"Import" and "imported" are words applicable to tangible personal property imported into this Commonwealth from other states as well as from foreign countries, and "export" and "exported" are words applicable to tangible personal property exported from this Commonwealth to other states as well as to foreign countries.

63 limited to, those businesses classified in codes 10 through 14 and 20 through 39 published in the  
64 Standard Industrial Classification Manual for 1972 and any supplements issued thereafter.

65 "Motor vehicle" means a "motor vehicle" as defined in § 58.1-2401, taxable under the provisions of  
66 the Virginia Motor Vehicles Sales and Use Tax Act (§ 58.1-2400 et seq.) and upon the sale of which all  
67 applicable motor vehicle sales and use taxes have been paid.

68 "Occasional sale" means a sale of tangible personal property not held or used by a seller in the  
69 course of an activity for which he is required to hold a certificate of registration, including the sale or  
70 exchange of all or substantially all the assets of any business and the reorganization or liquidation of  
71 any business, provided such sale or exchange is not one of a series of sales and exchanges sufficient in  
72 number, scope and character to constitute an activity requiring the holding of a certificate of registration.

73 "Person" includes any individual, firm, copartnership, cooperative, nonprofit membership corporation,  
74 joint venture, association, corporation, estate, trust, business trust, trustee in bankruptcy, receiver,

81 "Retail sale" or a "sale at retail" means a sale to any person for any purpose other than for resale in  
82 the form of tangible personal property or services taxable under this chapter, and shall include any such  
83 transaction as the Tax Commissioner upon investigation finds to be in lieu of a sale. All sales for resale  
84 must be made in strict compliance with regulations applicable to this chapter. Any dealer making a sale  
85 for resale which is not in strict compliance with such regulations shall be personally liable for payment  
86 of the tax.

87 The terms "retail sale" and a "sale at retail" shall specifically include the following: (i) the sale or  
88 charges for any room or rooms, lodgings, or accommodations furnished to transients for less than ninety  
89 continuous days by any hotel, motel, inn, tourist camp, tourist cabin, camping grounds, club, or any  
90 other place in which rooms, lodging, space, or accommodations are regularly furnished to transients for  
91 a consideration; and (ii) sales of tangible personal property to persons for resale when because of the  
92 operation of the business, or its very nature, or the lack of a place of business in which to display a  
93 certificate of registration, or the lack of a place of business in which to keep records, or the lack of  
94 adequate records, or because such persons are minors or transients, or because such persons are engaged  
95 in essentially service businesses, or for any other reason there is likelihood that the Commonwealth will  
96 lose tax funds due to the difficulty of policing such business operations. The Tax Commissioner is  
97 authorized to promulgate regulations requiring vendors of or sellers to such persons to collect the tax  
98 imposed by this chapter on the cost price of such tangible personal property to such persons and may  
99 refuse to issue certificates of registration to such persons.

100 The term "transient" shall not include a purchaser of camping memberships, time-shares,  
101 condominiums, or other similar contracts or interests that permit the use of, or constitute an interest in,  
102 real estate, however created or sold and whether registered with this Commonwealth or not. Further, a  
103 purchaser of a right or license which entitles the purchaser to use the amenities and facilities of a  
104 specific real estate project on an ongoing basis throughout its term shall not be deemed a transient;  
105 provided, however, that the term or time period involved is for seven years or more.

106 *The terms "retail sale" and "sale at retail" shall not include a transfer of title to tangible personal*  
107 *property after its use as tools, tooling, machinery or equipment, including dies, molds, and patterns, if*  
108 *(i) at the time of purchase, the purchaser is obligated, under the terms of a written contract, to make*  
109 *the transfer and (ii) the transfer is made for the same or a greater consideration to the person for*  
110 *whom the purchaser manufactures goods.*

111 "Retailer" means every person engaged in the business of making sales at retail, or for distribution,  
112 use, consumption, or storage to be used or consumed in this Commonwealth.

113 "Sale" means any transfer of title or possession, or both, exchange, barter, lease or rental, conditional  
114 or otherwise, in any manner or by any means whatsoever, of tangible personal property and any  
115 rendition of a taxable service for a consideration, and includes the fabrication of tangible personal  
116 property for consumers who furnish, either directly or indirectly, the materials used in fabrication, and  
117 the furnishing, preparing, or serving for a consideration of any tangible personal property consumed on  
118 the premises of the person furnishing, preparing, or serving such tangible personal property. A  
119 transaction whereby the possession of property is transferred but the seller retains title as security for the  
120 payment of the price shall be deemed a sale.

121 "Sales price" means the total amount for which tangible personal property or services are sold,

including any services that are a part of the sale, valued in money, whether paid in money or otherwise, and includes any amount for which credit is given to the purchaser, consumer, or lessee by the dealer, without any deduction therefrom on account of the cost of the property sold, the cost of materials used, labor or service costs, losses or any other expenses whatsoever. "Sales price" shall not include (i) any cash discount allowed and taken or (ii) finance charges, carrying charges, service charges or interest from credit extended on sales of tangible personal property under conditional sale contracts or other conditional contracts providing for deferred payments of the purchase price. Where used articles are taken in trade, or in a series of trades as a credit or part payment on the sale of new or used articles, the tax levied by this chapter shall be paid on the net difference between the sales price of the new or used articles and the credit for the used articles.

"Storage" means any keeping or retention of tangible personal property for use, consumption or distribution in this Commonwealth, or for any purpose other than sale at retail in the regular course of business.

"Tangible personal property" means personal property which may be seen, weighed, measured, felt, or touched, or is in any other manner perceptible to the senses. The term "tangible personal property" shall not include stocks, bonds, notes, insurance or other obligations or securities.

"Use" means the exercise of any right or power over tangible personal property incident to the ownership thereof, except that it does not include the sale at retail of that property in the regular course of business. The term does not include the exercise of any right or power, including use, distribution, or storage, over any tangible personal property sold to a nonresident donor for delivery outside of the Commonwealth to a nonresident recipient pursuant to an order placed by the donor from outside the Commonwealth via mail or telephone.

"Use tax" refers to the tax imposed upon the use, consumption, distribution, and storage as herein defined.

"Used directly," when used in relation to manufacturing, processing, refining, or conversion, refers to those activities which are an integral part of the production of a product, including all steps of an integrated manufacturing or mining process, but not including ancillary activities such as general maintenance or administration. When used in relation to mining, it shall refer to the activities specified above, and in addition, any reclamation activity of the land previously mined by the mining company required by state or federal law.
