Except as hereinafter provided, each juvenile and domestic relations district court shall have, within the limits of the territory for which it is created, exclusive original jurisdiction, and within one mile beyond the limits of said city or county, concurrent jurisdiction with the juvenile court or courts of the adjoining city or county, over all cases, matters and proceedings involving:

A. The custody, visitation, support, control or disposition of a child:

V. Petitions filed by a juvenile seeking judicial authorization for a physician to perform an abortion if a minor elects not to allow notice to an authorized person. After a hearing, a judge may authorize a physician to perform an abortion upon finding that the minor is mature and capable of giving informed consent to the proposed abortion. If the judge determines that the minor is not mature, the judge shall, after a hearing, determine whether the performance of an abortion upon the minor without notice to an authorized person would be in the minor's best interest, and if the court finds that the abortion would be in the minor's best interest, it shall so authorize a physician.

The minor may participate in the court proceedings on her own behalf, and the court may appoint a guardian ad litem for the minor. The court shall advise the minor that she has a right to counsel and shall, upon her request, appoint counsel for her.

Court proceedings under this subsection shall be confidential and shall be given precedence over other pending matters so that the court may reach a decision promptly and without delay in order to serve the best interests of the minor. If either the original court or the circuit court fails to act within the time periods required by this subsection, the court before which the proceeding is pending shall immediately authorize a physician to perform the abortion without notice to an authorized person.

A physician shall not knowingly perform an abortion upon an unemancipated minor unless notice has been given or the minor delivers to the physician a court order entered pursuant to this section. However, neither notice nor judicial authorization shall be required if the minor declares that she is abused or neglected and the attending physician has reason to suspect that the minor may be an abused or neglected child as defined in § 63.1-248.2 and reports the suspected abuse or neglect in accordance with § 63.1-248.3; or if, in the attending physician's good faith medical judgment, (i) the abortion is medically necessary immediately to avert the minor's death or (ii) there is insufficient time to provide the required notice or judicial authorization because a delay would create a serious risk of substantial impairment of a major bodily function or substantial physical injury. The attending physician shall certify the facts justifying the exception in the minor's medical record.

For purposes of this subsection:

"Authorized person" means: (i) a parent or duly appointed legal guardian or custodian of the minor or (ii) a person standing in loco parentis, including, but not limited to, a grandparent or adult sibling, with whom the minor regularly and customarily resides and who has care and control of the minor.

the performance of the abortion; or (iii) at least one authorized person is present with the minor seeking the abortion; or (iv) the minor has delivered to the physician a written statement signed by an authorized person and witnessed by a competent adult that the authorized person knows of the minor's intent to have an abortion.

W. Petitions filed pursuant to Article 17 (§ 16.1-349 et seq.) of Chapter 11 of Title 16.1 relating to standby guardians for minor children.

Notwithstanding any other provision of law, no fees shall be charged by a sheriff for the service of any process in a proceeding pursuant to subdivision 3 of subsection A or subsection B, D, M or R of this section.

C. Regardless of whether an arrest is made, the officer shall file a written report with his department of any incident in which he has probable cause to believe family abuse has occurred, including, where required, a statement in writing that there are special circumstances which would dictate a course of action other than an arrest. Upon request of the allegedly abused person, the department shall make a summary of the report available to the allegedly abused person. The officer shall also provide the allegedly abused person, both orally and in writing, information regarding the legal and community resources available to the allegedly abused person.

D. In every case in which a law-enforcement officer makes an arrest under this section, he shall petition for an emergency protective order as authorized in § 16.1-253.4 when the person arrested and taken into custody is brought before the magistrate.
