceedings including the child's parents, guardian, legal custodian or other person standing in loco parentis, if the identity and whereabouts of such persons are known. Service of the summons shall be made pursuant to § 16.1-264.

An order approving the standby guardian shall not be entered without a hearing if there is another known parent, stepparents, adult siblings, or other adult related to the child by blood, marriage, or adoption who requests a hearing within ten days of the date that notice of the filing was sent or if there is other litigation pending regarding custody of the child.

Prior to any hearing on the petition, the court may appoint a discreet and competent attorney at law as guardian ad litem to represent the child pursuant to § 16.1-266.1. In the case of a petition filed by anyone other than a parent of the child, the court shall appoint a guardian ad litem. The qualified parent shall not be required to appear in court if the parent is medically unable to appear, except upon motion for good cause shown.

§ 16.1-351. Court order approving standby guardianship; authority; when effective.

Upon consideration of the factors set out in § 20-124.3 and finding that (i) the child's parent is a qualified parent and (ii) appointment of a standby guardian is in the best interest of the child, the court shall appoint a proper and suitable person as standby guardian and, if requested, a proper and suitable person as alternate standby guardian. However, when a petition is filed by a person other than a parent having custody of the child, the standby guardian shall be appointed only with the consent of the qualified parent unless the court finds that such consent cannot be given for medical reasons.

The order shall specify the triggering event and shall provide that the authority of the standby guardian is effective (i) upon receipt by the standby guardian of a determination of incompetence or a certificate of death or the earlier of either or (ii) if so requested in the petition, upon receipt by the standby guardian of a written consent of the qualified parent and filing of the consent with the court. The written consent shall be executed after the entry of the court order and signed by the qualified parent, or by another in his presence and on his behalf.

As soon as practicable after entry of the order, a copy shall be served on the standby guardian.

A standby guardian shall have the powers and duties of a guardian of the person and a guardian of the property of a minor, unless otherwise specified in the order.

The standby guardian shall file with the court, as soon as practicable but in no event later than thirty days following a parent's death, determination of incompetence or consent, a copy of the

certificate of death, determination of incompetence or consent of the qualified parent upon which his authority is based. Failure to file within the time specified shall be grounds for the court to rescind the authority of the standby guardian sua sponte or upon petition of any person but all acts undertaken by the standby guardian on behalf of and in the interests of the child shall be valid and enforceable.

§ 16.1-352. Written designation of a standby guardian by a parent; commencement of authority; court approval required.

A. A parent may execute a written designation of a standby guardian at any time. The written designation shall state:

1. The name, address and birthdate of the child affected;
2. The triggering event; and
3. The name and address of the person designated as standby guardian or alternate.

The written designation shall be signed by the parent. Another adult may sign the written designation on behalf of the parent if the parent is physically unable to do so, provided the designation is signed at the express request of the parent and in the presence of the parent. The designated standby guardian or alternate may not sign on behalf of the parent. The signed designation shall be delivered to the standby guardian and any alternate named as soon as practicable.

B. Following such delivery of the designation, the authority of a standby guardian to act for a qualified parent shall commence upon the occurrence of the specified triggering event and receipt by him of (i) a determination of incompetence, (ii) a certificate of death of the parent, or (iii) a determination of debilitation and the qualified parent's written consent to such commencement, signed by the parent or another on his behalf and at his direction as provided in subsection A for the designation.

C. A standby guardian under a designation shall have the authority of a guardian of the person and a guardian of the property of the child, unless otherwise specified in the designation.

D. A designated standby guardian or alternate shall file a petition for approval as standby guardian. The petition shall be filed as soon as practicable after the occurrence of the triggering event but in no event later than thirty days after the date of the commencement of his authority. The authority of the standby guardian shall cease upon his failure to so file, but shall recommence upon such filing. The petition shall be accompanied by a copy of the designation and any determinations of incapacity or debilitation or a certificate of death.

The provisions of § 16.1-350 C shall apply to a petition filed pursuant to this section. The court shall enter an order approving the designated guardian as standby guardian upon finding that:

1. The person was duly designated as standby guardian pursuant to this section and the designation has not been revoked;
2. A determination of incompetence was made; a determination of debilitation was made and the parent consented to commencement of the standby guardians authority; or the parent has died as evidenced by a death certificate;
3. The best interests of the child will be served by approval of the standby guardian; and
4. If the petition is by an alternate, that the designated standby guardian is unwilling or unable to serve.

§ 16.1-353. Further proceedings to determine permanent guardianship, custody.

A. If the triggering event was death of the qualified parent, within ninety days following the occurrence of the triggering event or, if later, commencement of the standby guardian's authority, the standby guardian shall (i) petition for appointment of a guardian for the child as otherwise provided by law or (ii) initiate other proceedings to determine custody of the child pursuant to Chapter 6.1 (§ 20-124.1 et seq.) of Title 20, or both.

B. In all other cases a standby guardian shall promptly after occurrence of the triggering event initiate such proceedings to determine permanent custody, absent objection by the qualified parent.

The petition shall be accompanied by:

1. The court order approving or written designation of a standby guardian; and
2. The attending physician's written determination of incompetence or debilitation or a verification of death.

§ 16.1-354. Revocation, refusal, termination of standby guardianship.

A. The authority of a standby guardian approved by the court may be revoked by the qualified parent by his filing a notice of revocation with the court. The notice of revocation shall identify the standby guardian or alternate standby guardian to which the revocation will apply. A copy of the revocation shall also be delivered to the standby guardian whose authority is revoked and any alternate standby guardian who may then be authorized to act.

At any time following his approval by the court, a standby guardian approved by the court may decline to serve by filing a written statement of refusal with the court and having the statement personally served on the qualified parent and any alternate standby guardian who may then be authorized to act.

B. When a written designation has been executed, but is not yet effective because the triggering event has not yet occurred, the parent may revoke or the prospective standby guardian may refuse the designation by notifying the other party in writing.

A written designation may also be revoked by the execution of a subsequent inconsistent designation.

C. When a standby guardian's authority is effective upon debilitation or incompetence of the qualified parent, the standby guardian's authority to act on behalf of the parent continues even though the parent is restored to health unless the qualified parent notifies the guardian and, if appropriate, the court, in writing, that the standby guardian's authority is revoked upon such restoration or otherwise.

If at any time the court finds that the parent no longer meets the definition of "qualified parent," the court shall rescind its approval of the standby guardian.

§ 16.1-355. Review of standby guardianship.

A child's parent, stepparent, adult sibling or any adult related to the child by blood, marriage or adoption may petition the court which approved the standby guardian at any time following such approval and prior to any termination of the standby guardianship for review of whether continuation of the standby guardianship is in the best interests of the child. Notice of the filing of a petition shall promptly be given to the standby guardian, the child, if the child is twelve or more years of age, and each parent of the child whose identity and whereabouts are known or could reasonably be ascertained.

2. That the Office of the Executive Secretary of the Supreme Court shall develop a form for the notice which is required pursuant to subsection C of § 16.1-350 of this act, which shall include notice that no change in custody or other legal rights is effected by the appointment of a standby guardian and that it is not necessary for a recipient of the notice to appear.
