Requests shall be considered by the Governor and the General Assembly only in even-numbered years. The Department shall review each application made by an organization for state aid prior to consideration by the General Assembly. The Department shall provide a timely review of any amendments proposed by members of the General Assembly to the chairmen of the House Appropriations and Senate Finance Committees. 1. The property is designated as a historic landmark by the Board and is located on the register prepared by the Department pursuant to § 10.1-2202 or has been declared eligible by the Board for such designation but has not actually been placed on the register of buildings and sites provided for in § 10.1-2202;

2. The society, museum, foundation or association owning such property enters into an agreement with the Department that the property will be open to the public for at least 100 days per year for no less than five years following completion, renovation, or reconstruction;

3. The organization submits the plans and specifications of the project to the Department for review and approval to ensure that the project meets generally accepted standards for historic preservation; and

4. The organization owning the property grants to the Commonwealth a perpetual easement placing restrictions on the use or development of the property satisfactory to the Board, if the organization has received \$50,000 or more within a four-year period pursuant to this section. The easement shall be for the purpose of preserving those features of the property which led to its designation as a historic landmark.

Nothing contained in this subsection shall prohibit any organization from charging a reasonable admission fee during the five-year period required in subdivision 2 herein if the fee is comparable to fees charged at similar facilities in the area.

C. The Department shall be responsible for the administration of this section and §§ 10.1-2211 and 10.1-2212 and the disbursement of all funds appropriated thereto.

State funds appropriated for the operation of historical societies, museums, foundations and associations shall be expended for historical facilities, reenactments, meetings, conferences, tours, seminars or other general operating expenses as may be specified in the general appropriations act. Funds appropriated for these purposes shall be distributed annually to the treasurers of any such organizations. The appropriations act shall clearly designate that all such funds are to be used for the operating expenses of such organization.
