The regulations governing the establishment and operation of the lottery shall be promulgated by the Board after consultation with the Director. Except as provided in § 58.1-4028, such regulations shall be in accordance with the Administrative Process Act (§ 9-6.14:1 et seq.). The regulations shall provide for all matters necessary or desirable for the efficient, honest and economical operation and administration of the lottery and for the convenience of the purchasers of tickets or shares, and the holders of winning tickets or shares. 3. The numbers and sizes of the prizes on the winning tickets or shares, including informing the public of the approximate odds of winning and the proportion of lottery revenues (i) disbursed as prizes and (ii) returned to the Commonwealth as net revenues.
4. The manner of selecting the winning tickets or shares.
5. The manner of payment of prizes to the holders of winning tickets or shares.
6. The frequency of the drawings or selections of winning tickets or shares without limitation.

No person under the age of eighteen shall be licensed as an agent. A licensed agent may employ a person who is sixteen years of age or older to sell or otherwise vend tickets at the agent's place of business so long as the employee is supervised in the selling or vending of tickets by the manager or supervisor in charge at the location where the tickets are being sold. Employment of such person shall be in compliance with Chapter 5 (§ 40.1-78 et seq.) of Title 40.1.
11. The manner and amount of compensation, if any, to be paid licensed sales agents necessary to provide for the adequate availability of tickets or shares to prospective buyers and for the convenience of the public.

13. Such other matters necessary or desirable for the efficient and economical operation and administration of the lottery.

The Board shall also promulgate regulations, after consultation with the Director, relative to departmental procurement which include standards of ethics for procurement consistent with the provisions of Article 4 (§ 11-72 et seq.) of Chapter 7 of Title 11 and which ensure that departmental procurement will be based on competitive principles.

The Board shall have the power to advise and recommend, but shall have no power to veto or modify administrative decisions of the Director. *However, the Board shall have the power to accept, modify or reject any revenue projections before such projections are forwarded to the Governor.*

B. The Board shall carry on a continuous study and investigation of the lottery throughout the Commonwealth to:

1. Ascertain any defects of this chapter or the regulations issued hereunder which cause abuses in the administration and operation of the lottery and any evasions of such provisions.
2. Formulate, with the Director, recommendations for changes in this chapter and the regulations promulgated hereunder to prevent such abuses and evasions.
3. Guard against the use of this chapter and the regulations promulgated hereunder as a subterfuge for organized crime and illegal gambling.
4. Ensure that this law and the regulations of the Board are in such form and are so administered as to serve the true purpose of this chapter.

C. The Board shall make a continuous study and investigation of (i) the operation and the administration of similar laws which may be in effect in other states or countries, (ii) any literature on the subject which may be published or available, (iii) any federal laws which may affect the operation of the lottery, and (iv) the reaction of Virginia citizens to the potential features of the lottery with a view to recommending or effecting changes that will serve the purpose of this chapter.

D. The Board shall hear and decide an appeal of any denial by the Director of the licensing or revocation of a license of a lottery agent pursuant to subdivision 10 of subsection A of this section and subdivision 5 of subsection B of § 58.1-4006 of this chapter.

E. The Board shall have the authority to initiate procedures for *the* planning, acquisition, and construction of capital projects as set forth in Article 6 (§ 2.1-224 et seq.) of Chapter 14 and Article 5 (§ 2.1-480 et seq.) of Chapter 32 of Title 2.1.
