6 **Be it enacted by the General Assembly of Virginia:**

7 **1. That § 46.2-1021 of the Code of Virginia is amended and reenacted as follows:**

8 § 46.2-1021. Additional lights permitted on certain commercial vehicles.

9 In addition to other lights permitted in this article, buses operated as public carriers, taxicabs as  
10 defined in § 46.2-2000, and commercial motor vehicles as defined in § 52-8.4 may be equipped with (i)  
11 illuminated vacant or destination signs and (ii) single steady-burning white lights, emitting a diffused  
12 light of such intensity as not to project a glaring or dazzling light, for the nighttime illumination of  
13 exterior advertising.

14 *In addition to other lights authorized by this article, buses operated as public carriers may be*  
15 *equipped with flashing white warning lights of types authorized by the Superintendent of State Police.*  
16 *These warning lights shall be installed in a manner authorized by the Superintendent and shall be*  
17 *lighted while the bus is transporting passengers during periods of reduced visibility caused by*  
18 *atmospheric conditions other than darkness. These warning lights may also be lighted at other times*  
19 *while the bus is transporting passengers.*
