*An Act to amend and reenact §§ 18.2-247, 18.2-248 and 54.1-3446 of the Code of Virginia, relating to controlled substances; penalty.*

[H 1896]

Approved

**Be it enacted by the General Assembly of Virginia:**

**1. That §§ 18.2-247, 18.2-248 and 54.1-3446 of the Code of Virginia are amended and reenacted as follows:**

§ 18.2-247. Use of terms "controlled substances," "marijuana," "Schedules I, II, III, IV, V and VI" and "imitation controlled substance" in Title 18.2.

A. Wherever the terms "controlled substances," "marijuana" and "Schedules I, II, III, IV, V and VI" are used in Title 18.2, such terms refer to those terms as they are used or defined in the Drug Control Act, Chapter 34 of Title 54.1.

B. The term "imitation controlled substance" when used in this article means a pill, capsule, tablet, or substance in any form whatsoever which is not a controlled substance subject to abuse, and:

1. Which by overall dosage unit appearance, including color, shape, size, marking and packaging or by representations made, would cause the likelihood that such a pill, capsule, ~~or~~ tablet, *or substance in any other form whatsoever* will be mistaken for a controlled substance unless such substance was introduced into commerce prior to the initial introduction into commerce of the controlled substance which it is alleged to imitate; or

2. Which by express or implied representations purports to act like a controlled substance as a stimulant or depressant of the central nervous system and which is not commonly used or recognized for use in that particular formulation for any purpose other than for such stimulant or depressant effect, unless marketed, promoted, or sold as permitted by the United States Food and Drug Administration.

C. In determining whether a pill, capsule, tablet, or substance in any other form whatsoever, is an "imitation controlled substance," there shall be considered, in addition to all other relevant factors, comparisons with accepted methods of marketing for legitimate nonprescription drugs for medicinal purposes rather than for drug abuse or any similar nonmedicinal use, including consideration of the packaging of the drug and its appearance in overall finished dosage form, promotional materials or representations, oral or written, concerning the drug, and the methods of distribution of the drug and where and how it is sold to the public.

§ 18.2-248. Manufacturing, selling, giving, distributing or possessing with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance prohibited; penalties.

A. Except as authorized in the Drug Control Act (§ 54.1-3400 et seq.), it shall be unlawful for any person to manufacture, sell, give, distribute, or possess with intent to manufacture, sell, give or distribute a controlled substance or an imitation controlled substance.

B. In determining whether any person intends to manufacture, sell, give or distribute an imitation controlled substance, the court may consider, in addition to all other relevant evidence, whether any distribution or attempted distribution of such pill, capsule ~~or~~, tablet *or substance in any other form whatsoever* included an exchange of or a demand for money or other property as consideration, and, if so, whether the amount of such consideration was substantially greater than the reasonable value of such pill, capsule ~~or~~, tablet *or substance in any other form whatsoever*, considering the actual chemical composition of such pill, capsule ~~or~~, tablet *or substance in any other form whatsoever* and, where applicable, the price at which over-the-counter substances of like chemical composition sell.

C. Any person who violates this section with respect to a controlled substance classified in Schedule I or II shall upon conviction be imprisoned for not less than five nor more than forty years and fined not more than \$500,000. Upon a second or subsequent conviction of such a violation, any such person may, in the discretion of the court or jury imposing the sentence, be sentenced to imprisonment for life or for any period not less than five years and be fined not more than \$500,000.

D. If such person proves that he gave, distributed or possessed with intent to give or distribute a controlled substance classified in Schedule I or II only as an accommodation to another individual who is not an inmate in a community correctional facility, local correctional facility or state correctional facility as defined in § 53.1-1 or in the custody of an employee thereof, and not with intent to profit thereby from any consideration received or expected nor to induce the recipient or intended recipient of the controlled substance to use or become addicted to or dependent upon such controlled substance, he shall be guilty of a Class 5 felony.

ENROLLED

HB1896ER

E. If the violation of the provisions of this article consists of the filling by a pharmacist of the prescription of a person authorized under this article to issue the same, which prescription has not been received in writing by the pharmacist prior to the filling thereof, and such written prescription is in fact received by the pharmacist within one week of the time of filling the same, or if such violation consists of a request by such authorized person for the filling by a pharmacist of a prescription which has not been received in writing by the pharmacist and such prescription is, in fact, written at the time of such request and delivered to the pharmacist within one week thereof, either such offense shall constitute a Class 4 misdemeanor.

F. Any person who violates this section with respect to a controlled substance classified in Schedule III, IV or V or an imitation controlled substance which imitates a controlled substance classified in Schedule III, IV or V, except for an anabolic steroid classified in Schedule III constituting a violation of § 18.2-248.5, shall be guilty of a Class 1 misdemeanor.

G. Any person who violates this section with respect to an imitation controlled substance which imitates a controlled substance classified in Schedule I or II shall be guilty of a Class 6 felony. In any prosecution brought under this subsection, it is not a defense to a violation of this subsection that the defendant believed the imitation controlled substance to actually be a controlled substance.

H. "Drug kingpin" means a person who was the principal or one of several principal administrators, organizers or leaders of a continuing criminal enterprise if (i) the enterprise received at least \$500,000 in gross receipts during any twelve-month period of its existence from the manufacture, importation, or distribution of heroin or cocaine or ecgonine or the derivatives, salts, isomers, or salts of isomers thereof or (ii) the person engaged in the enterprise to manufacture, sell, give, distribute or possess with the intent to manufacture, sell, give or distribute the following:

I. For purposes of subsection H of this section, a person is engaged in a continuing criminal enterprise if (i) he violates any provision of this section, the punishment for which is a felony and (ii) such violation is a part of a continuing series of violations of this section which are undertaken by such person in concert with five or more other persons with respect to whom such person occupies a position of organizer, a supervisory position, or any other position of management, and from which such person obtains substantial income or resources.
