[H 1630]

Approved March 17, 1999

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 15.2-901 and 15.2-906 of the Code of Virginia are amended and reenacted as follows:**

§ 15.2-901. Locality may provide for removal or disposal of trash, cutting of grass and weeds; penalty in certain counties.

Any locality may, by ordinance, provide that:

1. The owners of property therein shall, at such time or times as the governing body may prescribe, remove therefrom any and all trash, garbage, refuse, litter and other substances which might endanger the health or safety of other residents of such locality; or may, whenever the governing body deems it necessary, after reasonable notice, have such trash, garbage, refuse, litter and other like substances which might endanger the health of other residents of the locality, removed by its own agents or employees, in which event the cost or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the locality as taxes are collected;

2. Trash, garbage, refuse, litter and other debris shall be disposed of in personally owned or privately owned receptacles that are provided for such use and for the use of the persons disposing of such matter or in authorized facilities provided for such purpose and in no other manner not authorized by law;

3. The owners of vacant developed or undeveloped property therein, including such property upon which buildings or other improvements are located, shall cut the grass, weeds and other foreign growth on such property or any part thereof at such time or times as the governing body shall prescribe; or may, whenever the governing body deems it necessary, after reasonable notice, have such grass, weeds or other foreign growth cut by its agents or employees, in which event the cost and expenses thereof shall be chargeable to and paid by the owner of such property and may be collected by the locality as taxes are collected. No such ordinance adopted by any county shall have any force and effect within the corporate limits of any town. No such ordinance adopted by any county having a density of population of less than 500 per square mile shall have any force or effect except within the boundaries of platted subdivisions or any other areas zoned for residential, business, commercial or industrial use.

Every charge authorized by this section with which the owner of any such property shall have been assessed and which remains unpaid shall constitute a lien against such property ranking on a parity with liens for unpaid local taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1. *A locality may waive such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed.*

§ 15.2-906. Authority to require removal, repair, etc., of buildings and other structures.

Any locality may, by ordinance, provide that:

1. The owners of property therein, shall at such time or times as the governing body may prescribe, remove, repair or secure any building, wall or any other structure which might endanger the public health or safety of other residents of such locality;

2. The locality through its own agents or employees may remove, repair or secure any building, wall or any other structure which might endanger the public health or safety of other residents of such locality, if the owner and lien holder of such property after reasonable notice and a reasonable time to do so, has failed to remove, repair or secure the building, wall or other structure. For purposes of this section, repair may include maintenance work to the exterior of a building to prevent deterioration of the building or adjacent buildings. For purposes of this section, reasonable notice includes a written notice (i) mailed by certified or registered mail, return receipt requested, sent to the last known address of the property owner and (ii) published once a week for two successive weeks in a newspaper having general circulation in the locality. No action shall be taken by the locality to remove, repair or secure any building, wall or other structure for at least thirty days following the later of the return of the receipt or newspaper publication;

3. In the event the locality, through its own agents or employees, removes, repairs or secures any building, wall or any other structure after complying with the notice provisions of this section, the cost or expenses thereof shall be chargeable to and paid by the owners of such property and may be collected by the locality as taxes are collected;

4. Every charge authorized by this section with which the owner of any such property has been

assessed and which remains unpaid shall constitute a lien against such property ranking on a parity with liens for unpaid local taxes and enforceable in the same manner as provided in Articles 3 (§ 58.1-3940 et seq.) and 4 (§ 58.1-3965 et seq.) of Chapter 39 of Title 58.1. *A locality may waive such liens in order to facilitate the sale of the property. Such liens may be waived only as to a purchaser who is unrelated by blood or marriage to the owner and who has no business association with the owner. All such liens shall remain a personal obligation of the owner of the property at the time the liens were imposed.*
