D. Any person twenty-one years of age or older may apply in writing to the clerk of the circuit court of the county or city in which he resides for a five-year permit to carry a concealed handgun. Notwithstanding § 15.2-915, a county or city may enact an ordinance which requires any applicant for a concealed handgun permit to submit to fingerprinting for the purpose of obtaining the applicant's state or national criminal history record. The application shall be made under oath before a notary or other person qualified to take oaths and shall be made only on a form prescribed by the Department of State Police, in consultation with the Supreme Court, requiring only that information necessary to determine eligibility for the permit. The court shall consult with the law-enforcement authorities of the county or city and receive a report from the Central Criminal Records Exchange. As a condition for issuance of a concealed handgun permit, the applicant shall submit to fingerprinting if required by local ordinance in the county or city where the applicant resides and provide personal descriptive information to be forwarded with the fingerprints through the Central Criminal Records Exchange to the Federal Bureau of Investigation for the purpose of obtaining criminal history record information regarding the applicant, and obtaining fingerprint identification information from federal records pursuant to criminal investigations by state and local law-enforcement agencies. Fingerprints taken for the purposes described in this section shall not be copied, held or used for any other purposes. The court shall issue the permit within forty-five days of receipt of the completed application unless it is determined that the applicant is disqualified. If the applicant is later found by the court to be disqualified, the permit shall be revoked.

The order issuing such permit shall be provided to the State Police and the law-enforcement agencies of the county or city. The State Police shall enter the permittee's name and description in the Virginia Criminal Information Network so that the permit's existence and current status will be made known to law-enforcement personnel accessing the Network for investigative purposes.

L. The Superintendent of State Police shall (a) in consultation with the Office of the Attorney General determine which states meet the requirements and qualifications of this section, (b) maintain a registry of such states on the Virginia Criminal Information Network (VCIN), and (c) make the registry available to law-enforcement officers for investigative purposes.

Q. The provisions of this statute or the application thereof to any person or circumstances which are held invalid shall not affect the validity of other provisions or applications of this statute which can be given effect without the invalid provisions or applications. This subsection is to reiterate § 1-17.1 and is not meant to add or delete from that provision.
