448 possession of a controlled substance under § 18.2-250 or to possession of marijuana under § 18.2-250.1,  
449 the court, upon such plea if the facts found by the court would justify a finding of guilt, without  
450 entering a judgment of guilt and with the consent of the accused, may defer further proceedings and  
451 place him on probation upon terms and conditions.

452 As a term or condition, the court shall require the accused to be evaluated and enter a treatment

470 otherwise provided. Upon fulfillment of the terms and conditions, the court shall discharge the person  
471 and dismiss the proceedings against him. Discharge and dismissal under this section shall be without  
472 adjudication of guilt and is a conviction only for the purposes of applying this section in subsequent

483 counselor as defined in § 54.1-3500 employed by the Department of Corrections. If the person is  
484 determined to have a substance abuse problem, the court shall require him to enter a treatment and/or  
485 education program, if available, which, in the opinion of the court, is best suited to the needs of the  
486 person. This program may be located in the judicial district in which the conviction was had or in any  
487 other judicial district as the court may provide. The treatment and/or education program shall be  
488 certified or licensed by the Department of Mental Health, Mental Retardation and Substance Abuse  
489 Services *or shall be a similar program which is made available through the Department of Corrections.*  
490 *The court shall require the person entering such program under the provisions of this section to pay all*

"Rolling retest" means a test of the vehicle operator's blood alcohol content required at random intervals during operation of the vehicle, which triggers the sounding of the horn and flashing of lights if (i) the test indicates that the operator has a blood alcohol content which exceeds 0.025 percent or (ii) the operator fails to take the test.

B. In addition to any other penalty provided by law for conviction of a first or subsequent offense under § 18.2-51.4 or § 18.2-266 or a substantially similar ordinance of any county, city or town, any court of proper jurisdiction may, *or, in accordance with § 19.2-299.2, shall*, as a condition of a restricted license, prohibit an offender from operating a motor vehicle that is not equipped with a functioning, certified ignition interlock system for any period of time not to exceed the period of license suspension and restriction. Such condition shall be in addition to any purposes for which a restricted license may be issued pursuant to § 18.2-271.1. The court may order the installation of an ignition interlock system to commence immediately upon conviction. A fee of twenty dollars to cover court and administrative costs related to the ignition interlock system shall be paid by any such offender to the clerk of the court. The court shall require the offender to install an electronic log device with the ignition interlock system on a vehicle designated by the court to measure the blood alcohol content at each attempted ignition and random rolling retest during operation of the vehicle. The offender shall be enrolled in and supervised by an alcohol safety action program pursuant to § 18.2-271.1 and to conditions established by regulation under § 18.2-270.2 by the Commission during the period for which the court has ordered installation of the ignition interlock system. The offender shall be further required to provide to such program, at least quarterly during the period of license restriction, a printout from such electronic log indicating the offender's blood alcohol content during such ignitions, attempted ignitions, and rolling retests, and showing attempts to circumvent or tamper with the equipment.

C. In any case in which the court requires the installation of an ignition interlock system, the court shall direct the offender not to operate any motor vehicle which is not equipped with such a system for

552 a specified period of time not to exceed the period of license suspension and restriction. The clerk of the  
553 court shall file with the Department of Motor Vehicles a copy of the order, which shall become a part  
554 of the offender's operator's license record maintained by the Department. The Department shall issue to  
555 the offender for the installation period required by the court, a restricted license which shall  
556 appropriately set forth the restrictions required by the court under this subsection and shall also set forth  
557 any exception granted by the court under subsection F.

559 effective date of the order of court, proof of the installation of the ignition interlock system. The  
560 Program shall require the offender to have the system monitored and calibrated for proper operation at

562 and to demonstrate proof thereof. The offender shall pay the cost of leasing or buying and monitoring  
563 and maintaining the ignition interlock system. Absent good cause shown, the court may revoke the  
564 offender's restricted license for failing to (i) timely install such system or (ii) have the system properly  
565 monitored and calibrated.

572 ignition interlock system to any person prohibited under subsection B from operating any motor vehicle  
573 which is not equipped with such system. A violation of this subsection shall be punishable as a Class 1  
574 misdemeanor.

575 F. Any person prohibited from operating a motor vehicle under subsection B may, solely in the  
576 course of his employment, operate a motor vehicle which is owned or provided by his employer without  
577 installation of an ignition interlock system, if the court expressly permits such operation as a condition  
578 of a restricted license. This subsection shall not apply if such employer is an entity wholly or partially  
579 owned or controlled by the person otherwise prohibited from operating a vehicle without an ignition  
580 interlock system.
